ITEM 4.01

Changes in Registrant=s Certifying Accountant

On July 25, 2008, Madsen & Associates CPA's Inc. (the "New Accountant") of 684 East Vine Street, #3, Murray, Utah 84107 was retained as the auditors for Nexia Holdings, Inc. (the "Company").

In making the selection of the New Accountant, the Company's management and board of directors reviewed auditor independence issues and the absence of any pre-existing business or commercial relationship with the New Accountant and concluded that there are no such relationships that would impair the independence of the New Accountant. The board and management of the Company concluded that the geographical proximity would benefit the Company in working with the New Accountant and promote the timely completion of work requested from the New Accountant.

During the two fiscal years ended December 31, 2006 and December 31, 2007 and through July 25, 2008, the Company did not consult with Madsen & Associates regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.

As reported in the 8-K/A filing of July 28, 2008, reporting on the resignation of Hansen Barnett & Maxwell, (Former Accountant) during the Company's two most recent fiscal years and the subsequent interim period through the date of resignation, there were no disagreements with the Former Accountant on any matters of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which, if not resolved to the satisfaction of the Former Accountant, would have caused it to make reference to the subject matter of the disagreement in connection with its reports on these financial statements for those periods, unless or except as set forth in the stated filing.
