ITEM 1.

INFORMATION STATEMENT

This information statement is being furnished to all holders of the common stock of Nexia Holdings, Inc., a Nevada Company ("Nexia"), in connection with resolutions of the Board of Directors and the written consent of the holders of in excess of 50% of the voting rights of the shareholders of Nexia. The board of directors, as approved by the written consent of the holders of in excess of 53% of the voting rights of the shareholders of Nexia, provides public notice of the approval and authorization to carry out the process of moving the domicile of Nexia from Nevada to the State of Utah.

The Board of Directors, and persons owning a majority of the outstanding voting securities of Nexia, have unanimously adopted, ratified and approved the proposed actions by the Nexia board of directors. No other votes are required or necessary. See the caption "Vote Required for Approval" below. The new Utah corporation will have total authorized preferred stock as currently authorized by the Nevada corporation, with the same rights and designations as currently exists and the total number of authorized common stock shall be increased to a total of 100 billion shares of common stock with a stated par value of \$ 0.0001 per share. Any actions adopted by the board of directors will become effective upon final approval by the board and the filing of required notices with the Nevada Secretary of State's office and the Department of Commerce in the State of Utah.

The Form 10-Q for quarterly period ended September 30, 2008 and the form 10-KSB for the year ended December 31, 2007, and any reports on Form 8-K filed by Nexia during the past year with the Securities and Exchange Commission

may be viewed on the Securities and Exchange Commissions web site at www.sec.gov in the Edgar Archives. Nexia is presently current in the filing of all reports required to be filed by it. See the caption Additional Information, below.

GRANT AUTHORITY TO THE BOARD OF DIRECTORS TO MOVE THE CORPORATIONS' STATE OF REGISTRY FROM NEVADA TO UTAH.

Nexia's board had determined that it would be in the Company's best interest in the near future to move the domicile and state of registry of the Company from Nevada to Utah and has received the consent of holders of a majority of the voting rights of the Company's securities to authorize the board to conduct such a move, with the timing and process to be made at the Board's discretion.

The board believes that such a move would provide for greater ease in administration with the offices of the Company located in the State of Utah and also that the expenses of maintaining the Company are expected to be significantly less in Utah than they are presently in Nevada.

Reasons for the move:

The primary purposes of the move are to accomplish the following:

- a) Decrease the maintenance costs of the Company, including fess and registration charges imposed by the State of Nevada, maintenance of a registered agent, and
- b) Reduce the time and expense of maintaining the Company's corporate records in Nevada while the corporate offices are located in Salt Lake City, Utah.

For the above reasons, the board believes that the move is in the best interest of the Company and its shareholders. There can be no assurance, however, that the move will have the desired benefits over the future as changes in Utah fees and charges may alter any perceived savings or economies.

Process to Redomicile.

The move will be effected by filing an amendment to the Company's Articles of Incorporation with the Nevada Secretary of State's office and will become effective upon such filing and final approval of the board of directors of the Company. The actual timing of any such filing will be made by the board of directors based upon its evaluation as to when the filing will be most advantageous to the Company and its shareholders.

Nexia is currently authorized to issue 5,500,000,000 shares of its common stock of which 1,813,089,532 shares are currently issued and outstanding, 10,000,000 shares of Series B Preferred Stock, which have a 1 for 500 voting right or a total of 5,000,000,000 votes in any shareholder action and 225,000 shares of Series A Preferred Stock, which have a 1 for 100 voting right or 22,500,000 votes in any shareholder action, as of January 2, 2007. Currently, shareholders holding votes equal to not less than 5,022,500,000 of the voting rights have consented in writing to the proposal, this constitutes approval of not less than 50% of the voting rights entitled to vote in any shareholder action. The stated voting rights of the preferred shares outlined above will constitute a majority of all votes on any matter presented to the shareholders.

The effect of the move upon existing shareholders of the common stock are expected to be minimal, the change in state law governing the Company and the rights of shareholders are not expected to change in any significant fashion.

If acted upon by the Company's board of directors, the consent by the majority of the common stock voting rights reported herein would result in approval of the move from Nevada to Utah. The rights and privileges of the holders of shares of common stock will be substantially unaffected by the move. All issued and outstanding options, warrants, and convertible securities would be appropriately adjusted for the move and all shares outstanding on the effective

date of the move would convert into shares of the new Utah corporation with the same rights, options, voting powers and entitlements as previously held through the Nevada corporation. All shares, options, warrants or convertible securities that the Company has agreed to issue (or agrees to issue prior to the effective date of the move) also will be appropriately adjusted to reflect the new Utah corporation.

After the move is authorized and completed administratively there will not be a requirement that shareholders obtain new or replacement share certificates. Each holder of record of shares of the Company's common stock that is outstanding on the effective date of the move may contact the Company's transfer agent to exchange the old Nevada certificates for new Utah certificates representing the number of shares of common shares into which the existing shares have been converted as a result of the move.

EXISTING CERTIFICATES SHOULD NOT BE SENT TO THE COMPANY OR THE TRANSFER AGENT BEFORE THE EFFECTIVE DATE OF THE FILING OF THE PROPOSED MOVE.

Until the shareholder forwards a completed letter of transmittal, together with certificates representing such shareholder's shares of Nevada common stock to the transfer agent and receives in return a new certificate representing shares of Utah common stock, such shareholder's existing common stock shall be deemed equal to the number of shares of Utah common shares to which such shareholder is entitled as a result of the move.

CERTAIN FEDERAL INCOME TAX CONSIDERATIONS

The following discussion describes certain material federal income tax considerations relating to the proposed reverse stock split. This discussion is based upon the Internal Revenue Code, existing and proposed regulations thereunder, legislative history, judicial decisions, and current administrative rulings and practices, all as amended and in effect on the date hereof. Any of these authorities could be repealed, overruled, or modified at any time. Any such change could be retroactive and, accordingly, could cause the tax consequences to vary substantially from the consequences described herein. No ruling from the Internal Revenue Service (the "IRS") with respect to the matters discussed herein has been requested, and there is no assurance that the IRS would agree with the conclusions set forth in this discussion.

This discussion may not address federal income tax consequences that may be relevant to particular shareholders in light of their personal circumstances or to shareholders who may be subject to special treatment under the federal income tax laws. This discussion also does not address any tax consequences under state, local or foreign laws.

SHAREHOLDERS ARE URGED TO CONSULT THEIR TAX ADVISORS AS TO THE PARTICULAR TAX CONSEQUENCE OF THE REVERSE STOCK SPLIT FOR THEM, INCLUDING THE APPLICABILITY OF ANY STATE, LOCAL OR FOREIGN TAX LAWS, CHANGES IN APPLICABLE TAX LAWS AND ANY PENDING OR PROPOSED LEGISLATION.

The move is intended to be a tax-free recapitalization to the Company and its shareholders. Shareholders will not recognize any gain or loss for federal income tax purposes as a result of the move. The holding period for shares of common stock after the move will include the holding period of shares of common stock before the move, provided, that such shares of common stock are held as a capital asset at the effective date of the amendment. The adjusted basis of the shares of common stock after the move will be the same as the adjusted basis of the shares of common stock before the move.

QUESTIONS AND ANSWERS REGARDING THE PROPOSAL AUTHORIZING THE BOARD TO CONDUCT THE PROPOSED MOVE.

Q. WHY HAS THE PROPOSAL BEEN MADE TO AUTHORIZE THE MOVE FROM NEVADA TO UTAH?

A. Our Board of Directors believes that the proposed move to domicile the corporation in Utah would enable Nexia to more easily and with less expense handle the administrative burden of being a corporation. Utah state offices for the recording of corporate records are less than 1 mile from current corporate offices.

Q. WHY IS APPROVAL SOUGHT FOR THE PROPOSED MOVE FROM NEVADA TO UTAH?

A. The Board seeks approval of the move. It is the expectation of the Board that such a move would provide for easier maintenance of the corporate records, save time and expenses related to the corporate governance of the corporation being moved to the same state where the corporate offices are currently located.

Q. HAS THE BOARD OF DIRECTORS APPROVED THE PROPOSALS TO CONDUCT THE PROPOSED MOVE AND INCREASE THE NUMBER OF AUTHORIZED SHARES OF THE COMMON STOCK?

A. All members of the Board of Directors have approved the proposed move and the increase in the number of authorized shares common stock as is in the best interest of Nexia and the best interest of the current shareholders of Nexia.

Q. WILL THE PROPOSED MOVE RESULT IN ANY TAX LIABILITY TO ME?

A. The proposed move is intended to be tax free for federal income tax purposes.

Q. WHAT VOTE OF THE SHAREHOLDERS WILL RESULT IN THE PROPOSAL BEING PASSED?

A. To approve the proposal, the affirmative vote of a majority of the voting rights of the common stock and other shares holding voting rights is required. Consents in favor of the proposal have already been received from shareholders holding a majority of the voting securities of Nexia

Q. WHO IS PAYING FOR THIS INFORMATION STATEMENT?

A. The Company will pay for the delivery of this information statement.

Q. WHOM SHOULD I CONTACT IF I HAVE ADDITIONAL QUESTIONS?

A: Richard Surber, President of Nexia, 59 West 100 South, Second Floor, Salt Lake City, Utah 84101, telephone: (801) 575-8073.
