registrant in connection with Rule 12g3-2(b):

GOL Inaugurates Two New Destinations: Buenos Aires and Aracaju

São Paulo, December 21, 2004 GOL Linhas Aéreas Inteligentes S.A. (NYSE: GOL and Bovespa: GOLL4), Brazil's low-fare, low-cost airline, will begin flights to its first international destination, Buenos Aires, Argentina, tomorrow December 22. Today, the Company added a new domestic route to Aracaju, departing from Salvador. According to Constantino de Oliveira Júnior, GOL's President, the start of regular operations to Buenos Aires and Aracaju further reflects the company's ability to successfully execute its business plan.

The dedication and hard work of our employees coupled with the successful execution of our business plan which incorporates our commitment to provide travelers with flights at affordable prices, has enabled us to both strengthen Brazil's commercial airline industry, and expand our offerings to neighboring countries such as Argentina, said Mr. Oliveira.

Promotional fares to Buenos Aires can be purchased at www.voegol.com.br, with fares starting at US\$167.00 one way (OW). The promotional rates are valid only for round trip ticket purchases until February 2, 2005. Daily flights will depart from São Paulo (Guarulhos Airport) at 10:20 AM and 8:45 PM, arriving in Buenos Aires (Ezeiza Airport), at 12:20 PM and 10:40 PM, respectively.

Air transportation strengthens the tourism industry in the State of Sergipe by conveniently linking Aracaju to other Brazilian cities. By providing this service, GOL will have the privilege of contributing to the region's development. said Lincoln Noriya Amano, GOL's Commercial Director. Daily flights will depart from Aracaju at 5:00 AM, arriving in Salvador at 5:45 AM. Fares start from R\$ 125,00.

About GOL Linhas Aéreas Inteligentes

GOL Linhas Aéreas Inteligentes, a low-cost, low-fare airline, is one of the most profitable and fastest growing airlines in the industry worldwide. GOL operates a simplified fleet with a single-class of service. It also has one of the youngest and most modern fleets in the industry that results in low maintenance, fuel and training costs, and therefore high aircraft utilization and efficiency ratios. In addition, safe and reliable services, which stimulate GOL's brand recognition and customer satisfaction, allow GOL to have the best cost-benefit service in the market. GOL currently offers service to 37 major business and travel destinations in Brazil and one international destination, with substantial expansion opportunities. In 2005, GOL plans to grow by increasing frequencies in existing markets and adding service to additional markets in both Brazil and other high-traffic South American travel destinations. GOL listed its shares on the NYSE and the Bovespa in June 2004.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
