BRASIL TELECOM PARTICIPAÇÕES S.A. CORPORATE TAXPAYER REGISTRATION 02.570.688/0001 -70 BOARD OF TRADE 53.3.0000581 -8 PUBLICLY HELD COMPANY

NOTICE TO SHAREHOLDERS

BRASIL TELECOM PARTICIPAÇÕES S.A. (Company), in compliance with article 12 of CVM (Brazilian Securities and Exchange Commission), Instruction 358, dated 01/03/2002, made an announcement to the Market yesterday informing that the shareholder Credit Suisse First Boston International, with headquarters on One Cabot Square, E144QJ, London, United Kingdom, corporate taxpayer registration number 05.508.895/0001 -93, represented in Brazil by Credit Suisse (Brasil) Distribuidora de Títulos e Valores Mobiliários S.A. (Credit Suisse DTVM), in the quality of an investment management institution, had reached on 06.04.2007 a shareholders participation superior to 5% in the Company s voting shares (ON). However, the Company received new communication today from the same shareholder informing that the correct participation is inferior to the limit of 5% established in CVM Instruction 358/02, as follows:

Dear Sirs,

With reference to our letter dated 06.21.2007, due to a failure in our systems, share grouping approved by the Company s General Shareholders Assembly was not considered as part of the shareholder participation sum.

Therefore, the information contained in the above-mentioned letter, regarding shareholder participation, is incorrect, once the participation is in fact inferior to the limit of 5% established in article 12 of CVM Instruction 358/02.

We apologize and will be glad to clarify any remaining doubts and questions.

Finally, we ask you to please transmit this information to the Brazilian Securities and Exchange Commission CVM and to the São Paulo Stock Exchange, so as to clarify this mistake.

Sincerely, Credit Suisse Brasil (DTVM) S.A.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates offuture economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
