Brasil Telecom Clarifies CVM's Inquiries

In compliance with the Brazilian Securities and Exchange Commission's (Comissão de Valores Mobiliários - CVM) letter CVM/SEP/GEA-2/No. 310/07, submitted on August 23rd, 2007, regarding news published on this date by the Valor Econômico newspaper (page B-3), under the title *Governo exige sócio nacional na BrT-Oi*, Brasil Telecom Participações S.A. and Brasil Telecom S.A. (together, the Company) clarify that they are not participating in any negotiations on the part of their controlling shareholders involving the transfer of shares of companies within their corporate shareholder group. Furthermore, the Company restates that they have not established any understanding, even preliminarily, about merger, acquisition or sale regarding Telemar or any companies related to it.

The Company also advises that their controlling shareholders (Solpart Participações S.A., Techold Participações S.A., Invitel S.A. and Zain Participações S.A.) have nothing to add regarding the issue clarified above.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
