**PRE-SALT WORKING GROUP**

Rio de Janeiro, August 07 2009 PETRÓLEO BRASILEIRO S/A PETROBRAS, announces that received today a written notice from the National Petroleum Agency (ANP), inviting the Company to join a working group to be formed by Petrobras and ANP employees. The group aims to establish an exploratory program in view to develop knowledge about the geological and geophysical characteristics of the pre-salt area that is not under private concession. Petrobras also informs that it will indicate next week its employees who will to join the group.

## FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
