Dear Sir/Madam:

In reference to Official Letter 810/2018-SAE (“Letter”), dated April 30, 2018, through which you requested clarifications from Braskem S.A. (“Braskem” or “Company”) on an article published on

said date in the newspaper *Valor Econômico* entitled, “*Oferta da Braskem*” [Braskem Offering], as transcribed below:

*Dear Sir/Madam:*

*The article published in the newspaper Valor Econômico, on April 30, 2018, entitled “Oferta da Braskem” states, among other things, that:*

- 1. The controlling shareholders of the petrochemical company Braskem, namely Petrobrás and Odebrecht, already have begun to form a syndicate of banks that will be responsible for offering shares in the company;*
- 2. The banks Citi, Bank of America, Bradesco BBI and Santander will be among the first to form the group, but the syndicate is not yet closed;*
- 3. Primary and secondary offerings are planned for the first half of the year.*

*We request clarifications on the above items, by May 2, 2018, including your confirmation or denial, as well as any other information deemed relevant.”*

As requested, Braskem clarifies to the market and to its shareholders that:

- a) to date, no studies have been conducted by Braskem for the realization of a primary offering of shares;
- b) Braskem has not contracted any Bank to carry out a share offering, whether primary or secondary;
- c) the decision to carry out a secondary share offering is attributed exclusively to the shareholder(s) of Braskem;
- d) Braskem solicited information from its controlling shareholder, Odebrecht S.A., which informed that no decision has been taken with regard to the realization of a secondary share offering by Braskem and that it has not contracted banks for such; and
- e) similarly, Braskem solicited information from Petrobras, a shareholder that is party to the shareholders’ agreement, which also informed that it has not taken any decision with regard to any transaction involving the sale of shares held by it and that no bank has been contracted for carrying out the alleged transaction.

The Company will keep the market duly informed of any facts deemed relevant involving the matter.

## FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
