(1) Surrender of unvested restricted stock and the related dividends due to termination of employment with the company.

The number of underlying securities is based on the stock fund balance on February 1, 2007. The stock account balance reflected in this report is based on a February 1, 2007, stock fund price of \$93.85 per share.

(3) Each share of phantom stock is the economic equivalent of one share of Johnson Controls common stock. Shares of phantom stock are payable in cash following the reporting person's termination of employment with the company and may be transferred by the reporting person into an alternative investment account at any time.

(4) The phantom stock units were accrued under the Johnson Controls Equalization 401(k) Benefit Plan and are to be settled 100% in cash upon the reporting person's retirement or other termination of service.
