**Item 7.01 Regulation FD Disclosure.**

During the May 5, 2008 Earnings Conference Call Denis K. Sheahan, the Chief Financial Officer of Independent Bank Corp. (the "Company"), responded to a question posed about the Company's projected percentage increase in non-interest expense from 2007 to 2008 by stating, in substance, that the percentage increase would be 13 percent (13%) primarily due to increased non-interest expenses associated with the Company's March 1, 2008 acquisition of Slades Ferry Bancorp. The response given to the question, however, was an inadvertent, minor underestimate because the Company anticipates that its projected percentage increase in non-interest expense from 2007 to 2008 will be approximately 16 percent (16%).
