Item 1.01 Entry into a Material Definitive Agreement.

On June 20, 2012, Cabot Corporation (the "Company") and N Beta S.à r.l. (the "Seller"), an affiliate of Doughty Hanson & Co Managers Limited and Euroland Investments B.V., entered into an Agreement (the "Agreement") pursuant to which, subject to the terms and conditions set forth in the Agreement, the Company agreed to purchase from the Seller all of the issued and outstanding share capital of Norit N.V. (the "Target") for a purchase price of \$1.1 billion.

The transaction is expected to close by the end of calendar year 2012. Each party's obligation to complete the transaction is subject to the fulfillment of certain conditions, including (i) expiration or termination of the applicable waiting period under the United States Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and the rules and regulations promulgated thereunder, (ii) the transaction having been cleared by the German antitrust authority or deemed to be cleared pursuant to the lapse of the applicable waiting period, (iii) Dutch works council consultation and advice, (iv) subject to certain exceptions, the accuracy of the warranties of the other party contained in the Agreement and (v) material performance and compliance of the other party with its agreements and obligations contained in the Agreement. The Agreement is not subject to a financing condition.

Either party may terminate the Agreement if one or more conditions to closing remain unsatisfied at, or become impossible to satisfy before, 120 days after receipt of advice from the Target's Dutch works council.

The Company expects the acquisition to be financed with approximately \$200 million cash on hand and \$300 million of borrowings under the Company's existing revolving credit facility. In addition, the Company plans to issue approximately \$600 million of long-term debt prior to the closing of the transaction.
