Item 1.01 Entry into a Material Definitive Agreement.

On October 25, 2013, Independence Realty Operating Partnership, LP, or IROP, the operating partnership of Independence Realty Trust, Inc., or IRT, entered into a secured revolving credit agreement, or the credit agreement, with The Huntington National Bank. Subject to the terms and conditions of the credit agreement, IROP may borrow up to the lesser of \$20.0 million, 60% of the total acquisition costs of all properties, or the borrowing base properties, acquired with advances under the credit agreement and an amount that would not cause IROP to exceed a defined debt service coverage ratio. Advances under the credit agreement bear interest at a defined daily fluctuating LIBO rate plus 2.75% per annum or a defined prime commercial rate. Each advance against a specific borrowing base property must be repaid within six months after the property first becomes a borrowing base property. IROP must also make mandatory principal payments from time to time if, due to any reduction in net operating income at a borrowing base property, the defined debt service coverage ratio is no longer satisfied for the pool of borrowing base properties to the extent necessary to remain in compliance with such ratio. The initial maturity date of the credit agreement when any outstanding advances must be repaid is October 25, 2016 and IROP will have the option to extend the credit agreement for 12 months upon its satisfaction of defined conditions. The credit agreement will be secured by the equity of any of IROP's subsidiaries which own any borrowing base properties and guaranteed by those subsidiaries and by IRT.

The credit agreement contains customary financial and other covenants, representations and warranties and conditions precedent to each advance. The credit agreement contains events of default (subject to certain materiality thresholds and grace periods) customary for this type of transaction, including payment defaults; covenant breaches, failure to pay defined material indebtedness, bankruptcy or insolvency proceedings; a defined change of control or change of management .

The foregoing description of the credit agreement and IRT's related guaranty does not purport to be complete and is qualified in its entirety by reference to the full text of the credit agreement and IRT's related guaranty, which have been filed with this Current Report on Form 8-K as Exhibits 10.1 and 10.2, respectively.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.
