**Wawa Corporation**

**Summary Financial Data**

*Wawa Portfolio*

On March 29, 2006, we acquired 100% of the membership interests (the *Interests*) in Cole WW II, LLC ( *WW II* ). Through certain wholly owned subsidiaries WW II owns, as its only assets, a portfolio of three separate freestanding convenience stores (the *Wawa Properties*) leased to Wawa, Inc. ( *Wawa* ). The *Wawa Properties* consist of an approximately 5,200 square foot single-tenant convenience store on an approximately 1.6 acre site located in Hockessin, Delaware, an approximately 4,700 square foot single tenant convenience store on an approximately 6.5 acre site located in Manahawkin, New Jersey, and an approximately 4,500 square foot single tenant convenience store on an approximately 0.9 acre site located in Narberth, Pennsylvania. The *Wawa Properties* were developed between 2000 and 2001. The *Wawa Properties* are 100% leased to Wawa under a master lease agreement. Pursuant to the lease agreement Wawa is required to pay substantially all operating expenses and capital expenditures in addition to base rent.

The purchase price of the *Interests* was approximately \$13.5 million, exclusive of closing costs. The acquisition was funded by net proceeds from the Company's ongoing public offering and the assumption of an approximately \$7.2 million loan secured by the *Wawa Properties*.

Wawa operates over 500 food convenience stores in 5 states, specializing in convenience foods, grocery items and gasoline products. In determining the creditworthiness of Wawa, the Company considered a variety of factors, including historical financial information and financial performance and local market position.

Because the *Wawa Properties* are 100% leased to a single tenant on a long-term basis under a net lease that transfers substantially all of the operating costs to the tenant, we believe that the financial condition and results of operations of the lessee, Wawa, are more relevant to investors than the financial statements of the property acquired. As a result, pursuant to guidance provided by the Securities and Exchange Commission, we have not provided audited financial statements of the property acquired.

The following summary financial data regarding Wawa is taken from its previously audited financial statements:
