Forward-Looking Statements:

This news release contains certain forward-looking information and statements. Forward-looking statements relate to Ocean Rig's expectations, beliefs, intentions or strategies regarding the future. These statements may be identified by the use of words like anticipate, believe, estimate, expect, intend, may, plan, project, should, seek, expressions. Forward-looking statements reflect Ocean Rig's current views and assumptions with respect to future events and are subject to risks and uncertainties.

The forward-looking statements in this release are based upon various assumptions, many of which are based, in turn, upon further assumptions, including without limitation, management's examination of historical operating trends, data contained in Ocean Rig's records and other data available from third parties. Although Ocean Rig believes that these assumptions were reasonable when made, because these assumptions are inherently subject to significant uncertainties and contingencies that are difficult or impossible to predict and are beyond Ocean Rig's control, Ocean Rig cannot assure you that it will achieve or accomplish these expectations, beliefs or projections described in the forward-looking statements contained herein. Actual and future results and trends could differ materially from those set forth in such statements.

Important factors that, in Ocean Rig's view, could cause actual results to differ materially from those discussed in the forward-looking statements include (i) factors related to the MLP's ability to consummate its initial public offer; (ii) factors related to the offshore drilling market, including supply and demand, utilization, day rates and customer drilling programs; (iii) hazards inherent in the drilling industry and marine operations causing personal injury or loss of life, severe damage to or destruction of property and equipment, pollution or environmental damage, claims by third parties or customers and suspension of operations; (iv) changes in laws and governmental regulations, particularly with respect to environmental matters; (v) the availability of competing offshore drilling vessels; (vi) political and other uncertainties, including risks of terrorist acts, war and civil disturbances, piracy, significant governmental influence over many aspects of local economies, seizure, nationalization or expropriation of property or equipment, repudiation, nullification, modification or renegotiation of contracts, limitations on insurance coverage, such as war risk coverage, in certain areas, political unrest, foreign and U.S. monetary policy and foreign currency fluctuations and devaluations, the inability to repatriate income or capital, complications associated with repairing and replacing equipment in remote locations, import-export quotas, wage and price controls or any other imposition of trade barrier; regulatory or financial requirements to comply with foreign bureaucratic actions, changing taxation policies, and other forms of government regulation and economic conditions that are beyond our control; (vii) the performance of the Company's drilling units; (viii) the Company's ability to procure or have access to financing and comply with its loan covenants; (ix) the Company's ability to successfully employ its drilling units; (x) the Company's capital expenditures, including the timing and cost of completion of capital projects; and (xi) the Company's revenues and expenses. Due to such uncertainties and risks, investors are cautioned not to place undue reliance upon such

forward-looking statements.

Risks and uncertainties are further described in reports filed by Ocean Rig UDW Inc. and Ocean Rig Partners LP with the SEC.
