Item 1.01 Entry into a Material Definitive Agreement.

The information set forth below under Item 8.01 of this Current Report on Form 8-K with respect to the Purchase Agreement (as defined below) is incorporated by reference into this Item 1.01.

Item 8.01 Other Events.

On May 17, 2018, Kraton Corporation (the “Company”) issued a press release announcing the pricing of €290.0 million aggregate principal amount of 5.25% Senior Notes due 2026 (the “Notes”), which will be issued by Kraton Polymers LLC and Kraton Polymers Capital Corporation, its wholly-owned subsidiaries (collectively, the “Issuers”), pursuant to their previously announced private offering of the Notes (the “Offering”). The Offering is expected to close on May 24, 2018, subject to customary closing conditions.

In connection with the pricing of the Offering on May 17, 2018, the Issuers, together with the Company and certain of its other wholly-owned domestic subsidiaries, as guarantors (the “Guarantors”), entered into a purchase agreement (the “Purchase Agreement”) with J.P. Morgan Securities plc, Credit Suisse Securities (Europe) Limited and Deutsche Bank Securities Inc. (collectively, the “Initial Purchasers”), to issue and sell the Notes to the Initial Purchasers for resale in the United States to persons reasonably believed to be qualified institutional buyers under Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”), and outside the United States to non-U.S. persons in compliance with Regulation S under the Securities Act.

The Purchase Agreement contains representations, warranties and covenants by the Issuers and the Guarantors and closing conditions, which the Company believes are customary for transactions of this type and amount. Under the terms of the Purchase Agreement, the Issuers and the Guarantors have agreed to indemnify the Initial Purchasers against certain liabilities.

The foregoing summary of the Purchase Agreement does not purport to be complete and is qualified by reference to the complete terms of such Purchase Agreement, a copy of which is filed with this Current Report on Form 8-K as Exhibit 1.1 and incorporated by reference herein. There are representations and warranties contained in the Purchase Agreement that were made by the parties to each other as of specific dates. The assertions embodied in the representations and warranties were made solely for purposes of the Purchase Agreement and may be subject to important qualifications and limitations agreed to by the parties in connection with negotiating the Purchase Agreement’s terms. Moreover, certain of these representations and warranties may not be accurate and complete as of any specified date because (i) they may be subject to contractual standards of materiality that differ from standards generally applicable to investors or (ii) they may have been used to allocate risk among the parties rather than to establish matters as facts. Based on the foregoing you should not rely on the representations and warranties included in the Purchase Agreement as statements of factual information, whether about the Company or any of its subsidiaries, any other persons, any state of affairs or otherwise.

A copy of the press release announcing the pricing of the Offering is filed with this Current Report on Form 8-K as Exhibit 99.1 and incorporated by reference herein.

In addition, on May 21, 2018, the Company issued a press release announcing the results of the previously announced tender offer (the “Tender Offer”) by the Issuers to purchase any and all of the Issuers’ outstanding 10.500% Senior Notes due 2023 (the “10.5% Notes”), which commenced on May 14, 2018 and expired at 5:00 p.m., New York City time, on May 18, 2018. A copy of the press release announcing the results of the Tender Offer is filed with this Current Report on Form 8-K as Exhibit 99.2 and incorporated by reference herein.

This report does not constitute an offer to sell or the solicitation of an offer to purchase any of the foregoing securities, nor shall there be any sale of the securities in any state or jurisdiction in which such offer, solicitation, sale or purchase would be unlawful prior to the registration or qualification under the securities laws of any such jurisdiction. This report also does not constitute an offer to purchase any 10.5% Notes or notice of redemption under the optional redemption provisions of the indenture governing any series of notes.
