EXPLANATORY NOTE

We are an “emerging growth company” under applicable federal securities laws and therefore permitted to take advantage of certain reduced public company reporting requirements. As an emerging growth company, we provide in this proxy statement the scaled disclosure permitted under the Jumpstart Our Business Startups Act of 2012, or the JOBS Act, including the compensation disclosures required of a “smaller reporting company,” as that term is defined in Rule 12b-2 promulgated under the Securities Exchange Act of 1934. In addition, as an emerging growth company, we are not required to conduct votes seeking approval, on an advisory basis, of the compensation of our named executive officers or the frequency with which such votes must be conducted. We will remain an “emerging growth company” until the earliest of (i) the last day of the fiscal year in which we have total annual gross revenues of \$1 billion or more; (ii) December 31, 2019; (iii) the date on which we have issued more than \$1 billion in nonconvertible debt during the previous three years; or (iv) the date on which we are deemed to be a large accelerated filer under the rules of the SEC.

IMPORTANT INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

Why is the Company Soliciting My Proxy?

The Board of Directors of NephroGenex, Inc. is soliciting your proxy to vote at the 2015 annual meeting of stockholders to be held at Hyatt House Raleigh North Hills, 160 Park at North Hills Street, Raleigh, North Carolina 27609, on Thursday, April 30, 2015, at 9:00 a.m. EST and any adjournments of the meeting, which we refer to as the annual meeting. The proxy

statement along with the accompanying Notice of Annual Meeting of Stockholders summarizes the purposes of the meeting and the information you need to know to vote at the Annual Meeting.

We have sent you this proxy statement, the Notice of Annual Meeting of Stockholders, the proxy card and a copy of our Annual Report on Form 10-K for the fiscal year ended December 31, 2014 because you owned shares of NephroGenex, Inc. common stock on the record date. The Company intends to commence distribution of the proxy materials to stockholders on or about April 2, 2015.

Who Can Vote?

Only stockholders who owned our common stock at the close of business on March 25, 2015 are entitled to vote at the annual meeting. On this record date, there were 8,863,614 shares of our common stock outstanding and entitled to vote. Our common stock is our only class of voting stock.

You do not need to attend the annual meeting to vote your shares. Shares represented by valid proxies, received in time for the annual meeting and not revoked prior to the annual meeting, will be voted at the annual meeting. For instructions on how to change or revoke your proxy, see “May I Change or Revoke My Proxy?” below.

How Many Votes Do I Have?

Each share of our common stock that you own entitles you to one vote.

How Do I Vote?

Whether you plan to attend the annual meeting or not, we urge you to vote by proxy. All shares represented by valid proxies that we receive through this solicitation, and that are not revoked, will be voted in accordance with your instructions on the proxy card or as instructed via Internet or telephone. You may specify whether your shares should be voted for or withheld for each nominee for director, and whether your shares should be voted for, against or abstain with respect to each of the other proposals. If you properly submit a proxy without giving specific voting instructions, your shares will be voted in accordance with the Board’s recommendations as noted below. Voting by proxy will not affect your right to attend the annual meeting. If your shares are registered directly in your name through our stock transfer agent, Computershare Trust Company, N.A., or you have stock certificates registered in your name, you may vote:

By mail. If you received a proxy card by mail, you can vote by mail by completing, signing, dating and returning the proxy card as instructed on the card. If you sign the proxy card but do not specify how you want your shares voted, they will be voted in accordance with the Board’s recommendations as noted below.

In person at the meeting. If you attend the meeting, you may deliver a completed proxy card in person or you may vote by completing a ballot, which will be available at the meeting.

If your shares are held in “street name” (held in the name of a broker or other holder of record), you will receive instructions from the holder of record. You must follow the instructions of the holder of record in order for your shares to be voted. If your shares are not registered in your own name and you plan to vote your shares in person at the annual meeting, you should contact your broker or agent to obtain a legal proxy or broker’s proxy card and bring it to the annual meeting in order to vote.

How Does the Board of Directors Recommend That I Vote on the Proposals?

The Board of Directors recommends that you vote as follows:

“FOR” the election of the nominees for director;

“FOR” the amendment to the Amended and Restated 2007 Equity Incentive Plan, as amended (the “Stock Plan”) to increase the number of shares available for the grant of awards by 1,200,000 shares; and

“FOR” the ratification of the selection of EisnerAmper LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2015.

If any other matter is presented at the annual meeting, your proxy provides that your shares will be voted by the proxy holder listed in the proxy in accordance with his best judgment. At the time this proxy statement was first made

available, we knew of no matters that needed to be acted on at the annual meeting, other than those discussed in this proxy statement.

3

May I Change or Revoke My Proxy?

If you give us your proxy, you may change or revoke it at any time before the annual meeting. You may change or revoke your proxy in any one of the following ways:

1. if you received a proxy card, by signing a new proxy card with a date later than your previously delivered proxy and submitting it as instructed above;
2. by notifying NephroGenex, Inc.'s Secretary in writing before the annual meeting that you have revoked your proxy;
- or
3. by attending the annual meeting in person and voting in person. Attending the annual meeting in person will not in and of itself revoke a previously submitted proxy. You must specifically request at the annual meeting that it be revoked.

Your most current vote is the one that will be counted.

What if I Receive More Than One Notice or Proxy Card?

You may receive more than one Notice or proxy card if you hold shares of our common stock in more than one account, which may be in registered form or held in street name. Please vote in the manner described above under "How Do I Vote?" for each account to ensure that all of your shares are voted.

Will My Shares be Voted if I Do Not Vote?

If your shares are registered in your name or if you have stock certificates, they will not be counted if you do not vote as described above under "How Do I Vote?" If your shares are held in street name and you do not provide voting instructions to the bank, broker or other nominee that holds your shares as described above, the bank, broker or other nominee that holds your shares has the authority to vote your unvoted shares only on the ratification of the appointment of our independent registered public accounting firm (Proposal 3 of this proxy statement) without receiving instructions from you. Therefore, we encourage you to provide voting instructions to your bank, broker or other nominee. This ensures your shares will be voted at the annual meeting and in the manner you desire. A "broker non-vote" will occur if your broker cannot vote your shares on a particular matter because it has not received instructions from you and does not have discretionary voting authority on that matter or because your broker chooses not to vote on a matter for which it does have discretionary voting authority.

Your bank, broker or other nominee does not have the ability to vote your uninstructed shares in the election of directors. Therefore, if you hold your shares in street name it is critical that you cast your vote if you want your vote to be counted for the election of directors (Proposal 1 of this proxy statement).

What Vote is Required to Approve Each Proposal and How are Votes Counted?

<p>Proposal 1: Elect Directors</p>	<p>The nominees for director who receive the most votes (also known as a "plurality" of the votes cast) will be elected. You may vote either FOR all of the nominees, WITHHOLD your vote from all of the nominees or WITHHOLD your vote from any one or more of the nominees. Votes that are withheld will not be included in the vote tally for the election of the directors. Brokerage firms do not have authority to vote customers' unvoted shares held by the firms in street name for the election of the directors. As a result, any shares not voted by a customer will be treated as a broker non-vote. Such broker non-votes will have no effect on the results of this vote.</p>
<p>Proposal 2: Approve an amendment to Increase the Number of Shares Available under the Stock Plan</p>	<p>The affirmative vote of a majority of the shares cast affirmatively or negatively for this proposal is required to approve the amendment to the Stock Plan. Abstentions will have no effect on the results of this vote. Brokerage firms do not have authority to vote customers' unvoted shares held by the firms in street name on this proposal. As a result, any shares not voted by a customer will be treated as a broker non-vote. Such broker non-votes will have no effect on the results of this vote.</p>
<p>Proposal 3: Ratify Selection of Independent Registered Public</p>	<p>The affirmative vote of a majority of the shares cast affirmatively or negatively for this proposal is required to ratify the selection of our independent registered public</p>

Accounting Firm

accounting firm. Abstentions will have no effect on the results of this vote. Brokerage firms have authority to vote customers' unvoted shares held by the firms in street name on this proposal. If a broker does not exercise this authority, such broker non-votes will have no effect on the results of this vote. We are not required to obtain the approval of our stockholders to select our independent registered public accounting firm. However, if our stockholders do not ratify the selection of EisnerAmper LLP as our independent registered public accounting firm for 2015, our Audit Committee of our Board of Directors will reconsider its selection.

Is Voting Confidential?

We will keep all the proxies, ballots and voting tabulations private. We only let our Inspectors of Election, a representative of Computershare Trust Company, N.A., examine these documents. Management will not know how you voted on a specific proposal unless it is necessary to meet legal requirements. Computershare, however, will forward to management any written comments you make, on the proxy card or otherwise provide.

Where Can I Find Voting Results of the Annual Meeting?

The preliminary voting results will be announced at the annual meeting, and we will publish preliminary, or final results if available, in a Current Report on Form 8-K within four business days of the annual meeting. If final results are unavailable at the time we file the Form 8-K, then we will file an amended report on Form 8-K to disclose the final voting results within four business days after the final voting results are known.

What Are the Costs of Soliciting these Proxies?

We will pay all of the costs of soliciting these proxies. Our directors and employees may solicit proxies in person or by telephone, fax or email. We will pay these employees and directors no additional compensation for these services. We will ask banks, brokers and other institutions, nominees and fiduciaries to forward these proxy materials to their principals and to obtain authority to execute proxies. We will then reimburse them for their expenses.

We have engaged Morrow & Co. ("Morrow"), to act as our proxy solicitor in connection with the proposals to be acted upon at our annual meeting. Pursuant to our agreement with Morrow, Morrow will, among other things, provide advice regarding proxy solicitation issues and solicit proxies from our stockholders on our behalf in connection with the annual meeting. For these services, we will pay a fee of approximately \$5,000 plus expenses.

What Constitutes a Quorum for the Annual Meeting?

The presence, in person or by proxy, of the holders of a majority of the voting power of all outstanding shares of our common stock entitled to vote at the annual meeting is necessary to constitute a quorum at the annual meeting. Votes of stockholders of record who are present at the annual meeting in person or by proxy, abstentions, and broker non-votes are counted for purposes of determining whether a quorum exists.

Attending the Annual Meeting

The annual meeting will be held at 9:00 a.m. EST on Thursday, April 30, 2015 at Hyatt House Raleigh North Hills, 160 Park at North Hills Street, Raleigh, North Carolina 27609. When you arrive at Hyatt House Raleigh North Hills, signs will direct you to the appropriate meeting rooms. You need not attend the annual meeting in order to vote.

Householding of Annual Disclosure Documents

SEC rules concerning the delivery of annual disclosure documents allow us or your broker to send a single Notice or, if applicable, a single set of our proxy materials to any household at which two or more of our stockholders reside, if we or your broker believe that the stockholders are members of the same family. This practice, referred to as "householding," benefits both you and us. It reduces the volume of duplicate information received at your household and helps to reduce our expenses. The rule applies to our Notices, annual reports, proxy statements and information statements. Once you receive notice from your broker or from us that communications to your address will be "household," the practice will continue until you are otherwise notified or until you revoke your consent to the practice. Stockholders who participate in householding will continue to have access to and utilize separate proxy voting instructions.

If your household received a single Notice or, if applicable, a single set of proxy materials this year, but you would prefer to receive your own copy, please contact our transfer agent, Computershare Trust Company, N.A., by calling their toll free number, 1-800-522-6645.

If you do not wish to participate in “householding” and would like to receive your own Notice or, if applicable, set of NephroGenex, Inc.’s proxy materials in future years, follow the instructions described below. Conversely, if you share an address with another NephroGenex, Inc. stockholder and together both of you would like to receive only a single Notice or, if applicable, set of proxy materials, follow these instructions:

If your NephroGenex, Inc. shares are registered in your own name, please contact our transfer agent, Computershare Trust Company, N.A., and inform them of your request by calling them at 1-800-522-6645 or writing them at 480 Washington Blvd. Jersey City, N.J. 07660.

If a broker or other nominee holds your NephroGenex, Inc. shares, please contact the broker or other nominee directly and inform them of your request. Be sure to include your name, the name of your brokerage firm and your account number.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information with respect to the beneficial ownership of our common stock as of March 15, 2015, for (a) the executive officers named in the Summary Compensation Table on page 15 of this proxy statement, (b) each of our directors and director nominees, (c) all of our current directors and executive officers as a group and (d) each stockholder known by us to own beneficially more than 5% of our common stock. Except as indicated in footnotes to this table, we believe that the stockholders named in this table have sole voting and investment power with respect to all shares of common stock shown to be beneficially owned by them based on information provided to us by these stockholders. Board Leadership Structure and Role in Risk Oversight

The positions of chairman of the board and chief executive officer are presently separated at our company. We believe that separating these positions allows our chief executive officer to focus on our day-to-day business, while allowing our chairman of the board to lead the Board of Directors in its fundamental role of providing advice to, and independent oversight of, management. Our Board of Directors recognizes the time, effort and energy that the chief executive officer is required to devote to his position in the current business environment, as well as the commitment required to serve as our chairman, particularly as the Board of Directors' oversight responsibilities continue to grow. Our Board of Directors also believes that this structure ensures a greater role for the independent directors in the oversight of our company and active participation of the independent directors in setting agendas and establishing priorities and procedures for the work of our Board of Directors. This leadership structure also is preferred by a significant number of our stockholders. Our Board of Directors believes its administration of its risk oversight function has not affected its leadership structure.

While our restated bylaws and corporate governance guidelines do not require that our chairman and chief executive officer positions be separate, our Board of Directors believes that having separate positions is the appropriate leadership structure for us at this time and demonstrates our commitment to good corporate governance.

Risk is inherent with every business, and how well a business manages risk can ultimately determine its success. We face a number of risks, including risks relating to product candidate development, having no commercial manufacturing experience, marketing or sales capability or experience and dependence on key personnel, as more fully discussed under Item 1.A. "Risk Factors" in our Annual Report on Form 10-K. Management is responsible for the day-to-day management of risks we face, while our Board of Directors, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, our Board of Directors has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed.

Our Board of Directors is actively involved in oversight of risks that could affect us. This oversight is conducted primarily through committees of the Board of Directors, but the full board of directors has retained responsibility for general oversight of risks. Our Board of Directors satisfies this responsibility through full reports by each committee chair regarding the committee's considerations and actions, as well as through regular reports directly from officers responsible for oversight of particular risks within our company as our Board of Directors believes that full and open communication between management and the Board of Directors is essential for effective risk management and oversight.

Stockholder Communications to the Board

Generally, stockholders who have questions or concerns should contact us at <http://investors.nephrogenex.com/contactus.com>. However, any stockholders who wish to address questions regarding our business directly with the Board of Directors, or any individual director, should direct his or her questions in writing to our Secretary, John P. Hamill, NephroGenex, Inc., 3200 Beechleaf Court, Suite 900, Raleigh, North Carolina, 27604. Communications will be distributed to the Board, or to any individual director or directors as appropriate, depending on the facts and circumstances outlined in the communications. Items that are unrelated to the duties and responsibilities of the Board of Directors may be excluded, such as:

- junk mail and mass mailings

In addition, any material that is unduly hostile, threatening, or illegal in nature may be excluded, provided that any communication that is filtered out will be made available to any outside director upon request.

The exercise price for each such Additional Option shall be \$2.02 per share (subject to adjustment for stock splits, reverse splits, mergers, reorganizations, recapitalizations and similar events or transactions). Any Additional Option may only be exercised, to the extent vested, during the period beginning on the earliest of the following to occur after the grant of such Additional Option: (i) Mr. Legault's "separation from service" (as defined by Treasury Regulation § 1.409A-1(h), or, if Treasury Regulation § 1.409A-3(i)(2) applies, six months and one day following Mr. Legault's separation from service), (ii) the time immediately preceding a change in control, but only if such change in control also constitutes a "change in control event" (as that term is defined in Treasury Regulation Section 1.409A-3(i)(5)(i)), or (iii) the first day of the calendar year in which the expiration date of the employment agreement occurs. Once exercisable, each such Additional Option will continue to be exercisable until (x) the last day of the calendar year in which the option became exercisable (if such Additional Option became exercisable pursuant to Mr. Legault's separation from service, as defined above), (y) the closing of a change in control (if such Additional Option became exercisable pursuant to a change in control), or (z) the tenth anniversary of the date of the RSU Award (if such Additional Option became exercisable pursuant to the first day of the tenth year after the date of the RSU Award). On February 14, 2014, in connection with the completion of our initial public offering and the conversion of all of our convertible notes into common stock, we granted Mr. Legault an Additional Option to purchase 37,029 shares of our common stock with an exercise price of \$2.02 per share and subject to the terms discussed above in order for such option to comply with Section 409A of the Internal Revenue Code. With respect to 24,686 of the shares subject to Additional Option, 1/48th of the shares vest when Mr. Legault completes each month of continuous service to us, with 7,714 shares vested as of the date of grant. With respect to the 12,343 remaining shares subject to the Additional Option, 25% of the shares vested on October 21, 2014; and 75% of the shares vest in equal monthly installments on the first day of each calendar

month for 36 months, beginning November 1, 2014, provided however, that Mr. Legault must remain in service to us on each applicable vesting date.

Mr. Legault also participates in the employee benefit plans, policies or arrangements maintained by us for our management-level employees. Further, we have agreed to pay directly, or reimburse, Mr. Legault for travel and business expenses in accordance with our generally applicable policies relating to such expenses.

Upon the termination of Mr. Legault's employment, he will receive payment for any accrued but unpaid wages, accrued but unused vacation and for any incurred but unreimbursed expenses, subject to our policies for expense reimbursements. If Mr. Legault's employment is terminated by us upon 53 days prior written notice or is terminated by Mr. Legault for "Good Reason," we will (a) make a cash lump sum payment to Mr. Legault equal to 150% of his base salary (at the rate in effect immediately prior to such termination), less applicable taxes and withholdings, and (b) for a period of twelve (12) months (or by lump sum covering twelve (12) months if allowed by applicable law) pay Mr. Legault the monthly benefit stipend equal to Mr. Legault's premiums for continuation of medical and dental benefits pursuant to Mr. Legault's COBRA

election, including payments to account for applicable taxes and withholdings. Such payments will be conditioned on Mr. Legault's execution of a general release of claims against us and our affiliates (excluding Mr. Legault's rights as a stockholder, rights with respect to equity incentive awards and rights to indemnification for acts performed in Mr. Legault's capacity as a director, officer or employee) in a mutually acceptable form and on such release becoming effective no later than 53 days following such termination. Notwithstanding the foregoing, for the twenty-four (24) month period following any change in control: we will (a) make a cash lump sum payment to Mr. Legault equal to 225% of his base salary (at the rate in effect immediately prior to such termination) and (b) continue to pay Mr. Legault the monthly benefit stipend described above for eighteen (18) months following such termination.

"Good Reason" is defined under the employment agreement as (i) any adverse change in Mr. Legault's title, authority or duties (including, without limitation, the assignment to Mr. Legault of duties materially inconsistent with his position) or (ii) any other material breach by us of any term or condition of the employment agreement.

Receipt of the severance benefits described above may be modified by us to comply with Section 409A of the Internal Revenue Code of 1986, as amended, or the Code.

J. Wesley Fox, Ph.D. On April 30, 2007, we entered into an employment agreement with Dr. Fox who is currently our president and chief executive officer. The employment agreement provides for an annual base salary at a gross annual rate of not less than \$250,000. Dr. Fox's annual base salary was increased by our Board of Directors on December 12, 2014 to \$367,425, effective as of January 1, 2015. In addition, the employment agreement granted Dr. Fox options to purchase 102,992 shares of our common stock pursuant to the terms and conditions of the Stock Plan, with an exercise price being the fair market value of the common stock underlying such options on that date of grant. One quarter of the common stock underlying the options vested after Dr. Fox's first year of service to us under the employment agreement, and the remainder of shares underlying the options vested on a quarterly basis over the next three years. All of these options are vested.

Under the employment agreement, Dr. Fox is eligible to be considered for an annual incentive bonus which will require approval by our Board of Directors. If we terminate Dr. Fox for any reason other than for cause or permanent disability, he shall be entitled to his base salary at the rate currently in effect at the time of termination for a period of twelve months following such termination, in addition to reimbursement for health care premiums under COBRA for Dr. Fox and his dependents until the earliest of (i) twelve months following termination, (ii) the expiration of Dr. Fox's continuation coverage under COBRA, or (iii) the date Dr. Fox receives substantially equivalent health insurance coverage in connection with new employment or self-employment.

Under the employment agreement, "Cause" is defined as: (i) an unauthorized use or disclosure by Dr. Fox of our confidential information or trade secrets, which use or disclosure causes us material harm; (ii) a material breach by Dr. Fox of any agreement between Dr. Fox and us; (iii) a material failure by Dr. Fox to comply with our written policies or rules; (iv) Dr. Fox's conviction of, or plea of "guilty" or "no contest" to, a felony under the laws of the United States or any state thereof; (v) Dr. Fox's gross negligence or willful misconduct; (vi) a continuing failure by Dr. Fox to perform assigned duties after receiving written notification of such failure from our Board of Directors; (vii) a failure by Dr. Fox to cooperate in good faith with a governmental or internal investigation of us or our directors, officers or employees after request for such cooperation by us; or (viii) Dr. Fox's debarment, or conviction of a crime that could lead to disbarment, under any governmental payment program.

Either we or Dr. Fox shall be entitled to terminate Dr. Fox's employment at any time and for any reasons, with or without cause. We may terminate Dr. Fox's employment with us by giving Dr. Fox notice of such termination in writing. Dr. Fox may terminate his employment with us by providing us with 30 days' advance notice in writing.

Under the employment agreement, Dr. Fox has agreed to refrain from directly or indirectly competing with us or soliciting our employees or independent contractors during his employment and for a two-year period thereafter. In connection with the employment agreement, Dr. Fox entered into our standard proprietary information and inventions agreement.

John P. Hamill. On December 12, 2013, we entered into an employment agreement with John P. Hamill to reflect his role and responsibilities as Chief Financial Officer. Mr. Hamill's service as Chief Financial Officer commenced on January 21, 2014. The employment agreement will continue until Mr. Hamill's employment is terminated by either party pursuant to the terms and provisions of the employment agreement. The employment agreement provides Mr.

Hamill an annual base salary of \$300,000. Mr. Hamill's annual base salary was increased by our Board of Directors on December 12, 2014 to \$331,200, effective as of January 1, 2015. For each completed fiscal year during Mr. Hamill's service to us, Mr. Hamill is eligible to earn a bonus based on achievement of reasonable individual and corporate performance objectives established by our Board of Directors and communicated to Mr. Hamill. The target amount of Mr. Hamill's annual bonus for each fiscal year will be 40% of the base salary paid or payable to Mr. Hamill for his service in that year. To receive any annual bonus otherwise earned for a given year, Mr. Hamill must remain employed with us through the last business day of that year.

Mr. Hamill also participates in the employee benefit plans, policies or arrangements maintained by us for our management-level employees, subject to the terms and conditions of such plans, policies or arrangements. Further, we have

agreed to pay directly, or reimburse, Mr. Hamill for travel and business expenses in accordance with our generally applicable policies relating to such expenses.

Upon the termination of Mr. Hamill's employment, he will receive payment for any accrued but unpaid wages, accrued but unused vacation and for any incurred but unreimbursed expenses, subject to our policies for expense reimbursements. If Mr. Hamill's employment is terminated by us upon 30 days prior written notice or is terminated by Mr. Hamill for "Good Reason," we will (a) make a cash lump sum payment to Mr. Hamill equal to 140% of his base salary (at the rate in effect immediately prior to such termination), less applicable taxes and withholdings, and (b) for a period of twelve (12) months (or by lump sum covering twelve (12) months if allowed by applicable law) pay Mr. Hamill the monthly benefit stipend equal to Mr. Hamill's premiums for continuation of medical and dental benefits pursuant to Mr. Hamill's COBRA election, including payments to account for applicable taxes and withholdings. Such payments will be conditioned on Mr. Hamill's execution of a general release of claims against us and our affiliates (excluding Mr. Hamill's rights as a stockholder, rights with respect to equity incentive awards and rights to indemnification for acts performed in Mr. Hamill's capacity as a director, officer or employee) in a mutually acceptable form and on such release becoming effective no later than 60 days following such termination. Notwithstanding the foregoing, for the twenty-four (24) month period following any change in control we will make a cash lump sum payment to Mr. Hamill equal to 210% of his base salary (at the rate in effect immediately prior to such termination).

"Good Reason" is defined under the employment agreement as (i) any material adverse change in Mr. Hamill's title, authority or duties (including, without limitation, the assignment to Mr. Hamill of duties materially inconsistent with his position) or (ii) any other material breach by us of any term or condition of the employment agreement.

Receipt of the severance benefits described above may be modified by us to comply with Section 409A of the Internal Revenue Code of 1986, as amended, or the Code.

This approval authority may also be delegated to the chair of the Audit Committee in some circumstances. No related party transaction shall be entered into prior to the completion of these procedures.

The Audit Committee or its chair, as the case may be, shall approve only those related party transactions that are determined to be in, or not inconsistent with, the best interests of us and our stockholders, taking into account all available facts and circumstances as the committee or the chair determines in good faith to be necessary in accordance with principles of Delaware law generally applicable to directors of a Delaware corporation. These facts and circumstances will typically include, but not be limited to, the benefits of the transaction to us; the impact on a director's independence in the event the related party is a director, an immediate family member of a director or an entity in which a director is a partner, stockholder or executive officer; the availability of other sources for comparable products or services; the terms of the transaction; and the terms of comparable transactions that would be available to unrelated third parties or to employees generally. No member of the Audit Committee shall participate in any review, consideration or approval of any related party transaction with respect to which the member or any of his or her immediate family members has an interest.

ELECTION OF DIRECTORS

(Notice Item 1)

On March 24, 2015, the Board of Directors nominated James Mitchum and Robert R. Seltzer for election at the annual meeting. The Board of Directors currently consists of six members, classified into three classes as follows: Eugen Steiner, M.D., Ph.D. and Marco Taglietti, M.D. constitute a class with a term ending in 2017; Richard J. Markham and Pierre Legault constitute a class with a term ending in 2016; and James Mitchum and Robert R. Seltzer constitute a class with a term which expires at the upcoming annual meeting. At each annual meeting of stockholders, directors are elected for a full term of three years to succeed those directors whose terms are expiring.

The Board of Directors has voted (i) to set the size of the Board of Directors at six members and (ii) to nominate James Mitchum and Robert R. Seltzer for election at the annual meeting for a term of three years to serve until the 2018 Annual Meeting of Stockholders, or until their respective successors are elected and qualified. The Class III directors (Richard J. Markham and Pierre Legault) and the Class I directors (Eugen Steiner, M.D., Ph.D. and Marco Taglietti, M.D.) will serve until the Annual Meetings of Stockholders to be held in 2016 and 2017, respectively, and until their respective successors have been elected and qualified.

Unless authority to vote for any of these nominees is withheld, the shares represented by the enclosed proxy will be voted FOR the election as directors of James Mitchum and Robert R. Seltzer. In the event that the nominees become unable or unwilling to serve, the shares represented by the enclosed proxy will be voted for the election of such other person as the Board of Directors may recommend in the nominee's place. We have no reason to believe that the nominees will be unable or unwilling to serve as directors.

A plurality of the shares voted for each nominee at the Meeting is required to elect the nominee as a director.

THE BOARD OF DIRECTORS RECOMMENDS THE ELECTION OF JAMES MITCHUM AND ROBERT R. SELTZER AS DIRECTORS, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR THEREOF UNLESS A STOCKHOLDER HAS INDICATED OTHERWISE ON THE PROXY.

INCREASE IN THE AGGREGATE NUMBER OF SHARES TO BE GRANTED UNDER THE COMPANY'S AMENDED AND RESTATED 2007 EQUITY INCENTIVE PLAN, AS AMENDED

(Notice Item 2)

General

On March 24, 2015, our Board of Directors approved an amendment to our Amended and Restated 2007 Equity Incentive Plan, as amended (the "Stock Plan"), effective upon approval by our stockholders at the annual meeting, to increase the number of shares authorized for issuance of awards under the Stock Plan from 1,283,226 to an aggregate of 2,483,226 shares of common stock. As of March 15, 2015 a total of 1,283,226 shares of our common stock were reserved for issuance under the Stock Plan. As of March 15, 2015, options to purchase 1,271,321 shares of common stock were outstanding under the Stock Plan, 10,476 shares have been issued upon the exercise of options granted under the Stock Plan and 1,429 options remain available for issuance. By its terms, the Stock Plan may be amended by the Board of Directors, provided that any amendment which the Board of Directors determines requires stockholder approval is subject to receiving such stockholder approval. On March 24, 2015, our Board of Directors voted to approve an amendment to the Stock Plan to increase the aggregate number of shares of common stock available for the grant of awards under the Stock Plan by an additional 1,200,000 shares.

This amendment is being submitted to you for approval at the annual meeting as required under the current terms of the Stock Plan and in order to ensure favorable federal income tax treatment for grants of incentive stock options under Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"). Approval by our stockholders of the amendment to the Stock Plan is also required by the listing rules of the NASDAQ Stock Market.

Generally shares of common stock reserved for awards under the Stock Plan that lapse or are canceled will be added back to the share reserve available for future awards. However, shares of common stock tendered in payment for an award or shares of common stock withheld for taxes will not be available again for grant. Our Stock Plan provides that no participant may receive awards for more than 500,000 shares of common stock in any fiscal year.

Our Board of Directors, the Compensation Committee and management all believe that the effective use of stock-based long-term incentive compensation is vital to our ability to achieve strong performance in the future. The Stock Plan will maintain and enhance the key policies and practices adopted by our management and Board of Directors to align employee and stockholder interests. In addition, our future success depends, in large part, upon our ability to maintain a competitive position in attracting, retaining and motivating key personnel. We believe that the increase in the number of shares available for issuance under our Stock Plan is essential to permit our management to continue to provide long-term, equity-based incentives to present and future key employees, consultants and directors. Without stockholders approval of the amendment to the Stock Plan we will not be able to make equity grants in the future as we only have 169 shares of common stock available under the Stock Plan. Accordingly, our Board of Directors believes approval of the amendment to increase the aggregate number of shares available for issuance under the Stock Plan is in our best interests and those of its stockholders and recommends a vote "FOR" the approval of the amendment to the Stock Plan.

The following is a brief summary of the Amended and Restated 2007 Equity Incentive Plan, as amended. This summary is qualified in its entirety by reference to the text of the Amended and Restated 2007 Equity Incentive Plan, as amended, a copy of which is attached as Appendix A to this Proxy Statement.

Material Features of the Stock Plan.

Eligibility. The Stock Plan allows us, under the direction of our Board of Directors or any committee that has been appointed by our Board of Directors, to make grants of stock options, restricted stock unit awards and the direct award or sale of shares of common stock to employees, consultants and directors. The purpose of these awards is to offer selected persons an opportunity to acquire a proprietary interest in our success, or to increase such interest, by having the opportunity to purchase shares of our common stock. The Stock Plan provides an essential component of the total compensation package, reflecting the importance that we place on aligning the interests of key individuals with those of our stockholders. All employees, directors and consultants of the Company are eligible to participate in the Stock Incentive. As of March 15, 2015, there were sixteen employees and directors eligible to participate and no

consultants eligible to participate.

Limitations on Grant. The Stock Plan provides that 2,483,226 shares are available for issuance thereunder including for the grant of incentive stock options. Generally shares of common stock reserved for awards under the Stock Plan that lapse or are canceled will be added back to the share reserve available for future awards. However, shares of common stock tendered in payment for an award or shares of common stock withheld for taxes will not be available again for grant. The Stock Plan provides that that options for no more than 500,000 shares be granted to any optionee in any fiscal year.

27

Stock Options. Stock options granted under the Stock Plan may either be incentive stock options, which are intended to satisfy the requirements of Section 422 of the Code, or nonstatutory stock options, which are not intended to meet those requirements. Incentive Stock Options may be granted to employees of the Company. Nonstatutory stock options may be granted to employees, directors and consultants of the Company. The exercise price of an incentive stock option may not be less than 100% of the fair market value of our common stock on the date of grant. If an incentive stock option is granted to an individual who owns more than 10% of the combined voting power of all classes of our capital stock, the exercise price may not be less than 110% of the fair market value of our common stock on the date of grant and the term of the option may not be longer than five years. Nonstatutory stock options for shares may not be granted with an exercise price that is less than fair market value of our common stock at the time of grant except as provided for by contract and provided that the terms of such options comply with Section 409A of the Code.

Award agreements for stock options include rules for exercise of the stock options after termination of service. The term of any option awarded under the Stock Plan shall not exceed 10 years from the date of grant. Options may not be exercised unless they are vested, and no option may be exercised after the end of the term set forth in the award agreement. Generally, stock options will be exercisable until the earlier of the expiration date of the option or three months after the termination of service for any reason other than death or disability. If the termination of service occurs on account of disability, the options will generally be exercisable for 6 months following termination of service. If the termination of service occurs on account of death, the options will be exercisable until the earlier of the expiration date or the date 12 months following the Optionee's death. An option shall be transferrable by (i) a beneficiary designation, (ii) a will, (iii) the laws of descent and distribution or (iv) if the option is a nonstatutory stock option and the stock option agreement so provides, by gift or domestic relations order to a family member.

Stock Awards. Any shares of common stock awarded pursuant to the Stock Plan will be subject to special forfeiture conditions, rights of repurchase, rights of first refusal and other transfer restrictions as the Board of Directors may determine from time to time. Such restrictions shall be set forth in the applicable stock purchase agreement entered into by any awardee and shall apply in addition to any restrictions on the shares of common stock generally.

Restricted Stock Unit Awards. The Stock Plan also authorizes the grant of restricted stock unit awards. The Board of Directors may make such awards subject to such conditions and restrictions as it may determine. These conditions and restrictions may include continued employment with us through a specified restricted period. Such restrictions shall be set forth in the applicable restricted stock unit award agreement entered into by any awardee.

Plan Administration. In accordance with the terms of the Stock Plan, our Board of Directors has authorized our Compensation Committee to administer the Plan. In accordance with the provisions of the Stock Plan, our Compensation Committee determines the terms of awards, including:

- which employees, directors and consultants will be granted awards;
- the number of shares subject to each award;

- the vesting provisions of each award;

- the termination or cancellation provisions applicable to awards; and

all other terms and conditions upon which each award may be granted in accordance with the Stock Plan.

In addition, our Compensation Committee may, in its discretion, amend any term or condition of an outstanding award provided (i) such term or condition as amended is permitted by the Stock Plan, and (ii) any such amendment shall be made only with the consent of the participant to whom such award was made, if the amendment would impair the participant's rights or increase the participant's obligations under an award; and provided, further, that, without the prior approval of our stockholders, options will not be repriced.

Stock Dividends and Stock Splits. If our common stock shall be subdivided or combined into a greater or smaller number of shares or if we issue any shares of common stock as a stock dividend, the number of shares of our common stock deliverable upon exercise of an option issued or upon issuance of an award shall be appropriately

increased or decreased proportionately, and appropriate adjustments shall be made in the purchase price per share to reflect such subdivision, combination or stock dividend.

Change of Control. Upon a Change of Control (as defined in the Stock Plan), our Board of Directors, may, in its sole discretion, take any one or more of the following actions with respect to Options or Restricted Stock Unit Awards, pursuant to the Stock Plan:

the assumption of Options by a successor corporation or its parent;

the substitution by a successor corporation or its parent of new stock options for Options;

the substitution by a successor corporation or its parent of new restricted stock units in exchange for Restricted Stock Unit Awards;

the cancellation of Options and a payment to the affected Optionees equal to the excess, if any, of (i) the Fair Market Value (as defined in the Stock Plan) of the Shares subject to such Options as of the effective date of the Change in Control, over (ii) the applicable Exercise Price (as defined in the Stock Plan); or

the cancellation of Restricted Stock Unit Awards and a payment to the affected Participants equal to the Fair Market Value of the Shares subject to such Restricted Stock Unit Awards as of the effective date of such Change in Control.

Additionally, with respect to Participants who are members of the Board immediately prior to a Change in Control:

the cancellation of Options or Restricted Stock Unit Awards (as described in the fourth and fifth bullets in the paragraph above) will not apply to Awards without such Participants' consent if, immediately following the Change in Control, the common stock of the Company or the Company's successor will be (i) listed on a national securities exchange or (ii) traded in the over-the-counter market;

immediately prior to, but contingent upon the occurrence of the Change in Control, all Awards then held by such Participant will vest in full; and

upon the occurrence of the Change in Control, the post-termination exercise period of any Option then held by such Participant will be extended until the earlier of (i) the expiration date of that Option or (ii) the first anniversary of the cessation of the Participant's Service.

Additionally, with respect to a Participant in Service whose Service ceases within 12 months following a Change in Control due to death, Disability, termination without Cause or resignation with Good Reason, the vesting of any Award that is outstanding and otherwise unvested immediately prior to such cessation will accelerate in full, conditioned upon the Participant's execution of a release of claims against the Company and its affiliates.

Amendment and Termination. The Stock Plan may be amended, suspended or terminated by our Board of Directors, provided that any amendment is subject to stockholder approval if it would have the effect of increasing the number of shares available for issuance under the Stock Plan, materially change the class of persons eligible to receive grants of ISOs, reduce the exercise price of an option or is of a scope that requires stockholder approval under any applicable law, rule or regulation including the rules of any stock exchange. The Stock Plan expires on August 13, 2017.

Federal Income Tax Considerations

The material federal income tax consequences of the issuance and exercise of stock options and other awards under the Stock Plan, based on the current provisions of the Code and regulations, are as follows. Changes to these laws could alter the tax consequences described below. This summary assumes that all awards granted under the Stock Plan are exempt from or comply with, the rules under Section 409A of the Code related to nonqualified deferred compensation.

Incentive Stock Options:

Incentive stock options are intended to qualify for treatment under Section 422 of the Code. An incentive stock option does not result in taxable income to the optionee or deduction to us at the time it is granted or exercised, provided that no disposition is made by the optionee of the shares acquired pursuant to the option within two years after the date of grant of the option nor within one year after the date of issuance of shares to the optionee (referred to as the “ISO holding period”). However, the difference between the fair market value of the shares on the date of exercise and the option price will be an item of tax preference includible in “alternative minimum taxable income” of the optionee. Upon disposition of the shares after the expiration of the ISO holding period, the optionee will generally recognize long term capital gain or loss based on the difference between the disposition proceeds and the option price paid for the shares. If the shares are disposed of prior to the expiration of the ISO holding period, the optionee generally will recognize taxable compensation, and we will have a corresponding deduction, in the year of the disposition, equal to the excess of the fair market value of the shares on the date of exercise of the option over the option price. Any additional gain realized on the disposition will normally constitute capital gain. If the amount realized upon such a disqualifying disposition is less than fair market value of the shares on the date of exercise, the amount of compensation income will be limited to the excess of the amount realized over the optionee’s adjusted basis in the shares.

Nonstatutory Stock Options:

Options otherwise qualifying as incentive stock options, to the extent the aggregate fair market value of shares with respect to which such options are first exercisable by an individual in any calendar year exceeds \$100,000, and options designated as non-qualified options will be treated as options that are not incentive stock options.

A nonstatutory option ordinarily will not result in income to the optionee or deduction to us at the time of grant. The optionee will recognize compensation income at the time of exercise of such non-qualified option in an amount equal to the excess of the then value of the shares over the option price per share. Such compensation income of optionees may be subject to withholding taxes, and a deduction may then be allowable to us in an amount equal to the optionee’s compensation income.

An optionee’s initial basis in shares so acquired will be the amount paid on exercise of the nonstatutory option plus the amount of any corresponding compensation income. Any gain or loss as a result of a subsequent disposition of the shares so acquired will be capital gain or loss.

Stock Grants:

With respect to stock grants under the Stock Plan that result in the issuance of shares that are either not restricted as to transferability or not subject to a substantial risk of forfeiture, the grantee must generally recognize ordinary income equal to the fair market value of shares received. Thus, deferral of the time of issuance will generally result in the deferral of the time the grantee will be liable for income taxes with respect to such issuance. We generally will be entitled to a deduction in an amount equal to the ordinary income recognized by the grantee.

With respect to stock grants involving the issuance of shares that are restricted as to transferability and subject to a substantial risk of forfeiture, the grantee must generally recognize ordinary income equal to the fair market value of the shares received at the first time the shares become transferable or are not subject to a

substantial risk of forfeiture, whichever occurs earlier. A grantee may elect to be taxed at the time of receipt of shares rather than upon lapse of restrictions on transferability or substantial risk of forfeiture, but if the grantee subsequently forfeits such shares, the grantee would not be entitled to any tax deduction, including as a capital loss, for the value of the shares on which he previously paid tax. The grantee must file such election with the Internal Revenue Service within 30 days of the receipt of the shares. We generally will be entitled to a deduction in an amount equal to the ordinary income recognized by the grantee. The grantee recognizes no income until the issuance of the shares. At that time, the grantee must generally recognize ordinary income equal to the fair market value of the shares received. We generally will be entitled to a deduction in an amount equal to the ordinary income recognized by the grantee.

Restricted Stock Unit Awards:

New Plan Benefits

The amounts of future grants under the Stock Plan are not determinable as all other future awards under the Stock Plan will be granted at the sole discretion of the Compensation Committee and we cannot determine at this time either the persons who will receive awards under the Plan or the amount or types of any such awards. However, our independent directors will receive \$37,500 worth of stock options annually, based on a Black-Scholes calculation on the date of the grant, issued pursuant to the Stock Plan, as compensation for their service to the Board of Directors.

On March 13, 2015, the closing market price per share of our common stock was \$7.70 as reported by The NASDAQ Stock Market.

For these reasons, the Board of Directors has recommended adopting an amendment to our Stock Plan to increase the number of shares authorized to be granted thereunder. The affirmative vote of a majority of the shares cast affirmatively or negatively at the annual meeting is required for the approval of the amendment to our Stock Plan to increase the number of shares authorized to be granted thereunder.

THE BOARD OF DIRECTORS RECOMMENDS APPROVAL OF THE ADOPTION OF AN AMENDMENT TO THE STOCK PLAN, AS AMENDED, TO INCREASE BY 1,200,000 SHARES THE AGGREGATE NUMBER OF SHARES WHICH MAY BE GRANTED UNDER THE PLAN. PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR OF THE AMENDMENT UNLESS A STOCKHOLDER HAS INDICATED OTHERWISE ON THE PROXY.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

(Notice Item 3)

The Audit Committee has appointed EisnerAmper LLP (“EisnerAmper”), as our independent registered public accounting firm, to audit our financial statements for the fiscal year ending December 31, 2015. The Board proposes that the stockholders ratify this appointment. EisnerAmper audited our financial statements for the fiscal year ended December 31, 2014. We expect that representatives of EisnerAmper will be present at the annual meeting, will be able to make a statement if they so desire, and will be available to respond to appropriate questions.

In deciding to appoint EisnerAmper, the Audit Committee reviewed auditor independence issues and existing commercial relationships with EisnerAmper and concluded that EisnerAmper has no commercial relationship with the Company that would impair its independence for the fiscal year ending December 31, 2015.

The following table presents fees for professional audit services rendered by EisnerAmper for the audit of the Company’s annual financial statements for the years ended December 31, 2014, and December 31, 2013, and fees billed for other services rendered by EisnerAmper during those periods.

Audit fees for 2013 consisted of audit work performed in the preparation of our 2013 and 2012 financial statements and audit and tax services and fees related to the review of our registration statement on Form S-1.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-audit Services of Independent Public Accountant

Consistent with SEC policies regarding auditor independence, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of our independent registered public accounting firm. In recognition of this responsibility, the Audit Committee has established a policy to pre-approve all audit and permissible non-audit services provided by our independent registered public accounting firm.

Prior to engagement of an independent registered public accounting firm for the next year’s audit, management will submit an aggregate of services expected to be rendered during that year for each of four categories of services to the Audit Committee for approval.

1. Audit services include audit work performed in the preparation of financial statements, as well as work that generally only an independent registered public accounting firm can reasonably be expected to provide, including comfort letters, statutory audits, and attest services and consultation regarding financial accounting and/or reporting standards.

2. Audit-Related services are for assurance and related services that are traditionally performed by an independent registered public accounting firm, including due diligence related to mergers and acquisitions, employee benefit plan audits, and special procedures required to meet certain regulatory requirements.

3. Tax services include all services performed by an independent registered public accounting firm's tax personnel except those services specifically related to the audit of the financial statements, and includes fees in the areas of tax compliance, tax planning, and tax advice.

32

4. Other Fees are those associated with services not captured in the other categories. The Company generally does not request such services from our independent registered public accounting firm.

Prior to engagement, the Audit Committee pre-approves these services by category of service. The fees are budgeted and the Audit Committee requires our independent registered public accounting firm and management to report actual fees versus the budget periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage our independent registered public accounting firm for additional services not contemplated in the original pre-approval. In those instances, the Audit Committee requires specific pre-approval before engaging our independent registered public accounting firm.

The Audit Committee may delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.

In the event the stockholders do not ratify the appointment of EisnerAmper as our independent registered public accounting firm, the Audit Committee will reconsider its appointment.

The affirmative vote of a majority of the shares cast affirmatively or negatively at the annual meeting is required to ratify the appointment of the independent registered public accounting firm.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO RATIFY THE APPOINTMENT OF EISNERAMPER LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR OF SUCH RATIFICATION UNLESS A STOCKHOLDER INDICATES OTHERWISE ON THE PROXY.

If a proposal is received on time, the proxies that management solicits for the meeting may still exercise discretionary voting authority on the proposal under circumstances consistent with the proxy rules of the SEC. Appendix A

NEPHROGENEX, INC.
AMENDED AND RESTATED 2007 EQUITY INCENTIVE PLAN

SECTION 1. ESTABLISHMENT AND PURPOSE.

The purpose of the Plan is to offer selected persons an opportunity to acquire a proprietary interest in the success of the Company, or to increase such interest, by purchasing Shares of the Company's Stock. The Plan provides for the direct award or sale of Shares, for the grant of Restricted Stock Unit Awards, and for the grant of Options to purchase Shares. Options granted under the Plan may include Nonstatutory Options as well as ISOs intended to qualify under Section 422 of the Code.

Capitalized terms are defined in Section 12.

SECTION 2. ADMINISTRATION.

(a) Committees of the Board of Directors. The Plan may be administered by one or more Committees. Each Committee shall consist of one or more members of the Board of Directors who have been appointed by the Board of Directors. Each Committee shall have such authority and be responsible for such functions as the Board of Directors has assigned to it. If no Committee has been appointed, the entire Board of Directors shall administer the Plan. Any reference to the Board of Directors in the Plan shall be construed as a reference to the Committee (if any) to whom the Board of Directors has assigned a particular function.

(b) Authority of the Board of Directors. Subject to the provisions of the Plan, the Board of Directors shall have full authority and discretion to take any actions it deems necessary or advisable for the administration of the Plan. All decisions, interpretations and other actions of the Board of Directors shall be final and binding on all Purchasers, all Optionees and all persons deriving their rights from a Purchaser or Optionee.

SECTION 3. ELIGIBILITY.

(a) General Rule. Only Employees, Outside Directors and Consultants shall be eligible for the grant of Nonstatutory Options, the direct award or sale of Shares or Restricted Stock Unit Awards. Only Employees shall be eligible for the grant of ISOs.

(b) Ten-Percent Stockholders. In the case of an ISO, a person who owns stock possessing more than 10% of the total combined voting power of all classes of outstanding stock of the Company, its Parent or any of its Subsidiaries shall not be granted an ISO unless (i) the Exercise Price is at least 110% of the Fair Market Value of a Share on the date of grant, and (ii) such ISO by its terms is not exercisable after the expiration of five years from the date of grant. For purposes of this Subsection (b), in determining stock ownership, the attribution rules of Section 424(d) of the Code shall be applied.

SECTION 4. STOCK SUBJECT TO PLAN.

(a) Basic Limitation. Not more than 2,483,226 Shares may be issued under the Plan (subject to Subsection (b) below and Section 8(a)) provided that in no event shall Options with respect to more than 500,000 Shares be granted to any Optionee in any fiscal year. All of these Shares may be issued upon the exercise of ISOs. The number of Shares that are subject to Options or other rights outstanding at any time under the Plan shall not

exceed the number of Shares that then remain available for issuance under the Plan. The Company, during the term of the Plan, shall at all times reserve and keep available sufficient Shares to satisfy the requirements of the Plan. Shares offered under the Plan may be authorized but unissued Shares or treasury Shares.

(b) Additional Shares. In the event that Shares previously issued under the Plan are reacquired by the Company, such Shares shall be added to the number of Shares then available for issuance under the Plan. In the event that an outstanding Option or other right for any reason expires or is forfeited, canceled or otherwise terminated (other than by exercise), the Shares allocable to the unexercised portion of such Option or other right shall be added to the number of Shares then available for issuance under the Plan. Notwithstanding the foregoing, if an Option is exercised, in whole or in part, by tender of Shares or if the Company's tax withholding obligation is satisfied by withholding Shares, the number of Shares

deemed to have been issued under the Plan for purposes of the limitation set forth in Paragraph 4(a) above shall be the number of Shares that were subject to the Option or other right or portion thereof, and not the net number of Shares actually issued.

SECTION 5. TERMS AND CONDITIONS OF RESTRICTED STOCK UNIT AWARDS AND AWARDS OR SALES OF STOCK.

(a) **Agreement.** Each Restricted Stock Unit Award under the Plan shall be evidenced by a Restricted Stock Unit Award Agreement between the Purchaser and the Company. Each award or sale of Shares under the Plan (other than upon exercise of an Option) shall be evidenced by a Stock Purchase Agreement between the Purchaser and the Company. Each such Restricted Stock Unit Award or such award or sale of Shares shall be subject to all applicable terms and conditions of the Plan and may be subject to any other terms and conditions which are not inconsistent with the Plan and which the Board of Directors deems appropriate for inclusion in the applicable Restricted Stock Unit Award Agreement or Stock Purchase Agreement. The provisions of the various Restricted Stock Unit Award Agreements or Stock Purchase Agreements entered into under the Plan need not be identical.

(b) **Duration of Offers and Nontransferability of Rights.** Any right to acquire Shares under the Plan (other than an Option) shall automatically expire if not exercised by the Purchaser within 30 days after the grant of such right was communicated to the Purchaser by the Company. Restricted Stock Unit Awards and any other award or right to acquire Shares under the Plan shall not be transferable and Shares issued thereunder may only be issued to the Purchaser to whom such right was granted.

(c) **Purchase Price.** The Board of Directors shall determine the Purchase Price, if any, at its sole discretion. The Purchase Price shall be payable in a form described in Section 7.

(d) **Withholding Taxes.** As a condition to the purchase or issuance of Shares, the Purchaser shall make such arrangements as the Board of Directors may require for the satisfaction of any federal, state, local or foreign withholding tax obligations that may arise in connection with such purchase or issuance of Shares.

(e) **Restrictions on Transfer of Shares.** Any Shares awarded or sold under the Plan shall be subject to such special forfeiture conditions, rights of repurchase, rights of first refusal and other transfer restrictions as the Board of Directors may determine. Such restrictions shall be set forth in the applicable Restricted Stock Unit Agreement or Stock Purchase Agreement and shall apply in addition to any restrictions that may apply to holders of Shares generally.

(f) **Compliance with Section 409A of the Code.** Any Restricted Stock Unit Award granted under the Plan that is not exempt under Section 409A of the Code shall contain such provisions so that such Restricted Stock Unit Award will comply with the requirements of Section 409A of the Code. Such restrictions shall be determined by the Board of Directors and contained in the Restricted Stock Unit Award Agreement.

SECTION 6. TERMS AND CONDITIONS OF OPTIONS.

(a) **Stock Option Agreement.** Each grant of an Option under the Plan shall be evidenced by a Stock Option Agreement between the Optionee and the Company. The Option shall be subject to all applicable terms and conditions of the Plan and may be subject to any other terms and conditions which are not inconsistent with the Plan and which the Board of Directors deems appropriate for inclusion in a Stock Option Agreement. The provisions of the various Stock Option Agreements entered into under the Plan need not be identical.

(b) Number of Shares. Each Stock Option Agreement shall specify the number of Shares that are subject to the Option and shall provide for the adjustment of such number in accordance with Section 8. The Stock Option Agreement shall also specify whether the Option is an ISO or a Nonstatutory Option.

(c) Exercise Price. Each Stock Option Agreement shall specify the Exercise Price. The Exercise Price of any Option shall not be less than 100% of the Fair Market Value of a Share on the date of grant, and a higher percentage may be required by Section 3(b) provided, that as provided for by contract, an Option may be granted with an Exercise Price that is less than Fair Market Value, if the terms of such Option comply with the requirements of Section 409A of the Code. Subject to the preceding sentence, the Exercise Price shall be determined by the Board of Directors at its sole discretion. The Exercise Price shall be payable in a form described in Section 7.

(d) Exercisability. Each Stock Option Agreement shall specify the date when all or any installment of the Option is to become exercisable. No Option shall be exercisable unless the Optionee (i) has delivered an executed copy of

the Stock Option Agreement to the Company or (ii) otherwise agrees to be bound by the terms of the Stock Option Agreement. The Board of Directors shall determine the exercisability provisions of the Stock Option Agreement at its sole discretion. All of an Optionee's Options shall become exercisable in full if Section 8(b)(iv) applies.

(e) **Basic Term.** The Stock Option Agreement shall specify the term of the Option. The term shall not exceed 10 years from the date of grant, and a shorter term may be required by Section 3(b). Subject to the preceding sentence, the Board of Directors at its sole discretion shall determine when an Option is to expire.

(f) **Termination of Service (Except by Death).** If an Optionee's Service terminates for any reason other than the Optionee's death, then the Optionee's Options shall expire on the earliest of the following occasions:

(i) The expiration date determined pursuant to Subsection (e) above;

(ii) The date three months after the termination of the Optionee's Service for any reason other than Disability, or such later date as the Board of Directors may determine; provided, however that any exercise that occurs more than three months after the termination of the Optionee's Service shall cause an ISO to become a Nonstatutory Option; or

(iii) The date six months after the termination of the Optionee's Service by reason of Disability, or such later date as the Board of Directors may determine; provided, however any exercise that occurs more than twelve months after the termination of the Optionee's Service by reason of Disability shall cause an ISO to become a Nonstatutory Option.

The Optionee may exercise all or part of the Optionee's Options at any time before the expiration of such Options under the preceding sentence, but only to the extent that such Options had become exercisable before the Optionee's Service terminated (or became exercisable as a result of the termination) and the underlying Shares had vested before the Optionee's Service terminated (or vested as a result of the termination). The balance of such Options shall lapse when the Optionee's Service terminates. In the event that the Optionee dies after the termination of the Optionee's Service but before the expiration of the Optionee's Options, all or part of such Options may be exercised (prior to expiration) by the executors or administrators of the Optionee's estate or by any person who has acquired such Options directly from the Optionee by beneficiary designation, bequest or inheritance, but only to the extent that such Options had become exercisable before the Optionee's Service terminated (or became exercisable as a result of the termination) and the underlying Shares had vested before the Optionee's Service terminated (or vested as a result of the termination).

(g) **Leaves of Absence.** For purposes of Subsection (f) above, Service shall be deemed to continue while the Optionee is on a bona fide leave of absence, if such leave was approved by the Company in writing and if continued crediting of Service for this purpose is expressly required by the terms of such leave or by applicable law (as determined by the Company).

(h) **Death of Optionee.** If an Optionee dies while the Optionee is in Service, then the Optionee's Options shall expire on the earlier of the following dates:

(i) The expiration date determined pursuant to Subsection (e) above; or

(ii) The date 12 months after the Optionee's death, or such later date as the Board of Directors may determine.

All or part of the Optionee's Options may be exercised at any time before the expiration of such Options under the preceding sentence by the executors or administrators of the Optionee's estate or by any person who has acquired such Options directly from the Optionee by beneficiary designation, bequest or inheritance, but only to the extent that such Options had become exercisable before the Optionee's death (or became exercisable as a result of the death) and the underlying Shares had vested before the Optionee's death (or vested as a result of the Optionee's death). The balance of such Options shall lapse when the Optionee dies.

(i) Restrictions on Transfer of Shares. Any Shares issued upon exercise of an Option shall be subject to such special forfeiture conditions, rights of repurchase, rights of first refusal and other transfer restrictions as the Board of Directors may determine. Such restrictions shall be set forth in the applicable Stock Option Agreement and shall apply in addition to any restrictions that may apply to holders of Shares generally.

(j) **Transferability of Options.** An Option shall be transferable by the Optionee only by (i) a beneficiary designation, (ii) a will or (iii) the laws of descent and distribution, except as provided in the next sentence. If the applicable Stock Option Agreement so provides, a Nonstatutory Option shall also be transferable by gift or domestic relations order to a Family Member of the Optionee. An ISO may be exercised during the lifetime of the Optionee only by the Optionee or by the Optionee's guardian or legal representative.

(k) **Withholding Taxes.** As a condition to the exercise of an Option, the Optionee shall make such arrangements as the Board of Directors may require for the satisfaction of any federal, state, local or foreign withholding tax obligations that may arise in connection with such exercise. The Optionee shall also make such arrangements as the Board of Directors may require for the satisfaction of any federal, state, local or foreign withholding tax obligations that may arise in connection with the disposition of Shares acquired by exercising an Option.

(l) **No Rights as a Stockholder.** An Optionee, or a transferee of an Optionee, shall have no rights as a stockholder with respect to any Shares covered by the Optionee's Option until such person becomes entitled to receive such Shares by filing a notice of exercise and paying the Exercise Price pursuant to the terms of such Option.

(m) **Modification of Options.** Within the limitations of the Plan, the Board of Directors may modify outstanding Options other than reducing the Exercise Price. The foregoing notwithstanding, no modification of an Option shall, without the consent of the Optionee, impair the Optionee's rights or increase the Optionee's obligations under such Option.

SECTION 7. PAYMENT FOR SHARES.

(a) **General Rule.** The entire Purchase Price or Exercise Price of Shares issued under the Plan shall be payable in cash or cash equivalents at the time when such Shares are purchased, except as otherwise provided in this Section 7.

(b) **Services Rendered.** At the discretion of the Board of Directors, Shares may be awarded under the Plan in consideration of services rendered to the Company, a Parent or a Subsidiary prior to the award.

(c) **Surrender of Stock.** At the discretion of the Board of Directors, all or any part of the Exercise Price may be paid by surrendering, or attesting to the ownership of, Shares that are already owned by the Optionee. Such Shares shall be surrendered to the Company in good form for transfer and shall be valued at their Fair Market Value as of the date when the Option is exercised.

(d) **Exercise/Sale.** To the extent that a Stock Option Agreement so provides, and if Stock is publicly traded, all or part of the Exercise Price and any withholding taxes may be paid by the delivery (on a form prescribed by the Company) of an irrevocable direction to a securities broker approved by the Company to sell Shares and to deliver all or part of the sales proceeds to the Company.

(e) **Other Forms of Payment.** To the extent that a Stock Purchase Agreement or Stock Option Agreement so provides, the Purchase Price or Exercise Price of Shares issued under the Plan may be paid in any other form permitted by the Delaware General Corporation Law, as amended.

SECTION 8. ADJUSTMENT OF SHARES.

(a) **General.** In the event of a subdivision of the outstanding Stock, a declaration of a dividend payable in Shares, a combination or consolidation of the outstanding Stock into a lesser number of Shares, a

reclassification, or any other increase or decrease in the number of issued shares of Stock effected without receipt of consideration by the Company, proportionate adjustments shall automatically be made in each of (i) the number of Shares available for future grants and the yearly limit on the issuance of Options under Section 4, (ii) the number of Shares covered by each outstanding Option or other right and (iii) the Exercise Price under each outstanding Option. In the event of a declaration of an extraordinary dividend payable in a form other than Shares in an amount that has a material effect on the Fair Market Value of the Stock, a recapitalization, a spin-off, or a similar occurrence, the Board of Directors at its sole discretion may make appropriate adjustments in one or more of (i) the number of Shares covered by each outstanding Option or right or (ii) the Exercise Price under each outstanding Option.

(b) Change in Control.

(i) Upon or in anticipation of any Change in Control, the Committee may, in its sole and absolute discretion and without the need for consent of affected Participants, provide for one or more of the following with respect to Options and Restricted Stock Unit Awards then outstanding, contingent upon the occurrence of the Change in Control:

(A) The assumption of Options by a successor corporation or its parent in a manner that complies with Section 424(a) of the Code and Section 409A of the Code (whether or not such Options are ISOs).

(B) The substitution by a successor corporation or its parent of new stock options for Options in a manner that complies with Section 424(a) of the Code and Section 409A of the Code (whether or not such Options are ISOs).

(C) The substitution by a successor corporation or its parent of new restricted stock units in exchange for Restricted Stock Unit Awards in a manner that equitably reflects the terms of the transaction and that otherwise preserves the material terms of the Restricted Stock Unit Awards.

(D) If consistent with Section 409A of the Code, the cancellation of Options and a payment to the affected Optionees equal to the excess, if any, of (1) the Fair Market Value of the Shares subject to such Options as of the effective date of the Change in Control, over (2) the applicable Exercise Price. Such payment shall be made in the form of cash, cash equivalents, or securities of a successor corporation or its parent with a Fair Market Value equal to the required amount.

(E) If consistent with Section 409A of the Code, the cancellation of Restricted Stock Unit Awards and a payment to the affected Participants equal to the Fair Market Value of the Shares subject to such Restricted Stock Unit Awards as of the effective date of such Change in Control. Such payment shall be made in the form of cash, cash equivalents, or securities of a successor corporation or its parent with a Fair Market Value equal to the required amount.

The Committee need not treat all outstanding awards in an identical manner.

(ii) Notwithstanding any other provision of this Plan and solely with respect to Participants who are members of the Board of Directors immediately prior to a Change in Control:

(A) Section 8(b)(i)(D) and (E) will not apply to Awards held by any such Participant without his or her consent if, immediately following the Change in Control, the common stock of the Company, the Company's successor by merger or similar transaction, the Owner of the Company or the Owner of substantially all the assets of the Company will be (1) listed on a national securities exchange, or (2) traded in the over-the-counter market with sale prices that are regularly reported.

(B) Immediately prior to, but contingent upon the occurrence of, the Change in Control, all Awards then held by any such Participant will then vest in full.

(C) Upon the occurrence of the Change in Control, the post-termination exercise period of any Option then held by such a Participant (including any stock option substituted therefor in accordance with Section 8(b)(i)(B) or any stock option assumed in accordance with Section 8(b)(i)(A)) will be extended until the earlier of (1) the expiration date of that stock option, or (2) the first anniversary of the cessation of the Participant's Service. For avoidance of doubt, this Section 8(b)(ii)(C) will not affect any stock option that, without regard to this section, has a post-termination exercise period of more than one year. In addition, this Section 8(b)(ii)(C) will not apply to any stock option intended to be an ISO if such application would constitute a modification under Treas. Reg. § 1.424-1(e) (or any successor provision),

unless the holder of that stock option consents to the application of this section during the 29 day period beginning on the Change in Control.

(iii) With respect to a Participant in Service upon a Change in Control, if that Participant's Service ceases within 12 months following the Change in Control due to his or her death, Disability, termination without Cause or resignation with Good Reason, the vesting of any Award that is outstanding and otherwise unvested immediately prior to such cessation (including any assumed or substituted award described in Section 8(b)(i)(A), (B) or (C) above) will accelerate in full; provided that such accelerated vesting will be conditioned upon the Participant's execution of a release of claims against the Company and its affiliates in a form reasonably prescribed by the Company, and upon such release becoming irrevocable within 60 days following such cessation of Service.

(c) **Reservation of Rights.** Except as provided in this Section 8, an Optionee or Purchaser shall have no rights by reason of (i) any subdivision or consolidation of shares of stock of any class, (ii) the payment of any dividend or (iii) any other increase or decrease in the number of shares of stock of any class. Any issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall not affect, and no adjustment by reason thereof shall be made with respect to, the number or Exercise Price of Shares subject to an Option. The grant of an Option pursuant to the Plan shall not affect in any way the right or power of the Company to make adjustments, reclassifications, reorganizations or changes of its capital or business structure, to merge or consolidate or to dissolve, liquidate, sell or transfer all or any part of its business or assets.

SECTION 9. SECURITIES LAW REQUIREMENTS.

Shares shall not be issued under the Plan unless the issuance and delivery of such Shares comply with (or are exempt from) all applicable requirements of law, including (without limitation) the Securities Act of 1933, as amended, the rules and regulations promulgated thereunder, state securities laws and regulations, and the regulations of any stock exchange or other securities market on which the Company's securities may then be traded.

SECTION 10. NO RETENTION RIGHTS.

Nothing in the Plan or in any right or Option granted under the Plan shall confer upon the Purchaser or Optionee any right to continue in Service for any period of specific duration or interfere with or otherwise restrict in any way the rights of the Company (or any Parent or Subsidiary employing or retaining the Purchaser or Optionee) or of the Purchaser or Optionee, which rights are hereby expressly reserved by each, to terminate his or her Service at any time and for any reason, with or without cause.

SECTION 11. DURATION AND AMENDMENTS.

(a) **Term of the Plan.** The amended and restated Plan, as set forth herein, shall become effective on the date of its approval by the stockholders. The Plan shall terminate automatically on August 13, 2017. The Plan may be terminated on any earlier date pursuant to Subsection (b) below.

(b) **Right to Amend or Terminate the Plan.** The Board of Directors may amend, suspend or terminate the Plan at any time and for any reason; provided, however, that any amendment of the Plan shall be subject to the approval of the Company's stockholders if it (i) increases the number of Shares available for issuance under the Plan (except as provided in Section 8), (ii) materially changes the class of persons who are eligible for the grant of ISOs, (iii) reduces the Exercise Price of an Option (except as provided in Section 8), or (iv) is of a scope that requires stockholder approval under any applicable law, rule or regulation including the rules of any stock exchange. Stockholder approval shall not be required for any other amendment of the Plan. If the stockholders fail to approve an increase in the number of Shares reserved under Section 4 within 12 months after its adoption by the Board of Directors, then any grants, exercises or sales that have already occurred in reliance on such increase shall be rescinded and no additional grants, exercises or sales shall thereafter be made in reliance on such increase.

(c) **Effect of Amendment or Termination.** No Shares shall be issued or sold under the Plan after the termination thereof, except upon exercise of an Option or vesting of a Restricted Stock Unit Award granted prior to such termination. The termination of the Plan, or any amendment thereof, shall not affect any Share previously issued or any Option or Restricted Stock Unit Award previously granted under the Plan.
