Item 2.02 Results of Operations and Financial Condition.

On February 27, 2008, Aqua America, Inc. issued a press release announcing its financial results for the quarter and year ended December 31, 2007. The attached Exhibit's Consolidated Statements of Income and Comprehensive Income for the year ended December 31, 2007 is different from the statement attached to the press release previously released by Aqua America in that the statement attached to the Exhibit reflects the presentation of the unrealized holding gain on certain investments separate from the reclassification adjustment as was presented on the press release. This change in presentation did not change comprehensive income or net income and therefore we do not believe that this change is material.

Item 9.01 Financial Statements and Exhibits.
