ITEM 2.02. RESULTS OF OPERATIONS AND FINANCIAL CONDITION

On July 23, 2008, CEVA, Inc. (the Company) announced its financial results for the quarter ended June 30, 2008. A copy of the press release, dated July 23, 2008, is attached and filed herewith as Exhibit 99.1. This information, including Exhibit 99.1 attached hereto, shall not be deemed filed for purposes of Section 18 of the Securities Act of 1934, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, except as shall be expressly set forth by specific reference to such filing.

In addition to the disclosure of financial results for the quarter and the six-months period ended June 30, 2008 in accordance with generally accepted accounting principles in the United States (GAAP), the press release also included a reconciliation of financial measures for the quarters ended June 30, 2008 and 2007, as well as the six-months periods ended June 30, 2008 and 2008, that excluded the expenses associated with the application of Statement of Financial Accounting Standards (SFAS) 123(R), reorganization expense associated with the termination of the long-term Harcourt lease property in Ireland and capital gains, net of taxes, associated with the Company s divestment of its equity investment in GloNav Inc. to NXP Semiconductors and a disposal related to another investment.

The Company believes that the reconciliation of financial measures in the press release is useful to investors in analyzing the results for the quarters and the six-month periods ended June 30, 2008 and 2007 because the non-GAAP presentation excluded non-cash equity-based compensation expenses, reorganization expense associated with the Harcourt lease and capital gains associated with the equity divestment of GloNav Inc and another investment that management does not consider meaningful for purposes of analyzing the Company s core operating results and making budget-planning decisions. Further, the Company believes it is useful for investors to understand how the expenses associated with the application of SFAS 123(R) are reflected on its statements of income. The reconciliation of financial measures should be reviewed in addition to and in conjunction with results presented in accordance with GAAP, and are intended to provide additional insight into the Company s operations that, when viewed with its GAAP results and the accompanying reconciliation, offer a more complete understanding of factors and trends affecting the Company s business. The reconciliation of financial measures should not be viewed as a substitute for the Company s reported GAAP results.
