Pursuant to the terms of the Agreement, IAN will purchase all of Patriot s issued and outstanding capital stock in consideration for (i) 6,900,000 shares of newly issued IAN Class B common stock, par value \$0.0001 per share of common stock, and (ii) in the event that at any time after the closing but prior the fifth anniversary of the closing date of the transaction, the average closing trading price on the NYSE Amex (or on another national securities market on which the Company s common stock is then quoted for trading) of IAN common stock for 20 consecutive trading days equals or exceeds the following per share amounts: (i) \$12, (ii) \$13, (iii) \$14, (iv) \$15 and (v) \$16 per share then the consideration payable to the shareholders of Patriot shall be increased by an additional 1,000,000 shares of newly issued IAN Class B common stock for reaching each of the foregoing per share amounts. The holders of substantially all of Patriot s issued and outstanding capital stock have agreed not to sell the IAN Class B common stock received in the transaction for a period of 12 months from the closing. IAN stockholders at the time of closing will become holders of Class A common stock, and such Class A common stock is anticipated to receive a dividend of \$0.20 per share per quarter. Such Class A common stock is to receive an aggregate of \$2.40 in dividends, inclusive of any quarterly dividends, on or prior to a change of control transaction or a liquidation. Class B Common Stock will not receive dividends.

The transaction is subject to customary closing conditions. In addition, the closing is conditioned on (a) the approval of the holders of a majority of the shares of IAN s common stock issued in IAN s initial public offering, (b) fewer than thirty percent (30%) of the shares of IAN common stock issued in IAN s initial public offering voting against the transaction and electing to convert their shares into cash in accordance with IAN s amended and restated certificate of incorporation, (c) regulatory approval, (d) amendment of outstanding warrants and redemption of such warrants and (e) a minimum of \$35,000,000 in cash at closing net of transaction expenses and share and warrant redemptions.
