Item 1.01 Entry into a Material Definitive Agreement.

AmTrust Financial Services, Inc. (the “Company”), by Current Reports on Form 8-K filed on January 7, 2014 and April 14, 2014, disclosed, among other things, (i) that ACP Re, Ltd. (“ACP Re”), an entity controlled by the Michael Karfunkel 2005 Grantor Retained Annuity Trust, through a subsidiary, agreed to acquire 100% of the outstanding stock of Tower Group International, Ltd. (“Tower”) and merge with Tower (the “Merger”), and (ii) that, in connection with the closing of the Merger, the Company and National General Holdings Corp. (“NGHC”) agreed to (a) acquire the renewal rights and certain other assets related to Tower’s commercial lines insurance operations and personal lines insurance operations, respectively; (b) administer the run-off of Tower’s historical commercial lines claims and personal lines claims at cost, (c) in their discretion, place commercial lines business and personal lines business with the Tower insurance companies, which they will exclusively manage and fully reinsure for a net 2% ceding fee payable to the Tower insurance companies, (d) retain the expirations on all business written by the Tower insurance companies through the Company and NGHC, as managers, and (e) receive the agreement of the Tower insurance companies and ACP Re not to compete with respect to the commercial lines business and personal lines business.

The Company also disclosed in its Current Report on Form 8-K filed on April 14, 2014 that, effective upon the consummation of the Merger, (i) the Company and NGHC expect to provide ACP Re with financing in an aggregate principal amount of up to \$125 million each, upon terms to be negotiated, and (ii) the Company, along with NGHC, as reinsurers, will enter into a \$250 million aggregate stop loss reinsurance agreement with a subsidiary of Tower by which each, as reinsurers, will provide, severally, \$125 million of stop loss coverage with respect to the run-off of the legacy Tower business (the “Stop-Loss”), and ACP Re will enter into a reinsurance agreement (the “Retrocession”) by which it reinsures the full amount of any payments that the Company and NGHC would be obligated to make under the Stop Loss.

On July 22, 2014, a subcommittee of the Audit Committee of the Company’s Board of Directors (the “Subcommittee”) approved the terms of the Credit Agreement to be entered into with ACP Re upon consummation of the Merger. The \$250 million loan will have a seven-year term, will bear interest at an annual rate of 7% and will contain restrictive covenants, including, without limitation, covenants relating to the value of ACP Re’s assets, ACP Re’s leverage ratio and fixed charge coverage ratio, as well as other typical limitations on ACP Re’s activities. The loan will be secured by a security interest in the stock of ACP Re and its subsidiaries, the assets of ACP Re and certain of the assets of ACP Re’s unregulated subsidiaries.

The Subcommittee also approved the terms of the Stop Loss and Retrocession. The Stop Loss premium will be equal to \$56 million, payable five years following the closing of the Merger. The Retrocession premium will be equal to the Stop Loss premium, less a fee of 5.5% of the Stop Loss premium to be retained by the Company and NGHC.

In addition to the financing described above, to compensate ACP Re for the adverse development disclosed by Tower and its impact on ACP Re’s current estimate of Tower’s expected financial position at the closing of the Merger, and the value the Company and NGHC are expected to achieve as a result of the transaction, the Subcommittee also approved the Company’s entrance into an Amended and Restated Commercial Lines Master Agreement with ACP Re (the “Amended and Restated Master Agreement”), which, in addition to the agreements previously described, provides that the Company will pay ACP Re contingent consideration in the form of an earnout (the “Contingent Payments”), payable semi-annually on the last day of January and July, of 3% of gross written premium of the Tower commercial lines business written or assumed by the Company following the closing in connection with the transaction for a three-year period. The Contingent Payments to be made by the Company are capped at a total of \$30 million, in the aggregate, over the three-year period. The parties entered into the Amended and Restated Master Agreement on July 23, 2014. Simultaneously, ACP Re and NGHC entered into an Amended and Restated Personal Lines Master Agreement that provides for contingent consideration payable by NGHC to ACP Re on the same terms.
