Restatement of Executive Employment Agreement

On March 5, 2015, NewStar Financial, Inc. (the “Company”) entered into a restated employment agreement (the “Agreement”) with Daniel McCready (“McCready”), Chief Credit Officer. The Agreement is based on the form of restated employment agreement for Tier II employees (the “Tier II Agreement”).

The Agreement restates the terms of McCready’s prior employment agreement, which was entered into on March 25, 2013. The Agreement increases McCready’s base salary, provides for targeted incentive compensation, and restates the treatment of outstanding equity upon certain instances of termination. The principal terms of the Agreement are as follows.

The initial term of the Agreement is for 19 months and may be renewed for an additional period of one year automatically upon the expiration of that term. The Agreement provides that McCready’s base salary will be \$350,000 per annum until March 31, 2015 and \$375,000 per annum beginning April 1, 2015, which base salary may be subject to increase on an annual basis as determined by the board of directors, but will not be subject to any decrease.

McCready is eligible to participate in annual incentive bonus programs as the board of directors may adopt from time to time and is eligible for equity grants periodically. The Company set McCready’s target incentive bonus for 2015 at \$750,000. McCready’s target incentive bonus will be set at the beginning of each year, but shall not be set below the target incentive bonus for 2015, and if the Company does not establish a target within 30 days of the start of each new year, the target incentive bonus will be the same amount as McCready’s last-established target incentive bonus.

Consistent with the Tier II Agreement, McCready will be required to own Company stock in an aggregate then-current fair market value equal to McCready’s then-current base salary. Compliance with these stock ownership levels will be measured once per calendar year and violation of the ownership requirements are grounds for termination for cause.

The Agreement’s provisions regarding termination without cause or for good reason, termination for cause or voluntary termination by the executive officer, termination due to death or permanent disability, and retirement are consistent with the Tier II Agreement. Unlike McCready’s prior agreement, if McCready’s employment is terminated by the Company without cause or for good reason, or upon retirement, McCready will be entitled to continued vesting of all incentive equity and a period equal to the full length of the remaining option term to exercise any vested options. McCready’s prior agreement provided for accelerated vesting in such situations.

The foregoing description of the Agreement is qualified in its entirety by reference to, and should be read in conjunction with, the terms of the Agreement, the form of which is incorporated herein by this reference.
