Proxy Statement

GENERAL INFORMATION

Information about Solicitation and Voting

This proxy statement ("Proxy Statement") is furnished in connection with the solicitation by the Board of Directors of Veracyte, Inc., a Delaware corporation ("we," "us," "our," "Veracyte" or the "Company"), of proxies in the accompanying form to be used at the Annual Meeting of Stockholders of the Company to be held at 6000 Shoreline Court, 3rd Floor, South San Francisco, California 94080, on Wednesday, June 6, 2018, at 10:00 a.m., Pacific Time, and any postponement or adjournment thereof (the "Annual Meeting").

The Notice of Internet Availability of Proxy Materials and this proxy statement for the Annual Meeting and the accompanying form of proxy were first distributed and made available on the Internet to stockholders on or about April 19, 2018. Our annual report on Form 10-K for the year ended December 31, 2017 (the "Annual Report") is available with this Proxy Statement by following the instructions in the Notice of Internet Availability of Proxy Materials.

Questions and Answers about the Proxy Materials and the Annual Meeting

What proposals will be voted on at the Annual Meeting?

Two proposals will be voted on at the Annual Meeting:

- The election of three Class II directors to serve until the 2021 Annual Meeting or until their successors are duly elected and qualified; and
- The ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for 2018.

What are the Board's recommendations?

Our board of directors recommends that you vote:

"FOR" election of each of the nominated Class II directors; and

"FOR" ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for 2018.

Will there be any other items of business on the agenda?

We do not expect any other items of business because the deadline for stockholder proposals and nominations has already passed. Nonetheless, in case there is an unforeseen need, the accompanying proxy gives discretionary authority to the persons named on the proxy with respect to any other matters that might be brought before the meeting. Those persons intend to vote that proxy in accordance with their best judgment.

Who is entitled to vote?

Stockholders of record at the close of business on April 9, 2018 (the "Record Date") may vote at the Annual Meeting. Each stockholder is entitled to one vote for each share of our common stock held as of the Record Date.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Stockholder of Record. If your shares are registered directly in your name with our transfer agent, Broadridge Corporate Issuer Solutions, Inc., you are considered, with respect to those shares, the "stockholder of record." As a stockholder of record, you may vote at the Annual Meeting or vote by telephone, by Internet, or by filling out and returning the proxy card.

Beneficial Owner. If your shares are held in a brokerage account or by a bank or other nominee, you are considered the "beneficial owner" of shares held in street name. As the beneficial owner, you have the right to direct your broker, bank or nominee how to vote your shares by using the voting instruction form included in the mailing. However, the organization that holds your shares is considered the stockholder of record for purposes of voting at the Annual Meeting. Because you are not the stockholder of record, you may not vote your shares at the Annual Meeting unless you request and obtain a valid proxy from the organization that holds your shares giving you the right to vote the shares at the Annual Meeting.

How do I vote?

You may vote using any of the following methods:

By Mail - Stockholders of record may submit proxies by completing, signing and dating each proxy card received and returning it in the prepaid envelope. Sign your name exactly as it appears on the proxy. If you return your signed proxy but do not indicate your voting preferences, your shares will be voted on your behalf "FOR" the election of the nominees for Class II director and "FOR" the ratification of the independent registered public accounting firm for 2018. Stockholders who hold shares beneficially in street name may provide voting instructions by mail by completing, signing and dating the voting instruction forms provided by their brokers, banks or other nominees. Voting by mail will close based on mail received the day before the meeting date.

By Telephone - Stockholders of record may submit proxies by following the telephone voting instructions on their proxy cards. Most stockholders who hold shares beneficially in street name may provide voting instructions by telephone by calling the number specified on the voting instruction form provided by their brokers, banks or nominees. Please check the voting instruction form for telephone voting availability. Please be aware that if you submit voting instructions by telephone, you may incur costs such as telephone access charges for which you will be responsible. The telephone voting facilities will close at 11:59 p.m., Eastern Time, the day before the meeting date.

By Internet - Stockholders of record may submit proxies by following the internet voting instructions on their proxy cards. Most stockholders who hold shares beneficially in street name may provide voting instructions by accessing the website specified on the voting instruction form provided by their brokers, banks or nominees. Please check the voting instruction form for internet voting availability. Please be aware that if you vote over the internet, you may incur costs such as internet access charges for which you will be responsible. The internet voting facilities will close at 11:59 p.m., Eastern Time, the day before the meeting date.

In Person at the Annual Meeting - Shares held in your name as the stockholder of record may be voted at the Annual Meeting. Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker, bank or nominee that holds your shares giving you the right to vote the shares. Even if you plan to attend the Annual Meeting, we recommend that you also submit your proxy or voting instructions or vote by telephone or the internet so that your vote will be counted if you later decide not to attend the meeting.

Can I change my vote or revoke my proxy?

You may change your vote or revoke your proxy at any time prior to the vote at the Annual Meeting. If you are a stockholder of record and submitted your proxy by mail, you must file with the Secretary of the Company a written notice of revocation or deliver, prior to the vote at the Annual Meeting, a valid, later dated proxy. If you submitted your proxy by telephone or the internet, you may change your vote or revoke your proxy with a later telephone or

internet proxy, as the case may be. Attendance at the Annual Meeting will not have the effect of revoking a proxy unless you give written notice of revocation to the Secretary before the proxy is exercised or you vote by written ballot at the Annual Meeting.

If you are a beneficial owner of shares held in street name and you wish to change or revoke your vote, please consult the voting instructions provided with this proxy statement or contact your broker, bank or nominee.

How are votes counted?

In the election of directors, you may vote “FOR” all of the Class II nominees or your vote may be “WITHHELD” with respect to one or more of the nominees. For Proposal 2, the appointment of Ernst & Young LLP as our independent registered public accounting firm for 2018, you may vote “FOR,” vote “AGAINST” or “ABSTAIN.” An abstention has the same effect as a vote “AGAINST” the proposal.

If you provide specific instructions, your shares will be voted as you instruct. If you sign your proxy card or voting instruction form with no further instructions, your shares will be voted in accordance with the recommendations of the board of directors (“FOR” each of the Class II nominees to the board of directors and “FOR” the ratification of Ernst & Young LLP as our independent registered public accounting firm for 2018, and in the discretion of the proxy holders on any other matters that may properly come before the meeting).

What vote is required to approve each item?

For Proposal 1, the election of directors, the three persons receiving the highest number of “FOR” votes at the Annual Meeting will be elected.

Proposal 2 requires the affirmative “FOR” vote of the holders of a majority of the shares present at the Annual Meeting in person or by proxy and entitled to vote. Abstentions have the same effect as votes “AGAINST” this proposal.

If you hold shares beneficially in street name and do not provide your broker or nominee with voting instructions, your shares may constitute “broker non-votes.” Broker non-votes occur when shares held by a broker for a beneficial owner are not voted either because (i) the broker did not receive voting instructions from the beneficial owner, or (ii) the broker lacked discretionary authority to vote the shares. A broker is entitled to vote shares held for a beneficial owner on “routine” matters without instructions from the beneficial owner of those shares. Absent instructions from the beneficial owner of such shares, a broker is not entitled to vote shares held for a beneficial owner on “non-routine” matters. At our Annual Meeting, only the ratification of Ernst & Young LLP as our independent registered public accounting firm for 2018, is considered a routine matter. The election of directors is a non-routine matter. Broker non-votes are counted for purposes of determining whether a quorum is present, but have no effect on the outcome of the matters voted upon. Accordingly, we encourage you to provide voting instructions to your broker, whether or not you plan to attend the Annual Meeting.

Is cumulative voting permitted for the election of directors?

Stockholders may not cumulate votes in the election of directors, which means that each stockholder may vote no more than the number of shares he or she owns for a single director candidate.

What constitutes a quorum?

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares of common stock outstanding on the Record Date will constitute a quorum. As of the close of business on the Record Date, there were 34,346,004 shares of our common stock outstanding. Both abstentions and broker non-votes are counted for the purpose of determining the presence of a quorum.

How are proxies solicited?

Our employees, officers and directors may solicit proxies. We will pay the cost of printing and mailing proxy materials, and will reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy material to the owners of our common stock. At this time, we have not engaged a proxy solicitor. If we do engage a proxy solicitor, we will pay the customary costs associated with such engagement.

The Board of Directors Recommends a Vote "FOR" Election as Director for Each of the Class II Nominees Set Forth Above.

Director Nominations

The board of directors nominates directors whose term is scheduled to expire at the next annual meeting of stockholders and elects new directors to fill vacancies when they arise. The board of directors has as an objective that its membership be composed of experienced and dedicated individuals with diversity of backgrounds, perspectives and skills. The nominating and corporate governance committee has the responsibility to identify, evaluate, recruit and recommend qualified candidates to the board for nomination or election.

The nominating and corporate governance committee evaluates and selects candidates for director based on their character, judgment, diversity of experience, business acumen, and ability to act on behalf of all stockholders. The nominating and corporate governance committee believes that nominees for director should have experience, such as experience in management, accounting, finance, or marketing, or industry and technology knowledge, that may be useful to the Company and the board of directors, high personal and professional ethics, and the willingness and

ability to devote sufficient time to effectively carry out his or her duties as a director. The nominating and corporate governance committee also believes that service as a director of other public companies provides experience and perspective that may be useful to the Company and the board of directors. Although the Company has no formal diversity policy for board members, the board and the nominating and corporate governance committee consider diversity of backgrounds and experiences and other forms of diversity when selecting nominees.

The nominating and corporate governance committee believes it appropriate for at least one, and, preferably, multiple, members of the board of directors to meet the criteria for an “audit committee financial expert” as defined by Securities and Exchange Commission (“SEC”) rules, and that a majority of the members of the board meet the definition of “independent director”

under the rules of The Nasdaq Stock Market. The nominating and corporate governance committee believes it appropriate for certain key members of our management - currently, our chief executive officer - to participate as members of the board of directors.

Prior to each annual meeting of stockholders, the nominating and corporate governance committee identifies nominees first by evaluating the current directors whose term will expire at the annual meeting and who are willing to continue in service. These candidates are evaluated based on the criteria described above, including as demonstrated by the candidate's prior service as a director, and the needs of the board of directors with respect to the particular talents and experience of its directors. In the event that a director does not wish to continue in service, the nominating and corporate governance committee determines not to re-nominate the director, or if a vacancy is created on the board as a result of a resignation, an increase in the size of the board or other event, then the nominating and corporate governance committee will consider various candidates for board membership, including those suggested by the committee members, by other board members, by any search firm engaged by the nominating and corporate governance committee and by stockholders. Each of the nominees is a member of the board of directors standing for re-election as a director.

A stockholder who wishes to suggest a prospective nominee for the board of directors should notify the Secretary of the Company or any member of the nominating and corporate governance committee in writing with any supporting material the stockholder considers appropriate. Compensation Committee Interlocks and Insider Participation

The members of our compensation committee during 2017 included Karin Eastham, Fred E. Cohen, Evan Jones and John Bishop. No member of our compensation committee in 2017 was at any time during 2017 or at any other time an officer or employee of ours or any of our subsidiaries, and none had or have any relationships with us that are required to be disclosed under Item 404 of Regulation S-K. None of our executive officers has served as a member of the board of directors, or as a member of the compensation or similar committee, of any entity that has one or more executive officers who served on our board of directors or compensation committee during 2017.

Board Meetings

Each director attended at least 75% of the aggregate number of meetings held by the board of directors and of the committees on which such director served. The independent directors meet in executive sessions at regularly scheduled meetings of the board of directors without the participation of the Chief Executive Officer or other members of management. We do not have a policy that requires the attendance of directors at the Annual Meeting.

Board Committees

Below is a description of each committee of the board of directors. The board of directors has determined that each director who serves on the audit, compensation and nominating and corporate governance committees is "independent," as that term is defined for such committee by applicable listing standards of The Nasdaq Stock Market and rules of the SEC, and has adopted written charters for each of these committees. The charters of the audit, compensation, nominating and corporate governance, and regulatory and compliance committees are available on the investor section of our website (www.veracyte.com) under the corporate governance tab.

Audit Committee and Financial Expert

The current members of the audit committee are Kevin K. Gordon (Chair), John L. Bishop and Karin Eastham. The audit committee held six meetings during 2017. Our audit committee is responsible for the appointment, compensation, retention and oversight of our independent auditor. The board of directors has determined that Mr. Gordon, Mr. Bishop and Ms. Eastham each are qualified as an "audit committee financial expert" under the definition outlined by the SEC.

Compensation Committee

The current members of the compensation committee are Karin Eastham (Chair), Fred E. Cohen and Evan Jones. The compensation committee held ten meetings during 2017. Our compensation committee oversees our compensation policies, plans and benefits programs and determines and approves or makes recommendations to our board of directors regarding the compensation of our executive officers. Corporate Governance

Board Leadership Structure and Role in Risk Oversight

We have a lead independent director of the board of directors separate from our chief executive officer. Ms. Anderson is our chairman and chief executive officer and Mr. Bishop is the lead independent director of the board of directors. The board of directors believes that this leadership structure reflects the role and responsibilities of the chief executive officer in our business and operations with significant involvement and authority vested in a separate lead independent director of the board. The board of directors retains the authority to modify this structure as it deems appropriate. Our board of directors is responsible for overseeing the overall risk management process at our Company. The responsibility for managing risk rests with executive management while the committees of the board of directors and the board of directors as a whole participate in the oversight process. The risk oversight process of the board of directors builds upon management's risk assessment and mitigation processes, which include reviews of long-term strategic and operational planning, executive development and evaluation, regulatory and legal compliance including those laws and regulations relating to product and service promotional activities, Medicare reimbursement and provision of laboratory services, cybersecurity, privacy and financial reporting and internal controls. The board of directors considers strategic risks and opportunities and regularly receives reports from executive management regarding specific aspects of risk management.

Communications with the Board of Directors

If you wish to communicate with the board of directors, you may send your communication in writing to: Secretary, Veracyte, Inc., 6000 Shoreline Court, Suite 300, South San Francisco, California 94080. You must include your name and address in the written communication and indicate whether you are a stockholder of the Company. Indemnification Agreements

We have entered into indemnification agreements with our directors and executive officers. These agreements require us to indemnify these individuals to the fullest extent permitted under Delaware law against liabilities that may arise by reason of their service to us, and to advance expenses incurred as a result of any proceeding against them as to which they could be indemnified.

Related Party Transaction Approval

We have a formal policy that our executive officers, directors, holders of more than 5% of any class of our voting securities, and any member of the immediate family of and any entity affiliated with any of the foregoing persons, are not permitted to enter into a related party transaction with us without the prior consent of our Audit Committee. Any request for us to enter into a transaction with an executive officer, director, principal stockholder, or any of their immediate family members or affiliates, in which the amount involved exceeds \$120,000 must first be presented to the disinterested and independent members of our board of directors for review, consideration and approval. In approving or rejecting any such proposal, the disinterested and independent members of our board of directors will consider all relevant facts and circumstances reasonably available to them.

Any non-employee director who first joins our board of directors is automatically granted an initial stock option to purchase 35,000 shares of our common stock at an exercise price equal to the fair market value of our common stock on the date of grant. The option will vest and become exercisable as to one-third (1/3) of those shares on each of the first, second and third

annual anniversaries of the date of grant. On the first business day after each annual meeting of stockholders, each non-employee director who continues to serve on our board of directors and who has served as a director for at least six months will be automatically granted an option to purchase 10,000 shares of our common stock at an exercise price equal to the fair market value of our common stock on the date of grant. Bonus Plans

2017 Bonus Plan Awards

In February 2017, the independent members of the board of directors, on the recommendation of the compensation committee, approved corporate goals for 2017 relating to a corporate bonus plan for the 2017 fiscal year. Under the plan, eligible employees, including executive officers, were eligible to receive annual incentive compensation if we achieved the corporate goals approved by the board of directors.

Funding of the bonus pool for the plan was dependent upon achieving a minimum threshold of annual revenue, and achievement in excess of such minimum threshold could result in funding of the bonus pool up to a maximum level of 150%. In the event that certain commercial, product development and financial goals were not met, the bonus pool could have been reduced by up to 20%. Eligible employees, including executive officers, had individual goals, the achievement of which ranged from 80% - 120% of the bonus target allocated within the funded pool amount, although actual awards under the plan could have either exceeded or been less than the targets established, as determined by the independent members of the board of directors at their discretion based on the recommendation of the compensation committee and based on corporate and individual performance.

In February 2018, the independent members of our board of directors, on the recommendation of the compensation committee, and the compensation committee approved cash bonus awards for 2017 performance under our 2017 corporate bonus plan. The independent members of the board of directors and compensation committee considered the achievements of the corporate goals under the plan as well our performance and individual performance in determining the amounts to be paid. The independent members of the board of directors and compensation committee approved awards our following named executive officers: Bonnie H. Anderson, Chairman and Chief Executive Officer, \$220,000; Christopher M. Hall, President and Chief Operating Officer, \$114,100; and Keith Kennedy, Chief Financial Officer, \$100,000.

2018 Bonus Plan and Bonus Plan Targets

In February 2018, the independent members of the board of directors, on the recommendation of the compensation committee, approved corporate goals for 2018 relating to a corporate bonus plan for the 2018 fiscal year. Under the plan, eligible employees, including executive officers, are eligible to receive annual incentive compensation if the Company achieves the corporate goals approved by the board of directors. With respect to the Company’s executive officers, the bonus pool can be funded from 0% to 142% based upon achieving certain annual revenue, product development, and reimbursement goals. Actual awards under the plan could either exceed or be less than the targets established, as determined by the independent members of the board of directors at their discretion based on the recommendation of the compensation committee and based on corporate and individual performance.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The audit committee acts pursuant to a written charter that was adopted by the board of directors in October 2013 and became effective in November 2013. Each member of the audit committee qualifies as “independent” under the current listing requirements of The Nasdaq Stock Market.

In performing its functions, the audit committee acts in an oversight capacity and necessarily relies on the work and assurances of the Company’s management, which has the primary responsibility for financial statements and reports, and of the independent registered public accounting firm, who, in their report, express an opinion on the conformity of the Company’s annual financial statements with accounting principles generally accepted in the United States. It is not the duty of the audit committee to plan or conduct audits, to determine that the Company’s financial statements are complete and accurate and are in accordance with generally accepted accounting principles, or to assess or determine the effectiveness of the Company’s internal control over financial reporting.

Within this framework, the audit committee has reviewed and discussed with management the Company’s audited financial statements as of and for the year ended December 31, 2017. The audit committee has also discussed Auditing Standard No. 1301 adopted by the Public Company Accounting Oversight Board (United States) regarding “Communications with Audit Committees.” In addition, the audit committee has received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm’s communications with the audit committee concerning independence, and has discussed with the independent registered public accounting firm the independent registered public accounting firm’s independence.

Based upon these reviews and discussions, the audit committee recommended to the board of directors that the audited financial statements be included in the Company’s Annual Report on Form 10-K for the year ended December 31, 2017.

PROPOSAL 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The audit committee has appointed Ernst & Young LLP as our independent registered public accounting firm for 2018. Ernst & Young LLP has audited our financial statements since 2014. Representatives of Ernst & Young LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement, if they desire to do so, and will be available to respond to appropriate questions.

Independent Registered Public Accounting Firm Fees and Services

The following table presents fees billed for professional audit services and other services rendered to us by Ernst & Young LLP for 2016 and 2017.

Year Ended		
December 31,		
2017	2016	
Audit Fees(1)	\$702,000	\$910,000
Tax Fees(2)	\$	\$3,200
All Other Fees(3)	\$1,910	\$1,990
Total	\$703,910	\$915,190

Audit fees include fees and out-of-pocket expenses, whether or not yet invoiced, for professional services (1) provided in connection with the audit of our annual financial statements and review of our quarterly financial statements.

(2) Tax fees consist of federal and state tax compliance and planning, tax advice and preparation of tax returns.

(3) Other fees consist of accounting consultations.

Pre-approval Policies and Procedures

Our audit committee's policy is to pre-approve all audit and permissible non-audit services provided by our independent registered public accounting firm. All of the services provided were pre-approved to the extent required. During the approval process, the audit committee considers the impact of the types of services and the related fees on

the independence of the independent registered public accounting firm. The services and fees must be deemed compatible with the maintenance of that firm's independence, including compliance with rules and regulations of the SEC. Throughout the year, the audit committee will review any revisions to the estimates of audit and non-audit fees initially approved.

Required Vote

Ratification will require the affirmative vote of a majority of the shares present and entitled to vote at the Annual Meeting. Stockholder ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm is not required by our Bylaws or otherwise. However, the board of directors is submitting the selection of Ernst & Young LLP to the stockholders for ratification as a matter of corporate practice. If the stockholders fail to ratify the selection, the audit committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the audit committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if the audit committee determines that such a change would be in the best interests of our Company and our stockholders.

The Board of Directors Recommends a Vote “FOR” Ratification of Ernst & Young LLP as our Independent Registered Public Accounting Firm.

ADDITIONAL INFORMATION

Section 16(A) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our executive officers and directors, and persons who own more than 10% of a registered class of our equity securities, to file reports of ownership on Forms 3, 4 and 5 with the SEC. Executive officers, directors and greater than 10% stockholders are required to furnish us with copies of all Forms 3, 4 and 5 they file. Based solely on our review of the copies of such forms we have received and written representations from certain reporting persons that they filed all required reports, we believe that all of our executive officers, directors and greater than 10% stockholders complied on a timely basis with all Section 16(a) filing requirements applicable to them with respect to transactions during 2017.

Stockholder Proposals for the 2019 Annual Meeting

If a stockholder wishes to present a proposal to be considered for inclusion in our proxy statement for the 2019 Annual Meeting of Stockholders, the proponent and the proposal must comply with the proxy proposal submission rules of the SEC. One of the requirements is that the proposal be received by our Secretary no later than December 20, 2018. Proposals we receive after that date will not be included in the proxy statement. We urge stockholders to submit proposals by Certified Mail - Return Receipt Requested.

A stockholder proposal not included in our proxy statement for the 2019 Annual Meeting will not be eligible for presentation at the meeting unless the stockholder gives timely notice of the proposal in writing to our Secretary at our principal executive offices and otherwise complies with the provisions of our Bylaws. To be timely, our Bylaws provide that we must have received the stockholder’s notice by February 6, 2019, or not more than 120 days nor less than 90 days prior to the first anniversary date of the preceding year’s annual meeting; however, if we have not held an annual meeting in the previous year or the date of the annual meeting is called for a date that is more than 30 days before or more than 60 days after the first anniversary date of the preceding year’s annual meeting, we must have received the stockholder’s notice not later than the close of business on the later of the 90th day prior to the date of the scheduled annual meeting or the 10th day following the earlier of the day on which notice of the annual meeting date was mailed or the day of the first public announcement of the annual meeting date. An adjournment or postponement of an annual meeting will not commence a new time period or extend any time period for the giving of the stockholder’s notice described above. The stockholder’s notice must set forth, as to each proposed matter, the information required by our Bylaws. The presiding officer of the meeting may refuse to acknowledge any matter not made in compliance with the foregoing procedure.

“Householding” - Stockholders Sharing the Same Last Name and Address

The SEC has adopted rules that permit companies and intermediaries (such as brokers) to implement a delivery procedure called “householding.” Under this procedure, multiple stockholders who reside at the same address may receive a single copy of our annual report and proxy materials, including the Notice of Internet Availability, unless the affected stockholder has provided contrary instructions. This procedure reduces printing costs and postage fees, and helps protect the environment as well.

This year, a number of brokers with account holders who are our stockholders will be “householding” our annual report and proxy materials, including the Notice of Internet Availability. A single Notice of Internet Availability and, if applicable, a single set of annual report and other proxy materials will be delivered to multiple stockholders sharing an address unless contrary

instructions have been received from the affected stockholders. Once you have received notice from your broker that it will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. Stockholders may revoke their consent at any time by contacting Broadridge by calling (800) 542-1061 or writing to Broadridge, Householding Department, 51 Mercedes Way, Edgewood, New York, 11717.

OTHER MATTERS

The board of directors does not know of any other business that will be presented at the Annual Meeting. If any other business is properly brought before the Annual Meeting, the proxy holders will vote in accordance with their judgment unless you direct them otherwise. Whether or not you intend to attend the Annual Meeting, we urge you to vote by telephone, the internet, or by signing and mailing the enclosed proxy or voting instruction form promptly. Our Annual Report on Form 10-K for the year ended December 31, 2017 has been provided with this Proxy Statement. We will furnish without charge, upon written request of any person who was a stockholder or beneficial owner of our common stock on the close of business on the Record Date, copies of exhibits to our Annual Report on Form 10-K, but will charge a reasonable per page fee. Written requests should be sent to: Investor Relations, Veracyte, Inc., 6000 Shoreline Court, Suite 300, South San Francisco, California 94080. Our Annual Report on Form 10-K and exhibits are also available at <http://investor.veracyte.com/node/10091/html>.
