CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS

Our disclosure and analysis in this Current Report on Form 8-K contains some forward-looking statements. Certain of the matters discussed concerning our operations, cash flows, financial position, economic performance and financial condition, and the effect of economic conditions include forward-looking statements.

Statements that are predictive in nature, that depend upon or refer to future events or conditions or that include words such as "expects," "anticipates," "intends," "plans," "believes," "estimates" and similar expressions are forward-looking statements. Although we believe that these statements are based upon reasonable assumptions, including projections of orders, sales, operating margins, earnings, cash flow, research and development costs, working capital, capital expenditures and other projections, they are subject to several risks and uncertainties.

Investors are cautioned that our forward-looking statements are not guarantees of future performance and the actual results or developments may differ materially from the expectations expressed in the forward-looking statements.

As for the forward-looking statements that relate to future financial results and other projections, actual results will be different due to the inherent uncertainty of estimates, forecasts and projections may be better or worse than projected. Given these uncertainties, you should not place any reliance on these forward-looking statements. These forward-looking statements also represent our estimates and assumptions only as of the date that they were made. We expressly disclaim a duty to provide updates to these forward-looking statements, and the estimates and assumptions associated with them, after the date of this filing to reflect events or changes in circumstances or changes in expectations or the occurrence of anticipated events. You are advised, however, to consult any additional disclosures we make in our reports on Form 10-K, Form 10-Q, Form 8-K, or their successors.

Item 4.01 Changes in Registrant's Certifying Accountant.

On January 7, 2010, Tarvaran, Askelson & Company, LLP ("TAC") was appointed as the independent registered public accounting firm for Bond Laboratories, Inc., commencing immediately, and Jewett, Schwartz, Wolfe, & Associates ("JSW") was dismissed as the independent auditors for the Company as of January 7, 2010. JSW was engaged on August 18, 2006. The decision to change auditors was approved by the Board of Directors on January 7, 2010.

The report of JSW on the financial statements for year ended December 31, 2008 and the year ended December 31, 2007 did not contain any adverse opinion or disclaimer of opinion or was qualified or modified as to uncertainty, audit scope or accounting principles.

During the Company's two most recent completed fiscal years and through the date of dismissal, there were no disagreements with JSW on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreement, if not resolved to the satisfaction of JSW, would have caused it to make reference to the subject matter of the disagreements in connection with its reports with respect to the financial statements of the Company.

During the Company's two most recently completed fiscal years and through the date of dismissal, there were no "reportable events" as such term is described in Item 304(a)(1)(v) of Regulation S-B under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), with respect to the Company.

During the Company's two most recent completed fiscal years and through the date of engagement, the Company did not consult with TAC with respect to the Company regarding (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements, (ii) any matter that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-B under the Exchange Act and the related instructions to Item 304 of Regulation S-B) or a "reportable event" (as such term is described in Item 304(a)(1)(v) of Regulation S-B), or (iii) any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-B.

The Company has furnished a copy of this Report to JSW and requested them to furnish the Company with a letter addressed to the Securities and Exchange Commission stating whether it agrees with the statements made by the Company herein in response to Item 304(a) of Regulation S-K and, if not, stating the respects in which it does not agree. The letter from JSW is submitted hereto as Exhibit 16.1.
