RISK FACTORS

Investing in our securities involves a high degree of risk. Before purchasing our securities, you should carefully consider the risks, uncertainties and forward-looking statements described under “Risk Factors” in Item 1A of our most recent Annual Report on Form 10-K for the fiscal year ended October 31, 2014 and filed with the Securities and Exchange Commission (the “SEC”) on January 29, 2015, as well as information incorporated by reference into this prospectus, any applicable prospectus supplement or any free writing prospectus. DESCRIPTION OF TRANSACTIONS

Private Placement of Common Stock, Series A Convertible Preferred Stock, Series B Convertible Preferred Stock and Warrants

Private Placement

On December 17, 2014, pursuant to the terms of separate subscription agreements (the “Subscription Agreements”) among the Company and certain accredited investors (the “Investors”), the Company sold and issued \$6,000,000 of units (the “Units”) at a purchase price of \$0.68 per Unit, with each Unit consisting of one share of the Company’s 0% Series A Convertible Preferred Stock (each a “Preferred A Share”) and a five-year warrant (each a “Warrant”) to purchase one share of the Company’s Common Stock at an initial exercise price of \$0.68 per share (such sale and issuance, the “Private Placement”). The Private Placement offering was made pursuant to an exemption from registration under Section 4(a)(2) of the Securities Act.

Preferred A Shares

The Preferred A Shares are convertible into shares of Common Stock based on a conversion calculation equal to the stated value of such Preferred A Share, plus all accrued and unpaid dividends, if any, on such Preferred A Share, as of such date of determination, divided by the conversion price. The stated value of each Preferred A Share is \$0.68 and the initial conversion price is \$0.68 per share, each subject to adjustment for stock splits, stock dividends, recapitalizations, combinations, subdivisions or other similar events. In addition, in the event the Company issues or sells, or is deemed to issue or sell, shares of Common Stock at a per share price that is less than the conversion price then in effect, the conversion price shall be reduced to such lower price, subject to certain exceptions. The Company is prohibited from effecting a conversion of the Preferred A Shares to the extent that, as a result of such conversion, such Investor would beneficially own more than 4.99% of the number of shares of Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock upon conversion of the Preferred A Shares, which beneficial ownership limitation may be increased by the holder up to, but not exceeding, 9.99% (the “A Limit”).

Each holder of Preferred A Shares is entitled to vote on all matters submitted to stockholders of the Company, and shall have the number of votes equal to the number of shares of Common Stock issuable upon conversion of such

holder's Preferred A Shares, provided that a holder is only entitled to vote shares of Common Stock underlying the Preferred A Shares to the extent such shares do not result in the holder exceeding the A Limit and provided further that in no event shall the holders be entitled to cast votes in excess of the number of votes that holders would be entitled to cast if the Preferred A Shares were converted at \$0.59 per share (equal to the market price as determined by NASDAQ on the trading date immediately prior to closing) (the "Voting Floor"). The Voting Floor shall only be removed in accordance with applicable Nasdaq Listing Rules. Pursuant to the Certificate of Designations, Preferences and Rights of the 0% Series A Convertible Preferred Stock of Majesco Entertainment Company (the "Series A Certificate of Designations"), the Company is prohibited from incurring debt or liens, or entering into new financing transactions without the consent of the Lead Investor (as defined in the Subscription Agreements). The Preferred A Shares bear no interest.

Warrants

In addition to the issuance of Preferred A Shares, the Company issued to each Investor a Warrant to purchase one share of Common Stock. Prior to the Exchange Agreement, as defined below, the Warrants were exercisable, at any time, following the date the Warrants were issued, at a price of \$0.68 per share, subject to adjustment, and expired five years from the date of issuance. The Investors were permitted, subject to certain limitations, to exercise the Warrants on a cashless basis. The Company was prohibited from effecting an exercise of any Warrant to the extent that, as a result of any such exercise, the Investor would beneficially own more than 4.99% of the number of shares of Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock upon exercise of such Warrant, which beneficial ownership limitation could have been increased by the holder up to, but not exceeding, 9.99%. The Warrants were also subject to certain adjustments upon certain actions by the Company as outlined in the Warrants, including, for twenty-four months following the initial issuance date, the issuance or sale, or deemed issuance or sale, by the Company of shares of its Common Stock at a per share price that was less than the conversion price then in effect, as a result of which the conversion price would have been reduced to such lower price, subject to certain exceptions. On April 30, 2015, as further described below under "—Exchange" we exchanged all of the Warrants issued on December 17, 2014 for shares of the Company's 0% Series B Convertible Preferred Stock (the "Preferred B Shares" and together with the Preferred A Shares, the "Preferred Shares"), Common Stock (the "Exchanged Common Stock") or a combination thereof and, as a result of such exchange, the Warrants are no longer outstanding and we have no continuing obligations under the Warrants.

Registration Rights Agreement

In connection with the Private Placement, the Company entered into a Registration Rights Agreement, dated as of December 17, 2014 (such date, the “Closing Date”), as amended on January 30, 2015 and March 30, 2015, (as amended, the “Registration Rights Agreement”) with each of the Investors. Pursuant to the Registration Rights Agreement, the Company agreed, among other things, to file a registration statement to register the Common Stock issuable upon exercise of the Warrants and conversion of the Preferred A Shares by June 30, 2015 and to maintain the effectiveness of the registration statement until all of the Common Stock issuable upon exercise of the Warrants and conversion of the Preferred A Shares have been sold or are otherwise able to be sold pursuant to Rule 144. In the event the Company fails to file, or obtain effectiveness of, such registration statement by June 30, 2015, the Company is obligated to pay liquidated damages to the Investors for every thirty days, during which such filing is not made and/or effectiveness obtained, with such fee being subject to certain exceptions. The registration statement of which this prospectus is a part is being filed to comply with the requirements of the Registration Rights Agreement, as amended. As further described below under “—Exchange” the Warrants are no longer outstanding and so the Registration Rights Agreement no longer applies to such Warrants.

Escrow Agreement

The proceeds of the Private Placement offering were deposited into an escrow account (the “Escrow Amount”) with Signature Bank, as escrow agent (the “Escrow Agent”) for the Company pursuant to an escrow agreement (the “Escrow Agreement”), dated December 17, 2014, by and between the Company, the Lead Investor (as defined in the Subscription Agreements) and the Escrow Agent and certificates representing the Preferred A Shares and Warrants purchased in the Private Placement were deposited with the Company’s corporate secretary (the “Securities Escrow Agent”) to be held in escrow subject to conditions as provided in the Escrow Agreement. Upon the closing of the Private Placement on December 17, 2014, \$1,000,000 of the Escrow Amount was released by the Escrow Agent to the Company in exchange for the release of \$1,000,000 of Units by the Securities Escrow Agent. Following the Closing Date, under the terms of the Escrow Agreement, in one or multiple tranches, the remaining \$5,000,000 will be released (the “Subsequent Release”) by the Escrow Agent to the Company in exchange for the release of \$5,000,000 of Units by the Securities Escrow Agent to the Investors, provided that either, (i) the Lead Investor has approved the release, (ii) the approval of the requisite number of Investors has been obtained, (iii) the Company has executed definitive binding documents for certain transactions, as described in the Subscription Agreement, and such transaction(s) are to close contemporaneously with the release or (iv) the following conditions are present: (a) nine months has elapsed from the Closing Date and release is approved by each of the directors appointed at closing (being the non-continuing directors); (b) no subsequent release of the Escrow Amount has been consummated; and (c) no more than \$1,000,000 is released (the “Release Conditions”). In the event that on and as of the twelve month anniversary of the Closing Date none of the Release Conditions have been satisfied, the Escrow Agent shall return \$5,000,000 to the Investors, without interest or deduction, and the Securities Escrow Agent shall return the Units to the Company for cancellation. As further describe below under “—Exchange” the Warrants are no longer outstanding and have been exchanged for shares of Common Stock and Preferred B Shares.

Exchange

On April 24, 2015, the Company entered into an exchange agreement (the “Exchange Agreement”) with each of the Investors pursuant to which, on April 30, 2015, the Company exchanged the Warrants held by the Investors, whether or not held in escrow, with the consent of the Lead Investor, for shares of Exchanged Common Stock or Preferred B Shares, if the issuance of Exchanged Common Stock would have resulted in the recipient investor exceeding certain thresholds.

Preferred B Shares

The Preferred B Shares are convertible into shares of Common Stock based on a conversion calculation equal to the stated value of such Preferred B Share, plus all accrued and unpaid dividends, if any, on such Preferred B Share, as of such date of determination, divided by the conversion price. The stated value of each Preferred B Share is \$140.00 and the initial conversion price is \$1.40 per share, each subject to adjustment for stock splits, stock dividends, recapitalizations, combinations, subdivisions or other similar events. The Company is prohibited from effecting a conversion of the Preferred B Shares to the extent that, as a result of such conversion, such Investor would beneficially own more than 4.99% of the number of shares of Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock upon conversion of the Preferred B Shares, which beneficial ownership limitation may be increased by the holder up to, but not exceeding, 9.99% (the "B Limit").

Each holder of Preferred B Shares is entitled to vote on all matters submitted to stockholders of the Company, and shall have the number of votes equal to the number of shares of Common Stock issuable upon conversion of such holder's Preferred B Shares, provided that a holder is only entitled to vote shares of Common Stock underlying the Preferred B Shares to the extent such shares do not result in the holder exceeding the B Limit. Pursuant to the Certificate of Designations, Preferences and Rights of the 0% Series B Convertible Preferred Stock of Majesco Entertainment Company (the "Series B Certificate of Designations"), the Company is prohibited from incurring debt or liens, or entering into new financing transactions without the consent of the Lead Investor (as defined in the Subscription Agreements). The Preferred B Shares bear no interest.

The Preferred B Shares are subject to the terms and conditions of the Registration Rights Agreement, as described above, entered into by the Company and the Investors under the Private Placement. The registration statement of which this prospectus is a part is being filed to comply with the requirements of the Registration Rights Agreement.

The foregoing descriptions of the Subscription Agreement, the Registration Rights Agreement, the Warrants and the Preferred Shares are not complete and are qualified in their entirety by reference to the full text of the Form of Subscription Agreement, the Form of Registration Rights Agreement, the Form of Common Stock Purchase Warrant, the Series A Certificate of Designations and the Series B Certificate of Designations, copies of which are filed as Exhibit 10.1, Exhibit 10.2, Exhibit 4.1, Exhibit 4.2 and Exhibit 4.1, respectively, to the Company's reports on Form 8-K as filed with the SEC on December 18, 2014 and, with respect to the Series B Certificate of Designations, on April 30, 2015

SELLING STOCKHOLDERS

This prospectus relates to the sale or other disposition of up to 18,907,585 shares of our Common Stock by the selling stockholders named below, and their donees, pledgees, transferees or other successors-in-interest selling shares of Common Stock or interests in shares of Common Stock received after the date of this prospectus from a selling stockholder as a gift, pledge, partnership distribution or other transfer (collectively, the “Selling Stockholders”), which includes:

14,243,708 shares of Common Stock issuable upon conversion of the Preferred Shares and 882,354 shares of Common Stock currently held.

The following table, based upon information currently known by us, sets forth as of June 15, 2015, (i) the number of shares held of record or beneficially by the Selling Stockholders as of such date (as determined below) and (ii) the number of shares that may be sold or otherwise disposed of under this prospectus by each Selling Stockholder. Percentage ownership is based on 9,640,901 shares of Common Stock outstanding as of June 15, 2015, plus securities deemed to be outstanding with respect to individual stockholders pursuant to Rule 13d-3(d)(1) under the Exchange Act. Beneficial ownership includes shares of Common Stock plus any securities held by the holder exercisable for or convertible into shares of Common Stock within 60 days after June 15, 2015, in accordance with Rule 13d-3(d)(1) under the Exchange Act. The inclusion of any shares in this table does not constitute an admission of beneficial ownership for the Selling Stockholder named below. We do not know when or in what amounts a Selling Stockholder may sell or otherwise dispose of the shares of Common Stock covered hereby. The Selling Stockholders may not sell or otherwise dispose of any or all of the shares offered by this prospectus and may sell or otherwise dispose of shares covered hereby in transactions exempt from the registration requirements of the Securities Act. Because the Selling Stockholders may sell or otherwise dispose of some, all or none of the shares covered hereby, and because there are currently no agreements, arrangements or understandings with respect to the sale of any of the shares, we cannot estimate the number of the shares that will be held by the Selling Stockholders after completion of the offering. However, for purposes of the following table, we have assumed that all of the shares covered hereby are sold by the Selling Stockholders pursuant to this prospectus.

Except as described above under “Risk Factors” and “Description of Transactions—Private Placement of Series A Convertible Preferred Stock, Series B Convertible Preferred Stock and Warrants,” none of the Selling Stockholders has held any position or office, or has otherwise had a material relationship, with us or any of our subsidiaries within the past three years other than as a result of the ownership of our shares or other securities. Unless otherwise indicated below, to our knowledge, all persons named in the table have sole voting and investment power with respect to their shares of Common Stock, except to the extent authority is shared by their spouses under applicable law.

PLAN OF DISTRIBUTION

The Selling Stockholders, which as used herein include donees, pledgees, transferees or other successors-in-interest selling shares of Common Stock or interests in shares of Common Stock received after the date of this prospectus from a Selling Stockholder as a gift, pledge, partnership distribution or other transfer, may, from time to time, sell, transfer or otherwise dispose of any or all of their shares of Common Stock or interests in shares of Common Stock on any stock exchange, market or trading facility on which the shares are traded or in private transactions. These dispositions may be at fixed prices, at prevailing market prices at the time of sale, at prices related to the prevailing market price, at varying prices determined at the time of sale, or at negotiated prices.

The Selling Stockholders may use any one or more of the following methods when disposing of shares or interests therein:

ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;

block trades in which the broker-dealer will attempt to sell the shares as agent, but may position and resell a portion of the block as principal to facilitate the transaction;

purchases by a broker-dealer as principal and resale by the broker-dealer for its account;

an exchange distribution in accordance with the rules of the applicable exchange;

privately negotiated transactions;

short sales effected after the date the registration statement of which this prospectus is a part is declared effective by the SEC;

through the writing or settlement of options or other hedging transactions, whether through an options exchange or otherwise;

broker-dealers may agree with the Selling Stockholders to sell a specified number of such shares at a stipulated price per share;

a combination of any such methods of sale; and

any other method permitted by applicable law.

The Selling Stockholders may, from time to time, pledge or grant a security interest in some or all of the shares of Common Stock owned by them and, if they default in the performance of their secured obligations, the pledgees or secured parties may offer and sell the shares of Common Stock, from time to time, under this prospectus, or under an amendment to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act amending the list of Selling Stockholders to include the pledgee, transferee or other successors in interest as Selling Stockholders under this prospectus. The Selling Stockholders also may transfer the shares of Common Stock in other circumstances, in which case the transferees, pledgees or other successors in interest will be the selling beneficial owners for purposes of this prospectus.

In connection with the sale of our Common Stock or interests therein, the Selling Stockholders may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the Common Stock in the course of hedging the positions they assume. The Selling Stockholders may also sell shares of

our Common Stock short and deliver these securities to close out their short positions, or loan or pledge the Common Stock to broker-dealers that in turn may sell these securities. The Selling Stockholders may also enter into option or other transactions with broker-dealers or other financial institutions or the creation of one or more derivative securities which require the delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction).

The aggregate proceeds to the Selling Stockholders from the sale of the Common Stock offered by them will be the purchase price of the Common Stock less discounts or commissions, if any. Each of the Selling Stockholders reserves the right to accept and, together with their agents from time to time, to reject, in whole or in part, any proposed purchase of Common Stock to be made directly or through agents. We will not receive any of the proceeds from this offering.

The Selling Stockholders also may resell all or a portion of the shares in open market transactions in reliance upon Rule 144 under the Securities Act, provided that they meet the criteria and conform to the requirements of that rule.

The Selling Stockholders and any underwriters, broker-dealers or agents that participate in the sale of the Common Stock or interests therein may be “underwriters” within the meaning of Section 2(a)(11) of the Securities Act. Any discounts, commissions, concessions or profit they earn on any resale of the shares may be underwriting discounts and commissions under the Securities Act. Selling Stockholders who are “underwriters” within the meaning of Section 2(a)(11) of the Securities Act will be subject to the prospectus delivery requirements of the Securities Act.

To the extent required, the shares of our Common Stock to be sold, the names of the Selling Stockholders, the respective purchase prices and public offering prices, the names of any agents, dealer or underwriter, any applicable commissions or discounts with respect to a particular offer will be set forth in an accompanying prospectus supplement or, if appropriate, a post-effective amendment to the registration statement that includes this prospectus.

In order to comply with the securities laws of some states, if applicable, the Common Stock may be sold in these jurisdictions only through registered or licensed brokers or dealers. In addition, in some states the Common Stock may not be sold unless it has been registered or qualified for sale or an exemption from registration or qualification requirements is available and is complied with.

Item 15. Indemnification of Directors and Officers.

Our restated certificate of incorporation and restated bylaws provide that each person who was or is made a party or is threatened to be made a party to or is otherwise involved (including, without limitation, as a witness) in any action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he or she is or was a director or an officer of Majesco Entertainment Company or is or was serving at our request as a director, officer, or trustee of another corporation, or of a partnership, joint venture, trust or other enterprise, including service with respect to an employee benefit plan, whether the basis of such proceeding is alleged action in an official capacity as a director, officer or trustee or in any other capacity while serving as a director, officer or trustee, shall be indemnified and held harmless by us to the fullest extent authorized by the DGCL against all expense, liability and loss (including attorneys' fees, judgments, fines, ERISA excise taxes or penalties and amounts paid in settlement) reasonably incurred or suffered by such.

Section 145 of the DGCL permits a corporation to indemnify any director or officer of the corporation against expenses (including attorney's fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with any action, suit or proceeding brought by reason of the fact that such person is or was a director or officer of the corporation, if such person acted in good faith and in a manner that he reasonably believed to be in, or not opposed to, the best interests of the corporation, and, with respect to any criminal action or proceeding, if he or she had no reason to believe his or her conduct was unlawful. In a derivative action, (i.e., one brought by or on behalf of the corporation), indemnification may be provided only for expenses actually and reasonably incurred by any director or officer in connection with the defense or settlement of such an action or suit if such person acted in good faith and in a manner that he or she reasonably believed to be in, or not opposed to, the best interests of the corporation, except that no indemnification shall be provided if such person shall have been adjudged to be liable to the corporation, unless and only to the extent that the court in which the action or suit was brought shall determine that the defendant is fairly and reasonably entitled to indemnity for such expenses despite such adjudication of liability.

Pursuant to Section 102(b)(7) of the DGCL, Article Ninth of our restated certificate of incorporation eliminates the liability of a director to us or our stockholders for monetary damages for such a breach of fiduciary duty as a director, except for liabilities arising:

from any breach of the director's duty of loyalty to us or our stockholders;

from acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;

under Section 174 of the DGCL; and

from any transaction from which the director derived an improper personal benefit.

We carry insurance policies insuring our directors and officers against certain liabilities that they may incur in their capacity as directors and officers.

We have entered into indemnification agreements with each of our directors. Pursuant to the indemnification agreements, we are required to, among other things, indemnify each indemnitee against all expenses (including, attorneys' fees, disbursements and retainers, fees and disbursements of expert witnesses, private investigators and professional advisors and other disbursements and expenses) actually and reasonably incurred in connection with certain proceedings that relate to the indemnitee's corporate status (as defined in the indemnification agreements). We are also required to indemnify for expenses incurred by the indemnitee if, by reason of his or her corporate status, is a witness in any proceeding. Further, we are required to indemnify for expenses incurred by the indemnitee in defense of a proceeding to the extent the indemnitee has been successful on the merits or otherwise. Finally, if the indemnitee is involved in certain proceedings as a result of the indemnitee's corporate status, we are required to advance all expenses incurred by or on behalf of the indemnitee in connection with such proceeding, without regard to the indemnitee's ability to repay the expenses and without regard to the indemnitee's ultimate entitlement to indemnification under the other provisions of the indemnification agreement; provided, however, that to the extent required by the DGCL, the indemnitee shall repay all the expenses paid to the indemnitee if it is finally determined that the indemnitee is not entitled to be indemnified.

Table of Contents

The indemnification agreements contain certain exceptions to our obligation to indemnify. Among these exceptions, we are not obligated to make any indemnity in connection with any claim made against the indemnitee: (i) for which payment has actually been made to or on behalf of the indemnitee under any insurance policy or other indemnity provision, except with respect to any excess beyond the amount paid under any insurance policy or other indemnity provisions; (ii) for an accounting of profits made from the purchase and sale (or sale and purchase) by the indemnitee of securities of the Company within the meaning of Section 16(b) of the Exchange Act, or similar provisions of state statutory law or common law; or (iii) for which payment is prohibited by applicable law.

The indemnification agreements also require us to, from time to time, make a good faith determination whether or not it is practicable to obtain and maintain a policy or policies of insurance with a reputable insurance company providing the indemnitee with coverage for losses from wrongful acts and, to the extent we obtain such insurance, an indemnitee who is a director shall be named as an insured. However, we are not obligated to obtain or maintain such insurance.

All agreements and obligations of the Company contained in the indemnification agreements shall continue during the period when the director who is a party to an indemnification agreement is a director of the Company (or is serving at the request of the Company as a director, officer, employee or other agent of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise) and shall continue thereafter so long as such director shall be subject to any possible claim or threatened, pending or completed action, suit or proceeding, whether civil, criminal, arbitrational, administrative or investigative. In addition, the indemnification agreements provide for partial indemnification and advance of expenses. In the event of a change of control, the Company (or any successor to the interests of the Company) shall be obligated to continue, procure and otherwise maintain in effect, for a period of six (6) years from the effective date of the change of control, a policy, or policies, of insurance providing each director with coverage for losses from alleged wrongful acts occurring on or before the change of control.

(2) That, for the purposes of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at the time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(5) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the indemnification provisions described herein, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
