Item 1.01 Entry into a Material Definitive Agreement.

On September 10, 2013, Tower Financial Corporation (“Tower”) and Old National Bancorp (“Old National”) jointly announced the signing of a definitive agreement (the “Agreement”) pursuant to which Tower will be merged with and into Old National (the “Merger”). Simultaneously with the Merger, Tower Bank & Trust Company, an Indiana chartered commercial bank and wholly-owned subsidiary of Tower, will be merged with an into Old National Bank, a national banking association and wholly-owned subsidiary of Old National, with Old National Bank as the surviving bank.

The Agreement provides that upon the effective date of the Merger (the “Effective Time”) each share of common stock of Tower will be exchanged for \$6.75 in cash (the “Cash Consideration”) and 1.20 shares of Old National common stock (the “Exchange Ratio” and together with the Cash Consideration, the “Merger Consideration”). While the Cash Consideration will remain a fixed amount, the Exchange Ratio is subject to adjustment as set forth in the Merger Agreement and discussed below. Upon completion of the Merger, unvested stock options of Tower will become fully vested and all Tower stock options will convert into options to purchase Old National common stock, subject to adjustment as set forth in the Merger Agreement. Based on Old National’s September 5, 2013 closing price of \$13.52 per share, the total Merger Consideration is estimated to be \$107.7 million.

At the effective time of the Merger, the Exchange Ratio may be adjusted in the manner prescribed in the Merger Agreement, based on the following: (i) if the amount of Tower’s Consolidated Shareholders’ Equity (as defined in the Merger Agreement) is less than \$61,117,844 as of the end of the last day of the month prior to the effective time of the Merger, after certain adjustments prescribed by the Merger Agreement have been made; (ii) if there is a change in the number of shares of Old National common stock issued and outstanding prior to the effective time of the Merger by way of a stock split, stock dividend, recapitalization or similar transaction with respect to the outstanding Old National common stock; and (iii) at Old National’s option, in the manner prescribed in the Merger Agreement, following notice of termination from Tower resulting from a specified decrease in Old National’s market value.

The Merger Agreement has been approved by the board of directors of each of Old National and Tower. Subject to the approval of Tower’s common shareholders of the Merger, regulatory approvals and other customary closing conditions, the parties anticipate completing the Merger in the first quarter of 2014.

A majority of the members of Tower’s board of directors have entered into a voting agreement pursuant to which they have agreed to vote their shares of Tower’s common stock in favor of the Merger. A copy of the voting agreement is filed hereto as Exhibit 10.1 and incorporated herein by reference.

The Merger Agreement contains representations, warranties and covenants of Tower and Old National, including, among others, covenants that require (i) Tower to conduct its business in the ordinary course during the period

between the execution of the Merger Agreement and the effective time of the Merger or earlier termination of the Merger Agreement and (ii) Tower not to engage in certain kinds of transactions during such period (without the prior written consent of Old National). Subject to certain terms and conditions, Tower's board of directors will recommend the approval and adoption of the Merger Agreement and the Merger contemplated thereby, and will solicit proxies voting in favor of the Merger Agreement from Tower's shareholders. Tower has also agreed not to (i) solicit proposals relating to alternative business combination transactions or (ii) subject to certain exceptions, enter into discussions or negotiations or provide confidential information in connection with any proposals for alternative business combination transactions.

The Merger Agreement provides certain termination rights for both Tower and Old National, and further provides that upon termination of the Merger Agreement under certain circumstances, Tower will be obligated to pay Old National a termination fee of \$4.5 million.

As noted, consummation of the Merger is subject to various conditions, including (i) receipt of the requisite approval by Tower's shareholders, (ii) receipt of regulatory approvals, (iii) absence of any law or order prohibiting the closing, (iv) effectiveness of the registration statement to be filed by Old National with the Securities and Exchange Commission (the "SEC") with respect to the shares of Old National's common stock to be issued to Tower's shareholders in connection with the Merger, (v) Tower's Delinquent Loans (as defined in the Merger Agreement) must not exceed \$24.0 million as of the tenth day prior to the effective time of the Merger, and (vi) the Tower Consolidated Shareholders' Equity as of the end of the last day of the month prior to the effective time of the Merger, after certain adjustments prescribed by the Merger Agreement have been made, must not be less than \$57,117,844. In addition, each party's obligation to consummate the Merger is subject to certain other conditions, including the accuracy of the representations and warranties of the other party and compliance of the other party with its covenants in all material respects.

The Merger Agreement also contains representations and warranties that the parties have made to each other as of specific dates. A copy of the Merger Agreement is filed as Exhibit 2.1 hereto and is incorporated herein by reference. Shareholders should read the Merger Agreement together with the other information concerning ONB and TFC that each company publicly files in reports and statements with the SEC.
