On October 26, 2017, the City of Burlington d/b/a Burlington Telecom (“BT”) released an updated bid letter of Tucows Inc. (the “Company”), attached hereto as Exhibit 99.1, regarding the Company’s bid (the “Bid”) to acquire all of the assets of BT, together with all of the Burlington Telecom System assets the City of Burlington conveyed to and then leased back from Blue Water Holdings, LLC (together with BT, the “BT Business”). On October 30, 2017, BT released a further updated bid letter of the Company, attached hereto as Exhibit 99.2. The Company previously disclosed its initial bid letter in response to a release of information by BT in a Form 8-K dated September 20, 2017. The Company believes that the BT Business, with its existing fiber assets and a strong customer base, will add to the Company’s growing fiber footprint. The Company is offering to acquire the BT Business for a total consideration of \$30.5 million, consisting of (i) \$28.0 million in cash payable at closing and (ii) an additional \$2.5 million, payable at closing in recognition of the additional capital expenditure planned by BT in its fiscal year ending on June 30, 2018. As of the date hereof, the Company is one of the two bidders for the BT Business. There can be no assurance that the Company will be selected as the winning bidder.

The information disclosed under this Item 7.01, including Exhibits 99.1 and 99.2 hereto, is being furnished and shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, nor shall it be incorporated by reference into any registration statement or other document pursuant to the Securities Act of 1933, as amended, except as expressly set forth in such filing.

This Current Report on Form 8-K contains forward-looking statements related to the Bid, including, without limitation, the timing, process and outcome of the Bid, the terms and conditions of the acquisition, and the anticipated effects of the acquisition and future operations of the acquired business if the Bid is successful. Such statements are based on management’s current expectations and are subject to a number of uncertainties and risks, which could cause actual results to differ materially from those described in the forward-looking statements. Information about potential factors that could affect the Company’s business, results of operations and financial condition is included in the “Risk Factors” sections of the Company’s filings with the Securities and Exchange Commission. All forward-looking statements included in this document are based on information available to the Company as of the date of this document, and except to the extent the Company may be required to update such information under any applicable securities laws, the Company assumes no obligation to update such forward-looking statements.
