Dear Stockholder:

On behalf of the Board of Directors and Management of Gartner, Inc., I invite you to attend our 2008 Annual Meeting of Stockholders to be held on Thursday, June 5, 2008, at 10 a.m. local time, at our corporate headquarters at 56 Top Gallant Road, Stamford, Connecticut.

Details of the business to be conducted at the meeting are given in the Notice of Annual Meeting of Stockholders and Proxy Statement which follow this letter.

This year, we have elected to adopt the new Securities and Exchange Commission rules that allow companies to furnish proxy materials to their stockholders over the Internet. Accordingly, on April 22, 2008, we mailed to our stockholders a Notice of Internet Availability of Proxy Materials containing instructions on how to access our 2007 Annual Report to Stockholders and Proxy Statement online, how to request a paper copy of these materials and how to vote. INFORMATION CONCERNING PROXY MATERIALS AND THE VOTING OF PROXIES

Why Did You Receive a One-Page Notice Regarding the Internet Availability of Proxy Materials This Year

This year, we have elected to adopt the new Securities and Exchange Commission (SEC) rules that allow companies to furnish proxy materials to their stockholders via the Internet. We believe that this new e-proxy process will expedite stockholders' receipt of proxy materials, as well as lower the costs and reduce the environmental impact of our annual meeting. By providing proxy materials in this manner, we expect to reduce paper usage in connection with our annual meeting by more than 80% over last year. Accordingly, on April 22, 2008, we mailed to our stockholders a Notice of Internet Availability of Proxy Materials (the Notice). If you received a Notice, you will not receive a printed copy of the materials unless you request one. The Notice provides instructions on how to access our proxy materials for the 2008 Annual Meeting on a website, how to request a printed set of proxy materials and how to vote your shares. We expect to shortly mail paper copies of our proxy materials to certain shareholders who have already elected this form of delivery.

How Can You Get Electronic Access to Proxy Materials

The Notice provides instructions regarding how to view our proxy materials for the 2008 Annual Meeting online. As explained in greater detail in the Notice, to view the proxy materials and vote, you will need to visit: **www.proxyvote.com** and have available your 12-digit Control number(s) contained on your Notice.

After submitting your vote, follow the prompts to sign up for electronic delivery.

Have your Notice or proxy card available when you access the web page. If you vote by the Internet, you should not return your proxy card.

Telephone. You may vote by telephone by calling the toll-free telephone number on your proxy card (**1-800-690-6903**), 24 hours a day and up until 11:59 PM Eastern Time on June 4, 2008, and following prerecorded instructions. In Person. You may vote your shares in person by attending the Annual Meeting and submitting your proxy at the meeting. All shares that have been voted properly by an unrevoked proxy will be voted at the Annual Meeting in accordance with your instructions. If you sign and submit your proxy card, but do not give voting instructions, the shares represented by that proxy will be voted as our Board recommends.

[If Your Shares Are Held in Street Name, How Will Your Broker Vote](#)

If your brokerage firm, bank, broker-dealer or other similar organization is the holder of record of your shares (i.e., your shares are held in street name), you will receive voting instructions from the holder of record. You must follow these instructions in order for your shares to be voted. **We urge you to instruct your broker or other nominee how to vote your shares by following those instructions.** The broker is required to vote those shares in accordance with your instructions. [How to Revoke Your Proxy or Change Your Vote](#)

A later vote by any means will cancel an earlier vote. You can revoke your proxy or change your vote before your proxy is voted at the Annual Meeting by:

Edgar Filing: GARTNER INC - Form DEF 14A

giving written notice of revocation to: Corporate Secretary, Gartner, Inc., 56 Top Gallant Road, P.O. Box 10212, Stamford, Connecticut 06904-2212; or

attending the Annual Meeting and voting in person. If your shares are held in the name of a bank, broker or other holder of record, to vote at the Annual Meeting you must obtain a proxy executed in your favor from the holder of record and bring it to the Annual Meeting in order to vote. Attendance at the Annual Meeting will not, by itself, revoke your prior proxy.

[How Many Votes You Have](#)

Each stockholder has one vote for each share of our common stock that he or she owned on the Record Date for all matters being voted on.

[Quorum](#)

A quorum is constituted by the presence, in person or by proxy, of holders of our common stock representing a majority of the number of shares of common stock entitled to vote. Abstentions and broker non-votes will be considered present to determine the presence of a quorum.

[Votes Required](#)

Election of Directors. The twelve nominees for director receiving the highest vote totals will be elected. Abstentions and broker non-votes will have no effect on the election of directors. (See [Proposal One: Election of Directors](#) on page four.).

Ratification of Selection of Independent Auditors. To pass, this proposal will require the affirmative vote of the holders of a majority of the total number of shares of common stock present in person or represented by proxy and entitled to vote at the Annual Meeting. Abstentions will have the effect of a negative vote with respect to this proposal and broker non-votes will have the effect of votes not cast with respect to this proposal. (See [Proposal Two: Ratification of Selection of Independent Auditors](#) on page 35.).

If any other matters are brought properly before the Annual Meeting, the persons named as proxies in the enclosed proxy card will have the discretion to vote on those matters for you. As of the date of this Proxy Statement, we were unaware of any other matter to be raised at the Annual Meeting.

[What are the Recommendations of the Board](#)

COMPENSATION OF DIRECTORS

Directors who are also employees, and directors who we are obligated to appoint to the Board because of a contractual relationship between that entity and us (i.e., Silver Lake), receive no fees for their services as directors. All other directors receive the following compensation for their services:

Annual Fee:	\$50,000 per director and an additional \$60,000 for our non-executive chairman of the board, payable in four equal quarterly installments, on the first business day of each quarter. These amounts are paid quarterly, in arrears, in common stock equivalents (CSEs) granted under the Company's 2003 Long-Term Incentive Plan (2003 LTIP), except that a director may elect to receive up to 50% in cash. The CSEs convert into common stock on the date the director's continuous status as a director terminates, or as otherwise provided in the 2003 LTIP. The number of CSEs awarded is determined by dividing the aggregate director fees owed on the first business day following the close of the quarter by the closing price of the Company's common stock on that date.
Annual Committee Chair Fee:	\$5,000 for the chair of each of our Compensation and Governance Committees. \$10,000 for the chair of our Audit Committee. Amounts are payable in the same manner as the Annual Fee.
Annual Committee Member Fee:	\$5,000 for each of our Compensation and Governance Committee members and \$10,000 for each Audit Committee member. Committee chairs receive both a committee chair fee and a committee member fee. Amounts are payable in the same manner as the Annual Fee.
Annual Equity Grant:	\$70,000 of restricted stock, awarded annually on the date of the Annual Meeting of Stockholders. The restrictions lapse one year after grant.
Attendance Fee for Board Meetings:	None; however, we do reimburse directors for their expenses to attend meetings.

DIRECTOR COMPENSATION TABLE

This table sets forth compensation (in dollars) earned or paid in cash, and the value of equity awards made, to our non-management directors on account of services rendered as a director in 2007. Pursuant to our agreement with Silver Lake, Messrs. Bingle and Joyce do not receive any compensation for serving as directors.

Edgar Filing: GARTNER INC - Form DEF 14A

Includes amounts earned in 2007 and paid in cash and/or common stock equivalents (CSEs) on account of (i) a \$50,000 annual director fee; (ii) an additional \$60,000 fee for the chairman of the board (James C. Smith), (iii) a \$5,000 annual fee for each committee membership (\$10,000 for audit); and (iv) an additional \$5,000 fee for service as a committee chairman (\$10,000 for audit). Amounts for new directors are pro rated from the date they joined the board.

- (2) Represents the dollar amount recognized for 2007 financial statement reporting purposes under SFAS 123(R) for an annual equity grant consisting of restricted stock units (RSUs) that vest one year from the award date, which was June 5, 2007, the date of the 2007 Annual Meeting of Stockholders (except for Ms. Dykstra whose award

Table of Contents

was made on, and pro rated from, July 25, 2007, the date she joined the board). The number of RSUs awarded was calculated by dividing \$70,000 by the closing price of Gartner common stock on the award date. These amounts reflect the Company's aggregate accounting expense for 2007, and do not correspond to the actual value that will be recognized by the directors. Also includes the SFAS 123(R) expense amount for a special RSU award made to Mr. Pagliuca in November, 2007.

- (3) The following directors had common stock equivalents (CSEs) at January 2, 2008 (the date of the last payment on account of 2007 directors' fees) representing accrued directors' fees paid in CSEs: Mr. Bressler: 3,388; Ms. Dykstra: 659; Mr. Fradin: 1,506; Ms. Fuchs: 24,569; Mr. Grabe: 36,337; Mr. Hopper: 25,208; Mr. Pagliuca: 36,780; and Mr. Ubben: 13,008. As noted above, directors' fees are paid in CSEs unless a director elects to receive up to 50% of the fees in cash, and CSEs are settled in shares of common stock when the director ceases serving as such, or as otherwise permitted in the 2003 LTIP. Acceleration of release is permitted under certain circumstances. See Compensation of Directors above. The following non-management directors had outstanding option awards at December 31, 2007: Ms. Fuchs: 21,000; Mr. Grabe: 21,000; Mr. Hopper: 21,000; Mr. Pagliuca: 21,000; Mr. Smith: 2,333; and Mr. Ubben: 22,000. Additional detailed information about beneficial ownership of our common stock by our directors (including our CEO, Eugene A. Hall, who is also a director) is contained under Security Ownership of Certain Beneficial Owners and Management on page 32.

Table of Contents**CORPORATE GOVERNANCE****DIRECTOR INDEPENDENCE**

Our Board Principles and Practices are available at www.investor.gartner.com under the Corporate Governance link and are periodically reviewed and revised as necessary by our Governance Committee and Board, most recently in October 2007. They require that our Board be comprised of a majority of directors who meet the criteria for independence *from management* set forth by the New York Stock Exchange (NYSE) in its corporate governance standards, as well as by the Securities and Exchange Commission (SEC) where applicable. Our committee charters likewise require that our standing Audit, Compensation and Governance/Nominating Committees be comprised only of independent directors. Additionally, the Audit Committee members must be independent under Section 10A-3 of the Securities Exchange Act of 1934, as amended (the 1934 Act), and the Compensation Committee members must be independent under Rule 16b-3 promulgated under the 1934 Act and qualify as an outside director under regulations promulgated under Section 162(m) (Section 162(m)) of the Internal Revenue Code of 1986, as amended (the Code).

Utilizing all of these criteria, as well as all relevant facts and circumstances, the Board annually assesses the independence *from management* of all non-management directors and committee members by reviewing the commercial, financial, familial, employment and other relationships between each non-management director and the Company, its auditors and other companies that do business with Gartner. Any director who changes his or her primary employment must tender a resignation from the Board in order to enable the Governance Committee to determine whether the change in employment creates an actual or potential conflict of interest, lack of independence or other issues that render the director s continued service undesirable, thereby allowing the Board to avoid removal procedures.

In 2007, after analysis and recommendation by the Governance Committee, the Board determined that all of our non-management directors (i.e., Michael Bingle, Richard Bressler, Karen Dykstra, Russell Fradin, Anne Sutherland Fuchs, William Grabe, Max Hopper, John Joyce, Stephen Pagliuca, James Smith and Jeffrey Ubben) are independent under the NYSE standards; that our Audit Committee members (Ms. Dykstra and Messrs. Bressler, Hopper and Smith) are also independent under Section 10A-3; and that our Compensation Committee members (Ms. Fuchs and Messrs. Joyce and Ubben) are independent under SEC Rule 16b-3 and qualify as outside directors under Section 162(m) regulations.

Silver Lake and ValueAct. At the present time, pursuant to its agreement with the Company, Silver Lake, together with its affiliates, the holders of 13.8% of our common stock, is entitled to designate two members of our Board Messrs. Bingle and Joyce. In addition, Mr. Jeffrey Ubben, a director, is affiliated with ValueAct Capital, which, together with its affiliates, holds 21.7% of our common stock (ValueAct). ValueAct does not have a contractual right to designate a director. The Governance Committee and the Board specifically addressed the stock ownership by Silver Lake and ValueAct, and the affiliations of Messrs. Bingle and Joyce with Silver Lake, and Mr. Ubben with ValueAct, and concluded that the fact of this ownership in and of itself did not impair the independence from management of Messrs. Bingle, Joyce or Ubben.

BOARD AND COMMITTEE MEETINGS AND ANNUAL MEETING ATTENDANCE

Our Board held four meetings during 2007. During 2007, all of our directors attended at least 75% of the aggregate of all Board and committee meetings held (during the periods in which such director served as a director and/or committee member.) At each Board and committee meeting, the non-management directors met in executive session. James C. Smith, our non-executive Chairman of the Board, presided over these executive sessions at the Board meetings, and each committee chairperson presided over these executive sessions at their respective committee meetings. Directors are welcome, but not required, to attend the Annual Meeting of Stockholders. In 2007, only Mr. Hall attended the Annual Meeting of Stockholders.

COMMITTEES GENERALLY AND CHARTERS

As noted above, our Board has three standing committees: Audit, Compensation and Governance/Nominating and all committee members have been determined by our Board to be independent under applicable standards. Our Board of Directors has approved a written charter for each committee which is reviewed annually and revised

Table of Contents

as appropriate. A current copy of each charter is available at www.investor.gartner.com under the Corporate Governance link. See Available Information on page 37.

GOVERNANCE/NOMINATING COMMITTEE

Our Governance/Nominating Committee (the Governance Committee) presently consists of Ms. Fuchs and Messrs. Bingle, Fradin and Grabe (Chairperson) and held four meetings during 2007. Our Governance Committee considers such matters as: the size, composition and organization of our Board; the independence of directors; our corporate governance policies, including periodically reviewing and updating our Board Principles and Practices; the criteria for membership as a director and the selection of individuals for election to the Board; evaluations of director independence; recommendations of assignments to Board committees; recommendations concerning the form and amount of director compensation; oversight of the performance evaluation of our Chief Executive Officer; oversight of management succession planning; and oversight of annual performance evaluations of our Board and its committees.

Candidates for Board nomination are brought to the attention of the Governance Committee by current Board members, management, stockholders or other persons. We utilize Spencer Stuart & Associates to assist in identifying and/or evaluating potential candidates as needed. Potential new candidates are evaluated at regular or special meetings of the Governance Committee, and then considered by the entire Board. The Governance Committee charter specifies that the committee will consider and evaluate individuals who are nominated by stockholders for election to the Board. Stockholders wishing to recommend director candidates for consideration by the committee may do so by writing to the Chairman of the Governance/Nominating Committee, c/o Corporate Secretary, Gartner, Inc., 56 Top Gallant Road, P.O. Box 10212, Stamford, CT 06904-2212, and indicating the recommended candidate's name, biographical data, professional experience and any other qualifications. While the Governance Committee has not specified minimum qualifications for candidates it recommends, it will consider the qualifications, skills, expertise, qualities, diversity, age, availability and experience of all candidates that are presented to it for consideration, with the overriding objective being to select candidates best able to carry out the Board's responsibilities and/or to complement the current talent and experience represented on the Board. Each nominee for election at the 2008 Annual Meeting of Stockholders was recommended for nomination by the Governance Committee, and nominated by the full Board for election. Additionally, each nominee is an incumbent director. As noted above, Silver Lake has the contractual right to designate two directors to our Board.

AUDIT COMMITTEE

Gartner has a separately designated standing audit committee established in accordance with Section 3(a)(58)(A) of the 1934 Act. Our Audit Committee presently consists of Ms. Dykstra and Messrs. Bressler (Chairperson), Hopper and Smith. Our Board has determined that both Ms. Dykstra and Mr. Bressler qualify as Audit Committee Financial Experts, as defined by the rules of the SEC, and have the requisite accounting or related financial management expertise required by the NYSE corporate governance listing standards, and that all members are financially literate as required by the NYSE corporate governance listing standards. During 2007, the Audit Committee held five meetings.

Our Audit Committee serves as an independent body to assist in Board oversight of (i) the integrity of the Company's financial statements, (ii) the Company's compliance with legal and regulatory requirements, (iii) the independent auditor's qualifications and independence and (iv) the Company's internal audit function and the independent auditors. Additionally, the Committee prepares the Audit Committee Report as required by the SEC and included in this Proxy Statement below, retains the Company's independent auditors (subject to stockholder ratification), approves fees for audit and non-audit services, and provides an open avenue of communication among the independent auditors, the internal auditor function, management and the Board.

The Audit Committee is directly responsible for the appointment, compensation and oversight of the independent auditors, approving the engagement letter describing the scope of the audit, and resolving disagreements between management and the auditors regarding financial reporting for the purpose of issuing an audit report in connection with our financial statements. The independent auditors report directly to the Audit Committee. By meeting with

Table of Contents

independent auditors and internal auditors, and operating and financial management personnel, the Audit Committee oversees matters relating to accounting standards, policies and practices, changes to these standards, policies and practices and the effects of any changes on our financial statements, financial reporting practices and the quality and adequacy of internal controls. Additionally our internal audit function reports to the General Counsel but has direct access to the Audit Committee. After each Audit Committee meeting, the Committee meets separately with the independent auditors and separately with the internal auditors, without management present.

The Audit Committee has established procedures for (i) the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters, and (ii) the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters. A toll-free phone number that is managed by a third party is available for confidential and anonymous submission of concerns. All submissions are reported to the General Counsel and, in turn, to the Chairman of the Audit Committee. The Audit Committee has the power and funding to retain independent counsel and other advisors as it deems necessary to carry out its duties.

COMPENSATION COMMITTEE

Our Compensation Committee presently consists of Ms. Fuchs (Chairperson) and Messrs. Joyce and Ubben. Our Board has determined that each member of the Compensation Committee qualifies as a non-employee director under SEC Rule 16b-3 and as an outside director under regulations issued under Section 162(m). During 2007, the Compensation Committee held six meetings. The Compensation Committee has responsibility for administering and approving all elements of compensation for the Chief Executive Officer and other executive officers. It also approves, by direct action or through delegation, all equity awards, grants, and related actions under the provisions of our 2003 Long-Term Incentive Plan (the 2003 LTIP), and administers the 2003 LTIP. Consistent with the terms of the 2003 LTIP, the Committee makes an annual delegation of authority to the CEO to make equity awards to certain individuals not to exceed \$100,000 in value or \$1,000,000 in aggregate value in a calendar year. This delegation does not permit any award to an employee subject to Section 16 of the 1934 Act (i.e., all executive officers) or any award which would jeopardize the 2003 LTIP's qualifications under Section 162(m) or SEC Rule 16b-3. The purpose of this delegation is to grant flexibility to the CEO in new hire, retention and promotion situations involving key personnel other than executive officers.

The Compensation Committee is responsible for evaluating CEO performance (with the input and oversight of the Governance Committee and Chairman of the Board), establishing CEO compensation with input from the full Board, approving annual salary increases for executive officers, approving the final terms of the annual equity awards for executive officers and other employees, approving the annual bonus program for executive officers and approving company-wide annual salary increases, bonus programs and equity awards. In setting CEO compensation and compensation for other executive officers, the Committee will consider the results of performance evaluations, benchmarking, the advice of our outside compensation consultant, published survey data and input from the CEO and human resources department. The CEO is responsible for reviewing the performance of all other executive officers, all of whom report directly to him, and recommending the annual salary increase, bonus program and equity award for these executive officers to the Committee for its approval. Please refer to the Compensation Discussion and Analysis on page 13 for a more detailed discussion of executive compensation. The Compensation Committee is also responsible for approving the form and amount of director compensation.

In December 2007, we retained Mercer (US) Inc. as our outside compensation consultant. Prior thereto, Frederic W. Cook & Co., Inc. served as our outside consultant. Our compensation consultant is retained by the Company on an annual basis to provide guidance to the Compensation Committee and to management in connection with the Company's compensation programs and equity plans. While the compensation consultant maintains a working relationship with management, it has direct reporting responsibility to the Chairman of the Compensation Committee.

The Committee reviews and approves management's Compensation Discussion and Analysis contained on page 13 of this Proxy Statement, recommends its inclusion in this Proxy Statement (and Annual Report on Form

Table of Contents

10-K for 2007) and issues the related report to stockholders as required by the SEC (see Compensation Committee Report on page 19).

Compensation Committee Interlocks and Insider Participation. During 2007, no member of the Compensation Committee served as an officer or employee of the Company, was formerly an officer of the Company or had any relationship with the Company required to be disclosed under Transactions With Related Persons. Additionally, during 2007, no executive officer of the Company: (i) served as a member of the compensation committee (or full board in the absence of such a committee) or as a director of another entity, one of whose executive officers served on our Compensation Committee; or (ii) served as a member of the compensation committee (or full board in the absence of such a committee) of another entity, one of whose executive officers served on our Board.

DIRECTOR STOCK OWNERSHIP GUIDELINES

The Board believes directors should have a financial interest in the Company. Accordingly, each director is required to own at least 10,000 shares of our common stock. New directors also have three years from election or appointment to comply with the policy as follows: 25% within one year of election or appointment; 50% within two years of election or appointment; and 100% within three years of election or appointment. All of our directors are in compliance with these guidelines.

CODE OF ETHICS

Gartner has adopted a CEO & CFO Code of Ethics which applies to our Chief Executive Officer, Chief Financial Officer, controller and other financial managers, a Code of Business Conduct, which applies to all Gartner officers, directors and employees, and Principles of Ethical Conduct which applies to all employees. All of these codes are available at www.investor.gartner.com under Corporate Governance. At least annually, each director and each member of senior management must affirm his or her compliance with the Code of Business Conduct. See Available Information on page 37.

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

Set forth below is a discussion of compensation awarded to, earned by, or paid to, the Company's executive officers, including our named executive officers (that is, our CEO, Eugene A. Hall, our CFO, Christopher J. Lafond, and our three most highly compensated executive officers other than the CEO and CFO, Robert C. Patton, former President of Gartner Consulting (who left the Company in February 2008 to pursue another opportunity), Lewis G. Schwartz, our SVP, General Counsel and Corporate Secretary and Peter Sondergaard, our SVP, Research), in 2007. This discussion explains all principal elements of the Company's compensation of these officers, including (i) the objectives of the Company's compensation policies; (ii) what the compensation program is designed to reward; (iii) each element of compensation; (iv) why the Company chooses to pay each element; (v) how the Company determines the amount (and, where applicable, the formula) for each element to pay; and (vi) how each compensation element and the Company's decisions regarding that element fit into the Company's overall compensation objectives and affect decisions regarding other elements.

The Objectives of the Company's Compensation Policies

The objectives of our compensation policies are two-fold:

to attract, motivate and retain highly talented, creative and entrepreneurial individuals by paying market-based compensation; and

to motivate our executives to maximize the performance of our Company through pay-for-performance compensation components based on the achievement of aggressive, but attainable, corporate performance targets that are established at the beginning of each year and are not adjusted.

What the Compensation Program is Designed to Reward

Our guiding philosophy is that the more executive compensation is linked to corporate performance, the better Gartner performs, and the higher the officer's compensation should be. In addition, we believe that the design of the total compensation package must be competitive with the marketplace from which we hire our executive talent in order to achieve our objectives and attract and retain individuals who are critical to our long-term success. Our compensation program for executive officers is designed to compensate individuals for the achievement of *corporate* performance objectives. We believe this type of compensation encourages outstanding team performance (not simply individual performance) which builds stockholder value.

Both our short-term and long-term incentive compensation is earned by executives only upon the achievement by the Company of certain measurable performance objectives that are deemed by the Compensation Committee and management to be critical to the Company's long-term success. For 2007, these objectives were set at a base level that was above the prior year's measure, and the amount of compensation that could be earned increased as Company performance increased. Finally, we believe that the proportion of an executive's compensation attributable to corporate performance objectives should increase as the individual's business responsibilities increase.

Each Element of Compensation and Why the Company Chooses to Pay Each Element

Principal Compensation Elements. To achieve the objectives noted above, we have designed executive compensation to consist of three principal elements:

Table of Contents

base salary,

short-term incentives (cash bonuses) and

long-term incentives (equity awards under our 2003 Long-Term Incentive Plan).

We pay competitive salaries to attract and retain the executive talent necessary to develop and implement our corporate strategy and business plan. We pay short-term and long-term incentive compensation to reward our executives for outstanding performance, to motivate our executives to continue to deliver outstanding performance and to make them stakeholders in the success of our Company by aligning their interests with those of our stockholders.

Additional Compensation Elements. In order to further achieve our first objective of providing a competitive compensation package with great retention value, we provide various other benefits to our executive officers that we believe are typically available to, and expected by, persons in their senior business roles. Each of our executive officers is covered by Gartner's Executive Benefits Program (the Program) which provides for 35 days paid time off (PTO) annually, an annual executive health examination, enhanced severance and change in control benefits and a lump sum payment of \$15,000 per year (grossed up so as to be tax neutral to the executive) from which the executive can choose to purchase the perquisites of his or her choice. Mr. Hall's severance and change in control benefits are governed by his employment agreement with the Company, which is discussed in detail on page 23 under Employment Agreements With Executive Officers Mr. Hall. The severance and change in control benefits provided by the Program to the other named executive officers are discussed in detail on page 25 under Employment Agreements with Executive Officers Other Executive Officers. In addition to the Program, we provide a basic perquisites program, including various executive disability, medical and life insurance benefits, and relocation services. Each of the named executive officers participates, to varying degrees, in the Program and other perquisites. For more information concerning perquisites, see Other Compensation Table and accompanying footnotes on page 21.

We also maintain a non-qualified deferred compensation plan for our highly compensated employees, including our executive officers, to assist eligible participants with retirement and tax planning by allowing them to defer compensation in excess of amounts permitted to be deferred under our 401(k) plan. This plan allows eligible participants to defer up to 50% of base salary and/or 100% of bonus to a future period. In addition, as a further inducement to participation in this plan, the Company matches the participant's contribution, subject to certain limits. For more information concerning this plan, see Non-Qualified Deferred Compensation Table and accompanying narrative and footnotes on page 31. Finally, the Company maintains an employee stock purchase plan which is available Company-wide to all employees.

[How the Company Determines the Amount \(and Where Applicable, the Formula\) for Each Element to Pay and How each Compensation Element and the Company's Decisions Regarding that Element Fit into the Company's Overall Compensation Objectives and Affect Decisions Regarding Other Elements.](#)

In General. In planning 2007 executive compensation, our overall goal was to provide an aggregate compensation package to our executive officers that used 2006 target compensation as a baseline, with a modest merit increase, and incentive components that provided an opportunity to significantly increase the total compensation package based upon the achievement of performance objectives. The performance objectives were designed both to compel corporate growth and to be achievable. In determining the amount of each element, we gave greater weight to the long-term incentive compensation element, as compared to the cash elements, in order to drive corporate performance. To date, gains from prior option or equity awards have not been taken into account when determining compensation elements.

The salary, short-term and long-term incentive compensation elements for executive officers (other than the CEO) are recommended by the CEO for approval by the Compensation Committee. In formulating his recommendation to the Committee, the CEO undertakes a performance review of these executives and considers input from compensation and human resources personnel at the Company, input from the compensation consultant and benchmarking data (discussed on page 15). The salary, short-term and long-term incentive compensation elements for the CEO's compensation are established by the Compensation Committee within the parameters of Mr. Hall's employment agreement with the Company, after evaluation, together with other independent directors, of the CEO's performance and after consideration of input from the compensation consultant and benchmarking data. Ultimate approval of all elements of executive officer compensation resides with the Compensation Committee.

Chief Executive Officer. Eugene Hall became our Chief Executive Officer in August 2004. Since Mr. Hall's employment agreement with the Company was due to expire in July 2007, in late 2006 the Compensation Committee decided to enter into negotiations with Mr. Hall to procure a contract extension on mutually acceptable terms. This decision was driven in large part by the Company's improved performance under Mr. Hall's leadership based upon measurable company-wide financial performance metrics. Consistent with the Company's stated objective of rewarding performance, a new five-year employment agreement was entered into by the Company and Mr. Hall on February 15, 2007, effective January 1, 2007, which provided for an annual aggregate compensation package of \$7,000,000 per year, comprised of salary, bonus and long-term incentive awards. This amount resulted from negotiations between Mr. Hall and the Compensation Committee, was supported by competitive market analysis and derived from amounts payable pursuant to Mr. Hall's original employment agreement. In 2007, Mr. Hall's short-term bonus and long-term incentive awards were subject to the same performance criteria as were applicable to other executive officers and are discussed below. See *Employment Agreements with Executive Officers - Mr. Hall* on page 23 for a detailed discussion of this agreement.

Benchmarking. For 2007 executive compensation planning purposes, Frederic W. Cook & Co., Inc. (Cook) served as our compensation consultant. At the request of management and the Compensation Committee, Cook undertook a competitive analysis of our 2006 target executive compensation programs (the 2006 Competitive Analysis) for use as one principal factor, among others, in planning our 2007 executive compensation program. The 2006 Competitive Analysis presented comparative data on salary, short-term incentive (bonus) and long-term incentive (equity) compensation paid to individuals occupying comparable positions at a peer group of companies of similar industry and size, and was based upon most recent available proxy statement data for this peer group, as well as certain published U.S. survey data. At the time of 2007 compensation planning, this data consisted principally of 2005 data published in 2006 proxy statements.

For 2007 executive compensation planning purposes, our peer group consisted of 14 US based public companies in the high tech industry, with a particular focus on software and IT services, that approximated Gartner in terms of one or more of the following factors: revenues, net income, total assets, market capitalization and/or total employees, and that compete with Gartner for executive talent both from a hiring and a retention standpoint (the Peer Group). (There are no direct peer companies or competitors of comparable size.) Gartner's sales and total employees approximated the Peer Group median for these comparator factors.

The composition of the Peer Group is developed collaboratively by management and our compensation consultant, is approved by the Compensation Committee, and is reviewed and revised as necessary on an annual basis. For 2007 compensation planning purposes, the Peer Group consisted of the following companies:

Adobe Systems, Inc.	Dun & Bradstreet Corp.
Autodesk, Inc.	Hyperion Solutions Corp.
BEA Systems Inc.	Keane Inc.
BMC Software Inc.	McAfee Inc.
Cadence Design Systems Inc.	Novell Inc.
Citrix Systems, Inc.	Sybase, Inc.
Cognos Inc.	Verisign, Inc.

Using the most recent publicly available Peer Group data and applying consistent valuation methodologies, Cook calculated median, 25th percentile and 75th percentile data for salary, bonus and long-term incentives by executive officer position for the top five reported officers (generally, CEO, CFO, general counsel, business unit heads, head of sales). Additionally, Cook provided data from four national surveys, two of which are leading high technology industry surveys and two of which are general industry surveys. From these national surveys, additional data was obtained for all executive officer positions. Finally, Cook reviewed market data from the United Kingdom for comparison purposes for our two UK-based executive officers. The 2006 Competitive Analysis placed our named executive officers in the median to 75th percentile range for total compensation as compared to the Peer Group, with cash compensation (salary and bonus) generally at or below Peer Group median and long-term incentive compensation between the Peer Group median and 75th percentile for that element.

Table of Contents

These results reflect our belief that long-term incentive compensation contributes to a greater degree to the retention of employees and to the delivery of top performance than does cash and short-term compensation; accordingly, we allocate compensation more heavily to that element. As discussed in greater detail below, two elements of our executive compensation (cash bonuses and equity awards) are performance-based incentive compensation; hence, where the Company achieves extraordinary operating results, the amounts of incentive compensation ultimately paid may significantly exceed target award amounts.

Base Salary. We set base salaries of executive officers when they join the Company by evaluating the responsibilities of the position, the experience of the individual and the marketplace in which we compete for the executive talent we need. In addition, where possible, we consider salary information for comparable positions for members of our Peer Group.

We provide annual salary merit increases on a company-wide basis that are based in large part upon published projected U.S. salary increase data (sources include BLR, Buck Consultants, Culpepper, Hewitt, Mercer and WorldatWork survey reports) as well as available world-wide salary increase data. These increases are also generally applied across the board to executive officers as a group, with material increases in compensation to executive officers made only for purposes of retention, promotion or other circumstances involving significantly increased responsibilities. Mr. Hall's salary increase is established each year by the Compensation Committee after completion of Mr. Hall's performance evaluation for the preceding year, which is undertaken by the Chairman of the Board of Directors, with the assistance of various other board members.

The merit increase for 2007 was 4% and was applied against each officer's prior year's base salary. This increase was consistent with the projected merit increases set forth in the surveys. The CEO may recommend material increases and decreases in salary of executive officers on an individual basis in the case of retentions, promotions or other significant job changes, subject to approval by the Compensation Committee, but in 2007, no such modifications were made. For 2007, Mr. Hall's base salary was adjusted pursuant to his new employment agreement, discussed on page 24.

Short-Term Incentive Compensation (Cash Bonuses). We designed the annual cash bonus component of incentive compensation to align pay with our short-term (annual) performance. For 2007, bonus targets for executive officers (expressed as a percentage of salary) were based solely upon achievement of a company-wide financial performance objective for 2007 (with no individual performance component) and varied from 40% of salary to 100% of salary depending upon level of responsibility. With respect to our named executive officers, 2007 bonus targets, as a percentage of base salary, were 100% for Mr. Hall, 80% for Mr. Patton and 60% for each of Messrs. Lafond, Schwartz and Sondergaard.

The financial objectives and weightings used for 2007 executive officer bonuses were 50% Earnings Before Interest, Depreciation and Amortization (EBITDA) and 50% Net Contract Value Increase (NCVI), which is the year over year increase in the annualized value attributable to all of our subscription-related research products that recognize revenue on a ratable basis measured on a foreign exchange neutral basis. These factors are believed by management to be the most significant measurements of business growth and profitability.

The target objective amounts (resulting in 100% payment of target bonus) were \$70 million NCVI (representing 11% growth in contract value at December 31 year over year) and \$194 million EBITDA (representing 25% growth over 2006 EBITDA), and amounts payable ranged from 0% to 200% of target depending upon level of achievement of these objectives, as shown in the following table. Payout percentages scaled in a roughly linear manner between the 0% and 200% thresholds.

NCVI (in \$ millions)	NCVI % Payout	EBITDA		Overall % Attainment
		(in \$ millions)	EBITDA % Payout	
42.0	0	116.4	0	60

Table of Contents

In 2007, we exceeded our target financial objectives, and earned bonuses for executive officers were approximately 114% of target based upon \$92.6 million NCVI and \$194 million EBITDA. Bonuses were paid according to the bonus plan approved by the Compensation Committee without any modification by the Committee.

In June 2007, our stockholders approved an Executive Performance Bonus Plan. The purpose of this plan is to motivate executive officers to achieve goals relating to the performance of Gartner, its subsidiaries or business units, or other objectively determinable goals, and to reward them when those objectives are satisfied, thereby increasing stockholder value and the success of Gartner. If certain requirements are satisfied, bonuses awarded under this plan to eligible employees will qualify as deductible performance-based compensation within the meaning of Section 162(m). Short-term incentive-based bonus awards under this plan will be made to executive officers beginning in 2008.

Long-Term Incentive Compensation (Equity Awards). Ownership of our stock is a key element of our compensation program. It provides a retention incentive for our executive officers and aligns their personal objectives with long-term stock price appreciation, and, therefore, the interests of our stockholders. Additionally, we believe the combination of performance-based and time-based vesting criteria associated with our long-term incentive awards provide great motivation and retention value to our officers. We have evaluated different types of long-term incentives based on their motivational value, cost to the Company and appropriate share utilization under our stockholder approved 2003 Long-Term Incentive Plan (2003 LTIP). At the present time, our annual long-term incentive awards to executives consist of stock-settled stock appreciation rights (SARs) and performance-based restricted stock units (PRSUs), both of which vest over time based upon continued service. The executive target award value is allocated 30% to SARs and 70% to PRSUs, both of which vest 25% per year commencing one year from grant and on each anniversary thereof, subject to continued employment on the vesting date. The SARs, the amount of which is fixed on grant, are exercisable for seven years. For purposes of determining the target number of PRSUs awarded, the allocated award value is divided by the closing price of Gartner common stock on the New York Stock Exchange on the date of grant. For purposes of determining the number of SARs awarded, the allocated value is divided by the Black-Scholes-Merton valuation on the date of grant using assumptions appropriate on that date. If performance objectives for PRSUs are not met, the entire PRSU award is forfeited. No part of the award earned is based upon individual performance. No performance objectives for any PRSU intended to qualify under Section 162(m) (i.e., awards to executive officers) may be modified by the Committee. While the Committee does have discretion to modify other aspects of the awards (subject to the terms of the 2003 LTIP), no modifications were made in 2007.

For 2007, the number of PRSUs awarded to executive officers and eligible to vest ranged from 0% to 200% of the original approved target award amount (100%) based upon the achievement of certain levels of NCVI, as set forth in the following table, and scaled in a roughly linear manner between thresholds. The 0%, 100% (target) and 200% achievement thresholds represented approximately 6%, 11% and 19% growth in December 31, 2007 contract value over 2006, in each case on a foreign exchange neutral basis.

NCVI (in \$ millions)	PRSU Payout (% of Target)
Less than 42.0	0
42.0	60
56.0	80
63.0	90
70.0	100 (Target)
90.0	125
110.0	150
117.5	175
125.0	200

The 2007 aggregate target award value (PRSUs and SARs) to executive officers was the same as the 2006 aggregate target award value. Individual executive target amounts varied with increasing levels of responsibility and ranged from \$584,000 to \$5.99 million (Mr. Hall). On February 15, 2008, the Compensation Committee determined that 2007 PRSUs eligible to vest were 128.3% of the target number of units awarded based upon 2007 NCVI of \$92.6 million.

Table of Contents

To date, the Company has not adopted a formal clawback policy that would require the adjustment or recovery of awards or payments to executive officers if the performance measures upon which these awards or payments are based are restated or otherwise adjusted in a manner that would reduce the size of the award, although trends in this area continue to be monitored by the Compensation Committee. In the event of a restatement resulting from fraud or misrepresentation, the Committee will consider seeking the return of awards that should not have been made. To date, this situation has not occurred.

Accounting and Tax Impact

In setting compensation, the Compensation Committee and management consider the potential impact of Section 162(m), which precludes a public corporation from deducting on its corporate income tax return individual compensation in excess of \$1 million for its chief executive officer or any of its three other highest-paid officers. Section 162(m) also provides for certain exemptions to this limitation, specifically compensation that is performance-based within the meaning of Section 162(m) and that is issued under a stockholder-approved plan. The PRSU component of the 2007 long-term incentive awards is performance-based and issued under the 2003 LTIP, which has been approved by stockholders, and, therefore, is deductible under Section 162(m). Our 2006 and 2007 short-term incentive awards were not made pursuant to a stockholder-approved plan, and, accordingly, may not be deductible in their entirety. In 2006 and 2007, only a portion of Mr. Hall's cash bonus was not deductible. In June 2007, the stockholders approved an Executive Performance Bonus Plan, under which fully deductible short-term incentive awards (i.e., cash bonuses) to executive officers will be made commencing in 2008. Although the Compensation Committee endeavors to maximize deductibility of compensation under Section 162(m), it maintains the discretion to retain maximum flexibility in establishing compensation elements and to approve compensation that may not be deductible under Section 162(m), if the Committee believes the compensation element to be necessary or appropriate under the circumstances.

Grant of Equity Awards

The Board of Directors has approved and adopted a formal policy with respect to the grant of equity awards under our 2003 LTIP which codified and formalized existing practices. Equity awards may include stock options, stock appreciation rights (SARs), awards of restricted stock (RSAs) and awards of restricted stock units (RSUs). In 2007, all such awards to named executive officers took the form of performance-based RSUs (PRSUs) and SARs. Pursuant to the 2003 LTIP, the Committee may not delegate its authority with respect to Section 16 persons, nor in any other way which would jeopardize the 2003 LTIP's qualification under Section 162(m) or SEC Rule 16b-3. Accordingly, our policy specifies that all awards to our Section 16 executive officers must be approved by the Compensation Committee on or prior to the award grant date, and that all such awards will be made and priced on the date of Compensation Committee approval, except in the case of new hires, which is discussed below.

Consistent with the Plan, the Compensation Committee annually approves a delegation of authority to the CEO to make equity awards under the Plan to permitted Gartner employees on account of new hires, retention or promotion without the approval of the Compensation Committee. The current delegation of authority specifies a maximum award value of \$100,000 per individual, and a maximum aggregate award value of \$1,000,000 for the calendar year. For purposes of this computation, in the case of RSAs and RSUs, value is calculated based upon the Fair Market Value (defined in the 2003 LTIP as the closing price on the New York Stock Exchange on the date of grant) of a share of Gartner common stock, multiplied by the number of RSAs or RSUs awarded. In the case of options and SARs, the value of the award will be the Black-Scholes-Merton calculation of the value of the award using assumptions appropriate on the award date. Any awards made under this delegated authority are reported to the Compensation Committee at the next regularly scheduled committee meeting.

As discussed above, the structure of annual long-term incentive awards comprising the long-term incentive compensation element of our compensation package to executive officers is established and approved by the Compensation Committee in the first quarter of each year. The specific terms of the awards (number of PRSUs and SARs and related performance criteria) are determined, and the awards are approved and made, on the same date and after the release of the Company's prior year financial results. New hire, retention and promotion awards to executive officers are recommended by the CEO to the Compensation Committee for its approval. Since the personal interests of executive officers are aligned with stockholders through our long-term incentive awards (that vest over time), the Company does not have a stand-alone stock ownership requirement for executive officers.

Table of Contents

It is the Company's policy not to make equity awards to executive officers prior to the release of material non-public information. The 2007 long-term incentive awards to executive officers were approved by the Compensation Committee and made on February 15, 2007, after release of our 2006 financial results. The final number of PRSUs issuable on account of the 2007 award was determined by the Compensation Committee on February 15, 2008 upon final determination by the Committee of the related performance criteria and after release of our 2007 financial results. Generally speaking, executive new hire awards given as an inducement to joining the Company are made on the 15th or 30th day of the month first following the executive's start date (and after approval by the Compensation Committee), and retention and promotion awards are made on the 15th or 30th day of the month first following the date of Compensation Committee approval. The making of these awards may be delayed pending the release of material non-public information.

(1) Represents cash bonuses that could have been earned in 2007 by our named executive officers based solely upon achievement of specified financial performance objectives for 2007 and ranging from 0% (threshold) to 200% (maximum) of target (100%). Bonus targets (expressed as a percentage of base salary) were 100% for Mr. Hall, 80% for Mr. Patton and 60% for each of Messrs. Lafond, Schwartz and Sondergaard. In 2007, we exceeded our target financial performance objectives, and earned bonuses for executive officers were approximately 114% of target. Actual bonuses earned in 2007 by named executive officers and paid in February 2008 were as follows: Mr. Hall \$802,270; Mr. Lafond \$278,732; Mr. Patton \$385,632; Mr. Schwartz \$249,391; and Mr. Sondergaard \$220,051, and are reported under Non-Equity Incentive Plan Compensation in the Summary Compensation Table. - (2) Represents performance-based Restricted Stock Units (RSUs) and stock-settled Stock Appreciation Rights (SARs) awarded on February 15, 2007 under our 2003 Long-Term Incentive Plan. The target number of RSUs (100%) originally awarded on that date was subject to adjustment ranging from 0% (threshold) to 200% (maximum) based solely upon achievement of specified financial performance objectives, and was adjusted by the Compensation Committee on February 15, 2008, based upon final determination by the Committee of achievement of these objectives. The number of RSUs finally awarded to the named executive officers on account of the 2007 grant was Mr. Hall 229,932; Mr. Lafond 64,061; and Messrs. Patton, Schwartz and Sondergaard 32,030. The number of SARs was fixed on the award date. The RSUs and SARs vest 25% per year commencing February 15, 2008, subject to continued employment on the vesting date. See Terms of Awards to Executive Officers on page 28 for a detailed description of our 2007 long-term incentive award.
- (3) Represents the closing price of Gartner common stock on the New York Stock Exchange on the grant date.

- (4) Represents the full grant date fair value of the PSRUs and SARs computed under SFAS 123(R) and adjusted, in the case of PSRUs, for the actual number of PSRUs awarded to correspond to financial statement expense. Generally, the full grant date fair value is the amount that the Company would expense in its financial statements over the award's vesting period. The dollar amount recognized for 2007 financial statement reporting purposes in accordance with SFAS 123(R) is included in amounts reported in the Summary Compensation Table on page 20 under Stock Awards (for PSRUs) and Option Awards (for SARs) columns. These amounts reflect the Company's accounting expense over the award's vesting schedule, and may not correspond to the actual value that will be received by the named executive officers. For additional information concerning the related SFAS 123(R) calculations, including the assumptions used in these calculations, see Note 9 Stock-Based Compensation to the Notes to Consolidated Financial Statements contained in our Annual Report on Form 10-K for the year ended December 31, 2007.

EMPLOYMENT AGREEMENTS WITH EXECUTIVE OFFICERS

Mr. Hall Employment Agreement in Effect during 2006. Mr. Hall entered into an Employment Agreement with the Company effective August 4, 2004 (the 2004 Agreement). Under the 2004 Agreement, Mr. Hall agreed to serve as our Chief Executive Officer through July 31, 2007, and thereafter for subsequent one-year periods unless either party provided ninety days written notice not to renew. During the term of the 2004 Agreement, we agreed to include Mr. Hall in our slate of nominees to be elected to our Board.

Under the 2004 Agreement, Mr. Hall's initial base salary was \$650,000, subject to annual adjustments by our Board or Compensation Committee. Mr. Hall's annual target bonus was equal to 100% of his base salary and was based on the achievement of specified company and individual objectives. Mr. Hall's bonus could be higher or lower than the target bonus amount based on over or under achievement of the objectives, but in no event could the bonus exceed 200% of his base salary. Mr. Hall's bonus for the first twelve months of his employment was guaranteed at 100% of his target bonus. Additionally, we agreed to provide Mr. Hall with an automobile and a driver during his employment term.

Pursuant to the 2004 Agreement, Mr. Hall received a grant on August 16, 2004 of options to purchase 800,000 shares of our common stock at a price of \$12.11 per share. These stock options vest in four equal annual installments on the anniversary of the date of grant. Mr. Hall also received a grant of 500,000 shares of restricted stock on October 15, 2004. The restrictions on these shares lapse upon the earlier of (a) our common stock trading at or above specified average price targets for 60 consecutive trading days, or (b) a Change In Control (as defined on page 25). The price targets are an average of the high and low selling price of at least \$20 for the first 300,000 shares, \$25 for the next 100,000 shares and \$30 for the remaining 100,000 shares. In November 2005, Mr. Hall's 2004 500,000 share restricted stock award was cancelled and replaced with a new award for the same amount of shares and on similar terms under our stockholder-approved 2003 Long-Term Incentive Plan (2003 LTIP). This action was undertaken to permit the Company to take a tax deduction when and if the restrictions lapse on the restricted stock award, which would not be permissible in the award's original form because the award had been made as an inducement grant, and not pursuant to a stockholder-approved plan. In May 2007, restrictions on the first 300,000 shares of this restricted stock award lapsed.

Termination and related payments. Under the 2004 Agreement, Mr. Hall's employment was at will and could be terminated by him or us upon sixty days' notice. If we terminated Mr. Hall's employment involuntarily and without Business Reasons (as defined in the 2004 Agreement) or a Constructive Termination (as defined in the 2004 Agreement) occurred, or if we did not renew the 2004 Agreement upon its expiration and Mr. Hall terminated his employment within ninety days following the expiration of the 2004 Agreement, Mr. Hall would have been entitled to receive: (a) his base salary for twenty-four months, payable in accordance with our regular payroll schedule; (b) 200% of his target bonus for the year in which the termination occurs (plus any earned but unpaid bonus from the prior year); and (c) continued vesting for twenty-four months other than any award that vests pursuant to performance-based criteria.

If a Change In Control (defined on page 25) occurred, Mr. Hall would have been entitled to receive: (a) three times his base salary then in effect; (b) three times his target bonus for the fiscal year in which the Change In Control occurs (plus any unpaid bonus from the prior fiscal year); (c) acceleration in full of his option grant and the lapsing of all

restrictions on his restricted stock grant; (d) at our cost, group health benefits pursuant to our standard programs for himself, his spouse and any children for three years after the Change in Control; and (e) an amount sufficient to fund the payment (Gross-Up Payments) for any excise tax imposed by Section 4999 of the Internal Revenue Code of 1986, as amended (the Code), on any payment received upon a Change In Control that would constitute a parachute payment within the meaning of Section 280G of the Code, together with any income, employment and excise taxes (including interest and penalties) imposed on the Gross Up Payment. Mr. Hall was entitled to these benefits whether or not his employment was terminated in connection with the Change In Control.

For purposes of the 2004 Agreement, a Change In Control was deemed to occur when (i) any person became the beneficial owner of 50% of our voting securities, (ii) there was a merger or consolidation of Gartner with another company and our outstanding securities represented less than 50% of the voting securities of the combined entity, (iii) an agreement for the sale of all or substantially all of our assets that was approved by our stockholders and was executed and (iv) there was a change in the composition of our Board occurring after stockholder approval, as a result of which fewer than a majority of the directors on the board prior to the stockholder vote remained.

Mr. Hall New Employment Agreement dated February 15, 2007. On February 15, 2007, Gartner entered into an Employment Agreement (the 2007 Agreement) with Mr. Hall, with an effective date of January 1, 2007, pursuant to which Mr. Hall will serve as chief executive officer of the Company. The 2007 Agreement supersedes the 2004 Agreement described above.

The 2007 Agreement has an initial term of five years (expiring December 31, 2011), with automatic one year renewals commencing on the fifth anniversary, and continuing each year thereafter, unless either party provides the other with at least 60 days prior written notice of an intention not to extend the term. Under the 2007 Agreement, Mr. Hall s annual base salary was initially set at \$702,975, subject to adjustment on an annual basis by the Board or Compensation Committee. Additionally, Mr. Hall is entitled to participate in the Company s executive bonus program. His annual target bonus is equal to 100% of his annual base salary, and his actual bonus may be higher or lower than the target bonus for over or under achievement of Company and individual objectives, provided, however, that the maximum actual bonus may not exceed 200% of Mr. Hall s base salary. The 2007 Agreement also provides that the Company, in good faith, will include Mr. Hall in the Company s slate of nominees for election to the board of directors. Additionally, Mr. Hall is entitled to an automobile and a driver during his employment term.

The 2007 Agreement further provides that Mr. Hall will receive an annual long-term incentive award with an aggregate value (using the Black-Scholes-Merton valuation method for stock appreciation rights and the fair market value of the Company s common stock for restricted stock, or such other appropriate valuation method as the Compensation Committee may use, to value equity-based incentive awards) at least equal to \$7,000,000 minus the sum of base salary and target bonus for the year of grant. Each year s incentive award will be divided between restricted stock units and stock appreciation rights, with the number of restricted stock units being subject to adjustment for over or under achievement of Company objectives. For 2007, the incentive award had an aggregate value of \$5,594,050, and was divided such that 70% of the aggregate value was in the form of restricted stock units, and 30% of the aggregate value was in the form of stock appreciation rights. The 2007 incentive awards vest over 4 years, assuming continued service, and vest in full upon a Change In Control.

Additionally, the 2007 Agreement provides that Mr. Hall is also entitled to receive all benefits provided to senior executives, executives and employees of the Company generally from time to time, including medical, dental, life insurance and long-term disability, in each case so long as and to the extent the same exist.

Termination and related payments. Mr. Hall s employment is at will and may be terminated by him or us upon 60 days notice. If we terminate Mr. Hall s employment involuntarily and without Business Reasons (as defined in the 2007 Agreement) or a Constructive Termination (as defined in the 2007 Agreement) occurs, or if we do not renew the 2007 Agreement upon its expiration and Mr. Hall terminates his employment within 90 days following the expiration of the 2007 Agreement, then, subject to Mr. Hall signing and not revoking a general release of claims against the Company and its successors, Mr. Hall will be entitled to receive: (a) accrued base salary and paid time off (PTO) plus base salary for a period of thirty-six (36) months following the termination date, with the first payment made six (6) months after the termination date (for amounts owing through that date) and thereafter, in accordance with the

Company's regular payroll schedule, (b) 300% of Mr. Hall's target bonus for the fiscal year in which the termination date occurs, payable in a lump sum as soon as practicable following the six (6) month period commencing on the termination date, and any earned but unpaid bonus from the prior fiscal year which will be paid at the same time as bonuses for such fiscal year are paid to other Company executives, (c) 36 months' continued vesting of all outstanding stock options, incentive awards and other equity arrangements subject to vesting and held by Mr. Hall (all such awards with an exercise feature will remain exercisable for 30 days following the last day of such 36 month continued vesting period, subject to the maximum term of the award), and (d) reimbursement for premiums incurred to continue group health benefits (or, at the Company's election, to obtain substantially similar health benefits through a third party carrier) for thirty-six (36) months for Mr. Hall, his spouse and any children, provided that Mr. Hall makes the appropriate COBRA election. Additionally, any incentive awards that have accrued prior to the termination date will be granted to Mr. Hall on the day of the first open trading window for executives after the termination date. Payment of severance amounts is conditioned upon compliance with 36 month non-competition and non-solicitation covenants set forth in the 2007 Agreement.

In the event of a Change In Control (defined below), Mr. Hall will be entitled to receive the following: (i) accrued base salary and PTO plus three times base salary then in effect, and (ii) three times target bonus for the fiscal year in which the Change In Control occurs, in each case payable immediately upon a Change In Control. Additionally, Mr. Hall will be entitled to (a) earned but unpaid bonus from the prior fiscal year (payable at the same time bonuses for such fiscal year are paid to other Company executives, (b) continuation of group health benefits at the Company's cost pursuant to the Company's standard programs for three years following the Change In Control for Mr. Hall, his spouse and any children, (c) thereafter, to the extent COBRA is applicable, continuation of health benefits for such persons at Mr. Hall's cost, for a period of 18 months or such longer period as may be applicable under the Company's policies then in effect, provided that Mr. Hall makes the appropriate election and payments, (d) automatic vesting of all outstanding equity awards and (e) an amount sufficient to fund the payment (Gross-Up Payments) for any excise tax imposed by Se
