#### VOTING

As described further in the proposal, for each Fund, the affirmative vote of a plurality of the Shares present and entitled to vote at the Meeting will be required to elect the specified nominee as the Class I Trustee of that Fund provided a quorum is present. Abstentions and broker non-votes will have no effect on the approval of the proposal.

If the enclosed proxy card is properly executed and returned in time to be voted at the Meeting, the Fund Shares represented thereby will be voted in accordance with the instructions marked thereon, or, if no instructions are marked thereon, will be voted in the discretion of the persons named on the proxy card. Accordingly, unless instructions to the contrary are marked thereon, a properly executed and returned proxy will be voted FOR the election of the specified nominee as the Class I Trustee and at the discretion of the named proxies on any other matters that may properly come before the Meeting, as deemed appropriate. Any shareholder who has given a proxy has the right to revoke it at any time prior to its exercise either by attending the Meeting and voting his or her Shares in person, or by timely submitting a letter of revocation or a later-dated proxy to the applicable Fund at its address above. A list of shareholders entitled to notice of and to be present and to vote at the Meeting will be available at 120 East Liberty Drive, Suite 400, Wheaton, Illinois 60187 for inspection by any shareholder during regular business hours prior to the Meeting. Shareholders will need to show valid identification and proof of Share ownership to be admitted to the Meeting or to inspect the list of shareholders.

Under the By-Laws of each Fund, a quorum is constituted by the presence in person or by proxy of the holders of thirty-three and one-third percent (33-1/3%) of the voting power of the outstanding Shares entitled to vote on a matter. For the purposes of establishing whether a quorum is present, all Shares present and entitled to vote, including abstentions and broker non-votes (i.e., Shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or the persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter), shall be counted. Any meeting of shareholders may be postponed prior to the meeting with notice to the shareholders entitled to vote at that meeting. Any meeting of shareholders may, by action of the chairman of the meeting, be adjourned to permit further solicitation of proxies without further notice with respect to one or more matters to be considered at such meeting to a designated time and place, whether or not a quorum is present with respect to such matter. In addition, upon motion of the chairman of the meeting, the question of adjournment may be submitted to a vote of the shareholders, and in that case, any adjournment must be approved by the vote of holders of a majority of the Shares present and entitled to vote with respect to the matter or matters adjourned, and without further notice. Unless a proxy is otherwise limited in this regard, any Shares present and entitled to vote at a meeting, including broker non-votes, may, at the discretion of the proxies named therein, be voted in favor of such an adjournment.

#### PROPOSAL: ELECTION OF ONE (1) CLASS I TRUSTEE OF EACH FUND

ONE (1) CLASS I TRUSTEE IS TO BE ELECTED BY HOLDERS OF SHARES OF EACH FUND. CURRENT TRUSTEE ROBERT F. KEITH IS THE NOMINEE FOR ELECTION AS THE CLASS I TRUSTEE BY SHAREHOLDERS OF EACH FUND FOR A THREE-YEAR TERM.

Each Fund has established a staggered Board of Trustees pursuant to its By-Laws, and, accordingly, Trustees are divided into the following three (3) classes: Class I, Class II and Class III. Robert F. Keith is currently the Class I Trustee of each Fund, with a term expiring at the Meeting or until his successor is elected and qualified. If elected, Mr. Keith will hold office for a three-year term expiring at the Funds' annual meetings of shareholders in 2017. Richard E. Erickson, Thomas R. Kadlec, James A. Bowen and Niel B. Nielson are current and continuing Trustees. Dr. Erickson and Mr. Kadlec are Class II Trustees for a term expiring at the Funds' annual meetings of shareholders in 2015. Mr. Bowen and Mr. Nielson are Class III Trustees for a term expiring at the Funds' annual meetings of shareholders in 2016. Each Trustee serves until his successor is elected and qualified, or until he earlier resigns, retires or is otherwise removed.

REQUIRED VOTE: For each Fund, the nominee for election as the Class I Trustee must be elected by the affirmative vote of the holders of a plurality of the Shares of the Fund, cast in person or by proxy at the Meeting and entitled to vote thereon, provided a quorum is present. Abstentions and broker non-votes will have no effect on the approval of the proposal. Proxies cannot be voted for a greater number of persons than the number of seats open for election.

Unless you give contrary instructions on your proxy card, your Shares will be voted FOR the election of the nominee listed if your proxy card has been properly executed and timely received by the applicable Fund. If the nominee should withdraw or otherwise become unavailable for election prior to the Meeting, the proxies named on your proxy card intend to vote FOR any substitute nominee recommended by the Funds in accordance with the Funds' procedures.

THE BOARD OF TRUSTEES OF EACH FUND UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE ELECTION OF THE NOMINEE.

#### MANAGEMENT

#### MANAGEMENT OF THE FUNDS

The general supervision of the duties performed for the Funds under their respective investment management agreement with the Advisor is the responsibility of the Board. The Trustees set broad policies for the Funds and choose the Funds' officers. The following is a list of the Trustees and executive officers of each Fund and a statement of their present positions and principal occupations during the past five years, the number of portfolios each Trustee oversees and the other directorships each Trustee holds, if applicable. As noted above, each Fund has established a staggered Board consisting of five (5) Trustees divided into three (3) classes: Class I, Class II and Class III. The length of the term of office of each Trustee is generally three years, and when each Trustee's term begins and ends depends on the Trustee's designated class. The officers of the Funds serve indefinite terms. James A. Bowen is deemed an "interested person" (as that term is defined in the Investment Company Act of 1940, as amended ("1940 Act")) ("Interested Trustee") of the Funds due to his position as Chief Executive Officer of the Advisor. Except for Mr. Bowen, each Trustee is not an "interested person" (as that term is defined in the 1940 Act) and is therefore referred to as an "Independent Trustee."

#### UNITARY BOARD LEADERSHIP STRUCTURE

The same five persons serve as Trustees on each Fund's Board and on the boards of all other funds in the First Trust Fund Complex (the "First Trust Funds"), which is known as a "unitary" board leadership structure. The unitary board structure was adopted for the First Trust Funds because of the efficiencies it achieves with respect to the governance and oversight of the First Trust Funds. Each First Trust Fund is subject to the rules and regulations of the 1940 Act (and other applicable securities laws), which means that many of the First Trust Funds face similar issues with respect to certain of their fundamental activities, including risk management, portfolio liquidity, portfolio valuation and financial reporting. In addition, all of the First Trust

Funds that are closed-end funds (the "First Trust Closed-end Funds") are managed by the Advisor and, except for First Trust Intermediate Duration Preferred & Income Fund, they employ common service providers for custody, fund accounting, administration and transfer agency that provide substantially similar services to the First Trust Closed-end Funds pursuant to substantially similar contractual arrangements. Because of the similar and often overlapping issues

-13-

facing the First Trust Funds, including among the First Trust Closed-end Funds, the Board of the First Trust Funds believes that maintaining a unitary board structure promotes efficiency and consistency in the governance and oversight of all First Trust Funds and reduces the costs, administrative burdens and possible conflicts that may result from having multiple boards. In adopting a unitary board structure, the Trustees seek to provide effective governance through establishing a board the overall composition of which will, as a body, possess the appropriate skills, diversity, independence and experience to oversee the business of the First Trust Funds.

Annually, the Board reviews its governance structure and the committee structures, their performance and functions and reviews any processes that would enhance Board governance over the Funds' business. The Board has determined that its leadership structure, including the unitary board and committee structure, is appropriate based on the characteristics of the funds it serves and the characteristics of the First Trust Fund Complex as a whole. The Board is composed of four Independent Trustees and one Interested Trustee. The Interested Trustee serves as the Chairman of the Board of each Fund.

In order to streamline communication between the Advisor and the Independent Trustees and create certain efficiencies, the Board has a Lead Independent Trustee who is responsible for: (i) coordinating activities of the Independent Trustees; (ii) working with the Advisor, Fund counsel and the independent legal counsel to the Independent Trustees to determine the agenda for Board meetings; (iii) serving as the principal contact for and facilitating communication between the Independent Trustees and the Funds' service providers, particularly the Advisor; and (iv) any other duties that the Independent Trustees may delegate to the Lead Independent Trustee. The Lead Independent Trustee is selected by the Independent Trustees and serves a three-year term or until his successor is selected. Thomas R. Kadlec currently serves as the Lead Independent Trustee.

The Board has established four standing committees (as described below) and has delegated certain of its responsibilities to those committees. The Board and its committees meet frequently throughout the year to oversee the Funds' activities, review contractual arrangements with and performance of service providers, oversee compliance with regulatory requirements, and review Fund performance. The Independent Trustees are represented by independent legal counsel at all Board and committee meetings other than meetings of the Executive Committee. Generally, the Board acts by majority vote of all the Trustees, except where a different vote is required by applicable law.

The three committee chairmen and the Lead Independent Trustee currently rotate every three years in serving as Chairman of the Audit Committee, the Nominating and Governance Committee or the Valuation Committee, or as Lead Independent Trustee. The Lead Independent Trustee and the immediate past Lead Independent Trustee also serve on the Executive Committee with the Interested Trustee.

In addition to the Funds, the First Trust Fund Complex includes: one

closed-end fund advised by First Trust Advisors; First Defined Portfolio Fund, LLC, an open-end management investment company with eight portfolios advised by First Trust Advisors; First Trust Series Fund, an open-end management investment company with three portfolios advised by First Trust Advisors; First Trust Variable Insurance Trust, an open-end management investment company with one portfolio advised by First Trust Advisors; and First Trust Exchange-Traded Fund, First Trust Exchange-Traded Fund III, First Trust Exchange-Traded Fund IV, First Trust Exchange-Traded Fund VI, First Trust Exchange-Traded Fund VI, First Trust Exchange-Traded AlphaDEX(R) Fund and First Trust Exchange-Traded AlphaDEX(R)

-14-

Fund II, each an exchange-traded fund with 19, 12, 1, 3, 1, 7, 1, 21, and 18 operating portfolios (each such portfolio, an "ETF" and each exchange-traded fund, an "ETF Trust"), respectively, advised by First Trust Advisors.

The four standing committees of the Board are: the Executive Committee (and Dividend and Pricing Committee), the Nominating and Governance Committee, the Valuation Committee and the Audit Committee. The Executive Committee, which meets between Board meetings, is authorized to exercise all powers of and to act in the place of the Board of Trustees to the extent permitted by each Fund's Declaration of Trust and By-Laws. The members of the Executive Committee also serve as a special committee of the Board known as the Dividend and Pricing Committee which is authorized to exercise all of the powers and authority of the Board in respect of the issuance and sale, through an underwritten public offering, of the Shares of each Fund and all other such matters relating to such financing, including determining the price at which such Shares are to be sold, approval of the final terms of the underwriting agreement, and approval of the members of the underwriting syndicate. Such Committee is also responsible for the declaration and setting of dividends. Mr. Kadlec, Mr. Keith and Mr. Bowen are members of the Executive Committee. The number of meetings of the Executive Committee held by each Fund during its last fiscal year is shown on Schedule 1 hereto.

The Nominating and Governance Committee is responsible for appointing and nominating non-interested persons to the Board of Trustees. Messrs. Erickson, Kadlec, Keith and Nielson are members of the Nominating and Governance Committee, and each is an Independent Trustee who is also an "independent director" within the meaning of the listing standards of the NYSE or NYSE MKT LLC, as applicable. The Nominating and Governance Committee operates under a written charter adopted and approved by the Board, a copy of which is available on the Funds' website at http://www.ftportfolios.com. If there is no vacancy on the Board of Trustees, the Board will not actively seek recommendations from other parties, including shareholders. In 2005, the Board of Trustees adopted a mandatory retirement age of 72 for Trustees, beyond which age Trustees are ineligible to serve. The Nominating and Governance Committee Charter provides that the Committee will not consider new trustee candidates who are 72 years of age or older or will turn 72 years old during the initial term. When a vacancy on the Board of Trustees occurs and nominations are sought to fill such vacancy, the Nominating and Governance Committee may seek nominations from those sources it deems appropriate in its discretion, including shareholders of the applicable Fund. The Nominating and Governance Committee may retain a search firm to identify candidates. To submit a recommendation for nomination as a candidate for a position on the Board of Trustees, shareholders of the applicable Fund shall mail such recommendation to W. Scott Jardine, Secretary, at 120 East Liberty Drive, Suite 400, Wheaton, Illinois 60187. Such recommendation shall include the following information: (i) evidence of Fund ownership of the person or entity recommending the candidate (if a Fund shareholder); (ii) a full

description of the proposed candidate's background, including their education, experience, current employment and date of birth; (iii) names and addresses of at least three professional references for the candidate; (iv) information as to whether the candidate is an "interested person" in relation to the Fund, as such term is defined in the 1940 Act, and such other information that may be considered to impair the candidate's independence; and (v) any other information that may be helpful to the Committee in evaluating the candidate (see also "ADDITIONAL INFORMATION - SHAREHOLDER PROPOSALS" below). If a recommendation is received with satisfactorily completed information regarding a candidate during a time when a vacancy exists on the Board or during such other time as the Nominating and Governance Committee is accepting recommendations, the recommendation will be forwarded to the Chairman of the Nominating and Governance Committee and the counsel to the Independent Trustees. Recommendations received at any other time will be kept on file until such time as the Nominating and Governance Committee is accepting recommendations, at which point they may be considered for nomination. In connection with the

-15-

evaluation of candidates, the review process may include, without limitation, personal interviews, background checks, written submissions by the candidates and third party references. Under no circumstances shall the Nominating and Governance Committee evaluate nominees recommended by a shareholder of a Fund on a basis substantially different than that used for other nominees for the same election or appointment of Trustees. The number of meetings of the Nominating and Governance Committee held by each Fund during its last fiscal year is shown on Schedule 1 hereto.

The Valuation Committee is responsible for the oversight of the pricing procedures of each Fund. Messrs. Erickson, Kadlec, Keith and Nielson are members of the Valuation Committee. The number of meetings of the Valuation Committee held by each Fund during its last fiscal year is shown on Schedule 1 hereto.

The Audit Committee is responsible for overseeing each Fund's accounting and financial reporting process, the system of internal controls, audit process and evaluating and appointing independent auditors (subject also to Board approval). Messrs. Erickson, Kadlec, Keith and Nielson, all of whom are "independent" as defined in the listing standards of the NYSE or NYSE MKT LLC, as applicable, serve on the Audit Committee. Messrs. Kadlec and Keith have each been determined to qualify as an "Audit Committee Financial Expert" as such term is defined in Form N-CSR. The number of meetings of the Audit Committee held by each Fund during its last fiscal year is shown in Schedule 1 hereto.

In carrying out its responsibilities, as described below under "INDEPENDENT AUDITORS' FEES--Pre-Approval," the Audit Committee pre-approves all audit services and permitted non-audit services for each Fund (including the fees and terms thereof) and non-audit services to be performed for the Advisor by Deloitte & Touche LLP ("Deloitte & Touche"), the Funds' independent registered public accounting firm ("independent auditors"), if the engagement relates directly to the operations and financial reporting of the Funds.

#### RISK OVERSIGHT

As part of the general oversight of each Fund, the Board is involved in the risk oversight of the Funds. The Board has adopted and periodically reviews policies and procedures designed to address the Funds' risks. Oversight of investment and compliance risk, including oversight of sub-advisors, is performed primarily at the Board level in conjunction with the Advisor's investment oversight group and the Funds' Chief Compliance Officer ("CCO"). Oversight of other risks also occurs at the Committee level. The Advisor's

investment oversight group reports to the Board at quarterly meetings regarding, among other things, Fund performance and the various drivers of such performance as well as information related to sub-advisors and their operations and processes. The Board reviews reports on the Funds' and the service providers' compliance policies and procedures at each quarterly Board meeting and receives an annual report from the CCO regarding the operations of the Funds' and the service providers' compliance program. In addition, the Independent Trustees meet privately each quarter with the CCO. The Audit Committee reviews with the Advisor the Funds' major financial risk exposures and the steps the Advisor has taken to monitor and control these exposures, including the Funds' risk assessment and risk management policies and guidelines. The Audit Committee also, as appropriate, reviews in a general manner the processes other Board committees have in place with respect to risk assessment and risk management. The Nominating and Governance Committee monitors all matters related to the corporate governance of the Funds. The Valuation Committee monitors valuation risk and compliance with the Funds' Valuation Procedures and oversees the pricing services and actions by the Advisor's Pricing Committee with respect to the valuation of portfolio securities.

-16-

Not all risks that may affect the Funds can be identified nor can controls be developed to eliminate or mitigate their occurrence or effects. It may not be practical or cost-effective to eliminate or mitigate certain risks, the processes and controls employed to address certain risks may be limited in their effectiveness, and some risks are simply beyond the reasonable control of the Funds or the Advisor or other service providers. Moreover, it is necessary to bear certain risks (such as investment related risks) to achieve a Fund's goals. As a result of the foregoing and other factors, the Funds' ability to manage risk is subject to substantial limitations.

#### BOARD DIVERSIFICATION AND TRUSTEE QUALIFICATIONS

As described above, the Nominating and Governance Committee of the Board oversees matters related to the nomination of Trustees. The Nominating and Governance Committee seeks to establish an effective Board with an appropriate range of skills and diversity, including, as appropriate, differences in background, professional experience, education, vocations, and other individual characteristics and traits in the aggregate. Each Trustee must meet certain basic requirements, including relevant skills and experience, time availability, and if qualifying as an Independent Trustee, independence from the Advisor, sub-advisors, underwriters or other service providers, including any affiliates of these entities.

Listed below for each current Trustee and the nominee are the experiences, qualifications and attributes that led to the conclusion, as of the date of this Joint Proxy Statement, that each current Trustee and the nominee should serve as a trustee.

#### ATTENDANCE AT ANNUAL MEETINGS OF SHAREHOLDERS

The policy of the Board is to have as many Trustees as possible in

attendance at annual meetings of shareholders. The policy of the Nominating and Governance Committee relating to attendance by Trustees at annual meetings of shareholders is contained in the Funds' Nominating and Governance Committee Charter, which is available on each Fund's website located at http://www.ftportfolios.com. In addition, the Board's attendance at last year's annual shareholder meeting is available on each Fund's website located at http://www.ftportfolios.com. To find the Board's attendance, select your Fund under the "Closed-End Funds" tab, select the "News & Literature" link, and go to the "Shareholder Updates and Information" heading.

#### AUDIT COMMITTEE REPORT

The role of the Audit Committee is to assist the Board of Trustees in its oversight of the Funds' accounting and financial reporting process. The Audit Committee operates pursuant to a charter (the "Charter") that was most recently reviewed and approved by the Board of Trustees on December 9, 2013, a copy of which is attached as Exhibit A hereto, and is available on the Funds' website located at http://www.ftportfolios.com. As set forth in the Charter, management of the Funds is responsible for maintaining appropriate systems for accounting and internal controls and the audit process. The Funds' independent auditors are responsible for planning and carrying out proper audits of each Fund's financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States of America.

In performing its oversight function, the Audit Committee reviewed and discussed with management and the independent auditors, Deloitte & Touche LLP, the audited financial statements of the First Trust Mortgage Income Fund, the First Trust Strategic High Income Fund II, the First Trust High Income Long/Short Fund, the First Trust MLP and Energy Income Fund and the First Trust Intermediate Duration Preferred & Income Fund for the fiscal year ended October 31, 2013 at a meeting held on December 18, 2013; the Macquarie/First Trust Global Infrastructure/Utilities Dividend & Income Fund, the First Trust Energy Income and Growth Fund, the First Trust Specialty Finance and Financial Opportunities Fund, the First Trust Dividend and Income Fund and the First Trust Energy Infrastructure Fund for the fiscal year ended November 30, 2013 at a meeting held on January 22, 2014; and the First Trust Enhanced Equity Income Fund, the First Trust/Aberdeen Global Opportunity Income Fund and the First Trust/Aberdeen Emerging Opportunity Fund for the fiscal year ended December 31, 2013 at a meeting held on February 20, 2014, and discussed the audits of such financial statements with the independent auditors and management.

In addition, the Audit Committee discussed with the independent auditors the accounting principles applied by each Fund and such other matters brought to the attention of the Audit Committee by the independent auditors as required by the Public Company Accounting Oversight Board ("PCAOB") AU 380, Communication with Audit Committees or PCAOB Auditing Standard No. 16, Communications with Audit Committees, as applicable. The Audit Committee also received from the independent auditors the written disclosures and letter required by PCAOB Ethics and Independence Rule 3526, Communication with Audit Committees Concerning Independence, delineating relationships between the independent auditors and the Funds and discussed the impact that any such relationships may have on the objectivity and independence of the independent auditors.

The members of the Funds' Audit Committee are not full-time employees of the Funds and are not performing the functions of auditors or accountants. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct "field work" or other types of auditing or accounting reviews or

procedures or to set auditor independence standards. Members of the Funds' Audit Committee necessarily rely on the information provided to them by Fund management and the independent auditors. Accordingly, the Audit Committee's considerations and discussions referred to above do not assure that the audits of the Funds' financial statements have been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the independent auditors are in fact "independent."

Based on its consideration of each Fund's audited financial statements and the discussions referred to above with Fund management and Deloitte & Touche LLP, and subject to the limitations on the responsibilities and role of the Audit Committee as set forth in the Charter and discussed above, the Audit Committee recommended to the Board the inclusion of each Fund's audited financial statements in each Fund's Annual Report to Shareholders for the year ended October 31, November 30 and December 31, 2013, respectively.

Submitted by the Audit Committee of the Funds:
Richard E.Erickson
Thomas R. Kadlec
Robert F. Keith

#### INDEPENDENT AUDITORS' FEES

Deloitte & Touche has been selected to serve as the independent auditors for each Fund for its current fiscal year, and acted as the independent auditors for each Fund for its most recently completed fiscal year. Deloitte & Touche has advised the Funds that, to the best of its knowledge and belief, Deloitte & Touche professionals did not have any direct or material indirect ownership interest in the Funds inconsistent with independent professional standards pertaining to independent registered public accounting firms. Representatives of Deloitte & Touche are not expected to be present at the Meeting, but will have the opportunity to make a statement if they desire to do so and will be available should any matter arise requiring their presence. In reliance on Rule 32a-4 under the 1940 Act, each Fund is not seeking shareholder ratification of the selection of Deloitte & Touche as independent auditors.
