SECURED PROMISSORY NOTE

BORROWER: BRT REALTY TRUST

Edgar Filing: BRT REALTY TRUST - Form 8-K

PRINCIPAL: \$45,000,000.00 Date: As of March 29, 2004  
-----

PROMISE TO PAY: The undersigned Borrower, jointly and severally if more than one  
-----

signer, does hereby promise to pay to the order of NORTH FORK BANK (the "Bank") at its offices at 275 Broadhollow Road, Melville, New York 11747, or at any of its branches, the sum of Forty Five Million and 00/100 (\$45,000,000.00) DOLLARS or the aggregate unpaid principal amount of all advances made to the Borrower by the Bank, whichever is less, plus interest thereon, from the date hereof in the manner set forth below.

RATE AND PAYMENT: The unpaid principal balance hereunder shall bear interest at  
-----

the rate of the Bank's Prime Rate plus one half of one (1/2%) percent per annum, adjusted monthly, subject to increase or reduction as hereinafter provided (the "Interest Rate"). Interest shall be payable monthly beginning on April 1, 2004 and on the 1st day of each month thereafter until April 1, 2006, when all unpaid principal and interest shall be due in full, unless the term hereof is extended as hereinafter provided.

Borrower hereby unconditionally and irrevocably authorizes the Bank to automatically debit from such account any and all payments due hereunder and unconditionally warrant and represent to Bank that Borrower shall, until the Debt has been repaid in full, maintain sufficient funds in such account to pay same. If no funds are available in such account, the Borrower hereby authorizes Bank to debit any such payment due from any other account or accounts [other than tenant security deposit accounts and escrow accounts in connection with the Collateral (as defined in the Agreement)] maintained by Borrower with the Bank, provided, however, Bank's authorization to debit such accounts is limited to the amounts due under this Promissory Note and/or the other documents executed in connection herewith.

Payments shall be applied first to interest on unpaid principal balances to the date payment is received by the Bank and then to reduction of principal. If the Interest Rate is based on the Bank's announced Prime Rate, the Interest Rate shall change when the Prime Rate changes and nothing herein shall prevent the Bank from loaning money at less than prime on such terms and conditions as it deems advisable. Interest shall be calculated on the basis of a 360 day year and shall be collected based upon actual number of days elapsed.

GRID NOTE: This is the promissory note referenced to in the Agreement and shall  
-----

The Borrower may borrow, repay in whole or in part on a revolving basis aggregate amounts up to Forty Five Million and 00/100 (\$45,000,000.00) Dollars, subject to the provisions of the Agreement. The date and amount of each advance made and each payment of principal received by the Bank hereunder shall be recorded and entered on the books and records of the Bank, which shall, in absence of manifest error, be presumptive evidence as to the outstanding principal amount due hereunder; provided, however, that the failure to record any advance or repayment shall not limit or otherwise affect the obligation of Borrower under this Note.

PREPAYMENT: Prepayment in whole or in part may be made at any time without

-----  
penalty. Prepayment must be made in the event and to the extent that the outstanding amount hereunder exceeds sixty-five (65%) of the principal amount of the Collateral. During the Term hereof, any funds so prepaid may be re-advanced pursuant to the terms hereof.

DEFAULT INTEREST RATE: The unpaid principal sum under this Note shall bear  
-----  
interest at a rate equal to twenty four (24%) percent on and after the occurrence of any event of default hereunder or under the Agreement, beyond applicable notice, grace and cure periods, if any and until the entire principal sum hereof has been fully paid, both before and after the entry of any judgment with respect to such event, but in no event shall the rate either before or after the occurrence of an event of default exceed the highest rate of interest, if any, permitted under applicable New York or Federal Law.

SECURITY: This Note is secured by the Collateral (as defined in the Agreement).  
-----

RIGHT OF OFFSET: If any payment is not made on time, or if the entire balance  
-----  
becomes due and payable and is not paid, all or part of the amount due may be offset out of any account or other property which the Borrower has at the Bank or any affiliate of the Bank without prior notice or demand. This provision is in addition to any not in limitation of any of the Bank's rights by statute or at common law.

ADVANCES: All advance requests must be in writing and must be made no less than  
-----

No advance will be made if such advance will cause the amount then outstanding under this Note to exceed sixty-five (65%) percent of the outstanding principal balance of the Mortgages (as defined in the Agreement) then pledged as Collateral for the repayment of the sums advance hereunder, provided that none of the loans secured by such Mortgages are monetarily delinquent (other than minor escrow shortages) for more than sixty (60) days or are otherwise in material default.
