Item 1.02. Termination of a Material Definitive Agreement.

On March 31, 2017, ENGlobal Corporation, a Nevada corporation (the “*Company*”) issued a termination notice to Regions Bank, an Alabama bank (the “*Lender*”), to terminate all Commitments on the Termination Date of March 31, 2017 and to satisfy in full all Loans and other non-contingent obligations of Borrowers (as defined below) to Lender outstanding on the effective date of such termination, except for the Excluded Obligations, under the Loan and Security Agreement dated as of September 16, 2014 (as amended, the “*Loan Agreement*”) by and between the Company and its subsidiaries, ENGlobal U.S., Inc., a Texas corporation (“*ENGlobal US*”), ENGlobal Government Services, Inc., a Texas corporation (“*ENGlobal Government*” and, together with the Company and ENGlobal US, the “*Borrowers*”), ENGlobal International, Inc., a corporation organized under the BVI Business Companies Act of 2004 (“*ENGlobal International*”), and ENGlobal Emerging Markets, Inc., a Texas corporation (“*ENGlobal Emerging Markets*” and, together with ENGlobal International, the “*Guarantors*” and, together with the Borrowers, the “*Loan Parties*”). The Excluded Obligations are related to cash collateral to secure outstanding letters of credit, indemnity obligations, and obligations associated with depository accounts and Depository Agreements. The Lender issued a Payoff Termination Letter on the same date establishing the Termination Date as March 31, 2017. The Company did not incur any material early termination penalties in connection with the termination. The Company expects to continue to utilize Regions Bank for its deposit accounts and for its outstanding Letter of Credit in the amount of \$659,683. The Loan Agreement and the description thereof are incorporated by reference to our Current Reports on Form 8-K filed with the SEC on September 17, 2014, April 21, 2015 and June 17, 2016. Capitalized terms used but not otherwise defined herein shall have the meaning given to them in the Loan Agreement.

The Company believes its current cash on hand, internally generated funds and other working capital is sufficient to fund its current operations and that the elimination of the Loan Agreement will significantly reduce costs to the Company. Not having access to the Loan Agreement or a replacement credit facility may limit the Company’s ability to engage in certain business activities or negatively impact its financial condition, as further discussed in the Company’s Annual Report on Form 10-K.
