The information contained on, or accessible through, our website is not part of, or incorporated by reference in, this proxy statement.

***Q: What items of business will be voted on at the Annual Meeting?***

**A:** The items of business scheduled to be voted on at the Annual Meeting are:

The election of three directors to serve for a term of one year and until their successors are elected and qualified (Proposal No. 1);

The ratification of Haynie & Company as our independent registered public accounting firm for the fiscal year ending December 31, 2019 (Proposal No. 2);

**A:** The Board recommends that you vote as follows:

“FOR” the ratification of Haynie & Company as our independent registered public accounting firm for the fiscal year ending December 31, 2019 (Proposal No. 2);

“ONE YEAR” for the advisory vote to approve the frequency of future advisory votes to approve the compensation of our named executive officers (Proposal No. 4).

Any properly authorized proxy as to which no instructions are given will be voted in accordance with the foregoing recommendations.

***Q: What shares can I vote?***

**A:** Each share of our issued and outstanding common stock as of the close of business on May 28, 2019 (the “Record Date”) is entitled to be voted on all items being voted upon at the Annual Meeting. You are entitled to one vote for each share of common stock you own. You may vote all shares owned by you as of the Record Date, including (i) shares held directly in your name as the shareholder of record, and (ii) shares held for you as the beneficial owner through a broker, trustee or other nominee such as a bank or brokerage service. On the Record Date, we had 416,949,105 shares of common stock issued and outstanding.

***Q: What is the difference between holding shares as a shareholder of record and as a beneficial owner?***

**A:** Most shareholders hold their shares through a broker, trust, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

### **Shareholder of Record**

If your shares are registered directly in your name with our transfer agent, Computershare Trust Company, N.A., you are considered, with respect to those shares, the shareholder of record, and these proxy materials are being sent directly to you by us. As the shareholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the Annual Meeting. You may authorize your proxy by filling out the proxy card included with the materials or by following the instructions on the proxy card to vote by telephone or on the Internet.

### **Beneficial Owner**

If your shares are held in an account at a brokerage firm, bank, broker-dealer, trust or similar organization, then you are considered the beneficial owner of shares held in “street name,” and these proxy materials are being forwarded to you together with a voting instruction card. The organization holding your account is considered the shareholder of record for purposes of voting at the Annual Meeting. As the beneficial owner, you have the right to direct your broker, trustee, bank, or other nominee how to vote and are also invited to attend the Annual Meeting. Those instructions are contained in a “vote instruction form.”

Since a beneficial owner is not the shareholder of record, you may not vote these shares in person at the Annual Meeting unless you obtain a “legal proxy” from the broker, trustee, bank or other nominee that holds your shares, giving you the right to vote the shares at the Annual Meeting. Your broker, trustee, bank or other nominee has enclosed or provided voting instructions for you to use in directing the broker, trustee, bank or other nominee how to vote your shares.

***Q: How can I attend the Annual Meeting?***

You are entitled to attend the Annual Meeting only if you were a shareholder or joint holder as of the close of business on the Record Date, or you hold a valid proxy for the Annual Meeting. You should be prepared to present photo identification for admittance at the Annual Meeting. In addition, if you are a shareholder of record, your name will be verified against the list of shareholders of record on the Record Date prior to your being admitted to the Annual Meeting. If you are not a shareholder of record but hold shares through a broker or nominee (i.e., in A:street name), you should provide proof of beneficial ownership on the Record Date, such as your most recent account statement prior to the Record Date, a copy of the voting instruction card provided by your broker, trustee or nominee, or other similar evidence of ownership. If you do not provide photo identification or comply with the procedures outlined above upon request, you will not be admitted to the Annual Meeting. The Annual Meeting will begin promptly at 2:00 p.m., local time. If you need directions to the location of the Annual Meeting, please call us at (208) 524-5300.

***Q: How can I vote my shares in person at the Annual Meeting?***

**A:** Shares held in your name as the shareholder of record may be voted in person at the Annual Meeting. Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker, trustee, bank or other nominee that holds your shares giving you the right to vote the shares. Even if you plan to attend the Annual Meeting, we recommend that you also submit your proxy or voting instructions as described below so that your vote will be counted if you later decide not to attend the Annual Meeting.

***Q: How can I vote my shares without attending the Annual Meeting?***

**A:** Whether you hold shares directly as the shareholder of record or beneficially in street name, you may direct how your shares are voted without attending the Annual Meeting. If you are a shareholder of record, you may vote by submitting a proxy. If you hold shares beneficially in street name, you may vote by submitting voting instructions to your broker, trustee or nominee. For directions on how to vote, please refer to the instructions below and those included on your proxy card or, for shares held beneficially in street name, the voting instruction card provided by your broker, trustee or nominee.

Shareholders of record of our common stock may submit proxies by:

- (1) Completing, signing and dating their proxy card and mailing them in the accompanying pre-addressed envelope;

(2) Accessing the Internet Voting Site at [www.envisionreports.com/INIS](http://www.envisionreports.com/INIS) and voting by following the instructions provided on the website; or

(3) Calling 1-800-652-VOTE (8683) and voting by following the instructions provided on the phone line.

In order to vote via telephone or on the Internet, please have your proxy card in front of you. Your proxy card contains the phone number and website needed to vote. The proxy card will also contain the account number and proxy access number needed to vote via telephone or the Internet.

***Q: Can I change or revoke my vote?***

**A:** You may change or revoke your vote at any time prior to the vote at the Annual Meeting. If you are the shareholder of record, you may change your vote by submitting a new proxy bearing a later date (which automatically revokes the earlier proxy), by providing a written notice of revocation to our Secretary prior to your shares being voted, or by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting alone will not cause your previously granted proxy to be revoked, unless you specifically so request. For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your broker, trustee, bank or other nominee, or, if you have obtained a legal proxy from your broker, trustee, bank or other nominee giving you the right to vote your shares, by attending the Annual Meeting and voting in person.

***Q: Who can help answer my questions?***

**A:** If you have any questions about the Annual Meeting or how to vote or revoke your proxy, you should contact:

International Isotopes Inc.

Attn: Laurie McKenzie-Carter

4137 Commerce Circle

Idaho Falls, Idaho 83401

(208) 524-5300

***Q: Is my vote confidential?***

Proxy instructions, ballots and voting tabulations that identify individual shareholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within the Company or to third parties, except: **A:** (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote, and (3) to facilitate a successful proxy solicitation. Occasionally, shareholders provide written comments on their proxy card, which are then forwarded to our management.

***Q: How many shares must be present or represented to conduct business at the Annual Meeting?***

**A:** Transaction of business at the Annual Meeting may occur only if a quorum is present. The quorum requirement for holding the Annual Meeting and transacting business is that holders of a majority of the outstanding shares of our common stock entitled to vote must be present in person or represented by proxy. Abstentions, votes withheld and broker non-votes are counted for the purpose of determining the presence of a quorum.

***Q: How are votes counted?***

**A:** In the election of directors (Proposal No. 1), you may vote “FOR” all of the nominees or your vote may be “WITHHELD” with respect to one or more of the nominees. For Proposal Nos. 2 and 3, you may vote “FOR,” “AGAINST” or “ABSTAIN.” For Proposal No. 4, you may vote “ONE YEAR,” “TWO YEARS,” “THREE YEARS” or “ABSTAIN.”

If you provide specific instructions with regard to a certain item, your shares will be voted as you instruct on such items. If you are a shareholder of record and you sign and return your proxy card without giving specific instructions, your shares will be voted in accordance with the recommendations of the Board (“FOR” all of the director nominees, “FOR” the ratification of Haynie & Company as our independent registered public accounting firm for the fiscal year ending December 31, 2019, “FOR” the advisory vote to approve the compensation of our named executive officers and “ONE YEAR” for the advisory vote to approve the frequency of future advisory votes to approve the compensation of our named executive officers).

***Q: What is the voting requirement to approve each of the proposals?***

**A:** Directors are elected (Proposal No. 1) by a plurality of the votes cast, provided that a majority of the outstanding shares of common stock are present or represented and entitled to vote at the Annual Meeting. The three candidates

who receive the greatest number of “FOR” votes will be elected directors.

The ratification of Haynie & Company as our independent registered public accounting firm for the fiscal year ending December 31, 2019 (Proposal No. 2), the advisory vote to approve the compensation of our named executive officers (Proposal No. 3) and the advisory vote to approve the frequency of future advisory votes to approve the compensation of our named executive officers (Proposal No. 4), require the affirmative vote of a majority of the shares present in person or represented by proxy at the Annual Meeting.

Abstentions are shares that abstain from voting on a particular matter. Abstentions effectively count as being present for purposes of determining whether a quorum of shares is present at the Annual Meeting. Abstentions will have no effect on Proposal No. 1, the election of directors, since approval by a percentage of the shares present or outstanding is not required. Abstentions will have the same effect as a vote “AGAINST” the ratification of the appointment of our independent registered public accounting firm (Proposal No. 2), the advisory vote to approve the compensation of our named executive officers (Proposal No. 3) and the advisory vote to approve the frequency of future advisory votes to approve the compensation of our named executive officers (Proposal No. 4).

If your broker holds your shares in its name (also known as “street name”), and does not receive voting instructions from you, the broker is permitted to vote your shares only on “discretionary” matters. The ratification of Haynie & Company as our independent registered public accounting firm for the fiscal year ending December 31, 2019 (Proposal No. 2) is the only discretionary matter that a broker is permitted to vote on at the Annual Meeting. Broker non-votes are generally not considered votes present in person or by proxy and entitled to vote at the Annual Meeting and therefore will have no direct impact on the outcome of the vote for Proposal Nos. 1, 3 and 4. We urge you to give voting instructions to your broker on all voting items.

***Q: Is cumulative voting permitted for the election of directors?***

**A:** No. We do not allow you to cumulate your vote in the election of directors. For all matters proposed for shareholder action at the Annual Meeting, each share of common stock outstanding as of the close of business on the Record Date is entitled to one vote.

***Q: What happens if additional matters are presented at the Annual Meeting?***

**A:** Other than the four items of business described in this proxy statement, we are not aware of any other business to be acted upon at the Annual Meeting. If you grant a proxy, the persons named as proxy holders, Steve T. Laflin and Christopher Grosso, will have the discretion to vote your shares on any additional matters properly presented for a vote at the Annual Meeting. If for any unforeseen reason any of our nominees is not available as a candidate for director, the persons named as proxy holders will vote your proxy for such other candidate or candidates as may be nominated by the Board, unless the Board chooses to reduce the number of directors serving on the Board.

***Q: What should I do if I receive more than one set of voting materials?***

**A:** You may receive more than one set of voting materials, including multiple copies of this proxy statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a shareholder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please complete, sign, date and return, with respect to each proxy card and voting instruction card that you receive, or vote via telephone or Internet, as applicable.

***Q: Who will bear the cost of soliciting votes for the Annual Meeting?***

**A:** We are making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. We may also engage a proxy solicitor for a reasonable fixed fee, plus reasonable expenses for such services. Upon request, we will reimburse brokerage houses and other custodians, nominees and fiduciaries for forwarding proxy and solicitation materials to shareholders. Your cooperation in promptly voting your shares and submitting your proxy by telephone, Internet or by completing and returning the enclosed proxy card will help to avoid additional expense.

***Q: Where can I find the voting results of the Annual Meeting?***

**A:** We intend to announce the voting results of the Annual Meeting in a Current Report on Form 8-K, which we expect to file with the SEC within four business days following the Annual Meeting.

***Q: What is the deadline to propose actions for consideration at next year's annual meeting of shareholders or to nominate individuals to serve as directors?***

**A:** You may submit proposals, including director nominations, for consideration at future shareholder meetings.

**Shareholder Proposals:** For a shareholder proposal to be considered for inclusion in our proxy statement for the 2020 Annual Meeting of Shareholders pursuant to SEC Rule 14a-8, the written proposal must be received by our Secretary at our principal executive offices no later than February 12, 2020. If the date of the 2020 Annual Meeting of Shareholders is moved more than 30 days before or after the anniversary date of this year's Annual Meeting, the deadline for inclusion of proposals in our proxy statement is instead a reasonable time before we begin to print and mail the proxy materials. Such proposals must also comply with SEC regulations regarding the inclusion of shareholder proposals in company-sponsored proxy materials. Proposals should be addressed to:

International Isotopes Inc.

Attn: Secretary

4137 Commerce Circle

Idaho Falls, Idaho 83401

For a shareholder proposal that is not intended to be included in our proxy statement as described above, the shareholder must deliver a proxy statement and form of proxy to holders of a sufficient number of shares of our common stock to approve that proposal and give notice to us no later than April 27, 2020.

**Nomination of Director Candidates:** You may propose director candidates for consideration by the Board. Any such recommendations should include the nominee's name and qualifications for Board membership and should be directed to our Secretary at the address of our principal executive offices set forth above.

***Q: How may I communicate with the Board or the non-employee directors on the Board?***

**A:** Any shareholder or other interested party may contact the Board or any individual director, including any non-employee director or the non-employee directors as a group, by directing the communication by mail or fax addressed to International Isotopes Inc., Attn: Chairman of the Board of Directors, 4137 Commerce Circle, Idaho Falls, Idaho 83401, Fax: (208) 524-1411. In general, any shareholder communication delivered to us for forwarding to the Board or specified directors will be forwarded in accordance with the shareholder's instructions.

## **PROPOSAL NO. 1: ELECTION OF DIRECTORS**

Our Board currently consists of three directors: Dr. Robert Atcher, Christopher Grosso and Steve T. Laflin. At the Annual Meeting, each director will be elected to serve until the next annual meeting of shareholders and until his successor is elected and qualified. Information regarding the business experience of each nominee to the Board is provided below. There are no family relationships among our executive officers and directors.

If you are a record holder and you sign your proxy card, but do not give instructions with respect to the voting of directors, your share will be voted “FOR” the three director nominees recommended by the Board. If you wish to give specific instructions with respect to the voting of directors, you may do so by indicating your instructions on your proxy card.

The Board expects that all of the director nominees will be available to serve as directors, and each of the director nominees has consented to being named in this proxy statement. In the event that any director nominee should become unavailable, however, the proxy holders, Steve T. Laflin and Christopher Grosso, will vote for a director nominee or nominees designated by the Board, unless the Board chooses to reduce the number of directors serving on the Board.

### **Director Nominees**

Prior to joining Kershner Grosso, Mr. Grosso was with Howe and Rusling Investment Management and Chase Manhattan Bank. Mr. Grosso received a B.S. in Business Administration from Skidmore College. *Dr. Robert Atcher*, age 67, has served as a director since August 2017. Dr. Atcher retired in 2017 from the Los Alamos National Laboratory, a national nuclear laboratory for the U.S. Department of Energy, where, for over 20 years, he worked on various medical applications for isotopes. Dr. Atcher currently serves as the President of the Education and Research Foundation for the Society of Nuclear Medicine and Molecular Imaging, a nonprofit foundation to support research and training for professionals in the field, and he is a past president and fellow of the Society of Nuclear Medicine and Molecular Imaging. **THE BOARD RECOMMENDS A VOTE “FOR” THE  
ELECTION OF EACH OF THE NOMINEES TO THE BOARD.**

## **CORPORATE GOVERNANCE PRINCIPLES AND BOARD MATTERS**

We are committed to having sound corporate governance principles, which are essential to running our business efficiently and maintaining our integrity in the marketplace. Our Code of Ethics is available at [www.intisoid.com](http://www.intisoid.com) in the Investor Center section of our website.

### **Board Independence**

The Board has determined that each of our current directors and nominees, other than Steve T. Laflin, is “independent” under listing rules of The Nasdaq Stock Market (“Nasdaq”). Mr. Laflin is not considered independent because he currently serves as our President and Chief Executive Officer. Furthermore, the Board has determined that none of the members of any of our standing committees has a material relationship with us (either directly, through a family member or as a partner, executive officer or controlling shareholder of any organization that receives or makes payments from or to us) and each is “independent” within the meaning of Nasdaq’s director independence standards under Nasdaq listing rules.

### **Board Structure and Committee Composition**

Our Board has three directors and the following two standing committees: (1) Audit Committee and (2) Compensation Committee. Christopher Grosso serves as the Chairman of the Board and Mr. Laflin serves as our President and Chief Executive Officer and as a director. The Board does not have a policy regarding separation of the roles of Chief Executive Officer and Chairman of the Board. The Board believes it is in our best interests to make that determination based on current circumstances. The Board has determined that having a separate Chairman and Chief Executive Officer at this time is appropriate given the current characteristics of our management and is in the best interest of our company and our shareholders. Mr. Grosso, with his significant financial expertise and experience with the Company, is most capable of effectively identifying strategic priorities, leading Board discussions and defining our strategic objectives. Mr. Laflin, as our President and Chief Executive Officer, is the individual selected by the Board to manage our company on a day-to-day basis, and his direct involvement in our operations allows him to provide valuable insights with respect to strategic planning, the operational requirements to meet our short- and long-term objectives, and management of risks facing our company. Our independent directors bring experience, oversight and expertise from outside our company and the industry.

The membership and the function of each of the committees are described below. The Audit Committee operates under a written charter adopted by the Board, which is available in the Investor Center section of our website at [www.intisoid.com](http://www.intisoid.com). The Compensation Committee does not have a written charter. During 2018, the Board held seven meetings. Each director attended at least 75% of the aggregate of: (i) the total number of meetings of the Board (held

during the period for which he was a director); and (ii) the total number of meetings held by all committees of the Board on which he served (during the period that he served).

### *Audit Committee*

The Audit Committee assists the Board in overseeing the integrity of our financial statements, our compliance with legal and regulatory requirements, our independent registered public accounting firm's qualifications and independence, and the performance of any internal audit function and our independent registered public accounting firm. The Audit Committee is comprised of two members, Christopher Grosso and Dr. Robert Atcher, with Mr. Grosso serving as the chairman. Each of Mr. Grosso and Dr. Atcher is an "independent" director for audit committee service under Nasdaq listing rules and applicable SEC rules and regulations. The Audit Committee is directly responsible for the appointment, compensation, and oversight of our independent registered public accounting firm, and our independent auditing firm reports directly to the Audit Committee. The responsibility of the Audit Committee includes resolving disagreements between our management and the independent registered public accounting firm related to financial reporting. The Audit Committee is also responsible for establishing procedures for receipt of complaints relating to accounting, internal control, and auditing and confidential, anonymous information submitted by employees relating to questionable accounting or auditing matters. The Audit Committee has the authority to employ independent counsel and other advisors in connection with its duties. The Board has determined that each of Mr. Grosso and Dr. Atcher are "audit committee financial experts" based on their prior experience as disclosed in their respective biographies in the section entitled "Proposal No. 1: Election of Directors—Director Nominees." The Audit Committee held three meetings in 2018.

The report of the Audit Committee is included in the section entitled "Audit Committee Report" of this proxy statement.

### *Compensation Committee*

The Compensation Committee reviews the compensation and benefits of all of our officers annually, makes recommendations to the Board and reviews general policy matters relating to compensation and benefits of our employees, including administration of our equity compensation plans. The Compensation Committee is comprised of two members, Christopher Grosso and Dr. Robert Atcher,

with Mr. Grosso serving as the chairman. The Compensation Committee held three meetings in 2018. We do not use any compensation consultants to determine, or recommend, any compensation for our officers or directors. Executive officers have no role in determining their own compensation. The non-employee directors approve the compensation of our Chief Executive Officer. The entire Board, including Mr. Laflin, our President and Chief Executive Officer, approves the compensation of our Chief Financial Officer. The practice of the Board has been to require unanimous approval to approve any action with respect to director compensation.

### ***Nominating Committee***

We do not have a standing nominating committee or committee performing similar functions or a nominating committee charter. The Board believes it is appropriate not to have such a committee because the entire Board, including Mr. Grosso and Dr. Atcher, each of whom is “independent” under Nasdaq listing rules, participates in the consideration of director nominees. The Board will continue to assess the necessity of a nominating committee and will establish one, if necessary, in the future. The entire Board considers any director nominees recommended by shareholders.

### **Consideration of Director Nominees**

***Shareholder Nominees.*** The Board does not have a formal policy regarding the consideration of director candidates nominated by shareholders because the Board is small and there is low turnover among its members. Shareholders may nominate director candidates in writing, including the nominee’s name and qualifications for Board membership, directed to our Secretary at the address of our principal executive offices set forth above. Assuming that appropriate and requisite information has been provided on a timely basis, the Board will evaluate shareholder-recommended candidates by following substantially the same process, and applying substantially the same criteria, as it follows for candidates submitted by others.

***Director Qualifications.*** Board members should have high standards of professional and personal ethics, integrity and values. They should have relevant experience and ability with respect to making and overseeing policy in business, technology, government or education sectors. They should be committed to acting in our best interests and to objectively assessing Board, committee and management performance. They should have sufficient time to carry out their duties and should have the willingness and ability to serve multiple terms to develop a deeper understanding of our business affairs. Board members should be willing to avoid activities or interests that may create a conflict of interest with the director’s responsibilities and duties to us. We do not have a separate policy regarding consideration of diversity in identifying director nominees, but the Board strives to nominate directors with a variety of skills and backgrounds so that, as a group, the Board will possess a broad perspective and the appropriate talent, skills and expertise to oversee our business.

***Identifying and Evaluating Nominees for Directors.*** The Board uses a variety of methods for identifying and evaluating nominees for director. In the event of a vacancy on the Board, various potential candidates for director will be considered. Candidates may come to the Board's attention through current Board members, professional search firms, shareholders or other persons. These candidates will be evaluated at regular or special meetings of the Board, and, may be considered at any point during the year. As noted above, properly submitted shareholder nominations for candidates to the Board will be considered. Following verification of the shareholder status of persons proposing candidates, recommendations will be aggregated and considered by the Board at a regularly scheduled meeting. If any materials are provided by a shareholder in connection with the nomination of a director candidate, such materials will be forwarded to the Board. In evaluating nominees, the Board will seek to achieve a balance of knowledge, experience and capability on the Board.

### **The Board's Role in Risk Oversight**

The Board oversees our risk management activities. One of the Board's primary responsibilities under our corporate governance guidelines is reviewing our strategic plans and objectives, including our principal risk exposures. The Board addresses, at least annually, our principal current and future risk exposures, including any cyber-security risks. The Board receives regular reports from members of its committees, senior management and professional consultants on areas of material risk to our business, including operational, financial, legal and regulatory, and strategic and reputation risks. The Audit Committee oversees our procedures for the receipt, retention and treatment of complaints relating to accounting and auditing matters and oversees our management of legal and regulatory compliance systems. The Compensation Committee oversees risks relating to our compensation plans and programs. The Compensation Committee has reviewed and considered our compensation policies and programs in light of the Board's risk assessment and management responsibilities and will do so in the future on an annual basis. The Compensation Committee believes that we have no compensation policies and programs that give rise to risks reasonably likely to have a material adverse effect on us.

### **Attendance of Directors at 2018 Annual Meeting of Shareholders**

While we do not have a formal policy requiring our directors to attend shareholder meetings, directors are invited and encouraged to attend all meetings of shareholders. All of our directors at the time of the meeting attended the 2018 Annual Meeting of Shareholders.

## **Code of Ethics**

We have adopted a Code of Ethics for our principal executive officer, principal financial officer, principal accounting officer or controller, and directors. The Code of Ethics is available under the Investor Center of our website at [www.intisoid.com](http://www.intisoid.com). We intend to disclose any changes in or waivers from the Code of Business Conduct and Ethics that are required to be disclosed by posting such information on our website.

## **PROPOSAL NO. 2: RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Haynie & Company has been appointed by the Audit Committee to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2019. Haynie & Company has served as our independent registered public accounting firm since November 2018. Representatives of Haynie & Company are expected to attend the Annual Meeting in person or via teleconference, where they will be available to respond to appropriate questions and, if they desire, to make a statement.

Although shareholder approval is not required, we desire to obtain from our shareholders an indication of their approval or disapproval of the Audit Committee's action in appointing Haynie & Company as our independent registered public accounting firm of our company for 2019. If our shareholders do not ratify and approve this appointment, the Audit Committee will consider whether it should select other independent auditors.

### **Change in Independent Registered Public Accounting Firm**

On November 16, 2018, the Audit Committee dismissed Eide Bailly LLP ("Eide Bailly") as our independent registered public accounting firm. In addition, on November 16, 2018, the Audit Committee engaged Haynie & Company as our independent registered public accounting firm to audit our consolidated financial statements as of and for the fiscal year ended December 31, 2018.

The audit reports of Eide Bailly on our consolidated financial statements as of and for the years ended December 31, 2016 and 2017 did not contain any adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the two fiscal years ended December 31, 2016 and 2017, and the subsequent interim period through the dismissal of Eide Bailly, there were: no (1) disagreements with Eide Bailly on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements if not resolved to their satisfaction would have caused Eide Bailly to make reference in connection with their opinion to the subject matter of the disagreement, or (2) "reportable events" within the meaning of Item 304(a)(1)(v) of Regulation S-K.

During the two most recent years ended December 31, 2016 and 2017, and the subsequent interim period preceding Haynie & Company's engagement, we did not consult with Haynie & Company regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our financial statements, and no written or oral advice was provided to us by Haynie & Company that

Haynie & Company concluded was an important factor considered by us in reaching a decision as to any accounting, auditing, or financial reporting issue; or (ii) any matter that was subject of a disagreement, as that term is defined in Item 304(a)(1)(iv) of Regulation S-K, or other reportable event of the types described in Item 304(a)(1)(v) of Regulation S-K.

**Independent Registered Public Accounting Firm Fees**

Haynie & Company did not bill any fees to us for any services during fiscal years 2017 and 2018. Fees billed by Eide Bailly in fiscal years 2017 and 2018 were as follows:

Services Rendered	2017	2018
Audit Fees <sup>(1)</sup>	\$121,200	\$150,418
Audit-Related Fees	—	—
Tax Fees	—	—
All Other Fees	—	—
<b>Total</b>	<b>\$121,200</b>	<b>\$150,418</b>

---

<sup>(1)</sup> For professional services for auditing our annual financial statements and reviewing the financial statements included in our other periodic reports filed with the SEC.

**Pre-Approval Policies and Procedures**

The Audit Committee is required to pre-approve all audit and non-audit services provided by our independent registered public accounting firm. The Audit Committee approved the engagements of Eide Bailly and Haynie & Company, as applicable, to provide audit services prior to their respective engagements and approved all of the services and fees of our independent registered public accounting firms for 2017 and 2018.

**THE BOARD RECOMMENDS A VOTE “FOR” THE RATIFICATION OF  
HAYNIE & COMPANY AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM  
FOR THE FISCAL YEAR ENDING DECEMBER 31, 2019.**

## AUDIT COMMITTEE REPORT

The Audit Committee has reviewed and discussed our audited financial statements for the fiscal year ended December 31, 2018 with our management and Haynie & Company, our independent registered public accounting firm. Management is responsible for the preparation, presentation and integrity of the financial statements, accounting and financial reporting principles and internal control over financial reporting. Haynie & Company is responsible for performing an independent audit of the financial statements in accordance with generally accepted auditing standards and for expressing opinions on the conformity of the financial statements with accounting principles generally accepted in the United States.

The Audit Committee has discussed with Haynie & Company the matters required to be discussed by Public Company Accounting Oversight Board (“PCAOB”) AS Section 1301, *Communications with Audit Committees*, and related regulations, and has received the written disclosures and the letter from Haynie & Company regarding its independence as required by applicable requirements of the PCAOB regarding the independent accountant’s communications with the Audit Committee concerning independence. The Audit Committee has discussed with Haynie & Company their independence.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2018 for filing with the SEC.

**PROPOSAL NO. 3: ADVISORY VOTE TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS**

Pursuant to Section 14A of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), we are asking our shareholders to vote to approve, on a nonbinding, advisory basis, the compensation of our named executive officers, commonly referred to as the “say-on-pay” vote. In accordance with the Exchange Act requirements, we are providing our shareholders with an opportunity to express their views on our named executive officers’ compensation. Although this advisory vote is nonbinding, our Board and Compensation Committee will review and consider the voting results when making future decisions regarding our named executive officer compensation and related executive compensation programs. Our current policy is to provide shareholders with an opportunity to approve the compensation of our named executive officers each year at the annual meeting of shareholders until the next required shareholder vote on the frequency of such votes. See Proposal No. 4, relating to the advisory vote to approve the frequency of future advisory votes to approve the compensation of our named executive officers.

At our 2018 Annual Meeting of Shareholders, we held our annual vote on an advisory resolution to approve the compensation of our named executive officers. The compensation of our named executive officers reported in our 2018 proxy statement was approved by approximately 99% of the votes cast at the 2018 Annual Meeting of Shareholders. Our Board and the Compensation Committee believe this affirms our shareholders’ support of our approach to executive compensation, and therefore, the Board and the Compensation Committee did not change their approach to executive compensation in 2018. The Board and the Compensation Committee will continue to consider the outcome of our say-on-pay votes when making future compensation decisions for our named executive officers.

We encourage shareholders to read the section titled “Compensation of Directors and Executive Officers” in this proxy statement, including the compensation tables and the related narrative disclosure, which describes the structure and amounts of the compensation of our named executive officers in 2018. The compensation of our named executive officers is designed to enable us to attract and retain talented and experienced executives to successfully lead us in a competitive environment. The Compensation Committee and our Board believe that our executive compensation strikes the appropriate balance between utilizing responsible, measured pay practices and effectively incentivizing our named executive officers to dedicate themselves fully to value creation for our shareholders.

Accordingly, we ask our shareholders to vote “FOR” the following resolution at the Annual Meeting:

“RESOLVED, that the shareholders approve, on an advisory basis, the compensation paid to the Company’s named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the compensation tables and narrative discussion in this proxy statement.”

**THE BOARD RECOMMENDS A VOTE “FOR” THE ADVISORY VOTE TO APPROVE THE  
COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.**

**PROPOSAL NO. 4: ADVISORY VOTE TO APPROVE THE FREQUENCY OF FUTURE ADVISORY VOTES TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS**

Pursuant to Section 14A of the Exchange Act, shareholders have an opportunity to provide an advisory vote on how frequently we should hold an advisory vote on the compensation of our named executive officers at least every six years. Our shareholders last voted on this matter at our 2013 Annual Meeting of Shareholders. Under this proposal, shareholders may indicate whether they would prefer an advisory vote on executive compensation once every one, two, or three years, or they may abstain from voting.

The Board has discussed and carefully considered the alternatives regarding the frequency of future advisory votes to approve executive compensation in an effort to determine the approach that would best serve the Company and its shareholders. Our Board has considered several factors supporting an annual vote, including:

- An annual say-on-pay vote is consistent with past practice, as we have been conducting an annual vote since 2013.

- An annual say-on-pay vote provides us with immediate and direct input from our shareholders on our compensation principles and practices as disclosed in the proxy statement every year.

- An annual say-on-pay vote provides frequent feedback from our shareholders, which is consistent with our efforts to seek input from our shareholders regarding corporate governance and our compensation philosophy.

- The lack of an annual say-on-pay vote might make it more difficult for us to understand the outcome of a shareholder vote as to whether the shareholder vote pertains to the compensation disclosed in the current year proxy statement or pay practices over the previous year or two years. As a result, a frequency other than annual might make it more difficult for the Board to understand and respond appropriately to the message being communicated by our shareholders.

- Our shareholders voted to recommend an annual say-on-pay vote at our 2013 Annual Meeting of Shareholders.

After such consideration, the Board believes that it is most appropriate to continue to conduct an advisory vote on the compensation of our named executive officers every year.

The voting frequency option that receives the highest number of votes cast by the holders of shares of common stock present or represented by proxy and entitled to vote on the proposal will be deemed the frequency for the advisory vote to approve executive compensation that has been approved, on an advisory basis, by shareholders. The vote to

approve the frequency of future say on pay votes is advisory and therefore will not be binding on the Compensation Committee, the Board, or the Company. However, the Compensation Committee and the Board will take the voting results into consideration when determining the frequency and timing of future say on pay votes.

**THE BOARD RECOMMENDS VOTING FOR A FREQUENCY PERIOD OF “ONE YEAR” FOR FUTURE ADVISORY VOTES TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.**

**Steve Laflin Employment Agreement.** Effective February 2012, we entered into an Amended and Restated Employment Agreement, as further amended by that certain Modification #1 to the Amended and Restated Employment Agreement, dated as of October 12, 2016 (as amended, the “Employment Agreement”) with Mr. Laflin to serve as our President and Chief Executive Officer at a base salary of \$200,000 with an annual \$5,000 increase to his base salary, subject to further adjustment annually by the Board. entitled to receive \$28,000 of fully vested shares of our common stock issued pursuant to our equity compensation plans, calculated based on the average closing price of our common stock for the 20 trading days prior to the date of grant; provided, however, that if the average closing price of our common stock for the 20 trading days prior to the date of grant is below \$0.05 per share, then the number of shares of common stock to be issued shall be calculated based on a price of \$0.05 per share. In addition, pursuant to the Employment Agreement, Mr. Laflin will receive a monthly housing allowance for \$6,000 plus additional tax gross up payments for the monthly housing allowance. Mr. Laflin is also subject to confidentiality, noncompete and nondisparagement provisions under the Employment Agreement. The term of the Employment Agreement continues until February 28, 2022.

Mr. Laflin is also entitled to certain payments upon the occurrence of certain events under the Employment Agreement. If we terminate Mr. Laflin without cause, or if we were to be dissolved or sold, or if we were to become a private company whose shares are no longer traded on a public exchange, the Board would have the power to terminate Mr. Laflin's employment and Mr. Laflin would be entitled to receive salary and benefits under his employment agreement through the date of termination and for an additional 12 months thereafter. In the event that Mr. Laflin is terminated for cause or if Mr. Laflin terminates the Employment Agreement, he would be entitled to receive any salary and benefits that have accrued through the termination date.

We withheld 140,175 shares to satisfy Mr. Laflin's tax obligations in connection with this issuance. The net shares issued on February 28, 2018 totaled 209,825 shares.
