Item 1.01 Entry into a Material Definitive Agreement.

On July 26, 2017, People's Intermountain Bank ("PIB"), a wholly owned subsidiary of People's Utah Bancorp ("PUB") entered into a Purchase and Assumption Agreement (the "Agreement") with Banner Bank ("BB"), a wholly owned subsidiary of Banner Corporation. Under the terms of the Agreement, PIB will acquire approximately \$260 million in loans and seven Utah branch locations with approximately \$180 million in low-cost deposits of Banner Bank's Utah-based bank branches and an operations center ("BB Branch Acquisition"). The deposit premium is estimated to be \$15.3 million based on average deposits at closing. Following the BB Branch Acquisition, the BB branches will become Bank of American Fork branches, a division of PIB.

Consummation of the transaction is subject to required regulatory approvals, and other customary conditions of closing. The transaction is presently expected to close in the 4<sup>th</sup> quarter of 2017.

Item 7.01 Regulation FD Disclosure

On July 27, 2017, PUB issued a press release announcing the execution of the Agreement. A copy of the press release is furnished herewith as Exhibit 99.1. Furnished herewith as Exhibit 99.2 are presentation materials relating to the proposed BB Branch Acquisition.

Forward-Looking Statements

This current report on Form 8-K contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 ("PSLRA"). Such forward-looking statements include but are not limited to statements about the benefits of the BB Acquisition by PUB, including PUB's plans, objectives, expectations and intentions, the effect of the transaction on PUB's earnings, the timing of the closing of the transaction, and other statements that are not historical facts. These forward-looking statements are subject to risks and uncertainties that may cause actual results or events to differ materially from those projected, including but not limited to the risks that the asset acquisition does not close when expected or at all because required regulatory or other approvals and other conditions to closing are not received or satisfied on a timely basis or at all; the risk that the benefits from the transaction may not be fully realized or may take longer to realize than expected, including as a result of changes in general economic and market conditions, interest and exchange rates, monetary policy, laws and regulations and their enforcement, and the degree of competition in the geographic and business areas in which PUB operates; the reaction to the transaction of the companies' customers, employees, and counterparties; and the diversion of management time on transaction-related issues. Readers are cautioned not to place undue reliance on the forward-looking statements, which speak only as of the date on which they are made and reflect management's current estimates, projections, expectations and beliefs. PUB undertakes no obligation to publicly revise or update the forward-looking statements to reflect events or circumstances that arise after the date of this report.
