(6) The address of each officer is One Financial Center, Boston, MA 02111.

7

The term of office of each of the Trustees/Directors will expire, as noted in the above table, on the final adjournment of the Annual Meeting (or special meeting in lieu thereof) in the specified year.

At December 31, 2001, Messrs. Lowry, Mayer and Neuhauser also served as trustees of the Liberty family of funds (Liberty Funds) which consisted of 53 open-end and 9 closed-end management investment company portfolios; the Stein Roe family of funds (Stein Roe Funds) consisted of 40 open-end management investment company portfolios and 1 limited liability company (collectively, the Liberty Fund Complex) managed by Colonial Management Associates, Inc. (Colonial), Stein Roe & Farnham Incorporated (Stein Roe) or other affiliates of LAMCO.

During 2001, the full Board of Trustees/Directors of the Funds held six meetings, and the Audit Committee met twice. All Trustees/Directors were present at all meetings.

The Audit Committee makes recommendations to the full Board as to the firm of independent accountants to be selected, reviews the methods, scope and results of audits and fees charged by such independent accountants, and reviews the Funds' internal accounting procedures and controls. The Funds have no nominating or compensation committee.

Each Fund has an Audit Committee comprised of only "Independent Trustees/Directors" (as defined in the regulations of the New York Stock

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form PRE 14A

Exchange (NYSE)) of the Funds, who are also not "interested persons" (as defined in the Investment Company Act of 1940) of the Fund. The Audit Committee reviews the process for preparing and reviewing financial statements and other audit-related matters as they arise throughout the year. The Audit Committee makes recommendations to each full Board as to the firm of independent accountants to be selected. In making its recommendations, the Audit Committee reviews the nature and scope of the services to be provided.

In discharging its oversight responsibility as to the audit process, the Audit Committee discussed with management the process for preparation and review of the audited financial statements for the last fiscal year. The Audit Committee also reviewed the non-audit services to be provided by the independent accountants of the Funds. The independent accountants, PricewaterhouseCoopers LLP (PWC), discussed with each Board the matters required to be discussed by Statement on Auditing Standards No. 61. In addition, the Audit Committee obtained from the independent accountants a formal written statement consistent with Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," describing all relationships between the independent accountants and the Funds that might bear on the independent accountants' independence. The Audit Committee also discussed with the independent accountants any relationships that may impact their objectivity and independence and satisfied itself as to the independent accountants' independence. Each Board also reviewed the fees charged by such independent accountants for the various services provided and reviewed the Funds' internal accounting procedures and controls.

Each Board of Trustees/Directors has adopted a written charter which sets forth the Audit Committee's structure, duties and powers, and methods of operation which is attached hereto as Appendix A. Each member of the Audit Committee must be financially literate and at least one member must have prior accounting experience or related financial management expertise. Each Board of Trustees/Directors has determined, in accordance with applicable regulations of the NYSE, that each member of the Audit Committee is financially literate and has prior accounting experience or related financial management expertise. The Funds' Audit Committee members for 2001 were Messrs. Birnbaum, Grinnell, Lowry and Neuhauser. All members of the Audit Committee meet the independence standards of the NYSE listing standards.

FEEES PAID TO INDEPENDENT ACCOUNTANTS

1. AUDIT FEES

For the audit of the Funds' annual financial statements for the fiscal year ended December 31, 2001, included in each Fund's annual report to shareholders for that fiscal year, the Equity Fund and the Growth Fund paid or accrued \$29,900 and \$21,300, respectively, to PWC.

2. FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES

For the fiscal year ended December 31, 2001, the Funds, LAMCO and entities controlling, controlled by or under common control with LAMCO which provide services to the Funds did not pay or accrue any fees for financial information systems design and implementation services by PWC.

3. ALL OTHER FEES

For the fiscal year ended December 31, 2001, the Funds, LAMCO and entities controlling, controlled by or under common control with LAMCO which provide services to the Equity Fund and the Growth Fund paid or accrued aggregate fees

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form PRE 14A

of approximately \$XXX and \$XXX, respectively, for all other services provided by PWC. Each Audit Committee has determined that the provision of the services described above is compatible with maintaining the independence of PWC.

COMPENSATION

Beginning January 1, 1999, the aggregate of the fees paid to the Trustees/Directors by the Funds that have the same Board of Trustees/Directors and hold their meetings concurrently with those of the Funds, consists of Trustees/Directors fees of \$125,000 per annum, assuming a minimum of four meetings are held and all meetings are attended. One-third of the retainer and the fees for concurrently held meetings was allocated equally between the Funds, and the remaining two-thirds was allocated between the Funds based on their net assets.

The following table shows, for the calendar year ended December 31, 2001, the compensation received from the Funds by each current Trustee/Director, and the aggregate compensation paid to each current Trustee/Director for service on the Boards of Trustees/Directors of the Funds. The Funds have no bonus, profit sharing or retirement plans.

(7) Mr. Palombo did not receive compensation because he was an affiliated Trustee/Director and an employee of Liberty Financial Companies, Inc. (LFC), an affiliate of LAMCO. Because Mr. Palombo is an "interested person" of LAMCO, he resigned his position as a trustee/director of the Funds on November 1, 2001, in connection with the acquisition of the asset management business of LFC by Fleet National Bank.

(8) In connection with the combination of the Liberty and Stein Roe boards of trustees, Mr. Grinnell will receive \$50,000 for retiring prior to the Liberty board's mandatory retirement age. This payment will continue for the lesser of two years or until the date Mr. Grinnell would otherwise have retired at age 72. The payments, which began in 2001, are paid quarterly. FleetBoston and the Liberty Fund Complex will each bear one-half of the cost of the payments. The portion of the payments borne by FleetBoston was paid by LFC prior to November 1, 2001, when the asset management business of LFC was acquired by Fleet National Bank, a subsidiary of FleetBoston. The Liberty Fund Complex portion of the payments will be allocated among the Liberty Fund Complex based on each fund's share of the Trustee fees for 2000.

(9) Trustee/Director also serves as a Trustee of Liberty Fund Complex.

REQUIRED VOTE

A plurality of votes cast at the Meeting, if a quorum is represented, is required for the election of each Trustee/Director. Since the number of Trustees of the Equity Fund has been fixed at five and since there are four currently serving Trustees who are not subject to election at the Meeting, this means that the one person receiving the highest number of votes will be elected. Since the number of Directors of the Growth Fund has been fixed at five and since there are three currently serving Directors who are not subject to election at this Meeting, this means that the two persons receiving the highest number of votes will be elected.

PROPOSAL 2. TO APPROVE PORTFOLIO MANAGEMENT AGREEMENTS

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form PRE 14A

BACKGROUND - THE MULTI-MANAGER METHODOLOGY

The Funds allocate their portfolio assets on an approximately equal basis among a number of independent investment management firms (Portfolio Managers) recommended by LAMCO, currently five in number for the Equity Fund and three in number for the Growth Fund, each of which employs a different investment style, and from time to time rebalances the portfolio among the Portfolio Managers so as to maintain an approximately equal allocation of the portfolio among them throughout all market cycles. The Funds' multi-manager methodology is based on the premise that most investment management firms consistently employ a distinct investment style which causes them to emphasize stocks with particular characteristics, and that, because of changing investor preferences, any given investment style will move into and out of market favor and will result in better performance under certain market conditions but poorer performance under other conditions. The Funds' multi-manager methodology seeks to achieve more consistent and less volatile performance over the long term than if a single Portfolio Manager were employed.

The Portfolio Managers recommended by LAMCO represent a blending of different styles which, in its opinion, is appropriate for each Fund's investment objective and which is sufficiently broad so that at least one of such styles can reasonably be expected to be in relative market favor in all reasonably foreseeable market conditions. LAMCO continuously analyzes and evaluates the investment performance and portfolios of the Funds' Portfolio Managers and from time to time recommends changes in the Portfolio Managers. Such recommendations could be based on factors such as a change in a Portfolio Manager's investment style or a Portfolio Manager's divergence from the investment style for which it was selected, changes deemed by LAMCO to be potentially adverse in a Portfolio Manager's personnel or ownership or other structural or organizational changes affecting the Portfolio Manager, or a deterioration in a Portfolio Manager's investment performance when compared to that of other investment management firms employing similar investment styles. Portfolio Manager changes may also be made to change the mix of investment styles employed by the Funds' Portfolio Managers. Portfolio Manager changes, as well as rebalancings of the Funds' portfolio among the Portfolio Managers, may result in portfolio turnover in excess of what would otherwise be the case. Increased portfolio turnover results in increased brokerage commission and transaction costs, and may result in the recognition of additional capital gains.

Under the terms of an exemptive order issued to the Funds and LAMCO by the Securities and Exchange Commission, the Funds may enter into a portfolio management agreement with a new or additional Portfolio Manager recommended by LAMCO in advance of shareholder approval, provided that the new agreement is at a fee no higher than that provided in, and is on other terms and conditions substantially similar to, the Funds' agreements with its other Portfolio Managers, and that its continuance is subject to approval by shareholders at the Funds' regularly scheduled annual meeting next following the date of the

11

portfolio management agreement with the new or additional Portfolio Manager. Accordingly, the Funds' portfolio management agreements with TCW Investment Management Company and the Equity Fund's portfolio management agreement with Schneider Capital Management Corporation are being submitted for shareholder approval at the Meeting.

NEW PORTFOLIO MANAGEMENT AGREEMENT: TCW INVESTMENT MANAGEMENT COMPANY

The TCW Group Inc. (The TCW Group) and Societe Generale S.A. (Societe Generale) through its wholly-owned subsidiary, Societe Generale Asset Management, S.A. (SGAM), purchased The TCW Group and its subsidiaries, including TCW Investment

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form PRE 14A

Management Company (TCW), one of the Funds' Portfolio Managers. Consummation of the transaction constitutes a change of control of TCW and an automatic termination of the portfolio management agreement. LAMCO recommended and the Board of Trustees/Directors of the Funds on June 20, 2001, approved the new portfolio management agreement. In addition, the Funds' shareholders approved on November 1, 2001 the new portfolio management agreements when the asset management business of LFC, including LAMCO, was acquired by Fleet National Bank. The Funds' new portfolio management agreements are identical in substance to the corresponding current portfolio management agreements.

TCW is located at 865 South Figueroa Street, Los Angeles, CA 90017. Established in 1971, TCW Group's direct and indirect subsidiaries, including TCW, provide a variety of trust, investment management and investment advisory services. SGAM owns 51% of the TCW Group. SGAM is a wholly owned subsidiary of Societe Generale. SGAM is located at 92708 place de la Corpole, 92078 Paris, France. Societe Generale is located at 29 Boulevard Haussman, 75009, Paris, France. The employees, management and other shareholders of the TCW Group own the remaining 49% of the company. Under the terms of the agreement between the TCW Group and SGAM, SGAM will acquire an additional 19% interest in the TCW Group over the course of the next five years. SGAM and TCW have stated their intention to maintain the personnel, processes, investment strategy and operations of TCW, which will continue to operate under the TCW brand name. As of December 31, 2001, TCW and its affiliates had over \$87.7 billion in assets under management or committed to management.

The following are the directors and principal executive officers of TCW:

U.S. Equities, manages that portion of the Growth Fund's portfolio assigned to TCW.

Reference is made to MANAGEMENT - Portfolio Transactions and Brokerage below for the direction by the Funds' Portfolio Managers, including TCW, of Fund portfolio transactions to broker-dealers that make certain research services available to LAMCO.

TERMS OF PORTFOLIO MANAGEMENT AGREEMENT WITH TCW

The portfolio management agreement with TCW is at the same fee rates and is on other terms and conditions substantially similar to those of the portfolio management agreements with the Equity Fund's four other Portfolio Managers and the Growth Funds' two other Portfolio Managers. A copy of each portfolio management agreement with TCW is attached to this proxy statement as Appendix B.

Under the Funds' portfolio management agreements (including that with TCW), each Portfolio Manager has discretionary investment authority (including the selection of brokers and dealers for the execution of the Funds' portfolio transactions) with respect to the portion of the Funds' assets allocated to it by LAMCO from time to time, subject to the Funds' investment objective and policies, to the supervision and control of the Trustees/Directors, and to instructions from LAMCO. The Portfolio Managers are required to use their best professional judgment in making timely investment decisions for the Funds. The Portfolio Managers, however, will not be liable for actions taken or omitted in good faith and believed to be within the authority conferred by their portfolio management agreements and without willful misfeasance, bad faith or gross negligence.

with the Equity Fund had been ratified most recently by shareholders on September 26, 2001. LAMCO in February, 2002, determined to replace Westwood with Schneider Capital Management (Schneider). LAMCO first analyzed information regarding the personnel, investment process and performance of a large number of investment management firms. LAMCO then analyzed the candidates in terms of their historic returns, volatility and portfolio characteristics when combined with those of the Equity Fund's four other Portfolio Managers. In making its recommendation, the Board has relied upon and given equal consideration to each of the factors presented to them by LAMCO. Based on the foregoing and on LAMCO's qualitative analysis, LAMCO recommended, and the Board of Trustees on February 12, 2002, approved, the termination of the Equity Fund's portfolio management agreement with Westwood and its replacement with Schneider, effective March 1, 2002.

Schneider, located at 460 East Swedesford Road, Wayne, PA 19087, is an independently-owned firm founded in 1996 by Arnold C. Schneider III. Mr. Schneider serves as President and Chief Investment Officer of Schneider and manages that portion of the Equity Fund's portfolio assigned to Schneider. Prior to founding Schneider, Mr. Schneider was a Senior Vice President and Partner of the Wellington Management Company. Schneider is 100% employee-owned. As of December 31, 2001, Schneider managed approximately \$1.6 billion in assets.

PROPOSAL 3. RATIFICATION OF SELECTION OF INDEPENDENT ACCOUNTANTS

By vote of the Board of Trustees/Directors, including the vote of the non-interested Trustees/Directors, the firm of PricewaterhouseCoopers LLP (PWC) has been selected as independent accountants for the Funds for the year ending December 31, 2002. Such selection is being submitted to the shareholders for ratification. The employment of PWC is conditioned on the right of the Funds by majority vote of its shareholders to terminate such employment. Such firm has acted as independent accountants for the Funds since September 30, 1999. Prior to September 30, 1999, KPMG LLP acted as independent auditors for the Funds since 1986, commencement of operations for the Equity Fund, and 1985, commencement of operations for the Growth Fund.

The services provided by the Funds' independent accountants include examination of their annual financial statements, assistance and consultation in connection with SEC filings, and review of the Funds' annual federal income tax returns. Representatives of PWC are expected to be present at the Meeting, will be given the opportunity to make a statement if they should so desire and will be available to respond to appropriate questions.

REQUIRED VOTE

A majority of the votes cast at the Meeting of each Fund, if a quorum is represented, is required for the ratification of selection of the independent accountants for that Fund.

OTHER BUSINESS

The Board of Trustees/Directors knows of no other business to be brought before the Meeting. However, if any other matters properly come before the Meeting, it is the intention of the Board that proxies that do not contain specific instructions to the contrary will be voted on such matters in accordance with the judgment of the persons designated therein as proxies.

MANAGEMENT

LAMCO, One Financial Center, Boston, MA 02111, is the Funds' manager. On November 1, 2001, LFC, the former parent of LAMCO, completed the sale of its asset management business, including LAMCO, to Fleet National Bank, an indirect wholly owned subsidiary of FleetBoston. FleetBoston is located at 100 Federal Street, Boston, Massachusetts 02210. LAMCO's Board of Directors is comprised of Keith T. Banks, Chief Investment Officer and Chief Executive Officer of Columbia Management Group, Inc. (Columbia), an indirect wholly owned subsidiary of FleetBoston, Joseph R. Palombo, Chief Operating Officer of Columbia and Roger Sayler, Executive Vice President of Columbia. Pursuant to the Fund Management Agreements with the Funds, LAMCO implements and operates the Funds' multi-manager methodology described under PROPOSAL 2 above and has overall

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form PRE 14A

supervisory responsibility for the general management and investment of the Funds' securities portfolio, subject to the Funds' investment objective and policies and any directions of the Trustees/Directors. LAMCO recommends to the Board of Trustees/Directors multiple independent investment management firms (currently five for the Equity Fund and currently three for the Growth Fund) for appointment as Portfolio Managers of the Funds, each of which employs a different investment style, and from time to time rebalances the Funds' portfolio among the Portfolio Managers so as to maintain an approximately equal allocation of the portfolio among the investment styles and/or strategies practiced by them throughout all market cycles. LAMCO continuously analyzes and evaluates the investment performance and portfolios of the Fund Portfolio Managers and from time to time recommends changes in the Portfolio Managers.

18

LAMCO also is responsible under the Fund Management Agreements for the provision of administrative services to the Funds, including the provision of office space, shareholder and broker-dealer communications, compensation of all officers and employees of the Funds who are officers or employees of LAMCO or its affiliates, and supervision of transfer agency, dividend disbursing, custodial and other services provided by others. Certain of LAMCO's administrative responsibilities to the Funds have been delegated to their affiliate, Colonial, One Financial Center, Boston, MA 02111. For its administrative services the Equity Fund pays LAMCO an annual fee at the rate of 0.20% of the Equity Fund's average weekly net asset value up to \$400 million, 0.18% of such average weekly net asset value exceeding \$400 million up to \$800 million, 0.162% of such average weekly net asset value exceeding \$800 million up to \$1.2 billion, and 0.146% of such average weekly net asset value in excess of \$1.2 billion. For its administrative services the Growth Fund pays LAMCO an annual fee at the rate of 0.20% of the Growth Fund's average weekly net asset value up to \$300 million and 0.18% of such average weekly net asset value exceeding \$300 million. This administrative service fee is in addition to each Fund's management fees paid by the Fund to LAMCO described above.

Under the Funds' portfolio management agreements, each Portfolio Manager has discretionary investment authority with respect to the portion of the Funds' assets allocated to it by LAMCO from time to time, subject to the Funds' investment objective and policies, to the supervision and control of the Trustees/Directors, and to instructions from LAMCO. The Portfolio Managers are required to use their best professional judgment in making timely investment decisions for the Fund. The Portfolio Managers, however, will not be liable for actions taken or omitted in good faith and believed to be within the authority conferred by their portfolio management agreements and without willful misfeasance, bad faith or gross negligence.

PORTFOLIO TRANSACTIONS AND BROKERAGE

Each of the Funds' Portfolio Managers has discretion to select brokers and dealers to execute portfolio transactions initiated by the Portfolio Manager for the portion of the Funds' portfolio assets allocated to it, and to select the markets in which such transactions are to be executed. The portfolio management agreements with the Funds provide, in substance, that in executing portfolio transactions and selecting brokers or dealers, the primary responsibility of the Portfolio Manager is to seek to obtain best net price and execution for the Funds.

The Portfolio Managers are authorized to cause the Funds to pay a commission to a broker or dealer who provides research products and services to the Portfolio Manager for executing a portfolio transaction which is in excess of the amount of commission another broker or dealer would have charged for effecting that transaction. The Portfolio Managers must determine in good faith, however, that such commission was reasonable in relation to the value of the research products and services provided to them, viewed in terms of that particular transaction or in terms of all the client accounts (including the Fund) over which the Portfolio Manager exercises investment discretion. It is possible that certain of the services received by a Portfolio Manager attributable to a particular transaction will primarily benefit one or more other accounts for which investment discretion is exercised by the Portfolio Manager.

In addition, under their portfolio management agreements with the Funds and LAMCO, the Portfolio Managers, in selecting brokers or dealers to execute portfolio transactions for the Funds, are authorized to consider (and LAMCO may request them to consider) brokers or dealers that provide to LAMCO, directly or through third parties, research products or services such as research reports; subscriptions to financial publications and research compilations; portfolio analyses; economic reports; compilations of securities prices, earnings, dividends and other data; computer hardware and software, quotation equipment and services used for research; and services of economic or other consultants. The commissions paid on such transactions may exceed the amount of commission another broker would have charged for effecting that transaction. Research products and services made available to LAMCO include performance and other qualitative and quantitative data relating to investment managers in general and the Portfolio Managers in particular; data relating to the historic performance

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form PRE 14A

of categories of securities associated with particular investment styles; mutual fund portfolio and performance data; data relating to portfolio manager changes by pension plan fiduciaries; and related computer hardware and software, all of which are used by LAMCO in connection with its selection and monitoring of Portfolio Managers, the assembly of an appropriate mix of investment styles, and the determination of overall portfolio strategies. These research products and services may also be used by LAMCO in connection with its management of the Funds. In instances where LAMCO receives from or through brokers and dealers products or services which are used both for research purposes and for administrative or other non-research purposes,

20

LAMCO makes a good faith effort to determine the relative proportions of such products or services which may be considered as investment research, based primarily on anticipated usage, and pays for the costs attributable to the non-research usage in cash.

LAMCO from time to time reaches understandings with each of the Funds' Portfolio Managers as to the amount of the Funds' portfolio transactions initiated by such Portfolio Manager that are to be directed to brokers and dealers which provide or make available research products and services to LAMCO and the commissions to be charged to the Funds in connection therewith. These amounts may differ among the Portfolio Managers based on the nature of the market for the types of securities managed by them and other factors.

Although the Funds do not permit a Portfolio Manager to act or have a broker-dealer affiliate act as broker for Fund portfolio transactions initiated by it, the Portfolio Managers are permitted to place Fund portfolio transactions initiated by them with another Portfolio Manager or its broker-dealer affiliate for execution on an agency basis, provided the commission does not exceed the usual and customary broker's commission being paid to other brokers for comparable transactions and is otherwise in accordance with the Funds' procedures adopted pursuant to Rule 17e-1 under the Investment Company Act. During 2001, the Funds had no Fund portfolio transactions placed with a Portfolio Manager or its affiliate.

On February 15, 2000, the SEC issued the Funds exemptive relief from Sections 10(f), 17(a) and 17(e) and Rule 17e-1 under the Investment Company Act of 1940 to permit (1) broker-dealers which are, or are affiliated with, Portfolio Managers of the Funds to engage in principal transactions with, and provide brokerage services to portion(s) of the Funds advised by another Portfolio Manager and (2) the Funds to purchase securities either directly from a principal underwriter which is an affiliate of a Portfolio Manager or from an underwriting syndicate of which a principal underwriter is affiliated with a Portfolio Manager of the Funds.

INFORMATION ABOUT THE MEETING

All proxies solicited by the Board of Trustees/Directors which are properly executed and returned in time to be voted at the Meeting will be voted at the Meeting in accordance with the instructions thereon. If no specification is made on a proxy, it will be voted FOR the election as Trustee of the Equity Fund of the nominee named under PROPOSAL 1, FOR the election as Director of the Growth Fund of the nominees named under PROPOSAL 1, FOR approval of each Fund's Portfolio Management Agreement with TCW referred to under PROPOSAL 2, FOR approval of the Equity Fund's Portfolio Management Agreement with Schneider referred to under PROPOSAL 2 and FOR ratification of the Board's selection of each Fund's independent accountants for 2002 referred to under PROPOSAL 3. Any proxy may be revoked at any time prior to its use by written notification received by the Funds' Secretary, by the execution of a later-dated proxy, or by

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form PRE 14A

attending the Meeting and voting in person.

The election of the Trustees/Directors is by plurality of votes cast at the Meeting. Approval of the Portfolio Management Agreements with TCW and Schneider each require the affirmative vote of a "majority of the outstanding voting securities" of the Equity Fund, as defined under PROPOSAL 2 above. Approval of the Portfolio Management Agreement with TCW requires the affirmative vote of a "majority of the outstanding voting securities" of the Growth Fund, as defined under PROPOSAL 2 above. Ratification of the selection of each Fund's independent accountants requires the affirmative vote of a majority of each Fund's votes cast at the Meeting, a quorum being present. Only shareholders of record on February 1, 2002 may vote.

21

Abstentions and broker non-votes will be counted as present for purposes of determining whether a quorum is present. If a proposal must be approved by a percentage of votes cast on the proposal, abstentions and broker non-votes will not be counted as "votes cast" on the proposal and will have no effect on the result of the vote. If the proposal must be approved by a percentage of shares present at the meeting or of the Funds' outstanding shares, abstentions and broker non-votes will have the effect of votes against the proposal. "Broker non-votes" occur where: (i) shares are held by brokers or nominees, typically in "street name;" (ii) instructions have not been received from the beneficial owners or persons entitled to vote; and (iii) the broker or nominee does not have discretionary voting power on a particular matter.

All shareholders of record on February 1, 2002, are entitled to one vote for each share held. Based on filings made by such holders pursuant to Sections 13(d) and 16(a) of the Securities Exchange Act of 1934 (Exchange Act), the following entities owned of record more than five percent of the outstanding shares of the Funds:

Name and Address -----	No. of Shares Owned -----	Percent of Outstanding Shares -----	Sha Outstan -----
Equity Fund			
Cede & Co. Fast Depository Trust Co. 55 Water Street, 25th Floor New York, NY 10004	98,339,507	92.38%	
Growth Fund			
Cede & Co. Fast Depository Trust Co. 55 Water Street, 25th Floor New York, NY 10004	17,097,746	86.99%	

To the knowledge of the Funds, on the record date for the Meeting no other shareholder owned beneficially, as defined by Rule 13d-3 under the Exchange Act, more than 5% of the outstanding shares of the Funds.

In the event a quorum is present at the Meeting but sufficient votes to approve any of the above proposals have not been received, the persons named as proxies may propose one or more adjournments of the Meeting to permit further

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form PRE 14A

solicitation of proxies. A shareholder vote may be taken on one or more of the proposals referred to above prior to such adjournment if sufficient votes have been received and it is otherwise appropriate. Any such adjournment will require the affirmative vote of a majority of those shares present at the Meeting in person or by proxy. If a quorum is present, the persons named as proxies will vote those proxies which they are entitled to vote FOR any such proposal in favor of such adjournment and will vote those proxies required to be voted for rejection of such proposal against any such adjournment.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Funds' Trustees /Directors and officers and persons who own more than ten percent of the Funds' outstanding shares and certain officers and directors of LAMCO

22

(collectively, "Section 16 reporting persons"), to file with the SEC initial reports of ownership and reports of changes in ownership of Fund shares. Section 16 reporting persons are required by SEC regulations to furnish the Funds with copies of all Section 16(a) forms they file. To the Funds' knowledge, based solely on a review of the copies of such reports furnished to the Funds and on representations made, all Section 16 reporting persons complied with all Section 16(a) filing requirements applicable to them.

SUBMISSION OF CERTAIN SHAREHOLDER PROPOSALS

Under the foregoing proxy rules, proposals submitted for inclusion in the proxy material for the 2003 Annual Meeting must be received by the Funds on or before October 26, 2002. The fact that the Funds receives a shareholder proposal in a timely manner does not ensure its inclusion in its proxy material, since there are other requirements in the proxy rules relating to such inclusion.

APPENDIX B

PORTFOLIO MANAGEMENT AGREEMENT (EQUITY FUND)

November 1, 2001

TCW Investment Management Company
865 South Figueroa Street
Los Angeles, CA 90017

Re: Portfolio Management Agreement

Ladies and Gentlemen:

Liberty All-Star Equity Fund (the "Fund") is a diversified closed-end investment company registered under the Investment Company Act of 1940 (the "Act"), and is subject to the rules and regulations promulgated thereunder.

Liberty Asset Management Company (the "Fund Manager") evaluates and recommends portfolio managers for the assets of the Fund, and is responsible for the day-to-day corporate management and Fund administration of the Fund.

1. Employment as a Portfolio Manager. The Fund being duly authorized hereby employs TCW Investment Management Company (the "Portfolio Manager") as a discretionary portfolio manager, on the terms and conditions set forth herein, of that portion of the Fund's assets which the Fund Manager determines to assign to the Portfolio Manager (those assets being referred to as the "Portfolio Manager Account"). The Fund Manager may, from time to time, allocate and reallocate the Fund's assets among the Portfolio Manager and the other portfolio managers of the Fund's assets.

2. Acceptance of Employment; Standard of Performance. The Portfolio Manager accepts its employment as a discretionary portfolio manager and agrees to use its best professional judgment to make timely investment decisions for the Portfolio Manager Account in accordance with the provisions of this Agreement.

3. Portfolio Management Services of Portfolio Manager. In providing portfolio management services to the Portfolio Manager Account, the Portfolio Manager shall be subject to the investment objectives, policies and restrictions of the Fund as set forth in its current Registration Statement under the Act, as the same may be modified from time to time (the "Registration Statement"), and the investment restrictions set forth in the Act and the Rules thereunder (as and to the extent set forth in the Registration Statement or in other documentation furnished to the Portfolio Manager by the Fund or the Fund Manager), to the supervision and control of the Board of Trustees of the Fund,

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form PRE 14A

and to instructions from the Fund Manager. The Portfolio Manager shall not, without the prior approval of the Fund or the Fund Manager, effect any transactions which would cause the Portfolio Manager Account, treated as a separate fund, to be out of compliance with any of such restrictions or policies.

4. Transaction Procedures. All portfolio transactions for the Portfolio Manager Account will be consummated by payment to or delivery by the custodian of the Fund (the "Custodian"), or such depositories or agents as may be designated by the Custodian in writing, as custodian for the Fund, of all cash and/or securities due to or from the Portfolio Manager Account, and the Portfolio Manager shall not have possession or custody thereof or any responsibility or liability with respect to such custody. The

27

Portfolio Manager shall advise and confirm in writing to the Custodian all investment orders for the Portfolio Manager Account placed by it with brokers and dealers at the time and in the manner set forth in Schedule A hereto (as amended from time to time by the Fund Manager). The Fund shall issue to the Custodian such instructions as may be appropriate in connection with the settlement of any transaction initiated by the Portfolio Manager. The Fund shall be responsible for all custodial arrangements and the payment of all custodial charges and fees, and, upon giving proper instructions to the Custodian, the Portfolio Manager shall have no responsibility or liability with respect to custodial arrangements or the acts, omissions or other conduct of the Custodian.

5. Allocation of Brokerage. The Portfolio Manager shall have authority and discretion to select brokers and dealers to execute portfolio transactions initiated by the Portfolio Manager for the Portfolio Manager Account, and to select the markets on or in which the transaction will be executed.

A. In doing so, the Portfolio Manager's primary responsibility shall be to seek to obtain best net price and execution for the Fund. However, this responsibility shall not obligate the Portfolio Manager to solicit competitive bids for each transaction or to seek the lowest available commission cost to the Fund, so long as the Portfolio Manager reasonably believes that the broker or dealer selected by it can be expected to obtain a "best execution" market price on the particular transaction and determines in good faith that the commission cost is reasonable in relation to the value of the brokerage and research services (as defined in Section 28(e)(3) of the Securities Exchange Act of 1934) provided by such broker or dealer to the Portfolio Manager viewed in terms of either that particular transaction or of the Portfolio Manager's overall responsibilities with respect to its clients, including the Fund, as to which the Portfolio Manager exercises investment discretion, notwithstanding that the Fund may not be the direct or exclusive beneficiary of any such services or that another broker may be willing to charge the Fund a lower commission on the particular transaction.

B. Subject to the requirements of paragraph A above, the Fund Manager shall have the right to request that transactions giving rise to brokerage commissions, in an amount to be agreed upon by the Fund Manager and the Portfolio Manager, shall be executed by brokers and dealers that provide brokerage or research services to the Fund Manager, or as to which an on-going relationship will be of value to the Fund in the management of its assets, which services and relationship may, but need not, be of direct benefit to the Portfolio Manager Account. Notwithstanding any other provision of this Agreement, the Portfolio Manager shall not be responsible under paragraph A above with respect to transactions executed through any such broker or dealer.

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form PRE 14A

C. The Portfolio Manager shall not execute any portfolio transactions for the Portfolio Manager Account with a broker or dealer which is an "affiliated person" (as defined in the Act) of the Fund, the Portfolio Manager or any other Portfolio Manager of the Fund without the prior written approval of the Fund. The Fund Manager will provide the Portfolio Manager with a list of brokers and dealers which are "affiliated persons" of the Fund or its Portfolio Managers.

6. Proxies. The Portfolio Manager will vote all proxies solicited by or with respect to the issuers of securities in which assets of the Portfolio Manager Account may be invested from time to time in accordance with such policies as shall be determined by the Fund Manager.

7. Fees for Services. The compensation of the Portfolio Manager for its services under this Agreement shall be calculated and paid by the Fund Manager in accordance with the attached Schedule C. Pursuant to the Fund Management Agreement between the Fund and the Fund Manager, the Fund Manager is

28

solely responsible for the payment of fees to the Portfolio Manager, and the Portfolio Manager agrees to seek payment of its fees solely from the Fund Manager.

8. Other Investment Activities of Portfolio Manager. The Fund acknowledges that the Portfolio Manager or one or more of its affiliates has investment responsibilities, renders investment advice to and performs other investment advisory services for other individuals or entities ("Client Accounts"), and that the Portfolio Manager, its affiliates or any of its or their directors, officers, agents or employees may buy, sell or trade in any securities for its or their respective accounts ("Affiliated Accounts"). Subject to the provisions of paragraph 2 hereof, the Fund agrees that the Portfolio Manager or its affiliates may give advice or exercise investment responsibility and take such other action with respect to other Client Accounts and Affiliated Accounts which may differ from the advice given or the timing or nature of action taken with respect to the Portfolio Manager Account, provided that the Portfolio Manager acts in good faith, and provided further, that it is the Portfolio Manager's policy to allocate, within its reasonable discretion, investment opportunities to the Portfolio Manager Account over a period of time on a fair and equitable basis relative to the Client Accounts and the Affiliated Accounts, taking into account the cash position and the investment objectives and policies of the Fund and any specific investment restrictions applicable thereto. The Fund acknowledges that one or more Client Accounts and Affiliated Accounts may at any time hold, acquire, increase, decrease, dispose of or otherwise deal with positions in investments in which the Portfolio Manager Account may have an interest from time to time, whether in transactions which involve the Portfolio Manager Account or otherwise. The Portfolio Manager shall have no obligation to acquire for the Portfolio Manager Account a position in any investment which any Client Account or Affiliated Account may acquire, and the Fund shall have no first refusal, co-investment or other rights in respect of any such investment, either for the Portfolio Manager Account or otherwise.

9. Limitation of Liability. The Portfolio Manager shall not be liable for any action taken, omitted or suffered to be taken by it in its reasonable judgment, in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Agreement, or in accordance with (or in the absence of) specific directions or instructions from the Fund, provided, however, that such acts or omissions shall not have resulted from the Portfolio Manager's willful misfeasance, bad faith or gross negligence, a violation of the standard of care established by and applicable to the

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form PRE 14A

Portfolio Manager in its actions under this Agreement or breach of its duty or of its obligations hereunder (provided, however, that the foregoing shall not be construed to protect the Portfolio Manager from liability in violation of Section 17(i) of the Act).

10. Confidentiality. Subject to the duty of the Portfolio Manager and the Fund to comply with applicable law, including any demand of any regulatory or taxing authority having jurisdiction, the parties hereto shall treat as confidential all information pertaining to the Portfolio Manager Account and the actions of the Portfolio Manager and the Fund in respect thereof.

11. Assignment. This Agreement shall terminate automatically in the event of its assignment, as that term is defined in Section 2(a)(4) of the Act. The Portfolio Manager shall notify the Fund in writing sufficiently in advance of any proposed change of control, as defined in Section 2(a)(9) of the Act, as will enable the Fund to consider whether an assignment as defined in Section 2(a)(4) of the Act will occur, and whether to take the steps necessary to enter into a new contract with the Portfolio Manager.

12. Representations, Warranties and Agreements of the Fund. The Fund represents, warrants and agrees that:

A. The Portfolio Manager has been duly appointed to provide investment services to the Portfolio Manager Account as contemplated hereby.

29

B. The Fund will deliver to the Portfolio Manager a true and complete copy of its then current registration statement as effective from time to time and such other documents governing the investment of the Fund Account and such other information as is necessary for the Portfolio Manager to carry out its obligations under this Agreement.

13. Representations, Warranties and Agreements of the Portfolio Manager. The Portfolio Manager represents, warrants and agrees that:

A. It is registered as an "Investment Adviser" under the Investment Advisers Act of 1940 ("Advisers Act").

B. It will maintain, keep current and preserve on behalf of the Fund, in the manner required or permitted by the Act and the Rules thereunder, the records identified in Schedule B (as Schedule B may be amended from time to time by the Fund Manager). The Portfolio Manager agrees that such records are the property of the Fund, and will be surrendered to the Fund promptly upon request.

C. It will adopt a written code of ethics complying with the requirements of Rule 17j-1 under the 1940 Act. Within 45 days of the end of each year while this Agreement is in effect, an officer or general partner of the Portfolio Manager shall certify to the Fund that the Portfolio Manager has complied with the requirements of Rule 17j-1 during the previous year and that there has been no violation of its code of ethics or, if such a violation has occurred, that appropriate action was taken in response to such violation.

D. Upon request, the Portfolio Manager will promptly supply the Fund with any information concerning the Portfolio Manager and its stockholders, employees and affiliates which the Fund may reasonably require in connection with the preparation of its Registration Statement or amendments thereto, proxy material, reports and other documents

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form PRE 14A

required to be filed under the Act, the Securities Act of 1933, or other applicable securities laws.

E. Reference is hereby made to the Declaration of Trust dated August 20, 1986 establishing the Fund, a copy of which has been filed with the Secretary of the Commonwealth of Massachusetts and elsewhere as required by law, and to any and all amendments thereto so filed or hereafter filed. The name Liberty All-Star Equity Fund refers to the Trustees under said Declaration of Trust, as Trustees and not personally, and no Trustee, shareholder, officer, agent or employee of the Fund shall be held to any personal liability hereunder or in connection with the affairs of the Fund, but only the trust estate under said Declaration of Trust is liable under this Agreement. Without limiting the generality of the foregoing, neither the Portfolio Manager nor any of its officers, directors, partners, shareholders or employees shall, under any circumstances, have recourse or cause or willingly permit recourse to be had directly or indirectly to any personal, statutory, or other liability of any shareholder, Trustee, officer, agent or employee of the Fund or of any successor of the Fund, whether such liability now exists or is hereafter incurred for claims against the trust estate, but shall look for payment solely to said trust estate, or the assets of such successor of the Fund.

14. Amendment. This Agreement may be amended at any time, but only by written agreement among the Portfolio Manager, the Fund Manager and the Fund, which amendment, other than amendments to Schedules A and B, is subject to the approval of the Board of Trustees and the Shareholders of the Fund as and to the extent required by the Act.

15. Effective Date; Term. This Agreement shall continue until July 31, 2003 and from year to year thereafter provided such continuance is specifically approved at least annually by (i) the Fund's Board of

30

Trustees or (ii) a vote of a "majority" (as defined in the Act) of the Fund's outstanding voting securities, provided that in either event such continuance is also approved by a majority of the Board of Trustees who are not "interested persons" (as defined in the Act) of any party to this Agreement, by vote cast in person at a meeting called for the purpose of voting on such approval and provided further that, in accordance with the conditions of the application of the Fund and Fund Manager for an exemption from 15(a) of the Act (Rel. Nos. IC 19436 and 19491), the continuance of this Agreement shall be subject to approval by such "majority" of the Fund's outstanding voting securities at the regularly scheduled annual meeting of shareholders of the Fund next following the date of this Agreement. The aforesaid requirement that continuance of this Agreement be "specifically approved at least annually" shall be construed in a manner consistent with the Act and the Rules and Regulations thereunder.

16. Termination. This Agreement may be terminated by any party, without penalty, immediately upon written notice to the other parties in the event of a breach of any provision thereof by a party so notified, or otherwise upon not less than thirty (30) days' written notice to the Portfolio Manager in the case of termination by the Fund or the Fund Manager, or ninety (90) days' written notice to the Fund and the Fund Manager in the case of termination by the Portfolio Manager, but any such termination shall not affect the status, obligations or liabilities of any party hereto to the other parties.

17. Applicable Law. To the extent that state law is not preempted by the provisions of any law of the United States heretofore or hereafter enacted, as the same may be amended from time to time, this Agreement shall be administered, construed and enforced according to the laws of the Commonwealth of

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form PRE 14A

Massachusetts.

18. Severability. If any term or condition of this Agreement shall be invalid or unenforceable to any extent or in any application, then the remainder of this Agreement, and such term or condition except to such extent or in such application, shall not be affected thereby, and each and every term and condition of this Agreement shall be valid and enforced to the fullest extent and in the broadest application permitted by law.

Re: Portfolio Management Agreement

Ladies and Gentlemen:

Liberty All-Star Growth Fund, Inc. (the "Fund") is a diversified closed-end investment company registered under the Investment Company Act of 1940 (the "Act"), and is subject to the rules and regulations promulgated thereunder.

Liberty Asset Management Company (the "Fund Manager") evaluates and recommends portfolio managers for the assets of the Fund, and is responsible for the day-to-day administration of the Fund.

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form PRE 14A

1. Employment as a Portfolio Manager. The Fund being duly authorized hereby employs TCW Investment Management Company (the "Portfolio Manager") as a discretionary portfolio manager, on the terms and conditions set forth herein, of that portion of the Fund's assets which the Fund Manager determines to assign to the Portfolio Manager (those assets being referred to as the "Portfolio Manager Account"). The Fund Manager may, from time to time, allocate and reallocate the Fund's assets among the Portfolio Manager and the other portfolio managers of the Fund's assets.

2. Acceptance of Employment; Standard of Performance. The Portfolio Manager accepts its employment as a discretionary portfolio manager and agrees to use its best professional judgment to make timely investment decisions for the Portfolio Manager Account in accordance with the provisions of this Agreement.

3. Portfolio Management Services of Portfolio Manager. In providing portfolio management services to the Portfolio Manager Account, the Portfolio Manager shall be subject to the investment objectives, policies and restrictions of the Fund as set forth in its current Registration Statement under the Act, as the same may be modified from time to time (the "Registration Statement"), and the investment restrictions set forth in the Act and the Rules thereunder (as and to the extent set forth in the Registration Statement or in other documentation furnished to the Portfolio Manager by the Fund or the Fund Manager), to the supervision and control of the Board of Directors of the Fund, and to instructions from the Fund Manager. The Portfolio Manager shall not, without the prior approval of the Fund or the Fund Manager, effect any transactions which would cause the Portfolio Manager Account, treated as a separate fund, to be out of compliance with any of such restrictions or policies.

4. Transaction Procedures. All portfolio transactions for the Portfolio Manager Account will be consummated by payment to or delivery by the custodian of the Fund (the "Custodian"), or such depositories or agents as may be designated by the Custodian in writing, as custodian for the Fund, of all cash and/or securities due to or from the Portfolio Manager Account, and the Portfolio Manager shall not have possession or custody thereof or any responsibility or liability with respect to such custody. The Portfolio Manager shall advise and confirm in writing to the Custodian all investment orders for the

36

Portfolio Manager Account placed by it with brokers and dealers at the time and in the manner set forth in Schedule A hereto (as amended from time to time by the Fund Manager). The Fund shall issue to the Custodian such instructions as may be appropriate in connection with the settlement of any transaction initiated by the Portfolio Manager. The Fund shall be responsible for all custodial arrangements and the payment of all custodial charges and fees, and, upon giving proper instructions to the Custodian, the Portfolio Manager shall have no responsibility or liability with respect to custodial arrangements or the acts, omissions or other conduct of the Custodian.

5. Allocation of Brokerage. The Portfolio Manager shall have authority and discretion to select brokers and dealers to execute portfolio transactions initiated by the Portfolio Manager for the Portfolio Manager Account, and to select the markets on or in which the transaction will be executed.

A. In doing so, the Portfolio Manager's primary responsibility shall be to seek to obtain best net price and execution for the Fund. However, this responsibility shall not obligate the Portfolio Manager to solicit

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form PRE 14A

competitive bids for each transaction or to seek the lowest available commission cost to the Fund, so long as the Portfolio Manager reasonably believes that the broker or dealer selected by it can be expected to obtain a "best execution" market price on the particular transaction and determines in good faith that the commission cost is reasonable in relation to the value of the brokerage and research services (as defined in Section 28(e)(3) of the Securities Exchange Act of 1934) provided by such broker or dealer to the Portfolio Manager viewed in terms of either that particular transaction or of the Portfolio Manager's overall responsibilities with respect to its clients, including the Fund, as to which the Portfolio Manager exercises investment discretion, notwithstanding that the Fund may not be the direct or exclusive beneficiary of any such services or that another broker may be willing to charge the Fund a lower commission on the particular transaction.

B. Subject to the requirements of paragraph A above, the Fund Manager shall have the right to request that transactions giving rise to brokerage commissions, in an amount to be agreed upon by the Fund Manager and the Portfolio Manager, shall be executed by brokers and dealers that provide brokerage or research services to the Fund Manager, or as to which an on-going relationship will be of value to the Fund in the management of its assets, which services and relationship may, but need not, be of direct benefit to the Portfolio Manager Account.

37

C. The Portfolio Manager shall not execute any portfolio transactions for the Portfolio Manager Account with itself or any broker or dealer which is an "affiliated person" (as defined in the Act) of the Fund, the Portfolio Manager or any other Portfolio Manager of the Fund without the prior written approval of the Fund except in accordance with SEC Exemptive Order No. 24288 dated February 15, 2000, a copy of which has been furnished to the Portfolio Manager, and Rule 17e-1 procedures as approved by the Fund's Directors from time to time. 6. Proxies. The Fund will vote or direct the voting of all proxies solicited by or with respect to the issuers of securities in which assets of the Fund Account may be invested in accordance with authorization provided by the Fund Manager from time to time.

7. Fees for Services. The compensation of the Portfolio Manager for its services under this Agreement shall be calculated and paid by the Fund Manager in accordance with the attached Schedule C. 8. Other Investment Activities of Portfolio Manager. The Fund acknowledges that the Portfolio Manager or one or more of its affiliates has investment responsibilities, renders investment advice to and performs other investment advisory services for other individuals or entities ("Client Accounts"), and that the Portfolio Manager, its affiliates or any of its or their directors, members, officers, agents or employees may buy, sell or trade in any securities for its or their respective accounts ("Affiliated Accounts"). Subject to the provisions of paragraph 2 hereof, the Fund agrees that the Portfolio Manager or its affiliates may give advice or exercise investment responsibility and take such other action with respect to other Client Accounts and Affiliated Accounts which may differ from the advice given or the timing or nature of action taken with respect to the Portfolio Manager Account, provided that the Portfolio

Manager acts in good faith, and provided further, that it is the Portfolio Manager's policy to allocate, within its reasonable discretion, investment opportunities to the Portfolio Manager Account over a period of time on a fair and equitable basis relative to the Client Accounts and the Affiliated Accounts, taking into account the cash position and the investment objectives and policies of the Fund and any specific investment restrictions applicable thereto. The Fund acknowledges that one or more Client Accounts and Affiliated Accounts may at any time hold, acquire, increase, decrease, dispose of or otherwise deal with positions in investments in which the Portfolio Manager Account may have an interest from time to time, whether in transactions which involve the Portfolio Manager Account or otherwise. The Portfolio Manager shall have no obligation to acquire for the Portfolio Manager Account a position in any investment which any Client Account or Affiliated Account may acquire, and the Fund shall have no first refusal, co-investment or other rights in respect of any such investment, either for the Portfolio Manager Account or otherwise.

9. Limitation of Liability. The Portfolio Manager shall not be liable for any action taken, omitted or suffered to be taken by it in its reasonable judgment, in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Agreement, or in accordance with (or in the absence of) specific directions or instructions from the Fund, provided, however, that such acts or omissions shall not have resulted from the Portfolio Manager's willful misfeasance, bad faith or gross negligence, a violation of the standard of care established by and applicable to the Portfolio Manager in its actions under this Agreement or breach of its duty or of its obligations hereunder (provided, however,

38

that the foregoing shall not be construed to protect the Portfolio Manager from liability in violation of Section 17 of the Act).

10. Confidentiality. Subject to the duty of the Portfolio Manager and the Fund to comply with applicable law, including any demand of any regulatory or taxing authority having jurisdiction, the parties hereto shall treat as confidential all information pertaining to the Portfolio Manager Account and the actions of the Portfolio Manager and the Fund in respect thereof.

11. Assignment. This Agreement shall terminate automatically in the event of its assignment, as that term is defined in Section 2(a)(4) of the Act. The Portfolio Manager shall notify the Fund in writing sufficiently in advance of any proposed change of control, as defined in Section 2(a)(9) of the Act, as will enable the Fund to consider whether an assignment as defined in Section 2(a)(4) of the Act will occur, and whether to take the steps necessary to enter into a new contract with the Portfolio Manager.

12. Representations, Warranties and Agreements of the Fund. The Fund represents, warrants and agrees that:

A. The Portfolio Manager has been duly appointed to provide investment services to the Portfolio Manager Account as contemplated hereby.

B. The Fund has delivered to the Portfolio Manager such instructions governing the investment of the Portfolio Manager Account as is necessary for the Portfolio Manager to carry out its obligations under this Agreement.

C. Upon certification by the Portfolio Manager that it has adopted a written code of ethics and procedures reasonably necessary to prevent access persons, as defined by said code of ethics, from violating the

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form PRE 14A

anti-fraud provisions of Rule 17j-1 under the Act, the Fund will not unreasonably withhold its approval of the code of ethics adopted by the Portfolio Manager provided that the Portfolio Manager certifies to the Fund that in all other material respects the Portfolio Manager's code of ethics complies with Rule 17j-1.

13. Representations, Warranties and Agreements of the Portfolio Manager. The Portfolio Manager represents, warrants and agrees that:

A. It is registered as an "Investment Adviser" under the Investment Advisers Act of 1940 ("Advisers Act").

B. It will maintain, keep current and preserve on behalf of the Fund, in the manner required or permitted by the Act and the Rules thereunder, the records identified in Schedule B (as Schedule B may be amended from time to time by the Fund Manager). The Portfolio Manager agrees that such records are the property of the Fund, and will be surrendered to the Fund promptly upon request.

C. It will adopt and maintain a written code of ethics complying with the requirements of Rule 17j-1 and submit same and any amendments thereto promptly to the Fund, but not less often than annually. The Portfolio Manager agrees that it will notify the Fund within 15 days of adopting material changes to its code of ethics. While this Agreement is in effect, an officer or general partner of the Portfolio Manager shall certify annually to the Fund that the Portfolio Manager has complied with the requirements of Rule 17j-1 during the previous year and has procedures reasonably necessary to prevent access persons from violating the Portfolio Manager's code of ethics. On an annual basis, the Portfolio Manager shall provide a written report to the Fund describing any issues arising under its

39

code of ethics or procedures since the last report was so submitted, including information about material violations of the code or procedures and any action taken in response to such violations. Upon the written request of the Fund, the Portfolio Manager shall permit the Fund to examine the reports required to be maintained by the Portfolio Manager under Rule 17j-1(c)(1).

D. Upon request, the Portfolio Manager will promptly supply the Fund with any information concerning the Portfolio Manager and its stockholders, employees and affiliates which the Fund may reasonably require in connection with the preparation of its Registration Statement or amendments thereto, proxy material, reports and other documents required to be filed under the Act, the Securities Act of 1933, or other applicable securities laws.

14. Amendment. This Agreement may be amended at any time, but (except for Schedules A and B which may be amended by the Fund Manager acting alone) only by written agreement among the Portfolio Manager, the Fund Manager and the Fund, which amendment, other than amendments to Schedules A and B, is subject to the approval of the Board of Trustees and the Shareholders of the Fund as and to the extent required by the Act.

15. Effective Date; Term. This Agreement shall continue until July 31, 2003 and from year to year thereafter provided such continuance is specifically approved at least annually by (i) the Fund's Board of Directors or (ii) a vote of a "majority" (as defined in the Act) of the Fund's outstanding voting securities, provided that in either event such continuance is also approved by a

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form PRE 14A

majority of the Board of Directors who are not "interested persons" (as defined in the Act) of any party to this Agreement, by vote cast in person at a meeting called for the purpose of voting on such approval. The aforesaid requirement that continuance of this Agreement be "specifically approved at least annually" shall be construed in a manner consistent with the Act and the Rules and Regulations thereunder.

16. Termination. This Agreement may be terminated by any party, without penalty, immediately upon written notice to the other parties in the event of a breach of any provision thereof by a party so notified, or otherwise upon not less than thirty (30) days' written notice to the Portfolio Manager in the case of termination by the Fund or the Fund Manager, or ninety (90) days' written notice to the Fund and the Fund Manager in the case of termination by the Portfolio Manager, but any such termination shall not affect the status, obligations or liabilities of any party hereto to the other parties.

17. Applicable Law. To the extent that state law is not preempted by the provisions of any law of the United States heretofore or hereafter enacted, as the same may be amended from time to time, this Agreement shall be administered, construed and enforced according to the laws of the Commonwealth of Massachusetts.

18. Severability. If any term or condition of this Agreement shall be invalid or unenforceable to any extent or in any application, then the remainder of this Agreement, and such term or condition except to such extent or in such application, shall not be affected thereby, and each and every term and condition of this Agreement shall be valid and enforced to the fullest extent and in the broadest application permitted by law.

IN WITNESS WHEREOF, the parties have hereunto set their hands as of the date first written above.

APPENDIX C

PORTFOLIO MANAGEMENT AGREEMENT (EQUITY FUND)

March 1, 2002

Schneider Capital Management Corporation
460 East Swedesford Road
Wayne, PA 19087

Re: Portfolio Management Agreement

Ladies and Gentlemen:

Liberty All-Star Equity Fund (the "Fund") is a diversified closed-end investment company registered under the Investment Company Act of 1940 (the "Act"), and is subject to the rules and regulations promulgated thereunder.

Liberty Asset Management Company (the "Fund Manager") evaluates and recommends portfolio managers for the assets of the Fund, and is responsible for the day-to-day corporate management and Fund administration of the Fund.

1. Employment as a Portfolio Manager. The Fund being duly authorized hereby employs Schneider Capital Management Corporation (the "Portfolio Manager") as a discretionary portfolio manager, on the terms and conditions set forth herein, of that portion of the Fund's assets which the Fund Manager determines to assign to the Portfolio Manager (those assets being referred to as the "Portfolio Manager Account"). The Fund Manager may, from time to time, allocate and reallocate the Fund's assets among the Portfolio Manager and the other portfolio managers of the Fund's assets.

2. Acceptance of Employment; Standard of Performance. The Portfolio Manager accepts its employment as a discretionary portfolio manager and agrees to use its best professional judgment to make timely investment decisions for the Portfolio Manager Account in accordance with the provisions of this Agreement.

3. Portfolio Management Services of Portfolio Manager. In providing portfolio management services to the Portfolio Manager Account, the Portfolio Manager shall be subject to the investment objectives, policies and restrictions of the Fund as set forth in its current Registration Statement under the Act, as the same may be modified from time to time (the "Registration Statement"), and the investment restrictions set forth in the Act and the Rules thereunder (as and to the extent set forth in the Registration Statement or in other documentation furnished to the Portfolio Manager by the Fund or the Fund Manager), to the supervision and control of the Board of Trustees of the Fund, and to instructions from the Fund Manager. The Portfolio Manager shall not, without the prior approval of the Fund or the Fund Manager, effect any transactions which would cause the Portfolio Manager Account, treated as a separate fund, to be out of compliance with any of such restrictions or policies.

4. Transaction Procedures. All portfolio transactions for the Portfolio Manager Account will be consummated by payment to or delivery by the custodian of the Fund (the "Custodian"), or such depositories or agents as may be designated by the Custodian in writing, as custodian for the Fund, of all

cash and/or securities due to or from the Portfolio Manager Account, and the Portfolio Manager shall not have possession or custody thereof or any responsibility or liability with respect to such custody. The Portfolio Manager shall advise and confirm in writing to the Custodian all investment orders for the Portfolio Manager Account placed by it with brokers and dealers at the time and in the manner set forth in Schedule A hereto (as amended from time to time by the Fund Manager). The Fund shall issue to the Custodian such instructions as may be appropriate in connection with the settlement of any transaction initiated by the Portfolio Manager. The Fund shall be responsible for all custodial arrangements and the payment of all custodial charges and fees, and, upon giving proper instructions to the Custodian, the Portfolio Manager shall have no responsibility or liability with respect to custodial arrangements or the acts, omissions or other conduct of the Custodian.

5. Allocation of Brokerage. The Portfolio Manager shall have authority and discretion to select brokers and dealers to execute portfolio transactions initiated by the Portfolio Manager for the Portfolio Manager Account, and to select the markets on or in which the transaction will be executed.

A. In doing so, the Portfolio Manager's primary responsibility shall be to seek to obtain best net price and execution for the Fund. However, this responsibility shall not obligate the Portfolio Manager to solicit competitive bids for each transaction or to seek the lowest available commission cost to the Fund, so long as the Portfolio Manager reasonably believes that the broker or dealer selected by it can be expected to obtain a "best execution" market price on the particular transaction and determines in good faith that the commission cost is reasonable in relation to the value of the brokerage and research services (as defined in Section 28(e)(3) of the Securities Exchange Act of 1934) provided by such broker or dealer to the Portfolio Manager viewed in terms of either that particular transaction or of the Portfolio Manager's overall responsibilities with respect to its clients, including the Fund, as to which the Portfolio Manager exercises investment discretion, notwithstanding that the Fund may not be the direct or exclusive beneficiary of any such services or that another broker may be willing to charge the Fund a lower commission on the particular transaction.

B. Subject to the requirements of paragraph A above, the Fund Manager shall have the right to request that transactions giving rise to brokerage commissions, in an amount to be agreed upon by the Fund Manager and the Portfolio Manager, shall be executed by brokers and dealers that provide brokerage or research services to the Fund Manager, or as to which an on-going relationship will be of value to the Fund in the management of its assets, which services and relationship may, but need not, be of direct benefit to the Portfolio Manager Account. Notwithstanding any other provision of this Agreement, the Portfolio Manager shall not be responsible under paragraph A above with respect to transactions executed through any such broker or dealer.

C. The Portfolio Manager shall not execute any portfolio transactions for the Portfolio Manager Account with a broker or dealer which is an "affiliated person" (as defined in the Act) of the Fund, the Portfolio Manager or any other Portfolio Manager of the Fund without the prior written approval of the Fund except in accordance with SEC Exemptive Order No. 24288 dated February 15, 2000, a copy of which has been

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form PRE 14A

furnished to the Portfolio Manager, and Rule 17e-1 procedures as approved by the Fund's Trustees from time to time. The Fund Manager will provide the Portfolio Manager with a list of brokers and dealers which are "affiliated persons" of the Fund or its Portfolio Managers.

6. Proxies. The Portfolio Manager will vote all proxies solicited by or with respect to the issuers of securities in which assets of the Portfolio Manager Account may be invested from time to time in accordance with such policies as shall be determined by the Fund Manager.

7. Fees for Services. The compensation of the Portfolio Manager for its services under this Agreement shall be calculated and paid by the Fund Manager in accordance with the attached Schedule C. Pursuant to the Fund Management Agreement between the Fund and the Fund Manager, the Fund Manager is solely responsible for the payment of fees to the Portfolio Manager, and the Portfolio Manager agrees to seek payment of its fees solely from the Fund Manager.

8. Other Investment Activities of Portfolio Manager. The Fund acknowledges that the Portfolio Manager or one or more of its affiliates has investment responsibilities, renders investment advice to and performs other investment advisory services for other individuals or entities ("Client Accounts"), and that the Portfolio Manager, its affiliates or any of its or their directors, officers, agents or employees may buy, sell or trade in any securities for its or their respective accounts ("Affiliated Accounts"). Subject to the provisions of paragraph 2 hereof, the Fund agrees that the Portfolio Manager or its affiliates may give advice or exercise investment responsibility and take such other action with respect to other Client Accounts and Affiliated Accounts which may differ from the advice given or the timing or nature of action taken with respect to the Portfolio Manager Account, provided that the Portfolio Manager acts in good faith, and provided further, that it is the Portfolio Manager's policy to allocate, within its reasonable discretion, investment opportunities to the Portfolio Manager Account over a period of time on a fair and equitable basis relative to the Client Accounts and the Affiliated Accounts, taking into account the cash position and the investment objectives and policies of the Fund and any specific investment restrictions applicable thereto. The Fund acknowledges that one or more Client Accounts and Affiliated Accounts may at any time hold, acquire, increase, decrease, dispose of or otherwise deal with positions in investments in which the Portfolio Manager Account may have an interest from time to time, whether in transactions which involve the Portfolio Manager Account or otherwise. The Portfolio Manager shall have no obligation to acquire for the Portfolio Manager Account a position in any investment which any Client Account or Affiliated Account may acquire, and the Fund shall have no first refusal, co-investment or other rights in respect of any such investment, either for the Portfolio Manager Account or otherwise.

9. Limitation of Liability. The Portfolio Manager shall not be liable for any action taken, omitted or suffered to be taken by it in its reasonable judgment, in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Agreement, or in accordance with (or in the absence of) specific directions or instructions from the Fund, provided, however, that such acts or omissions shall not have resulted from the Portfolio Manager's willful misfeasance, bad faith or gross negligence, a violation of the standard of care established by and applicable to the Portfolio Manager in its actions under this Agreement or breach of its duty or of its obligations hereunder (provided, however, that the foregoing shall not be construed to protect the Portfolio Manager from liability in violation of Section 17(i) of the Act).

10. Confidentiality. Subject to the duty of the Portfolio Manager and the

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form PRE 14A

Fund to comply with applicable law, including any demand of any regulatory or taxing authority having jurisdiction, the parties hereto shall treat as confidential all information pertaining to the Portfolio Manager Account and the actions of the Portfolio Manager and the Fund in respect thereof.

11. Assignment. This Agreement shall terminate automatically in the event of its assignment, as that term is defined in Section 2(a)(4) of the Act. The Portfolio Manager shall notify the Fund in writing sufficiently in advance of any proposed change of control, as defined in Section 2(a)(9) of the Act, as will enable the Fund to consider whether an assignment as defined in Section 2(a)(4) of the Act will occur, and whether to take the steps necessary to enter into a new contract with the Portfolio Manager.

12. Representations, Warranties and Agreements of the Fund. The Fund represents, warrants and agrees that:

A. The Portfolio Manager has been duly appointed to provide investment services to the Portfolio Manager Account as contemplated hereby.

B. The Fund will deliver to the Portfolio Manager a true and complete copy of its then current registration statement as effective from time to time and such other documents governing the investment of the Fund Account and such other information as is necessary for the Portfolio Manager to carry out its obligations under this Agreement.

13. Representations, Warranties and Agreements of the Portfolio Manager. The Portfolio Manager represents, warrants and agrees that:

A. It is registered as an "Investment Adviser" under the Investment Advisers Act of 1940 ("Advisers Act").

B. It will maintain, keep current and preserve on behalf of the Fund, in the manner required or permitted by the Act and the Rules thereunder, the records identified in Schedule B (as Schedule B may be amended from time to time by the Fund Manager). The Portfolio Manager agrees that such records are the property of the Fund, and will be surrendered to the Fund promptly upon request.

C. It will adopt a written code of ethics complying with the requirements of Rule 17j-1 under the 1940 Act. Within 45 days of the end of each year while this Agreement is in effect, an officer or general partner of the Portfolio Manager shall certify to the Fund that the Portfolio Manager has complied with the requirements of Rule 17j-1 during the previous year and that there has been no violation of its code of ethics or, if such a violation has occurred, that appropriate action was taken in response to such violation.

D. Upon request, the Portfolio Manager will promptly supply the Fund with any information concerning the Portfolio Manager and its stockholders, employees and affiliates which the Fund may reasonably require in connection with the preparation of its Registration Statement or amendments thereto, proxy material, reports and other documents required to be filed under the Act, the Securities Act of 1933, or other applicable securities laws.

E. Reference is hereby made to the Declaration of Trust dated August 20, 1986 establishing the Fund, a copy of which has been filed with the Secretary of the Commonwealth of Massachusetts and elsewhere as required by law, and to any and all amendments thereto so filed or hereafter filed. The name Liberty All-Star Equity Fund refers to the Trustees under said Declaration of Trust, as Trustees and not personally, and no Trustee,

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form PRE 14A

shareholder, officer, agent or employee of the Fund shall be held to any

48

personal liability hereunder or in connection with the affairs of the Fund, but only the trust estate under said Declaration of Trust is liable under this Agreement. Without limiting the generality of the foregoing, neither the Portfolio Manager nor any of its officers, directors, partners, shareholders or employees shall, under any circumstances, have recourse or cause or willingly permit recourse to be had directly or indirectly to any personal, statutory, or other liability of any shareholder, Trustee, officer, agent or employee of the Fund or of any successor of the Fund, whether such liability now exists or is hereafter incurred for claims against the trust estate, but shall look for payment solely to said trust estate, or the assets of such successor of the Fund.

49

14. Amendment. This Agreement may be amended at any time, but only by written agreement among the Portfolio Manager, the Fund Manager and the Fund, which amendment, other than amendments to Schedules A and B, is subject to the approval of the Board of Trustees and the Shareholders of the Fund as and to the extent required by the Act.

15. Effective Date; Term. This Agreement shall continue until July 31, 2003 and from year to year thereafter provided such continuance is specifically approved at least annually by (i) the Fund's Board of Trustees or (ii) a vote of a "majority" (as defined in the Act) of the Fund's outstanding voting securities, provided that in either event such continuance is also approved by a majority of the Board of Trustees who are not "interested persons" (as defined in the Act) of any party to this Agreement, by vote cast in person at a meeting called for the purpose of voting on such approval and provided further that, in accordance with the conditions of the application of the Fund and Fund Manager for an exemption from Section 15(a) of the Act (Rel. Nos. IC 19436 and 19491), the continuance of this Agreement shall be subject to approval by such "majority" of the Fund's outstanding voting securities at the regularly scheduled annual meeting of shareholders of the Fund next following the date of this Agreement. The aforesaid requirement that continuance of this Agreement be "specifically approved at least annually" shall be construed in a manner consistent with the Act and the Rules and Regulations thereunder.

16. Termination. This Agreement may be terminated by any party, without penalty, immediately upon written notice to the other parties in the event of a breach of any provision thereof by a party so notified, or otherwise upon not less than thirty (30) days' written notice to the Portfolio Manager in the case of termination by the Fund or the Fund Manager, or ninety (90) days' written notice to the Fund and the Fund Manager in the case of termination by the Portfolio Manager, but any such termination shall not affect the status, obligations or liabilities of any party hereto to the other parties.

17. Applicable Law. To the extent that state law is not preempted by the provisions of any law of the United States heretofore or hereafter enacted, as the same may be amended from time to time, this Agreement shall be administered, construed and enforced according to the laws of the Commonwealth of Massachusetts.

18. Severability. If any term or condition of this Agreement shall be invalid or unenforceable to any extent or in any application, then the remainder of this Agreement, and such term or condition except to such extent or in such application, shall not be affected thereby, and each and every term and

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form PRE 14A

condition of this Agreement shall be valid and enforced to the fullest extent and in the broadest application permitted by law.
