On March 14, 2019 (the “Closing Date”), upon the terms and subject to the conditions set forth in the Merger Agreement and in accordance with the applicable provisions of the General Corporation Law of the State of Delaware (the “DGCL”), the merger of Merger Sub with and into the Company (the “Merger”) was completed. At the effective time of the Merger (the “Effective Time”), the separate corporate existence of Merger Sub ceased, and the Company survived the Merger as a wholly owned subsidiary of Parent. The events described in this Current Report on Form 8-K occurred in connection with the consummation of the Merger.

Item 2.01 Completion of Acquisition or Disposition of Assets

As described in the Introductory Note above, at the Effective Time on the Closing Date, Parent completed its previously announced acquisition of the Company. As a result of the Merger, the Company survived as a wholly owned subsidiary of Parent. At the Effective Time, each share of common stock, par value \$0.20 per share, of the Company (the “Common Stock”) issued and outstanding immediately prior to the Effective Time (other than (i) shares to be cancelled and (ii) shares underlying Company equity awards) was automatically converted into the right to receive \$122.50 in cash (the “Merger Consideration”), without any interest and subject to any withholding taxes.

In addition, at the Effective Time, (i) all Company stock options (other than options under the Company’s ShareSave Scheme) outstanding immediately prior to the Effective Time were deemed to be fully vested and were cancelled and converted into the right to receive a cash payment, without interest, equal to the excess (if any) of the Merger
