### SECTION 2 FINANCIAL INFORMATION

### Item 2.02. Results of Operations and Financial Condition

On January 26, 2006, Iomega Corporation announced its financial results for the quarter and full year ended December 31, 2005 in a press release entitled, Iomega Reports 2005 Fourth Quarter and Full Year Results . The full text of the press release issued in connection with the announcement is attached as Exhibit 99.6 to this Current Report on Form 8-K.

We use in the attached press release certain non-GAAP financial measures, including non-GAAP, adjusted operating income. As used herein, "GAAP" refers to accounting principles generally accepted in the United States. These non-GAAP financial measures exclude restructuring and other non-recurring charges from the directly comparable GAAP measures. As required by Regulation G, the press release contains a reconciliation of the non-GAAP financial measures to the most directly comparable GAAP measures. We believe the non-GAAP measures are useful to investors because they provide an alternative method for measuring the operating performance of our business, excluding certain non-recurring items that would normally be included in the most directly comparable GAAP financial measure. Our management uses these non-GAAP financial measures along with the most directly comparable GAAP financial measures in evaluating our operating performance. Non-GAAP financial measures should not be considered in isolation from, or as a substitute for, financial information presented in compliance with GAAP, and non-GAAP financial measures as reported by us may not be comparable to similarly titled items reported by other companies.

The information in this Form 8-K (including Exhibit 99.6) shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934 (the Exchange Act ) or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933 or the Exchange Act, except as expressly set forth by specific reference in such a filing.
