Item 1.01. Entry into a Material Definitive Agreement.

On March 27, 2015, Harsco Corporation (the “Company”) entered into Amendment No. 3 (the “Amendment”) to the Company’s Amended and Restated Five-Year Credit Agreement, dated as of March 2, 2012, and subsequently amended (the “Existing Credit Agreement”) by and among the Company, Citibank, N.A., as administrative agent (the “Administrative Agent”) and certain other lenders party to the Amendment (the “Lenders”).

Pursuant to the Amendment, the Company’s leverage ratio of debt to consolidated EBITDA for purposes of the maintenance covenant will be calculated on a net basis (up to \$75 million for cash netting) and the calculation of certain other financial metrics (including certain definitions related thereto) was amended. In addition, commencing on the effective date of the Amendment and ending after the fiscal quarter ended March 31, 2016, the required leverage ratio will increase to 3.75 to 1.00 from 3.50 to 1.00, with such leverage ratio decreasing to 3.50 to 1.00 after March 31, 2016. Also, the total amount of commitments under the Existing Credit Agreement was reduced from \$525 million to \$500 million but the amount to which such commitments may be increased by lenders agreeing to such increase at the request of the Company remains unchanged at \$550 million. Furthermore, the termination date of the revolving facility was extended to June 2, 2019 from March 2, 2017. However, the extension is subject to the satisfaction of certain conditions, including the Company’s receipt of gross proceeds from the issuance of new senior unsecured notes by the Company with a stated principal amount of not less than \$250.0 million and the repayment in full of the Company’s 2.700% Senior Notes due in October 2015. Finally, the calculation of the applicable interest rate margins and commitment fee rates will be based on the Company’s total leverage ratio instead of the credit rating of the Company’s senior unsecured long-term debt. The range of interest rate margins and commitment fee rates remains the same as under the Existing Credit Agreement.

The Amendment and Existing Credit Agreement contain various representations and warranties, as well as usual and customary affirmative and negative covenants and financial covenants of the Company. The Existing Credit Agreement also contains usual and customary events of default that would permit the lenders to accelerate the loans if not cured within applicable grace periods.

Certain of the Lenders, the Administrative Agent and their affiliates have performed, and may in the future perform, various commercial banking, investment banking, brokerage and advisory services for the Company and its subsidiaries for which they have received, and will receive, customary fees and expenses.

The foregoing description of the Amendment is a summary and is qualified in its entirety by reference to the full text of the Amendment, which is filed as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement of a Registrant.

The discussion under Item 1.01 is incorporated herein by reference.

Item 9.01. Financial Statements and Exhibits.

(d) Exhibits. The following exhibits are filed as part of this Form 8-K:

Exhibit No. Description

99.1 Press Release dated March 30, 2015.
