IONICS REPORTS RESULTS FOR THE THIRD QUARTER AND NINE MONTHS OF 2004

Edgar Filing: IONICS INC - Form 8-K

Watertown, MA, November 9, 2004...Ionics, Incorporated (NYSE-ION) today filed its quarterly report on Form 10-Q, reporting results for the three and nine month periods ended September 30, 2004. Third quarter revenues were \$118.1 million, compared to \$87.7 million for the third quarter of 2003. Net income of \$0.9 million, or \$0.04 per share, in Q3 2004 compared to a net loss of (\$22.0) million, or (\$1.24) per share, for Q3 2003. The earnings per share from continuing operations were \$0.06 in Q3 2004, compared to a loss per share of (\$0.99) in Q3 2003. Excluding amortization of intangibles, net of statutory tax rate of 38%, the results of continuing operations were \$0.13, compared to a loss per share of (\$0.99) in the third quarter of 2003.

Revenues for the first nine months of 2004 were \$349.6 million, compared to \$251.5 million for the first nine months of 2003. The net loss was (\$5.4) million, or (\$0.25) per share, for the first nine months of 2004, compared to a net loss of (\$26.4) million, or (\$1.50) per share, for the first nine months of 2003. The loss per share from continuing operations was (\$0.07) for the first nine months of 2004, compared to a loss per share of (\$1.06) per share for the first nine months of 2003. Earnings per share from continuing operations, excluding amortization of intangibles, net of statutory tax rate of 38%, was \$0.11, compared to a loss per share of (\$1.05) in the first nine months of 2003.

Income from continuing operations before income taxes and minority interest expense for the third quarter and for the first nine months of 2004 was \$3.3 million and \$5.1 million, respectively. This compares to a loss from continuing operations before income taxes and minority interest expense for the third quarter and first nine months of 2003 of (\$25.8) million and (\$27.0) million, respectively. Items impacting the results for the third quarter of 2004 include third party expenses of \$0.6 million for systems development and \$1.1 million for Sarbanes-Oxley Section 404 preparedness charges. Also during the quarter, manufacturing at one of the Company's facilities in Pennsylvania was temporarily halted as a result of flooding associated with Hurricane Ivan. This resulted in delays of certain projects, which adversely impacted the results for the quarter by approximately \$0.5 million on a pretax basis. The Company expects to recover this income through subsequent completion of the projects, as well as through its business interruption insurance.

Also included in the Company's financial results are the consolidated results of the Ecolochem Group (acquired on February 13, 2004), and Desalcott (Desalination Company of Trinidad and Tobago Ltd.), the Company's 40%-owned joint venture in Trinidad. Desalcott's results were included in the consolidated results of the Company in accordance with provisions of FIN46. Ecolochem revenues for the quarter and the first nine months were \$22.3 million and \$58.5 million, respectively. Desalcott revenues for the quarter and for the first nine months were \$7.4 million and \$21.8 million, respectively.

Commenting on the results for the quarter, CEO Doug Brown said, "I am pleased with the Company's financial results which demonstrate the impact of the numerous restructuring initiatives launched over the past year. We are continuing to implement programs designed to further increase the Company's profitability." For further information about the Company's third quarter and first nine months 2004 financial results, please refer to the Company's quarterly report on Form 10-Q.

Ionics will host a conference call on Thursday, November 11, 2004 at 10:00AM, EST to discuss its third-quarter financial results. This conference call will be accessible on the Company's home page at <http://www.shareholder.com/ion/medialist.cfm>. Recorded replays of the financial results conference call will be available on the web site for a one-week period beginning later that day.

About Ionics, Inc.

Ionics is a global leader in water purification and wastewater treatment. The Company has over 50 years of experience in the design, installation, operation and maintenance of water and wastewater treatment systems and is a leading provider of emergency and long-term water treatment services. More membrane-based desalination systems have been designed and built by Ionics than any other supplier worldwide. Ionics is also a leader in supplying zero-liquid-discharge systems, in providing ultrapure water systems for the power and microelectronics industries, and in the measurement and analysis of water impurities. The Company also supplies Point-of-Use and Point-of-Entry water treatment systems for commercial and residential applications. For more information, visit www.ionics.com.

Safe-harbor statement under the Private Securities Litigation Reform Act of 1995: Forward-looking statements in this news release involve risk and uncertainty. The statements contained in this release which are not historical facts are forward-looking statements. These forward-looking statements are based on management's current views and assumptions and are neither promises nor guarantees but are subject to risks, uncertainties and other factors that could cause actual results to differ materially from management's current expectations as described in such forward-looking statements, including overall economic and business conditions; competitive factors, such as acceptance of new products, pricing pressures and competition from competitors larger than the Company; risks of nonpayment of accounts receivable, including those from affiliated companies; risks associated with foreign operations; technological and product development risks; availability of manufacturing capacity; risks associated with the Company's restructuring program announced in September 2003; risks associated with the integration of Ecolochem's operations with those of the Company; and other factors described in the Company's filings with the Securities and Exchange Commission, including its annual report on Form 10-K for the year ended December 31, 2003 and its quarterly report on Form 10-Q for the quarter ended September 30, 2004. You should not place undue reliance on the forward-looking statements in this press release, and the Company disavows any obligation to update or supplement those statements in the event of any changes in the facts, circumstances, or expectations that underlie those statements.
