PROPOSED ACQUISITIONS

On April 21, 2003, KCS and Grupo TMM announced a series of agreements that will, following shareholder and regulatory approval, place KCSR, Tex Mex and TFM under the common control of a single transportation holding company, NAFTA Rail, to be headquartered in Kansas City, Missouri. Grupo TFM holds an 80% interest in TFM, which holds a 100% interest in Mexrail. Mexrail wholly-owns Tex-Mex.

Under an Acquisition Agreement, dated April 20, 2003 (the "Acquisition Agreement"), upon the terms and subject to the conditions of the Acquisition Agreement, KCS would acquire all of the interest of TMM Multimodal in Grupo TFM for \$200 million (up to \$80 million of which may be paid with KCS equity) and 18 million shares of Class A Common Stock of KCS (the "Acquisition"). See "Description of the Acquisitions--The Acquisition Agreement." Subject to receiving shareholder approval, KCS would change its name to "NAFTA Rail." Consummation of the Acquisition is subject to certain regulatory and other consents, approvals and filings. The obligations of KCS and Grupo TMM to complete the Acquisition are subject to a number of conditions. In the event the Acquisition Agreement is terminated under specific circumstances, a termination fee of \$18 million will be paid by KCS to Grupo TMM, or by Grupo TMM to KCS, depending upon such circumstances. Provided the Acquisition has occurred, KCS may be required to make additional payments to Grupo TMM based on a resolution of certain contingencies. A number of ancillary agreements will be entered into prior to the closing of the Acquisition to carry out certain objectives of the Acquisition Agreement and the Acquisition. Upon the terms and subject to the conditions of a Stock Purchase Agreement, dated as of April 20, 2003 (the "Stock Purchase Agreement"), KCS will purchase from TFM 51% of the outstanding shares of Mexrail, a wholly-owned subsidiary of TFM, for \$32,680,000. In addition, KCS has an exclusive option through December 31, 2005 to purchase the remaining outstanding shares of Mexrail as of the date of the exercise of the option. KCS will deposit the initial purchased shares of Mexrail into an irrevocable voting trust pending obtaining approval by the Surface Transportation Board ("STB") of KCS's request to acquire control of Tex-Mex. TFM has repurchase rights for a two-year period with respect to the Mexrail shares purchased by KCS. The obligations of KCS and TFM to consummate the transaction under the Stock Purchase Agreement are subject to a number of conditions.

For a more detailed description of these matters, see "Description of the Acquisitions."

Tex-Mex.

The Acquisition Agreement

Upon the terms and subject to the conditions of the Acquisition Agreement, dated April 20, 2003, by and among KCS, KARA Sub, Grupo TMM, TMM Holdings and TMM Multimodal, KCS would acquire all of the interest of TMM Multimodal in Grupo TFM for consideration to TMM Multimodal of \$200 million and 18 million shares of KCS Class A Common Stock. The Acquisition (defined below) will be accomplished in three steps, the "Stock Purchase," the "Subsidiary Investment" and the "Merger" described below (and together comprising the "Acquisition"), all occurring sequentially and virtually simultaneously as follows:

- (1) The Stock Purchase. KARA Sub will purchase from TMM Multimodal all Grupo TFM shares held by TMM Multimodal, consisting of 25,500 shares of Series "A" fixed capital stock of Grupo TFM and 3,842,901 shares of Series "A" variable capital stock of Grupo TFM. The purchase price to be paid by KARA Sub to TMM Multimodal at the closing for the purchase of the Grupo TFM shares is: (i) \$200 million (up to \$80 million of which may be paid, at KCS's option upon 30 days' written notice, in shares of KCS common stock or KCS Class A Common Stock); and (ii) a subordinated promissory note of KARA Sub in the principal amount of \$25 million. KCS has agreed to provide KARA Sub with sufficient funds to make all payments required to be made by it under the Acquisition Agreement.
- (2) The Subsidiary Investment. Immediately following the Stock Purchase, TMM Multimodal will purchase from KARA Sub 100 shares of KARA Sub common stock, representing 10% of the issued and outstanding shares of KARA Sub common stock, in consideration for delivery by TMM Multimodal to KARA Sub of the KARA Sub subordinated promissory note.
- (3) The Merger. KARA Sub will then be merged into KCS in accordance with the General Corporation Law of the State of Delaware ("DGCL"). The Merger will be consummated by filing a certificate of merger with the Delaware Secretary of State in accordance with the DGCL. At such time, the shares of KARA Sub held by TMM Multimodal will be converted into and exchanged for 18 million shares of KCS Class A Common Stock. As a result of the Merger, the separate corporate existence of KARA Sub will cease and KCS will continue as the surviving corporation. Subject to approval by KCS stockholders, upon the date and time of the filing of the Certificate of Merger, KCS will change its name to "NAFTA Rail" or such other name as shall be determined by KCS and the capital stock of KCS (including the KCS common stock, the \$25 par value preferred stock and the preferred stock offered hereby) will continue to be issued and outstanding as the capital stock of NAFTA Rail without further action by any holder thereof. Subject to listing approval by the New York Stock Exchange ("NYSE"), the NAFTA Rail common stock and the \$25 par value preferred stock will trade on the NYSE.

KCS's restated certificate of incorporation and Bylaws would be amended appropriately. The closing of the Acquisition is dependent upon the closing of each of the Stock Purchase, the Subsidiary Investment and the Merger.

Conditions to Obligations to Complete the Acquisition

The obligations of KCS and Grupo TMM to complete the Acquisition are subject to a number of conditions, including, among others:

- o KCS must have obtained approval of KCS stockholders of the amendments to KCS's restated certificate of incorporation and the issuance of Class A Common Stock;

Edgar Filing: KANSAS CITY SOUTHERN - Form 8-K

- o All consents, waivers, authorizations and approvals required from all governmental authorities to consummate the Acquisition must have been obtained and remain effective as of the closing date of the Acquisition Agreement;
- o The securities to be issued pursuant to the Merger, and any securities issued as payment of a portion of the purchase price for the Grupo TFM shares purchased by KARA Sub, must have been approved for listing by the NYSE;
- o Each of the Ancillary Agreements (as described below) must have been duly executed and delivered by or on behalf of KCS and each of Grupo TMM, TMM Holdings and TMM Multimodal, as the case may be;
- o Grupo TMM must have received consents from the holders of its outstanding Notes due 2003 and Notes due 2006; and
- o There must not be any insolvency or bankruptcy proceeding pending against TMM Multimodal, TMM Holdings or TFM that has been pending for more than 60 days, and certain material adverse effects shall not have occurred.

Termination

The Acquisition Agreement may be terminated prior to the closing of the Acquisition as follows:

- o By written consent of KCS and Grupo TMM;
- o By KCS or Grupo TMM if any order of any governmental authority permanently prohibiting the consummation of the Acquisition has become final and non-appealable or if any of the approvals of any governmental authority to perform the transactions contemplated by the Acquisition Agreement imposes any condition or requirement, the satisfaction of which is reasonably likely to have a material adverse effect on either KCS or Grupo TMM;
- o By KCS if any conditions to the obligations of KCS under the Acquisition Agreement becomes incapable of fulfillment through no fault of KCS and is not waived by KCS;
- o By Grupo TMM if any condition to the obligations of Grupo TMM, TMM Multimodal and TMM Holdings (collectively, the "Sellers") under the Acquisition Agreement becomes incapable of fulfillment through no fault of Sellers and is not waived by Grupo TMM;
- o By KCS if Grupo TMM has experienced a change of control, or by Grupo TMM if KCS has experienced a change of control; and
- o By KCS or Grupo TMM if the closing of the Acquisition does not occur on or prior to December 31, 2004 (the "Termination Date"); provided, however, that the Termination Date may be extended by KCS and Grupo TMM by written agreement.

A termination fee of \$18 million is payable in the event of termination of the Acquisition Agreement due to (i) a change of control of either KCS or Grupo TMM, in which case the party experiencing the change of control shall pay the termination fee to the other party, and (ii) the failure of the stockholders of KCS or of Grupo TMM to approve the Acquisition if at or prior to the meeting of such stockholders to approve the Acquisition, the board of directors of KCS, in the case of the KCS stockholders' meeting, or the board of directors of Grupo TMM, in the case of the Grupo TMM stockholders' meeting, has failed to recommend

Edgar Filing: KANSAS CITY SOUTHERN - Form 8-K

or has withdrawn and not reinstated its recommendation of the Acquisition, then the party whose stockholders have not approved the Acquisition shall pay the termination fee to the other party.

- o KCS (NAFTA Rail) investment in equity interests representing 51% of Mexrail's issued and outstanding capital stock;
- o Use of KCS cash to acquire Mexrail.

VAT Payments

Provided the Acquisition has occurred and neither KCS nor any of its subsidiaries has purchased the TFM "Class III" shares (representing 20% of the capital stock of TFM) currently held by the Mexican government upon exercise by the Mexican government of its right to compel purchase of the shares of TFM held by it (the "Put"), as compensation for Grupo TMM's services in obtaining the final settlement or resolution of TFM's claim against the Mexican Treasury for the refund of a value added tax ("VAT")

payment in the original principal amount of 2,111,111,790 pesos ("VAT Claim"), KCS will make or cause TFM to make a cash payment (the "VAT Contingency Payment") to Grupo TMM as set forth below, following the date of final resolution of the VAT Claim, and the receipt by TFM or its designee of shares or cash compensation received by TFM or its designee from the Mexican government on the VAT Claim (the "VAT Payment"). The VAT Payment must consist of at least (i) all of the TFM "Class III" shares currently held by the Mexican government or (ii) a cash payment or other property acceptable to the parties which has a fair value equal to or greater than the Put purchase price as calculated on the date the VAT Payment is received. In such event, KCS will, at its option, pay or cause TFM to pay to Grupo TMM (iii) \$100 million within 90 days thereafter or (iv) \$50 million within 90 days thereafter and an additional \$55 million within 365 days thereafter. Edgar Filing: KANSAS CITY SOUTHERN - Form 8-K

The VAT Contingency Payment shall be made after reducing the value of VAT Payment by the amount of all expenses incurred by or on behalf of TFM in effecting final resolution of the VAT Claim and receipt of the VAT Payment.

Until the filing of the Certificate of Merger for the Merger, neither KCS nor Sellers can seek or entertain other offers with respect to acquisitions, mergers or business combinations of KCS or KCSR, and TMM Holdings, TMM Multimodal, Grupo TFM or any of their respective subsidiaries, respectively. In addition, Grupo TMM will not enter into any agreement concerning any acquisition or purchase of a controlling equity interest in Grupo TMM by any competitor. These limitations are subject to the fiduciary duties of the respective board of directors of KCS and Grupo TMM.

The holders of Class A Common Stock shall have preemptive rights to acquire additional shares of Class A Common Stock in the event the Company authorizes the issuance or sale of any shares of common stock or any securities containing options or rights to acquire any shares of common stock (other than as a dividend on the outstanding common stock). Notwithstanding the foregoing, the holders of Class A Common Stock do not have preemptive rights with respect to issuances of common stock (including for this purpose, options, warrants and other securities into or exercisable for common stock) issued: (i) to the Company's employees, directors, consultants, agents, independent contractors or other service providers in connection with a Plan existing on the date hereof or a Plan approved by the board of directors and adopted by the Company after the date hereof; (ii) upon the conversion of Class A Common Stock; (iii) upon the exercise of any options, warrants, or exchangeable securities which are outstanding

as of the effective date of the amended and restated certificate of incorporation hereof; or (iv) in connection with the acquisition (by merger, consolidation, acquisition of assets or equity interests or otherwise) of the equity interests or assets of another Person.

The Company shall first notify then-existing TMM Holders of Class A Common Stock of any proposed transaction triggering preemptive rights of the Class A Common Stock and offer to sell to each such Person a number of shares of Class A Common Stock (or, as applicable, options, warrants or other securities into or exercisable for Class A Common Stock) determined according to the formula specified in the amended and restated certificate of incorporation. To the extent that any TMM Holder elects not to participate in such preemptive rights, each of the other TMM Holders shall have a pro rata right to purchase at the same price and on the same terms and conditions the Voting Securities which such non-participating TMM Holder had the right but elected not to purchase.

The preemptive rights of the TMM Holders of Class A Common Stock shall immediately and irrevocably terminate on the date that the TMM Holders do not beneficially own in the aggregate at least 40% of the Voting Securities initially acquired by TMM Multimodal pursuant to the Acquisition Agreement.

Transfer Restrictions

For a period of five years from and after the effectiveness of the amended and restated certificate of incorporation, the TMM Holders shall not, directly or indirectly, alone or in concert with others, sell, assign, transfer, pledge, hypothecate, otherwise subject to any lien, grant any option with respect to or otherwise dispose of any interest in (or enter into an agreement or understanding with respect to the foregoing) any Voting Securities (a "Disposition") to a Competitor. Disposition pursuant to a Public Offering or a Rule 144 Transaction will not be deemed to violate this prohibition if the selling TMM Holder(s) follow appropriate and reasonable procedures designed to prevent the sale of such Voting Securities to any Competitor. After the earliest of (i) five years following the date of the amended and restated certificate of incorporation, or (ii) the first date on which the TMM Holders beneficially own in the aggregate, directly or indirectly and alone or as part of a Group, less than 15% of the outstanding Voting Securities of the Company, a TMM Holder may propose to sell Voting Securities to a Competitor; provided the Company shall have the right (but not the obligation) to purchase, in whole but not in part, such Voting Securities at a per share cash purchase price equal to the purchase price in the agreement between the selling TMM Holder and a Competitor. This purchase right shall be assignable, in whole or in part, by the Company to any other Person, but no such assignment shall relieve the Company of its obligation to assure payment of the purchase price for any Voting Securities as to which a notice of election to exercise the Right of First Refusal is made by the Company

or any such assignee.

For a period of five years from and after the effectiveness of the amended and restated certificate of incorporation, each of the TMM Holders shall not effect a Disposition of Voting Securities to any Affiliate of either Grupo TMM, TMM Holdings or TMM Multimodal or any Affiliate of any Grupo TMM Principal Stockholders unless such Affiliate agrees in writing to be bound by the terms of the Stockholders' Agreement. The TMM Holders shall remain responsible, jointly and severally, for any breaches of the Stockholders' Agreement by such Affiliate (provided that any TMM Holder which is a Grupo TMM Principal Stockholder shall be severally responsible only for breaches by an Affiliate of the Grupo TMM Principal Stockholder to which such Grupo TMM Principal Stockholder effects a Distribution).

Subject to the foregoing transfer restrictions, TMM Holders may sell any or all Voting Securities beneficially owned by such Person provided that: (i) no Disposition that in the aggregate represents 5% or more of the outstanding Voting Securities shall be made to any Person other than a Person who is eligible to file reports pursuant to Rule 13d-1 under the Exchange Act (a "13G Filer"), unless such Person would

not be so eligible with respect to the Voting Securities acquired from the Disposition; and (ii) no Disposition of Voting Securities that in the aggregate represents 5% or more of the outstanding Voting Securities shall be made to any 13G Filer unless (a) such 13G Filer would continue to be eligible to file reports pursuant to Section 13G under the Exchange Act with respect to the Voting Securities after giving effect to the proposed acquisition of such Voting Securities; and (b) the selling TMM Holder shall have delivered a written notice to the Company advising the Company of the number of Voting Securities the seller desires to sell and the terms, including price, of the proposed transaction and the Company has been provided the right (but not the obligation) to purchase, in whole or in part, such Voting Securities at a per share cash purchase price equal to the purchase price in the proposed transaction.

Notwithstanding any provision of the amended and restated certificate of incorporation to the contrary, no Disposition shall be made to any Person or Group that would, together with such Person's Affiliates and Associates and after giving effect to the acquisition of such Voting Securities, beneficially own or have the right to acquire more than 15% of the Total Voting Power of the Company.

TMM Holders shall be permitted to make a Disposition, notwithstanding any contrary provision in the amended and restated certificate of incorporation, in connection with any tender or exchange offer made by an unaffiliated third party to acquire KCS common stock so long as certain conditions are satisfied.

The transfer restrictions imposed by the amended and restated certificate of incorporation (with the exception of the Company's right of first refusal in the event a TMM Holder intends to sell shares of Class A Common Stock to a Competitor, which shall survive indefinitely) shall immediately and irrevocably terminate upon the earlier of the first date the TMM Holders beneficially own in the aggregate less than 15% of the outstanding Voting Securities of the Company for at least 30 consecutive days, or the occurrence of a Change of Control of the Company.

Pledges

Subject to the transfer restrictions contained in the amended and restated certificate of incorporation, a TMM Holder may pledge or hypothecate as security for any indebtedness or other obligations any or all Voting Securities beneficially owned by such Person; provided that such TMM Holder obtains written

consent from the pledgee that upon the occurrence of an event which gives the pledgee the right to foreclose on the pledged Voting Securities ("Foreclosure Event") such pledgee shall provide to the Company prompt written notice of such Foreclosure Event and provide the Company the right to purchase, in whole or in part, such Voting Securities at a price determined in accordance with such provision of the amended and restated certificate of incorporation. This purchase right shall be assignable, in whole or in part, by the Company to any other Person, but no such assignment shall relieve the Company of its obligation to assure payment of the purchase price for any Voting Securities as to which the Company has delivered such a written notice.
