subject to, federal or state securities laws or finding any violation with respect to such laws.

- (f) a New York corporation

Item 3. Source and Amount of Funds or Other Consideration.

In connection with the restructuring of approximately \$35,000,000 of indebtedness (the "Indebtedness") owed by the Issuer to AT&T, including the retirement of portions of the Indebtedness and an extension of the maturity date with respect to the remaining indebtedness, the Issuer transferred 14,239,798 (later adjusted to 1,423,980 to give effect to the Split) shares of its Class A Common Stock to AT&T and gave AT&T immediately exercisable warrants to purchase an additional 10,000,000 (1,000,000 post-split) shares at a price of \$0.61 (\$6.10 post-split) per share. The Indebtedness was created by the Issuer's default under the terms of a promissory note made by the Issuer in favor of AT&T. The promissory note evidenced the Issuer's obligation to pay AT&T for certain services under a Transition Services Agreement by and between the Issuer and AT&T, dated as of January 31, 2001.

Item 4. Purpose of Transaction.

As a result of the previous restructuring of the Indebtedness AT&T currently owns 1,423,980 shares of the Issuer's Class A Common Stock (the "Shares") plus immediately exercisable warrants (the "Warrants") to purchase an additional 1,000,000 shares of the Issuer's Class A Common Stock at a price of \$6.10 per share, and a Promissory Note of the Issuer in the stated principal amount of \$10,000,000 (the "Note"). On February 27, 2003, AT&T and PTEK Holdings, Inc. ("PTEK") entered into a Share Purchase Agreement regarding the sale of the Shares to PTEK for \$825,908 and a Note Purchase Agreement regarding the transfer of the Note for \$3,174,092 and a warrant to purchase shares of PTEK Stock. Both Agreements are being filed as exhibits to this filing.

Item 5. Interest in Securities of the Issuer.

- (a) AT&T is the beneficial owner of the Shares and the Warrants. The Shares together with the Warrants represent approximately 14.3% of the total number of shares of the Class A Common Stock of the Issuer as of September 30, 2002. To the knowledge of the Reporting Person, none of the persons listed on Schedule I hereto beneficially owns any shares of Common Stock or other securities of the Issuer.
- (b) AT&T maintains the power to vote or to direct the voting of, and the power to dispose of, or to direct the disposition of, the Shares.
- (c) Except as otherwise set forth herein, neither the Reporting Person nor, to the knowledge of the Reporting Person, any of the persons listed on Schedule I, has executed transactions in the Common Stock during the past 60 days.
- (d) Except for the Reporting Person, there is no person that has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the Shares.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

AT&T and the Issuer are parties to a Registration Rights Agreement dated as of June 1, 2001, with respect to the Shares. AT&T and the Issuer are also parties to an Accession Agreement dated November 27, 2001, as well as a Modification Agreement dated as of June 2, 2001. Copies of these Agreements are exhibits to

Edgar Filing: EASYLINK SERVICES CORP - Form SC 13D/A

II. REPRESENTATIONS AND WARRANTIES

2.1 Representations and Warranties of Purchaser. Purchaser represents and warrants to Seller as follows:

(a) Organization. Purchaser is a corporation duly organized, validly existing and in good standing under the laws of the State of Georgia. Purchaser has the requisite corporate power to own its properties and to conduct its business as it is currently being conducted.

(b) Authority. Purchaser has the requisite corporate power and authority to enter into this Agreement and to consummate the transactions contemplated hereby and thereby. The execution and delivery by Purchaser of this Agreement, and the consummation by Purchaser of the transactions contemplated hereby and thereby, have been duly authorized by all necessary corporate action on the part of Purchaser. This Agreement has been duly executed and delivered by Purchaser and, assuming it constitutes a valid and binding obligation of Seller, constitutes a valid and binding obligation of Purchaser, enforceable against it in accordance with its terms, subject to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and similar laws affecting creditors' rights and remedies generally and to general principles of equity.

(c) Consents and Approvals. No consent, approval or authorization of, or declaration or filing with, or notice to, any federal, state, local or foreign court or governmental or regulatory authority (a "Governmental Entity") which has not been received or made, is required by or with respect to Purchaser in connection with the execution and delivery of this Agreement by Purchaser or the consummation by Purchaser of the transactions contemplated hereby or thereby, except for any consents, approvals, authorizations, filings or notices which, if not made or obtained, would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on Purchaser's ability to perform its obligations under this Agreement (a "Purchaser Material Adverse Effect").

(d) No Violation. Neither the execution and delivery of this Agreement by Purchaser nor the consummation by Purchaser of the transactions contemplated hereby will constitute a breach or default under (or an event which, with the

Edgar Filing: EASYLINK SERVICES CORP - Form SC 13D/A

lapse of time or the giving of notice, or both, could constitute a breach or default) or violate or conflict with any oral or written contract, agreement or instrument to which Purchaser is a party or by which any of its assets may be bound, limited or otherwise affected, or under any order, judgment, decree or writ applicable to Purchaser or any of its assets except to the extent any such breach, default, violation or conflict would not reasonably be expected to have, individually or in the aggregate, a Purchaser Material Adverse Effect.

(e) Broker's Fee. Purchaser has not made any agreement or taken any other action which might cause anyone to become entitled to a broker's or finder's fee on commission as a result of the transactions contemplated under this Agreement.

2.2 Representations and Warranties of Seller. Seller represents and warrants to Purchaser as follows:

(a) Organization. Seller is a corporation duly organized, validly existing and in good standing under the laws of the State of New York. Seller has the requisite corporate power to own its properties and to conduct its business as it is currently being conducted.

(b) Authority. Seller has the requisite corporate power and authority to enter into this Agreement and to consummate the transactions contemplated hereby. The execution and delivery by Seller of this Agreement, and the consummation by Seller of the transactions contemplated hereby have been duly authorized by all necessary corporate action on the part of Seller. This Agreement has been duly executed and delivered by Seller and, assuming it constitutes a valid and binding obligation of Purchaser, constitutes a valid and binding obligation of Seller, enforceable against it in accordance with its terms, subject to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and similar laws affecting creditors' rights and remedies generally and to general principles of equity.

(c) Consents and Approvals. No consent, approval or authorization of, or declaration or filing with, or notice to, any Governmental Entity or any other person or entity which has not been received or made, is required by or with respect to Seller in connection with the execution and delivery of this Agreement by Seller or the consummation by Seller of the transactions contemplated hereby except for any consents, approvals, authorizations, filings or notices which, if not made or obtained, would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on Seller's ability to perform its obligations under this Agreement or on Purchaser's ability to exercise its rights as a first priority, perfected secured party under any of the Security Documents after the Closing (a "Seller Material Adverse Effect").

(d) No Violation. Neither the execution and delivery by Seller of this Agreement nor the consummation by Seller of the transactions contemplated hereby will constitute a breach or default under (or an event which, with the lapse of time or the giving of notice, or both, could constitute a breach or default) or violate or conflict with any oral or written contract, agreement or instrument to which Seller is a party or by which any of its assets may be bound, limited or otherwise affected, or under any order, judgment, decree or writ applicable to Seller or any of its assets, except to the extent any such breach, default, violation or conflict would not reasonably be expected to have, individually or in the aggregate, a Seller Material Adverse Effect.

(e) Title to Shares. The sale and delivery of the Shares as contemplated by this Agreement is not subject to any preemptive right or right of first refusal, "tag along" or similar right, or right of redemption or repurchase. Seller owns all record and beneficial title, right and interest in and to the Shares. Upon delivery of the Shares to Purchaser as provided in

Edgar Filing: EASYLINK SERVICES CORP - Form SC 13D/A

Section 1.4, Purchaser will acquire sole beneficial ownership of the Shares, and upon registration of the transfer of the Shares with the Company's transfer agent, Purchaser will acquire sole record ownership of each of the Shares, in each case free and clear of all Liens (other than restrictions and applicable restrictive legends under applicable federal and state securities laws).

(f) Broker's Fee. Seller has not made any agreement or taken any other action which might cause anyone to become entitled to a broker's or finder's fee or commission as a result of the transactions contemplated under this Agreement.

(g) Registration Statement. The sale of the Company Shares to Purchaser hereunder has been registered under the Securities Act, pursuant to that certain Registration Statement on Form S-3 (Reg. No. 333-76578), as amended (the "Registration Statement"), which Registration Statement has been declared effective by the Securities and Exchange Commission and remains effective under the Act. Seller has delivered to Purchaser a copy of the prospectus included in the Registration Statement, including each amendment or supplement thereto, which prospectus (as so amended or supplemented) complies with the requirements of the Securities Act. Seller has provided Purchaser with a true and correct copy of that certain Registration Rights Agreement of the Company dated as of June 1, 2001, relating to the Company Shares, as in effect on the date hereof (the "Registration Rights Agreement"). The Company has not notified Seller of (i) any event or any other facts or circumstances pursuant to clause (a) of Section 2.03(g) of the Registration Rights Agreement, or (ii) any request for any amendment or supplement to the Registration Statement or the prospectus included therein or of any intent by the Company to prepare any such amendment or supplement pursuant to clause (b) of such section 2.03. Seller further confirms that it has not received any notification of the happening of any event, or any request by the Company to discontinue its disposition of securities under the Registration Statement, in each case as contemplated by Section 2.06 of the Registration Rights Agreement. Assuming Purchaser is not an affiliate of the Company within the meaning of the Securities Act, immediately following the Closing the Company Shares may be freely resold by Purchaser without registration under the Securities Act.

(h) Status of Agreements with the Company. Schedule 2.2(h) sets forth (i) a list of each instrument or agreement to which Seller or any of its subsidiaries or affiliates (each a "Seller Party") and the Company or any of its subsidiaries or affiliates (each a "Company Party") is a party that provides for the payment or receipt of amounts in excess of \$20,000 per month in the aggregate or under which any Seller Party has paid or received amounts in excess of \$20,000 per month in the aggregate at any time within the preceding six months, (ii) a brief description of the nature of each such instrument or agreement, and (iii) any amount owed under each such instrument or agreement as of the date of this Agreement, including a statement of the number of days that any such amount is past due as of the date hereof. No Seller Party to any such instrument or agreement is in breach or default thereof and, to the knowledge of Seller, no Company Party is in breach or default thereof.

(i) Full Disclosure. Neither this Agreement nor any other document, agreement, instrument or writing delivered by or on behalf of Seller in connection with the transactions contemplated hereby or thereby contains any untrue statement of the material fact or omits to state a material fact necessary in order to make the statements contained herein and therein, viewed as a whole, in light of the circumstances under which they were made, not misleading.

III. INDEMNIFICATION

3.1 Seller's Indemnity. Seller agrees to indemnify and hold harmless Purchaser and its directors, officers, employees, shareholders and agents (the "Purchaser Indemnitees") from and against any and all liabilities, losses

Edgar Filing: EASYLINK SERVICES CORP - Form SC 13D/A

(including diminution of value), claims, damages (including amounts paid in settlement), costs and expenses (including, without limitation, costs of investigation and reasonable attorneys' fees and disbursements) (collectively, "Losses") incurred by them as a result of or based upon or arising out of any breach of any representation, warranty, covenant or agreement of Seller under this Agreement.

3.2 Purchaser's Indemnity. Purchaser agrees to indemnify and hold harmless Seller and its directors, officers, employees, shareholders and agents (the "Seller Indemnitees") from and against any and all Losses incurred by them as a result of, or based upon or arising from any breach of any representation, warranty, covenant or agreement of Purchaser under this Agreement.

3.3 Notice and Resolution of Claims.

(a) Notices. Each person or entity entitled to indemnification pursuant to Section 3.1 or 3.2 (an "Indemnitee") shall give written notice to the party from whom such indemnification is sought (the "Indemnifying Party") promptly after obtaining knowledge of any claim that it may have under Section 3.1 or 3.2, as applicable. The notice shall set forth in reasonable detail the claim and the basis for indemnification. Failure to give written notice in a timely manner shall not release the Indemnifying Party from its obligations under Section 3.1 or 3.2, as applicable, except to the extent that such failure materially prejudices the ability of the Indemnifying Party to contest the claim.

(b) Defense of Third Party Claims. If a claim for indemnification pursuant to Section 3.1 or 3.2 shall arise from a demand, claim, action, suit, proceeding or investigation by a third party (a "Third Party Claim"), the Indemnifying Party may assume the defense of the Third Party Claim, provided the Indemnifying Party proceeds with diligence and in good faith with respect thereto. If the Indemnifying Party assumes the defense of the Third Party Claim, the defense shall be conducted by counsel chosen by the Indemnifying Party, provided that the Indemnitee shall retain the right to employ its own counsel and participate in the defense of the Third Party Claim at its own expense (which will not be recoverable from the Indemnifying Party under this Article III or otherwise). In addition, the Indemnitee may employ separate counsel, and the Indemnifying Party shall bear the expenses of such separate counsel, if (i) in the written opinion of counsel chosen by the Indemnifying Party, use of that counsel would be expected to give rise to a conflict of interest, (ii) the Indemnifying Party shall not have employed counsel to represent the Indemnified Party within a reasonable time after notice of the assertion of any such claim or institution of any such action or proceeding, or (iii) the Indemnifying Party shall authorize the Indemnified Party in writing to employ separate counsel at the expense of the Indemnifying Party. In no event shall the Indemnifying Party be obligated to pay the fees and expenses of more than one counsel (together with any reasonably necessary local counsel) for all Indemnified Parties with respect to any claim indemnified under this Article III. Notwithstanding the foregoing provisions of this Section 3.3(b), (i) no Indemnifying Party shall be entitled to settle any Third Party Claim for which indemnification is sought under this Article III without the Indemnitee's prior written consent unless as part of such settlement the Indemnitee is fully and unconditionally released from all liability and Losses with respect to the Third Party Claim and the settlement does not impose any equitable remedy on the Indemnitee, or require the Indemnitee to admit any wrongdoing, and (ii) no Indemnitee shall be entitled to settle any Third Party Claim for which indemnification is sought under Section 3.1 or Section 3.2 without the Indemnifying Party's prior written consent unless as part of the settlement the Indemnifying Party is fully and unconditionally released from all liability and Losses with respect to the Third Party Claim and the settlement does not impose any equitable remedy on the Indemnifying Party, or require the Indemnifying Party to admit any wrongdoing.

Seller agrees to instruct all of its respective officers, employees, agents and other representatives who shall have access to any of the information to which the foregoing undertaking relates to maintain the confidentiality of all such information and agrees to be responsible for such persons' compliance with the obligations set forth herein.

2.2 Representations and Warranties of Seller. Seller represents and warrants to Purchaser as follows:

(a) Organization. Seller is a corporation duly organized, validly existing and in good standing under the laws of the State of New York. Seller has the requisite corporate power to own its properties and to conduct its business as it is currently being conducted.

(c) Consents and Approvals. No consent, approval or authorization of, or declaration or filing with, or notice to, any Governmental Entity or any other person or entity which has not been received or made, is required by or with respect to Seller in connection with the execution and delivery of this Agreement by Seller or the consummation by Seller of the transactions contemplated hereby except for any consents, approvals, authorizations, filings or notices which, if not made or obtained, would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on Seller's ability to perform its obligations under this Agreement or on Purchaser's ability to exercise its rights as a first priority, perfected secured party under any of the Security Documents after the Closing (a "Seller Material Adverse Effect").

(d) No Violation. Neither the execution and delivery by Seller of this Agreement nor the consummation by Seller of the transactions contemplated hereby will constitute a breach or default under (or an event which, with the lapse of time or the giving of notice, or both, could constitute a breach or default) or violate or conflict with any oral or written contract, agreement or instrument to which Seller is a party or by which any of its assets may be bound, limited or otherwise affected, or under any order, judgment, decree or writ applicable to Seller or any of its assets, except to the extent any such breach, default, violation or conflict would not reasonably be expected to have, individually or in the aggregate, a Seller Material Adverse Effect.

(e) Documentation. Set forth on Part I of Schedule 2.2(e) attached hereto is a true and complete listing of each document, agreement, instrument or writing evidencing, creating or amending, modifying, supplementing or waiving any provision of the Secured Note or any of the liens or security interests securing the Secured Note (collectively, the "Note Documentation"). Contemporaneously with the execution and delivery of this Agreement, Seller has delivered to Purchaser a true, correct and complete copy of each document, agreement, instrument or writing evidencing the Note Documentation and the same has been so certified in writing by Seller. Edgar Filing: EASYLINK SERVICES CORP - Form SC 13D/A

(f) Title to Securities and Related Property. Neither the sale and delivery of the Secured Note as contemplated by this Agreement nor the assignment of the Related Property is subject to any preemptive right or right of first refusal, "tag along" or similar right, or right of redemption (except by payment in full of all amounts due thereunder in cash) or repurchase. Seller owns all record and beneficial title, right and interest in and to the Secured Note and is the sole and exclusive beneficiary of each of the Security Documents. Upon delivery of the Secured Note to Purchaser as provided in Section 1.4, Purchaser will acquire sole beneficial ownership of the Secured Note and the Related Property, and upon registration of the transfer of the Secured Note and the Related Property with the Company or its transfer agent, as appropriate and if required, Purchaser will acquire sole record ownership of the Secured Note, free and clear of all Liens (other than restrictions and applicable restrictive legends under applicable federal and state securities laws).

(g) Security Interests. Subject only to the Working Capital Loan (as defined in that certain Modification Agreement, effective as of June 1, 2001, between Seller and the Company (the "Modification Agreement")), Seller has a valid, perfected first priority security interest in those assets of the Company and its subsidiaries covered by the Security Documents which may be perfected by the filing of UCC financing statements. Seller has a valid, perfected first priority security interest in those assets of the Company and its subsidiaries covered by the Security Documents which may be perfected by possession. With respect to any security interest perfected by possession of the relevant asset, Seller has at all times been in possession of such assets (other than the certificates representing shares of stock identified on Schedule 2.2(g) hereof), without interruption. With respect to all other property subject to a security interest, lien, charge, hypothecation or other rights of Seller pursuant to any of the Note Documentation, Seller has made all filings and taken all actions necessary to perfect a valid and enforceable security interest in all such other property, and has maintained all such filings and continued and renewed all actions necessary to maintain such status.

(h) Assets Subject to Security Interests. Other than replacements for, accessions or accretions thereto, after-acquired property, and assets physically located outside of the United States, the assets subject to the security interests referred to in Section 2.2(g) were sold, conveyed, transferred and assigned by Seller to (i) Swift EasyLink Co., Inc., a Delaware corporation and now known as EasyLink Services USA, Inc., and (ii) Swift Telecommunications, Inc. a New York corporation that was merged with and into ML Acquisition Corp., a Delaware corporation, pursuant to that certain Agreement and Plan of Merger dated as of January 31, 2001, by and among Mail.com, Inc. (n/k/a EasyLink Services Corporation), ML Acquisition Corp., Swift Telecommunications, Inc. and its sole shareholder, and all of such assets continue to be owned and held by such corporations.

Edgar Filing: EASYLINK SERVICES CORP - Form SC 13D/A

payment or in right of security with the Secured Note or any of the assets or collateral securing the same pursuant to the Security Documents. Seller has not entered into any agreement of any nature with any lender to the Company relating in any manner to the Secured Note or any other indebtedness of the Company, including without limitation any subordination or intercreditor agreement.

(B) There is no right of offset, diminution or abatement or any valid defense or counterclaim to the obligations of the Company or any other party under the Secured Note or any of the other Note Documentation and no defense, counterclaim or right of offset or rescission has been asserted or is threatened against Seller by the Company with respect to the Secured Note, any of the Note Documentation or any of the collateral securing the Secured Note pursuant to the Security Documents. Seller has not taken any action or engaged in any course of conduct that (i) could cause the Secured Note, the indebtedness evidenced thereby or any of the security interests granted pursuant to the Security Documents to be contractually or equitably subordinated to any other claim against the Company or any of its affiliates, its or their assets or any property or assets securing the Secured Note or to be subordinated to any such other claim under any other equitable theory, or (ii) could constitute a waiver of (or could estop Purchaser or its assignee from asserting) any of the rights or remedies of the lender or secured party under the Secured Note or any of the Security Documents. The Liens granted pursuant to the Security Documents are not subject to expungement, avoidance or reduction on any grounds whatsoever.

(k) Sophistication of Seller. Seller (i) has the requisite knowledge and experience in investment and business matters to be capable of evaluating the merits and risks of an investment in the Purchaser Warrant and has relied on the Purchaser's public filings in making its decision to purchase the Purchaser Warrant; (ii) is an "accredited investor" as defined in Rule 501 under Regulation D promulgated under the Securities Act; (iii) understands that the Purchaser Warrant and the shares of Purchaser common stock issuable thereunder have not been registered under the Securities Act or the securities or similar laws of any state, and are being sold to Purchaser in reliance on the exemptions therefrom and in reliance on the representations and warranties of Purchaser contained herein; (iv) is acquiring the Purchaser Warrant for its own account without a view to a distribution or resale thereof; and (v) understands that its ability to transfer the Purchaser Warrant and the shares of Purchaser common stock issuable thereunder is restricted under applicable state and federal securities laws.

(l) Broker's Fee. Seller has not made any agreement or taken any other action which might cause anyone to become entitled to a broker's or finder's fee or commission as a result of the transactions contemplated under this Agreement.

(m) Status of Agreements with the Company. Schedule 2.2(m) sets forth (i) a list of each instrument or agreement to which Seller or any of its subsidiaries or affiliates (each a "Seller Party") and the Company or any of its subsidiaries or affiliates (each a "Company Party") is a party that provides for the payment or receipt of amounts in excess of \$20,000 per month in the aggregate or under which any Seller Party has paid or received amounts in excess

Edgar Filing: EASYLINK SERVICES CORP - Form SC 13D/A

No Seller Party to any such instrument or agreement is in breach or default thereof and, to the knowledge of Seller, no Company Party is in breach or default thereof.

(n) Full Disclosure. Neither this Agreement nor any other document, agreement, instrument or writing delivered by or on behalf of Seller in connection with the transactions contemplated hereby or thereby contains any untrue statement of the material fact or omits to state a material fact necessary in order to make the statements contained herein and therein, viewed as a whole, in light of the circumstances under which they were made, not misleading.

III. INDEMNIFICATION

3.1 Seller's Indemnity. Seller agrees to indemnify and hold harmless Purchaser and its directors, officers, employees, shareholders and agents (the "Purchaser Indemnitees") from and against any and all liabilities, losses (including diminution of value), claims, damages (including amounts paid in settlement), costs and expenses (including, without limitation, costs of investigation and reasonable attorneys' fees and disbursements) (collectively, "Losses") incurred by them as a result of or based upon or arising out of (i) any breach of any representation, warranty, covenant or agreement of Seller under this Agreement, (ii) the successful or unsuccessful assertion by the Company or any creditor of the Company of any defense, claim or counterclaim that is based upon or arises out of any actual or alleged act or omission of Seller or any affiliate of Seller occurring on or before the Closing Date, or (iii) any failure of Purchaser (other than due to the conduct of Purchaser) to have a valid, perfected, first priority security interest in the capital stock and assets of the Company and its subsidiaries covered by the Security Documents.

3.2 Purchaser's Indemnity. Purchaser agrees to indemnify and hold harmless Seller and its directors, officers, employees, shareholders and agents (the "Seller Indemnitees") from and against any and all Losses incurred by them as a result of, or based upon or arising from any breach of any representation, warranty, covenant or agreement of Purchaser under this Agreement.

3.3 Notice and Resolution of Claims.

(a) Notices. Each person or entity entitled to indemnification pursuant to Section 3.1 or 3.2 (an "Indemnatee") shall give written notice to the party from whom such indemnification is sought (the "Indemnifying Party") promptly after obtaining knowledge of any claim that it may have under Section 3.1 or 3.2, as applicable. The notice shall set forth in reasonable detail the claim and the basis for indemnification. Failure to give written notice in a timely manner shall not release the Indemnifying Party from its obligations under Section 3.1 or 3.2, as applicable, except to the extent that such failure materially prejudices the ability of the Indemnifying Party to contest the claim.

(b) Defense of Third Party Claims. If a claim for indemnification pursuant to Section 3.1 or 3.2 shall arise from a demand, claim, action, suit, proceeding or investigation by a third party (a "Third Party Claim"), the Indemnifying Party may assume the defense of the Third Party Claim, provided the Indemnifying Party proceeds with diligence and in good faith with respect thereto. If the Indemnifying Party assumes the defense of the Third Party Claim, the defense shall be conducted by counsel chosen by the Indemnifying Party,

Edgar Filing: EASYLINK SERVICES CORP - Form SC 13D/A

provided that the Indemnitee shall retain the right to employ its own counsel and participate in the defense of the Third Party Claim at its own expense (which will not be recoverable from the Indemnifying Party under this Article III or otherwise). In addition, the Indemnitee may employ separate counsel, and the Indemnifying Party shall bear the expenses of such separate counsel, if (i) in the written opinion of counsel chosen by the Indemnifying Party, use of that counsel would be expected to give rise to a conflict of interest, (ii) the Indemnifying Party shall not have employed counsel to represent the Indemnified Party within a reasonable time after notice of the assertion of any such claim or institution of any such action or proceeding, or (iii) the Indemnifying Party shall authorize the Indemnified Party in writing to employ separate counsel at the expense of the Indemnifying Party. In no event shall the Indemnifying Party be obligated to pay the fees and expenses of more than one counsel (together with any reasonably necessary local counsel) for all Indemnified Parties with respect to any claim indemnified under this Article III. Notwithstanding the foregoing provisions of this Section 3.3(b), (i) no Indemnifying Party shall be entitled to settle any Third Party Claim for which indemnification is sought under this Article III without the Indemnitee's prior written consent unless as part of such settlement the Indemnitee is fully and unconditionally released from all liability and Losses with respect to the Third Party Claim and the settlement does not impose any equitable remedy on the Indemnitee, or require the Indemnitee to admit any wrongdoing, and (ii) no Indemnitee shall be entitled to settle any Third Party Claim for which indemnification is sought under Section 3.1 or Section 3.2 without the Indemnifying Party's prior written consent unless as part of the settlement the Indemnifying Party is fully and unconditionally released from all liability and Losses with respect to the Third Party Claim and the settlement does not impose any equitable remedy on the Indemnifying Party, or require the Indemnifying Party to admit any wrongdoing.

4.5 Assignment. This Agreement will apply to, inure to the benefit of, and be binding upon and enforceable against the parties to this Agreement and their respective legal representatives, successors and permitted assigns.
