On September 14, 2006, the New York Stock Exchange notified Alltel Corporation that the company did not meet the requirements of Section 303A.03 of the NYSE's Listed Company Manual, which requires disclosure of the method for interested parties to communicate with non-management directors, because Alltel's Proxy Statement for its 2006 Annual Meeting of Stockholders, in the section titled "Board and Board Committee Matters," disclosed how stockholders may communicate with non-management directors without clarifying that such method of communication was available to all interested third parties.
