4.04 Holiday Due Dates. Except as otherwise expressly provided in this Agreement, whenever any payment to be made by Borrower hereunder shall be stated to be due on a day other than a Banking Day, such payment shall be made on the next succeeding Banking Day, and such extension of time shall in such case be included in the computation of such payment.

If any such obligation is imposed upon Borrower with respect to any amount payable by it hereunder, the Borrower will pay to the Lender, on the date on which the said amount becomes due and payable hereunder, such additional amount as shall be necessary to enable Lender to receive the same net amount which it would have received on such due date had no such obligation been imposed upon the Borrower. Borrower will indemnify Lender, on demand, for the full amount of any such taxes, charges or similar levies paid by Lender or any liability (including penalties, interest and expenses) arising therefrom or with respect thereto whether or not such taxes, charges or similar levies were correctly or legally asserted. Provided that Borrower shall have no obligation to pay (a) taxes imposed on Lender by the jurisdiction under the laws of which Lender is organized or in which it is doing business, or any political subdivision thereof, (b) taxes imposed on Lender's net income or gross receipts, and (c) franchise taxes imposed on Lender.

4.07 Survival. Certain Contingencies

15.01 Regulatory. If, after the date of this Agreement, there shall be any increase in the cost to the Lender, due to either (i) the introduction of or any change in any law or regulation (or the interpretation thereof by regulatory authorities) or (ii) compliance with any written guideline or written request from any central bank or other governmental authority having jurisdiction over the Lender (whether or not such guideline or request has the force of law), of agreeing to make or making, funding or maintaining the Loans to Borrower, then Borrower shall, from time to time, upon such notice by such Lender, pay to such Lender additional amounts sufficient to reimburse such Lender for such increased cost. If Lender incurs such increased cost it shall certify the same to the Borrower, and such certification shall be conclusive and binding in the absence of manifest error.

-40-

If, after the date of this Agreement, Lender shall have determined that the adoption of any (or "phase-in" of present) applicable law, rule or regulation regarding capital requirements for banks or bank holding companies, or any change therein, or any change in the interpretation or administration thereof by any governmental authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by the Lender with any request or directive of such entity regarding capital adequacy (whether or not having the force of law) has the effect of reducing the return on the Lender's capital to a level below that which the Lender could have achieved (taking into consideration the Lender's policies with respect to capital adequacy immediately before such adoption, change or compliance and assuming that the Lender's capital was fully utilized prior to and following such adoption, change or compliance) but for such adoption, change or compliance as a consequence of such Lender's commitments arising under Article II, by any amount deemed by the Lender to be material, Borrower shall pay to the Lender as an additional fee from time-to-time, on demand, such amount as the Lender certifies to the Borrower to be the amount that will compensate for such reduction. A certificate of the Lender to the Borrower claiming compensation under this Section shall be conclusive in the absence of manifest error. Such certificate shall set forth the nature of the occurrence, giving rise to such compensation the additional amount or amounts to be paid to it hereunder, and the method by which such amounts were determined. In determining such amount, the Lender may use any reasonable averaging and attribution methods.

ARTICLE XVI

Termination

16.01 Termination. On the Termination Date, the Revolving Credit shall become immediately due and payable in full without notice or demand, notwithstanding any terms of payment in any promissory note or other instrument evidencing such Obligations. Lender is in no way obligated to extend or to consider extending the Termination Date.

16.02 Continued Rights. Notwithstanding payment of the Revolving Credit, or termination of this Agreement, until all Obligations shall have been fully paid, performed and satisfied, all rights of Lender arising under the Loan Documents shall continue, and all obligations of Borrower arising under the Loan Documents shall continue.

SECURITY AGREEMENT

THIS SECURITY AGREEMENT is made as of the ____ day of October, 2003, by and between LINCOLN LOGS LTD. ("Debtor") and FIRST PIONEER FARM CREDIT, ACA ("Lender").

W I T N E S S E T H T H A T:

1. Debtor and the Lender are entering into a certain Revolving Credit and Loan Agreement on even date herewith (as the same may be amended, restated, replaced, supplemented or otherwise modified from time to time, the "Loan Agreement"). Capitalized terms used herein and not otherwise defined shall have the respective meanings ascribed to them in the Loan Agreement.

2. It is a condition to the Lender's obligations under the Loan Agreement to provide the financing contemplated thereby that the Debtor shall have granted to the Lender the security interests contemplated hereby. The Debtor wishes to grant to the Lender such liens and security interests.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the parties hereto hereby agree as follows:

Section 1. The Security Interests.

(a) In order (i) to secure the due and punctual payment of the Obligations (as defined below), the Loans and all interest, fees and charges from time to time coming due under the Loan Agreement and/or the Notes; and (ii) to secure the due and punctual payment and performance of all obligations of Debtor contained herein; and (iii) to secure the due and punctual payment and performance of all indebtedness, obligations and liabilities of Debtor contained in the Loan Agreement, the Loan Documents and in all other agreements executed or delivered by Debtor in connection with or as contemplated by the Loan Agreement; and (iv) to secure the due and punctual payment and performance of all other indebtedness, liabilities and obligations of Debtor to Lender of every kind and description, whether direct, indirect or contingent, whether now existing or hereafter arising or incurred, whether due or to become due, whether otherwise secured or unsecured and howsoever evidenced, incurred or arising, including, without limitation, all indebtedness, liabilities and obligations evidenced or arising pursuant to any promissory note, loan agreement, equipment lease, conditional sales agreement, consignment agreement, guaranty, overdraft, bankers' acceptance, forward contract, foreign exchange contract, letter of credit reimbursement agreement or any other agreement or instrument which may at any time be executed or issued for Debtor's account or to which Debtor is now or hereafter may become a party (all of the foregoing being hereinafter collectively called the "Obligations"), Debtor hereby grants to Lender a continuing security interest in the following described property, whether now existing or hereafter arising (hereinafter collectively called the "Collateral"):

All tangible and intangible personal property of Debtor wherever located, in each case whether now owned or hereafter acquired by Debtor, or in which Debtor may now have or hereafter acquire an interest including the following:

- (1) all inventory (as such term is defined in the UCC), including all merchandise, raw materials, work in process, parts, components, supplies and all goods returned to or repossessed by Debtor;
- (2) all accounts (as such term is defined in the UCC), accounts

Edgar Filing: LINCOLN LOGS LTD - Form 8-K

receivable, other receivables, evidences of indebtedness, notes, drafts, acceptances, contract rights, leases, chattel paper and electronic chattel paper (as such terms are defined in the UCC), and general intangibles (as such term is defined in the UCC), and payment intangibles (as such term is defined in the UCC) including, without limitation, all collateral and security therefor (including, without limitation, all guarantees, letters of credit, liens and security interests in favor of Debtor), tax refund claims, licenses and permits to the extent assignable, rights to the payment of money, and all supporting obligations therefor;

(3) all equipment (as such term is defined in the UCC), and in any event all tools, machinery, furniture, trade fixtures, and all fixtures;

(4) all instruments, documents of title, policies and certificates of insurance, bank deposits, deposit accounts, checking accounts, and cash;

(5) all crops, farm products (whether growing, to be grown or harvested), and the products and proceeds thereof, whether commingled or processed therefrom or otherwise;

(6) all standing timber that is to be cut and removed under a conveyance or contract for sale;

(7) all commercial tort claims;

(8) all accessions, additions and improvements to, and all proceeds and products of, all of the foregoing, including proceeds of insurance, whether commingled, processed or otherwise;

(9) all books, records, documents, computer tapes and discs relating to all of the foregoing;

(10) all recoveries, awards, claims, choses in action that the Debtor has or may have and any proceeds related thereto; and

(11) all proceeds, including insurance proceeds, of the foregoing.

-2-

(b) All of Debtor's accounts, accounts receivable, contract rights, chattel paper, electronic chattel paper, payment intangibles, general intangibles and rights to the payment of money, and all supporting obligations therefor, and all proceeds thereof, are sometimes hereinafter collectively called the "Customer Receivables". All of Debtor's inventory, standing timber, equipment and fixtures and other goods are sometimes hereinafter collectively called the "Tangible Collateral".

(c) The security interests granted pursuant to this Section 1 (the "Security Interests") are granted as security only and shall not subject Lender to, or transfer to Lender, or in any way affect or modify, any obligation or liability of Debtor under any of the Collateral or any transaction that gave rise thereto.

Section 2. Chattel Paper.

Lender may at any time or from time to time, in its sole discretion, require Debtor to cause any chattel paper included in the Customer Receivables to be delivered to Lender or any agent or representative designated by it, or to cause a legend referring to the Security Interests to be placed on such chattel paper and upon any ledgers or other records

Edgar Filing: LINCOLN LOGS LTD - Form 8-K

concerning the Customer Receivables.

Section 3. Filing; Further Assurances.

Lender is authorized, and hereby confirms authority previously given, to authenticate deliver, file and record, at Debtors expense, financing statements including financing statements indicating "all assets" as collateral, any specific assignments or other paper that may be reasonably necessary or desirable, or that Lender may request, in order to create, confirm, preserve, perfect or validate any Security Interest or to enable Lender to exercise and enforce its rights and remedies hereunder or under applicable law with respect to any of the Collateral. Debtor hereby appoints Lender as Debtor's attorney-in-fact to authenticate in the name and on behalf of Debtor documents as Lender may at any time require in respect of the Collateral.

Section 4. Debtor's Representations and Warranties.

Debtor hereby represents and warrants to Lender as follows:

(a) Except as specifically described in the Loan Agreement or on Exhibit A hereto, Debtor is, or to the extent that certain of the Collateral is to be acquired after the date hereof, will be, the owner of the Collateral free from any adverse lien, security interest or encumbrance.

(b) Except for such financing statements as may be described in the Loan Agreement or on Exhibit A hereto, no financing statement covering the Collateral is on file in any public office, other than the financing statements naming Lender as secured Party.

-3-

(c) All additional information, representations and warranties contained in Exhibit B hereto, and any Schedules and attachments to said Exhibit B, are true, accurate, and complete on the date hereof.

Section 5. Debtor's Covenants.

Debtor hereby covenants and agrees with Lender that Debtor will:

(a) Defend the Collateral against all claims and demands of all Persons (as defined in the Loan Agreement) at any time claiming any interest therein.

(b) Provide Lender, prior written notice of any event or occurrence which would render any warranty or information contained in Exhibit B hereto inaccurate or incomplete.

(c) Immediately notify Lender of any event causing a substantial loss or diminution in the value of all or any material part of the Collateral and the amount or an estimate of the amount of such loss or diminution.

(d) Not sell or offer to sell or otherwise assign, transfer or dispose of the Collateral or any interest therein, without Lender's prior written consent; provided, however, that Debtor may sell inventory in the ordinary course of its business, but other Collateral only in accordance with Section 8.02 of the Loan Agreement.

(e) Except as otherwise permitted by the Loan Agreement or as otherwise indicated on Exhibit A hereto, keep the Collateral free from any adverse

Edgar Filing: LINCOLN LOGS LTD - Form 8-K

lien, security interest or encumbrance and in good order and repair, reasonable wear and tear excepted, and not waste or destroy the Collateral or any part thereof.

(f) Not use the Collateral in violation of applicable law or of any policy of insurance applicable thereto.

(g) Except as otherwise permitted by the Loan Agreement, not change its name, identity or structure (by merger, consolidation, reincorporation, reorganization or otherwise) without Lender's prior written consent.

(h) Promptly pay any and all taxes, assessments and governmental charges upon the Collateral prior to the date penalties are attached thereto, except to the extent that such taxes, assessments and charges shall be contested in good faith by Debtor, adequate reserves having been set aside therefor, and payment of such contested taxes being made prior to the institution of any enforcement proceeding which could adversely affect the Security Interests or the Collateral.

(i) Have and maintain insurance at all times with respect to the Tangible Collateral against risks of fire (including so-called extended coverage) and theft, and such other risks as Lender may reasonably require in writing, containing such terms, in such form, in such amounts, for such periods, and

-4-

written by such companies as may be reasonably satisfactory to Lender, such insurance to name Lender as "additional insured" and "mortgagee" thereunder and to be payable to Lender and Debtor as their respective interests may appear pursuant to Loss Payable Endorsements in form acceptable to Lender. All policies of insurance shall provide for thirty (30) days' prior written notice to Lender of cancellation or material amendment of the policies, and Debtor shall furnish Lender with certificates or other evidence satisfactory to Lender of compliance with the foregoing insurance provisions. Debtor shall notify Lender of any material change in the insurance maintained with respect to the Tangible Collateral and shall furnish Lender satisfactory evidence of any such change. Without limiting any other remedies available to Lender, in the event Debtor shall default in the performance of its obligations under this paragraph (i), Lender, at its option, may effect such insurance coverage with an insurer acceptable to Lender and add the premium(s) paid therefor to the Obligations secured hereby, and the amount of such premium(s) shall be payable by Debtor on demand with interest thereon at the highest rate payable under the agreements evidencing the Obligations.

Section 6. Records Relating to Collateral.

Debtor will keep its records concerning the Collateral, including the Customer Receivables and all chattel paper included in the Customer Receivables, at its offices at executive offices set forth on Exhibit B, or at such other place or places of business as Lender may approve in writing. Debtor will hold and preserve such records and chattel paper and will permit Lender's representatives at any time during normal business hours to examine and inspect the Collateral and to make abstracts from such records and chattel paper, and will furnish to Lender such information and reports regarding the Collateral as Lender may from time to time reasonably request.

Section 7. Collections with Respect to Customer Receivables.

Debtor will, at its expense, and subject at all times to Lender's right to give reasonable directions and instructions:

Edgar Filing: LINCOLN LOGS LTD - Form 8-K

(i) endeavor to collect or cause to be collected from customers indebted on Customer Receivables, as and when due, any and all amounts, including interest, owing under or on account of each Customer Receivable; and

(ii) take or cause to be taken such appropriate action to repossess goods, the sale or rental of which gave rise to any Customer Receivable, and to enforce any rights or liens under Customer Receivables, in the name of Debtor or Lender, as Lender may deem proper;

provided, however, that (a) Debtor will at all times use its best judgment to protect the interests of Lender, and (b) Debtor shall not be required under this Section 7 to take any action which would be contrary to any applicable law or court order. Debtor shall, at Lender's request following the occurrence of an Event of Default, notify Debtor's account debtors of the Security Interests in

-5-

the Customer Receivables and Lender may itself at any such time so notify account debtors. Lender shall have full power at any time after such notice to collect, compromise, endorse, sell or otherwise deal with any or all outstanding Customer Receivables or the proceeds thereof in the name of either Lender or Debtor, as Lender shall determine. In the event that, after notice to any account debtors to pay Lender, Debtor receives any payment on a Customer Receivable, all such payments shall be held by Debtor in trust for Lender and immediately turned over to Lender.

Section 8. General Authority.

Debtor hereby irrevocably appoints Lender Debtor's true and lawful attorney, with full power of substitution, in the name of Debtor, Lender or otherwise, for the sole use and benefit of Lender, but at Debtor's expense, to the extent permitted by law to exercise, at any time and from time to time after any Event of Default has occurred, all or any of the following powers with respect to all or any of the Collateral (which power shall be in addition and supplemental to any powers, rights and remedies of Lender described herein or otherwise available to Lender under applicable law):

(i) to demand, sue for, collect, receive and give acquittance for any and all moneys due or to become due upon or by virtue thereof,

(ii) to receive, take, endorse, assign and deliver any and all checks, notes, drafts, documents and other negotiable and non-negotiable instruments and chattel paper taken or received by Lender in connection therewith,

(iii) to settle, compromise, compound, prosecute or defend any action or proceeding with respect thereto,

(iv) to sell, transfer, assign or otherwise deal in or with the same or the proceeds or avails thereof or any related goods securing the Customer Receivables, as fully and effectually as if Lender were the absolute owner thereof,

(v) to extend the time of payment of any or all thereof and to make any allowance and other adjustments with reference thereto, and

(vi) to discharge any taxes, liens, security interests or other encumbrances at any time placed thereon.

Edgar Filing: LINCOLN LOGS LTD - Form 8-K

The power conferred on Lender under this Section 8 is solely to protect, realize upon and enforce Lender's Security Interests and rights and remedies in respect to the Collateral and shall not impose any duty upon Lender to exercise such power.

-6-

Section 9. Events of Default.

Debtor shall be in default under this Security Agreement upon the occurrence of any one or more of the following events (each such event is herein referred to as an "Event of Default"):

- (a) default by Debtor in the payment, observance or performance of any obligation, covenant or agreement herein contained, or breach by Debtor of any representation or warranty herein contained; or
- (b) nonpayment when due (allowing for any express periods of grace) of any of the Obligations, or the occurrence of any (other) "Event of Default" as defined in the Loan Agreement, or a default under any agreement now or hereafter securing the Loans, the Loan Agreement, the Notes, or any other Loan Documents, or in any other agreement now or hereafter evidencing or securing any of the Obligations (allowing for any express periods of grace).

Section 10. Remedies Upon Event of Default.

(a) If any Event of Default shall have occurred, Lender may exercise all the rights and remedies of a secured party under the UCC (whether or not the UCC is in effect in the jurisdiction where such rights and remedies are exercised) and, in addition, Lender may, without being required to give any notice, except as herein provided or as may be required by mandatory provisions of law, (i) apply the cash, if any, then held by it as Collateral in the manner specified in Section 11 hereof, and (ii) if there shall be no such cash or if such cash shall be insufficient to pay all the Obligations in full, sell the Collateral, or any part thereof, at public or private sale or at any broker's board or on any securities exchange, for cash, upon credit or for future delivery, and at such price or prices as Lender may deem satisfactory.

(b) Lender may require Debtor to assemble all or any part of the Collateral and make it available to Lender at a place to be designated by Lender that is reasonably convenient. Any holder of an Obligation may be the purchaser of any or all of the Collateral so sold at any public sale (and, if the Collateral is of a type customarily sold in a recognized market or is of a type which is the subject of widely distributed standard price quotations, at any private sale) and thereafter hold the same absolutely, free from any right or claim of whatsoever kind. Upon any such sale Lender shall have the right to deliver, assign and transfer to the purchaser thereof the Collateral so sold. Lender shall have the right to store the Collateral on the premises of the Debtor, without rent or charge whatsoever. Each purchaser at any such sale shall hold the Collateral so sold absolutely, free from any claim or right of whatsoever kind, including any equity or right of redemption of Debtor.

(c) Upon the occurrence of an Event of Default, the Lender shall have the right to enter upon the premises of the Debtor where the Collateral is located (or is believed to be located), or any other place or places where the Collateral is believed to be located, without incurring any obligation to pay rent to the Debtor, and remove the Collateral from such premises to the premises of the Lender or its agent, for such time as the Lender may desire, in order to

effectively collect or liquidate the Collateral. The Lender may also require the Debtor to assemble the Collateral and make it available to the Lender at a place or places to be designated by the Lender. The Debtor expressly agrees that the Lender may, if necessary to enter the premises where the Collateral is located and remove the Collateral from such premises, without further notice to Debtor: (i) hire Debtor's employees to assist in the loading and transportation of such Collateral; and (ii) utilize Debtor's equipment in such operation. Debtor agrees that any action by Lender described herein shall be deemed to have been authorized by Debtor and shall not be a breach of the peace or trespassing.

(d) Unless the Collateral to be sold is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market, Lender shall give Debtor at least ten (10) days' prior written notice of its intention to make any such public or private sale or sale at a broker's board or on a securities exchange. Lender and Debtor agree that such notice constitutes "reasonable notification" within the meaning of the UCC. Such notice, in case of a public sale, shall state the time and place fixed for such sale, and in case of sale at a broker's board or on a securities exchange, shall state the board or exchange at which such sale is to be made and the day on which the Collateral, or the portion thereof so being sold, will first be offered for sale at such board or exchange. Such notice, in case of a private sale or disposition, shall state the time after which any private sale or other intended disposition is to be made.

(e) Any such public sale shall be held at such time or times within ordinary business hours and at public or private place or places as Lender may fix in the notice of such sale. At any public or private sale, the Collateral may be sold in one lot as an entirety or in separate parcels, as Lender may determine. Lender shall not be obligated to make such sale pursuant to any such notice. Lender may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for the sale, and such sale may be made at any time or place to which the same may be adjourned. In case of any sale of all or any part of the Collateral on credit or for future delivery, the Collateral so sold may be retained by Lender until the selling price is paid by the purchaser thereof, but Lender shall not incur any liability in case of the failure of such purchaser to take up and pay for the Collateral so sold and, in case of any such failure, such Collateral may again be sold upon like notice.

(f) Lender, instead of exercising the power of sale herein conferred upon it, may proceed by a suit or suits at law or in equity to foreclose the Security Interests and sell the Collateral, or any portion thereof, under a judgment or decree of a court or courts of competent jurisdiction.

(g) All rights and remedies contained herein shall be separate and cumulative and in addition to all other rights and remedies available to a secured party under applicable law, and the exercise of one shall not in any way limit or prejudice the exercise of any other such rights or remedies.

Section 11. Application of Collateral and Proceeds.

The proceeds of any sale of, or other realization upon, all or any

Edgar Filing: LINCOLN LOGS LTD - Form 8-K

part of the Collateral shall be applied in the following order of priorities:

(a) first, to pay the expenses of such sale or other realization, including reasonable commission to Lender's agent, and all expenses, liabilities and advances incurred or made by Lender in connection therewith, and any other unreimbursed expenses for which Lender is to be reimbursed pursuant to Section 12 hereof;

(b) second, to the payment of the Obligations in accordance with the Loan Agreement; and

(c) finally, unless applicable law otherwise provides, to pay to Debtor, or its successors or assigns, or as a court of competent jurisdiction may direct, any surplus then remaining from such proceeds.

Section 12. Expenses; Lender's Lien.

Debtor will forthwith upon demand pay to Lender:

(a) the amount of any taxes which Lender may at any time be required to pay by reason of the Security Interests (including any applicable transfer taxes and taxes payable in connection with the filing of financing statements to perfect the Security Interests) or to free any of the Collateral from any lien thereon, and

(b) the amount of any and all reasonable out-of-pocket expenses, including reasonable attorneys' fees and the reasonable fees and disbursements of any agents not regularly in its employ, which Lender may incur in connection with (i) the preparation and administration of this Security Agreement, (ii) the collection, sale or other disposition of any of the Collateral, (iii) the exercise by Lender of any of the powers, rights or remedies conferred upon it hereunder, or (iv) any default on Debtor's part hereunder.

Section 13. Termination of Security Interests; Release of Collateral.

Upon the repayment and performance in full of all the Obligations and Lender's receipt of a writing signed by Debtor terminating all obligations of Lender to extend credit or provide financial accommodations to Debtor, the Security Interests shall terminate and all rights to the Collateral shall revert to Debtor. Upon any such termination of the Security Interests or release of Collateral, Lender will, at Debtor's expense to the extent permitted by law, execute and deliver to Debtor such documents as Debtor shall reasonably request to evidence the termination of the Security Interests or the release of such Collateral, as the case may be.

-9-

Section 14. Notices.

All notices, communications and demands hereunder shall be in writing and shall be given in the manner and with the effect provided for notices under the Loan Agreement. Notices shall be given to the respective addresses provided in the Loan Agreement, subject to the right of each party to designate another address as provided in the Loan Agreement.

Section 15. Waivers; Non-Exclusive Remedies.

(a) Except as otherwise specifically provided herein, Debtor hereby waives demand, notice, protest, notice of acceptance of this Security Agreement,

Edgar Filing: LINCOLN LOGS LTD - Form 8-K

notice of loans made, credit extended, collateral received or delivered or other action taken in reliance hereon (and all other demands and notice of any description). With respect to both the Obligations and the Collateral, Debtor hereby assents to any extension or postponement of the time of payment or any other indulgence, to any substitution, exchange or release of Collateral, to the addition or release of any party or person primarily or secondarily liable, to the acceptance of partial payment thereon and the settlement, compromising or adjusting of any thereof, all in such manner and at such time or times as Lender may deem advisable.

(b) Except as otherwise provided by applicable law, Lender shall not have any duty as to the collection or protection of the Collateral or any income thereon, nor as to the preservation of rights against prior parties, nor as to the preservation of any rights pertaining thereto beyond the safe custody of any Collateral in its possession. Except as otherwise provided by applicable law, Lender may exercise its rights with respect to the Collateral without resorting or regard to other collateral or sources of reimbursement for liability. Except as otherwise provided by applicable law, Lender shall not be required to marshal any present or future security for (including, but not limited to, this Security Agreement and the Collateral subject to the Security Interests created hereby), or guaranties of, the Obligations or any of them, or to resort to such security or guarantees in any particular order; and all of its rights hereunder and in respect of such security and guarantees shall be cumulative and in addition to all other rights, however existing or arising. To the extent that it lawfully may do so, Debtor hereby agrees that it will not invoke any law relating to the marshalling of collateral which might cause delay in or impede the enforcement of Lender's rights under this Security Agreement or under any other instrument evidencing any of the Obligations or under which any of the Obligations is outstanding or by which any of the Obligations is secured or guaranteed, and to the extent that it lawfully may do so, Debtor hereby irrevocably waives the benefits of all such laws.

(c) No failure on the part of Lender to exercise, and no delay in exercising, and no course of dealing with respect to, any right, power or remedy under this Security Agreement shall operate as a waiver thereof; nor shall any single or partial exercise by Lender of any right, power or remedy under this Security Agreement preclude any other right, power or remedy. The remedies in this Security Agreement are cumulative and are not exclusive of any other remedies provided by law, including any rights of setoff in favor of Lender.

-10-

(d) Debtor, to the extent it may lawfully do so, hereby consents to the jurisdiction of the courts of The State of New York and the Federal District Court for The State of New York for the purpose of any suit or proceeding brought in connection with or with respect to this Security Agreement.

Section 16. Changes in Writing.

Neither this Security Agreement nor any provision hereof may be changed, waived, discharged or terminated orally but only by a statement in writing signed by the party against which enforcement of the change, waiver, discharge or termination is sought.

Section 17. Governing Law; Meaning of Terms.

This Security Agreement shall be construed in accordance with and governed by the laws of The State of New York. Unless otherwise defined

Edgar Filing: LINCOLN LOGS LTD - Form 8-K

herein or in the Loan Agreement, or unless the context clearly otherwise requires, all terms used herein which are defined in the UCC as in effect in New York have the meanings therein stated.

Section 18. Separability.

If any provision hereof is invalid or unenforceable in any jurisdiction, the other provisions hereof shall remain in full force and effect in such jurisdiction and shall be liberally construed in favor of Lender.

Section 19. Successors and Assigns.

This Security Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, including, without limitation, any subsequent holders of the Notes or any of the Obligations, each of whom shall, without further act, become a Secured Party by becoming a holder of any of the Notes or such Obligations.

SECURITY AGREEMENT
(U.S. Subsidiaries)

THIS SECURITY AGREEMENT is made as of the ____ day of October, 2003, by and between those entities signing this agreement (each and collectively, the "Debtor") and FIRST PIONEER FARM CREDIT, ACA ("Lender").

W I T N E S S E T H T H A T:

1. Lincoln Logs Ltd. ("Borrower") and the Lender are entering into a certain Revolving Credit and Loan Agreement on even date herewith (as the same may be amended, restated, replaced, supplemented or otherwise modified from time to time, the "Loan Agreement"). Capitalized terms used herein and not otherwise defined shall have the respective meanings ascribed to them in the Loan Agreement.

2. It is a condition to the Lender's obligations under the Loan Agreement to provide the financing contemplated thereby that the Debtor shall have granted to the Lender the security interests contemplated hereby. Proceeds of Loans will be used for the benefit of Debtor. The Debtor wishes to grant to the Lender such liens and security interests.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the parties hereto hereby agree as follows:

Edgar Filing: LINCOLN LOGS LTD - Form 8-K

Section 1. The Security Interests.

(a) In order (i) to secure the due and punctual payment of the Obligations (as defined below), the Loans and all interest, fees and charges from time to time coming due under the Loan Agreement and/or the Notes; and (ii) to secure the due and punctual payment and performance of all obligations of Debtor contained herein; and (iii) to secure the due and punctual payment and performance of all indebtedness, obligations and liabilities of Borrower contained in the Loan Agreement, the Loan Documents and in all other agreements executed or delivered by Borrower or Debtor in connection with or as contemplated by the Loan Agreement; and (iv) to secure the due and punctual payment and performance of all other indebtedness, liabilities and obligations of Borrower or Debtor to Lender of every kind and description, whether direct, indirect or contingent, whether now existing or hereafter arising or incurred, whether due or to become due, whether otherwise secured or unsecured and howsoever evidenced, incurred or arising, including, without limitation, all indebtedness, liabilities and obligations evidenced or arising pursuant to any promissory note, loan agreement, equipment lease, conditional sales agreement, consignment agreement, guaranty, overdraft, bankers' acceptance, forward contract, foreign exchange contract, letter of credit reimbursement agreement or any other agreement or instrument which may at any time be executed or issued for Debtor's account or to which Debtor is now or hereafter may become a party (all of the foregoing being hereinafter collectively called the "Obligations"), Debtor hereby grants to Lender a continuing security interest in the following described property, whether now existing or hereafter arising (hereinafter collectively called the "Collateral"):

All tangible and intangible personal property of Debtor wherever located, in each case whether now owned or hereafter acquired by Debtor, or in which Debtor may now have or hereafter acquire an interest including the following:

- (1) all inventory (as such term is defined in the UCC), including all merchandise, raw materials, work in process, parts, components, supplies and all goods returned to or repossessed by Debtor;
- (2) all accounts (as such term is defined in the UCC), accounts receivable, other receivables, evidences of indebtedness, notes, drafts, acceptances, contract rights, leases, chattel paper and electronic chattel paper (as such terms are defined in the UCC), and general intangibles (as such term is defined in the UCC), and payment intangibles (as such term is defined in the UCC) including, without limitation, all collateral and security therefor (including, without limitation, all guarantees, letters of credit, liens and security interests in favor of Debtor), tax refund claims, licenses and permits to the extent assignable, rights to the payment of money, and all supporting obligations therefor;
- (3) all equipment (as such term is defined in the UCC), and in any event all tools, machinery, furniture, trade fixtures, and all fixtures;
- (4) all instruments, documents of title, policies and certificates of insurance, bank deposits, deposit accounts, checking accounts, and cash;
- (5) all crops, farm products (whether growing, to be grown or harvested), and the products and proceeds thereof, whether commingled or processed therefrom or otherwise;
- (6) all standing timber that is to be cut and removed under a conveyance or contract for sale;
- (7) all commercial tort claims;

Edgar Filing: LINCOLN LOGS LTD - Form 8-K

- (8) all accessions, additions and improvements to, and all proceeds and products of, all of the foregoing, including proceeds of insurance, whether commingled, processed or otherwise;
- (9) all books, records, documents, computer tapes and discs relating to all of the foregoing;
- (10) all recoveries, awards, claims, choses in action that the Debtor has or may have and any proceeds related thereto; and
- (11) all proceeds, including insurance proceeds, of the foregoing.

-2-

(b) All of Debtor's accounts, accounts receivable, contract rights, chattel paper, electronic chattel paper, payment intangibles, general intangibles and rights to the payment of money, and all supporting obligations therefor, and all proceeds thereof, are sometimes hereinafter collectively called the "Customer Receivables". All of Debtor's inventory, standing timber, equipment and fixtures and other goods are sometimes hereinafter collectively called the "Tangible Collateral".

(c) The security interests granted pursuant to this Section 1 (the "Security Interests") are granted as security only and shall not subject Lender to, or transfer to Lender, or in any way affect or modify, any obligation or liability of Debtor under any of the Collateral or any transaction that gave rise thereto.

Section 2. Chattel Paper.

Lender may at any time or from time to time, in its sole discretion, require Debtor to cause any chattel paper included in the Customer Receivables to be delivered to Lender or any agent or representative designated by it, or to cause a legend referring to the Security Interests to be placed on such chattel paper and upon any ledgers or other records concerning the Customer Receivables.

Section 3. Filing; Further Assurances.

Lender is authorized, and hereby confirms authority previously given, to authenticate deliver, file and record, at Debtors expense, financing statements including financing statements indicating "all assets" as collateral, any specific assignments or other paper that may be reasonably necessary or desirable, or that Lender may request, in order to create, confirm, preserve, perfect or validate any Security Interest or to enable Lender to exercise and enforce its rights and remedies hereunder or under applicable law with respect to any of the Collateral. Debtor hereby appoints Lender as Debtor's attorney-in-fact to authenticate in the name and on behalf of Debtor documents as Lender may at any time require in respect of the Collateral.

Section 4. Debtor's Representations and Warranties.

Debtor hereby represents and warrants to Lender as follows:

(a) Except as specifically described on Exhibit A hereto, Debtor is, or to the extent that certain of the Collateral is to be acquired after the date hereof, will be, the owner of the Collateral free from any adverse lien, security interest or encumbrance.

Edgar Filing: LINCOLN LOGS LTD - Form 8-K

(b) Except for such financing statements as may be described on Exhibit A hereto, no financing statement covering the Collateral is on file in any public office, other than the financing statements naming Lender as secured Party.

-3-

(c) All additional information, representations and warranties contained in Exhibit B hereto, and any Schedules and attachments to said Exhibit B, are true, accurate, and complete on the date hereof.

Section 5. Debtor's Covenants.

Debtor hereby covenants and agrees with Lender that Debtor will:

(a) Defend the Collateral against all claims and demands of all Persons (as defined in the Loan Agreement) at any time claiming any interest therein.

(b) Provide Lender, prior written notice of any event or occurrence which would render any warranty or information contained in Exhibit B hereto inaccurate or incomplete.

(c) Immediately notify Lender of any event causing a substantial loss or diminution in the value of all or any material part of the Collateral and the amount or an estimate of the amount of such loss or diminution.

(d) Not sell or offer to sell or otherwise assign, transfer or dispose of the Collateral or any interest therein, without Lender's prior written consent; provided, however, that Debtor may sell inventory in the ordinary course of its business, and Collateral only (i) for fair value, if it becomes obsolete to Debtor's business, or (ii) to Borrower or an Affiliate.

(e) Except as otherwise indicated on Exhibit A hereto, keep the Collateral free from any adverse lien, security interest or encumbrance and in good order and repair, reasonable wear and tear excepted, and not waste or destroy the Collateral or any part thereof.

(f) Not use the Collateral in violation of applicable law or of any policy of insurance applicable thereto.

(g) Except as otherwise permitted by the Loan Agreement, not change its name, identity or structure (by merger, consolidation, reincorporation, reorganization or otherwise) without Lender's prior written consent.

(h) Promptly pay any and all taxes, assessments and governmental charges upon the Collateral prior to the date penalties are attached thereto, except to the extent that such taxes, assessments and charges shall be contested in good faith by Debtor, adequate reserves having been set aside therefor, and payment of such contested taxes being made prior to the institution of any enforcement proceeding which could adversely affect the Security Interests or the Collateral.

(i) Have and maintain insurance at all times with respect to the Tangible Collateral against risks of fire (including so-called extended coverage) and theft, and such other risks as Lender may reasonably require in writing, containing such terms, in such form, in such amounts, for such periods, and written by such companies as may be reasonably satisfactory to Lender, such

-4-

Edgar Filing: LINCOLN LOGS LTD - Form 8-K

insurance to name Lender as "additional insured" and "mortgagee" thereunder and to be payable to Lender and Debtor as their respective interests may appear pursuant to Loss Payable Endorsements in form acceptable to Lender. All policies of insurance shall provide for thirty (30) days' prior written notice to Lender of cancellation or material amendment of the policies, and Debtor shall furnish Lender with certificates or other evidence satisfactory to Lender of compliance with the foregoing insurance provisions. Debtor shall notify Lender of any material change in the insurance maintained with respect to the Tangible Collateral and shall furnish Lender satisfactory evidence of any such change. Without limiting any other remedies available to Lender, in the event Debtor shall default in the performance of its obligations under this paragraph (i), Lender, at its option, may effect such insurance coverage with an insurer acceptable to Lender and add the premium(s) paid therefor to the Obligations secured hereby, and the amount of such premium(s) shall be payable by Debtor on demand with interest thereon at the highest rate payable under the agreements evidencing the Obligations.

Section 6. Records Relating to Collateral.

Debtor will keep its records concerning the Collateral, including the Customer Receivables and all chattel paper included in the Customer Receivables, at its offices at executive offices set forth on Exhibit B, or at such other place or places of business as Lender may approve in writing. Debtor will hold and preserve such records and chattel paper and will permit Lender's representatives at any time during normal business hours to examine and inspect the Collateral and to make abstracts from such records and chattel paper, and will furnish to Lender such information and reports regarding the Collateral as Lender may from time to time reasonably request.

Section 7. Collections with Respect to Customer Receivables.

Debtor will, at its expense, and subject at all times to Lender's right to give reasonable directions and instructions:

(i) endeavor to collect or cause to be collected from customers indebted on Customer Receivables, as and when due, any and all amounts, including interest, owing under or on account of each Customer Receivable; and

(ii) take or cause to be taken such appropriate action to repossess goods, the sale or rental of which gave rise to any Customer Receivable, and to enforce any rights or liens under Customer Receivables, in the name of Debtor or Lender, as Lender may deem proper;

provided, however, that (a) Debtor will at all times use its best judgment to protect the interests of Lender, and (b) Debtor shall not be required under this Section 7 to take any action which would be contrary to any applicable law or court order. Debtor shall, at Lender's request following the occurrence of an Event of Default, notify Debtor's account debtors of the Security Interests in the Customer Receivables and Lender may itself at any such time so notify

-5-

account debtors. Lender shall have full power at any time after such notice to collect, compromise, endorse, sell or otherwise deal with any or all outstanding Customer Receivables or the proceeds thereof in the name of either Lender or Debtor, as Lender shall determine. In the event that, after notice to any account debtors to pay Lender, Debtor receives any payment on a Customer Receivable, all such payments shall be held by Debtor in trust for Lender and immediately turned over to Lender.

Edgar Filing: LINCOLN LOGS LTD - Form 8-K

Section 8. General Authority.

Debtor hereby irrevocably appoints Lender Debtor's true and lawful attorney, with full power of substitution, in the name of Debtor, Lender or otherwise, for the sole use and benefit of Lender, but at Debtor's expense, to the extent permitted by law to exercise, at any time and from time to time after any Event of Default has occurred, all or any of the following powers with respect to all or any of the Collateral (which power shall be in addition and supplemental to any powers, rights and remedies of Lender described herein or otherwise available to Lender under applicable law):

- (i) to demand, sue for, collect, receive and give acquittance for any and all moneys due or to become due upon or by virtue thereof,
- (ii) to receive, take, endorse, assign and deliver any and all checks, notes, drafts, documents and other negotiable and non-negotiable instruments and chattel paper taken or received by Lender in connection therewith,
- (iii) to settle, compromise, compound, prosecute or defend any action or proceeding with respect thereto,
- (iv) to sell, transfer, assign or otherwise deal in or with the same or the proceeds or avails thereof or any related goods securing the Customer Receivables, as fully and effectually as if Lender were the absolute owner thereof,
- (v) to extend the time of payment of any or all thereof and to make any allowance and other adjustments with reference thereto, and
- (vi) to discharge any taxes, liens, security interests or other encumbrances at any time placed thereon.

The power conferred on Lender under this Section 8 is solely to protect, realize upon and enforce Lender's Security Interests and rights and remedies in respect to the Collateral and shall not impose any duty upon Lender to exercise such power.

-6-

Section 9. Events of Default.

Debtor shall be in default under this Security Agreement upon the occurrence of any one or more of the following events (each such event is herein referred to as an "Event of Default"):

- (a) default by Debtor in the payment, observance or performance of any obligation, covenant or agreement herein contained, or breach by Debtor of any representation or warranty herein contained; or
- (b) nonpayment when due (allowing for any express periods of grace) of any of the Obligations, or the occurrence of any (other) "Event of Default" as defined in the Loan Agreement, or a default under any agreement now or hereafter securing the Loans, the Loan Agreement, the Notes, or any other Loan Documents, or in any other agreement now or hereafter evidencing or securing any of the Obligations (allowing for any express periods of grace).

Section 10. Remedies Upon Event of Default.

- (a) If any Event of Default shall have occurred, Lender may exercise all the rights and remedies of a secured party under the UCC (whether or not

Edgar Filing: LINCOLN LOGS LTD - Form 8-K

the UCC is in effect in the jurisdiction where such rights and remedies are exercised) and, in addition, Lender may, without being required to give any notice, except as herein provided or as may be required by mandatory provisions of law, (i) apply the cash, if any, then held by it as Collateral in the manner specified in Section 11 hereof, and (ii) if there shall be no such cash or if such cash shall be insufficient to pay all the Obligations in full, sell the Collateral, or any part thereof, at public or private sale or at any broker's board or on any securities exchange, for cash, upon credit or for future delivery, and at such price or prices as Lender may deem satisfactory.

(b) Lender may require Debtor to assemble all or any part of the Collateral and make it available to Lender at a place to be designated by Lender that is reasonably convenient. Any holder of an Obligation may be the purchaser of any or all of the Collateral so sold at any public sale (and, if the Collateral is of a type customarily sold in a recognized market or is of a type which is the subject of widely distributed standard price quotations, at any private sale) and thereafter hold the same absolutely, free from any right or claim of whatsoever kind. Upon any such sale Lender shall have the right to deliver, assign and transfer to the purchaser thereof the Collateral so sold. Lender shall have the right to store the Collateral on the premises of the Debtor, without rent or charge whatsoever. Each purchaser at any such sale shall hold the Collateral so sold absolutely, free from any claim or right of whatsoever kind, including any equity or right of redemption of Debtor.

(c) Upon the occurrence of an Event of Default, the Lender shall have the right to enter upon the premises of the Debtor where the Collateral is located (or is believed to be located), or any other place or places where the Collateral is believed to be located, without incurring any obligation to pay rent to the Debtor, and remove the Collateral from such premises to the premises of the Lender or its agent, for such time as the Lender may desire, in order to

-7-

effectively collect or liquidate the Collateral. The Lender may also require the Debtor to assemble the Collateral and make it available to the Lender at a place or places to be designated by the Lender. The Debtor expressly agrees that the Lender may, if necessary to enter the premises where the Collateral is located and remove the Collateral from such premises, without further notice to Debtor: (i) hire Debtor's employees to assist in the loading and transportation of such Collateral; and (ii) utilize Debtor's equipment in such operation. Debtor agrees that any action by Lender described herein shall be deemed to have been authorized by Debtor and shall not be a breach of the peace or trespassing.

(d) Unless the Collateral to be sold is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market, Lender shall give Debtor at least ten (10) days' prior written notice of its intention to make any such public or private sale or sale at a broker's board or on a securities exchange. Lender and Debtor agree that such notice constitutes "reasonable notification" within the meaning of the UCC. Such notice, in case of a public sale, shall state the time and place fixed for such sale, and in case of sale at a broker's board or on a securities exchange, shall state the board or exchange at which such sale is to be made and the day on which the Collateral, or the portion thereof so being sold, will first be offered for sale at such board or exchange. Such notice, in case of a private sale or disposition, shall state the time after which any private sale or other intended disposition is to be made.

Edgar Filing: LINCOLN LOGS LTD - Form 8-K

(e) Any such public sale shall be held at such time or times within ordinary business hours and at public or private place or places as Lender may fix in the notice of such sale. At any public or private sale, the Collateral may be sold in one lot as an entirety or in separate parcels, as Lender may determine. Lender shall not be obligated to make such sale pursuant to any such notice. Lender may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for the sale, and such sale may be made at any time or place to which the same may be adjourned. In case of any sale of all or any part of the Collateral on credit or for future delivery, the Collateral so sold may be retained by Lender until the selling price is paid by the purchaser thereof, but Lender shall not incur any liability in case of the failure of such purchaser to take up and pay for the Collateral so sold and, in case of any such failure, such Collateral may again be sold upon like notice.

(f) Lender, instead of exercising the power of sale herein conferred upon it, may proceed by a suit or suits at law or in equity to foreclose the Security Interests and sell the Collateral, or any portion thereof, under a judgment or decree of a court or courts of competent jurisdiction.

(g) All rights and remedies contained herein shall be separate and cumulative and in addition to all other rights and remedies available to a secured party under applicable law, and the exercise of one shall not in any way limit or prejudice the exercise of any other such rights or remedies.

-8-

Section 11. Application of Collateral and Proceeds.

The proceeds of any sale of, or other realization upon, all or any part of the Collateral shall be applied in the following order of priorities:

(a) first, to pay the expenses of such sale or other realization, including reasonable commission to Lender's agent, and all expenses, liabilities and advances incurred or made by Lender in connection therewith, and any other unreimbursed expenses for which Lender is to be reimbursed pursuant to Section 12 hereof;

(b) second, to the payment of the Obligations in accordance with the Loan Agreement; and

(c) finally, unless applicable law otherwise provides, to pay to Debtor, or its successors or assigns, or as a court of competent jurisdiction may direct, any surplus then remaining from such proceeds.

Section 12. Expenses; Lender's Lien.

Debtor will forthwith upon demand pay to Lender:

(a) the amount of any taxes which Lender may at any time be required to pay by reason of the Security Interests (including any applicable transfer taxes and taxes payable in connection with the filing of financing statements to perfect the Security Interests) or to free any of the Collateral from any lien thereon, and

(b) the amount of any and all reasonable out-of-pocket expenses, including reasonable attorneys' fees and the reasonable fees and disbursements of any agents not regularly in its employ, which Lender may incur in connection with (i) the preparation and administration of this Security Agreement,

Edgar Filing: LINCOLN LOGS LTD - Form 8-K

(ii) the collection, sale or other disposition of any of the Collateral, (iii) the exercise by Lender of any of the powers, rights or remedies conferred upon it hereunder, or (iv) any default on Debtor's part hereunder.

Section 13. Termination of Security Interests; Release of Collateral.

Upon the repayment and performance in full of all the Obligations and Lender's receipt of a writing signed by Debtor terminating all obligations of Lender to extend credit or provide financial accommodations to Debtor, the Security Interests shall terminate and all rights to the Collateral shall revert to Debtor. Upon any such termination of the Security Interests or release of Collateral, Lender will, at Debtor's expense to the extent permitted by law, execute and deliver to Debtor such documents as Debtor shall reasonably request to evidence the termination of the Security Interests or the release of such Collateral, as the case may be.

-9-

Section 14. Notices.

All notices, communications and demands hereunder shall be in writing and shall be given in the manner and with the effect provided for notices under the Loan Agreement. Notices shall be given to: as to Debtor, to its executive office, or in care of the Borrower, and as to Lender, to the address provided in the Loan Agreement, subject to the right of each party to designate another address by notice.

Section 15. Waivers; Non-Exclusive Remedies.

(a) Except as otherwise specifically provided herein, Debtor hereby waives demand, notice, protest, notice of acceptance of this Security Agreement, notice of loans made, credit extended, collateral received or delivered or other action taken in reliance hereon (and all other demands and notice of any description). With respect to both the Obligations and the Collateral, Debtor hereby assents to any extension or postponement of the time of payment or any other indulgence, to any substitution, exchange or release of Collateral, to the addition or release of any party or person primarily or secondarily liable, to the acceptance of partial payment thereon and the settlement, compromising or adjusting of any thereof, all in such manner and at such time or times as Lender may deem advisable.

(b) Except as otherwise provided by applicable law, Lender shall not have any duty as to the collection or protection of the Collateral or any income thereon, nor as to the preservation of rights against prior parties, nor as to the preservation of any rights pertaining thereto beyond the safe custody of any Collateral in its possession. Except as otherwise provided by applicable law, Lender may exercise its rights with respect to the Collateral without resorting or regard to other collateral or sources of reimbursement for liability. Except as otherwise provided by applicable law, Lender shall not be required to marshal any present or future security for (including, but not limited to, this Security Agreement and the Collateral subject to the Security Interests created hereby), or guaranties of, the Obligations or any of them, or to resort to such security or guaranties in any particular order; and all of its rights hereunder and in respect of such security and guaranties shall be cumulative and in addition to all other rights, however existing or arising. To the extent that it lawfully may do so, Debtor hereby agrees that it will not invoke any law relating to the marshalling of collateral which might cause delay in or impede the enforcement of Lender's rights under this Security Agreement or under any other instrument evidencing any of the Obligations or under which any of the Obligations is outstanding or by which any of the Obligations is secured or guaranteed, and to the extent that it

Edgar Filing: LINCOLN LOGS LTD - Form 8-K

lawfully may do so, Debtor hereby irrevocably waives the benefits of all such laws.

(c) No failure on the part of Lender to exercise, and no delay in exercising, and no course of dealing with respect to, any right, power or remedy under this Security Agreement shall operate as a waiver thereof; nor shall any single or partial exercise by Lender of any right, power or remedy under this Security Agreement preclude any other right, power or remedy. The remedies in this Security Agreement are cumulative and are not exclusive of any other remedies provided by law, including any rights of setoff in favor of Lender.

-10-

(d) Debtor, to the extent it may lawfully do so, hereby consents to the jurisdiction of the courts of The State of New York and the Federal District Court for The State of New York for the purpose of any suit or proceeding brought in connection with or with respect to this Security Agreement.

Section 16. Changes in Writing.

Neither this Security Agreement nor any provision hereof may be changed, waived, discharged or terminated orally but only by a statement in writing signed by the party against which enforcement of the change, waiver, discharge or termination is sought.

Section 17. Governing Law; Meaning of Terms.

This Security Agreement shall be construed in accordance with and governed by the laws of The State of New York. Unless otherwise defined herein or in the Loan Agreement, or unless the context clearly otherwise requires, all terms used herein which are defined in the UCC as in effect in New York have the meanings therein stated.

Section 18. Separability.

If any provision hereof is invalid or unenforceable in any jurisdiction, the other provisions hereof shall remain in full force and effect in such jurisdiction and shall be liberally construed in favor of Lender.

Section 19. Successors and Assigns.

This Security Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, including, without limitation, any subsequent holders of the Notes or any of the Obligations, each of whom shall, without further act, become a Secured Party by becoming a holder of any of the Notes or such Obligations.

Section 20. Headings.

The headings in this Security Agreement are for the purposes of reference only and shall not limit or otherwise affect the meaning hereof.

Section 21. Counterparts.

This Security Agreement may be executed in any number of counterparts and by the different parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same agreement.

Edgar Filing: LINCOLN LOGS LTD - Form 8-K

-11-

Section 22. Joint and Several.

The obligations of the Debtor (which term includes each and all of them) hereunder are joint and several.

Section 23. Waiver of Jury Trial.

EACH OF DEBTOR AND SECURED PARTY HEREBY EXPRESSLY WAIVES TRIAL BY JURY IN ANY ACTION BROUGHT ON OR WITH RESPECT TO THIS SECURITY AGREEMENT OR THE TRANSACTIONS SECURED HEREBY.
