Item 8.01 Other Events.

Throughout this document, AT&T Inc. is referred to as "we" or "AT&T." We are filing this Form 8-K as required and in connection with the filing of registration statements on Form S-4 in respect of offers to exchange registered debt securities for certain previously issued privately offered debt securities. We are required in this Form 8-K to recast certain financial information included in our Annual Report on Form 10-K for the year ended December 31, 2017, which predominately relates to accounting changes discussed below. Other than for these updates, no other substantive changes have been made to our previously filed 2017 Form 10-K, which should be read in conjunction with this Form 8-K.

The accounting changes included in this filing reflect the retrospective application shown in our Form 10-Q for the period ended June 30, 2018, as follows:

**Pension and Other Postretirement Benefits** ASU No. 2017-07, "Compensation – Retirement Benefits (Topic 715): Improving the Presentation of Net Periodic Pension Cost and Net Periodic Postretirement Benefit Cost" (ASU 2017-07). We are no longer allowed to present interest, estimated return on assets and amortization of prior service credits components of our net periodic benefit cost in our consolidated operating expenses, but rather are required to include those amounts in "other income (expense) – net" in our consolidated statements of income.

**Cash Flows** ASU No. 2016-15, "Statement of Cash Flows (Topic 230): Classification of Certain Cash Receipts and Cash Payments" (ASU 2016-15). Under ASU 2016-15, we continue to recognize cash receipts on owned equipment installment receivables as cash flows from operations. However, cash receipts on the deferred purchase price are now required to be classified as cash flows from investing activities instead of cash flows from operating activities.

Under ASU No. 2016-18, "Statement of Cash Flows (Topic 230) – Restricted Cash," (ASU 2016-18), we are required to include restricted cash in our reconciliation of beginning and ending cash and cash equivalents (restricted and unrestricted) on the face of the statements of cash flows.

Our recast Annual Report on Form 10-K for the year ended December 31, 2017, also includes the transfer of certain products between reportable segments, an example of which was to move individual wireless accounts with employer discounts to Consumer Mobility from Business Solutions.

This Form 8-K is being filed only for the purposes described above. No other information in the Form 10-K has been revised. In order to preserve the nature and character of the disclosures set forth in the Form 10-K, the items included in Exhibit 99.1 of this Form 8-K have been updated solely for matters relating specifically to the matters described above. No attempt has been made in this Form 8-K, and it should not be read to modify or update other disclosures as presented in the Form 10-K, to reflect events or occurrences after the date of the filing of the Form 10-K, on February 20, 2018. Therefore, this Form 8-K should be read in conjunction with the Form 10-K and the Company's filings made with the SEC subsequent to the filing of the Form 10-K, including the Company's Quarterly Reports on Form 10-Q for the quarters ended March 31, 2018 and June 30, 2018. References in the attached exhibits to the Form 10-K or parts thereof refer to the Form 10-K for the year ended December 31, 2017, filed on February 20, 2018, except to the extent portions of such Form 10-K have been revised in this Form 8-K, in which case, they refer to the applicable revised portion in this Form 8-K.

For further information on developments since the filing of our 2017 Form 10-K, refer to our Quarterly Reports on Form 10-Q for the quarters ended March 31, 2018 and June 30, 2018 and our Form 8-K filed subsequent to the 2017 Form 10-K.
