 - Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))
-

Item 2.02 Results of Operations and Financial Condition.

On March 10, 2017, Oil-Dri Corporation of America (the “Registrant”) issued a press release announcing its results of operations for its second quarter ended January 31, 2017. A copy of the press release is attached as Exhibit 99.1 and the information contained therein is incorporated herein by reference. The information contained in this Item 2.02, including Exhibit 99.1, shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934 (the “Exchange Act”), and it shall not be deemed incorporated by reference into any filing under the Exchange Act or the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such filing.

Item 8.01 Other Events.

Set forth below is a supplement to the description of the litigation under Item 3, “Legal Proceedings”, in the Annual Report on Form 10-K filed by the Registrant with the Securities and Exchange Commission on October 7, 2016.

On February 3, 2015, the Registrant brought suit in the United States District Court for the Northern District of Illinois, Eastern Division, against Nestlé Purina PetCare Company (“Nestlé”) seeking monetary damages and injunctive relief based on Nestlé’s alleged infringement of a patent held by the Registrant. In response, Nestlé filed a petition for Inter Partes Review (“IPR”) with the Patent Trial and Appeal Board (“PTAB”) of the United States Patent and Trademark Office to challenge certain of the claims in the Registrant’s patent. Nestlé obtained a stay of the lawsuit in district court until the PTAB agreed to consider Nestlé’s petition and issued its substantive decision on the IPR’s patent challenges.

The PTAB agreed to consider Nestlé’s petition, and on June 20, 2016, issued an order stating that Nestlé had not shown by a preponderance of the evidence that any of the challenged claims in the Registrant’s patent are unpatentable. In July 2016, Nestlé filed a motion for reconsideration of the PTAB’s decision, which was denied in February 2017 and has since been appealed by Nestlé. The stay of the Registrant’s lawsuit in district court was lifted, but Nestlé is currently seeking another stay until the pending appeal is decided.

In addition, on September 23, 2016, the Registrant brought another suit in the United States District Court for the Northern District of Illinois, Eastern Division, against Nestlé seeking monetary damages and injunctive relief based on Nestlé’s alleged infringement of a patent issued in 2016 to the Registrant.

Item 9.01 Financial Statements and Exhibits.
