#### DEREGISTRATION OF SECURITIES

This Post-Effective Amendment No. 2 relates to the Post-Effective Amendment No. 1 on Form S-8 (Registration No. 333-85609) filed on September 22, 1999 (the "Form S-8 Registration Statement") and the Form S-4 Registration Statement (Registration No. 333-85609) filed on August 20, 1999 (the "Form S-4 Registration Statement"), each filed by Dial Global, Inc. (the "Company"), which was formerly known as Westwood One, Inc..

The Company amended the Form S-4 Registration Statement by filing the Form S-8 Registration Statement relating to the sale of up to 3,062,729 shares of the Company's common stock issuable upon the exercise of options granted under the following stock option plans of Metro Networks, Inc. ("Metro"):

- 1996 Incentive Stock Option Plan;
- 1997 Stock Option Plan; and
- Nonqualified Stock Option Agreements

On September 22, 1999, Copter Acquisition Corp., a Delaware corporation and a direct, wholly-owned subsidiary of Westwood ("Copter"), merged with and into Metro (the "Merger"), and Metro was the surviving corporation in the Merger. As a result of the Merger, each outstanding share of Metro common stock, with certain exceptions, was converted into the right to receive 1.5 shares of the Company's common stock. In addition, each outstanding option issued pursuant to the Metro stock option plans is no longer exercisable for shares of Metro common stock, but instead, constitutes an option to acquire, on the same terms and conditions as the option would have been exercisable for Metro common stock immediately prior to the consummation of the Merger, subject to certain exceptions, including that the non-employee director nonqualified stock options, which aggregate 70,000 shares, will immediately accelerate, that number of shares of the Company's common stock equal to the product of (x) the aggregate number of shares of Metro common stock for which such Metro stock option was exercisable and (y) 1.5, rounded down to the nearest whole share, if necessary.

The exercise price for each Metro option is equal to the exercise price immediately prior to the effective time of the Merger divided by 1.5, rounded up to the nearest whole cent, if necessary.

This Post-Effective Amendment No. 2 relates only to the shares of the Company's common stock issuable upon the exercise of options under the Metro stock option plans. This Post-Effective Amendment No. 2 hereby terminates the Form S-8 Registration Statement and removes from registration any securities registered thereby which remain unsold as of the date hereof.
