PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

June 11, 2004

INTRODUCTORY STATEMENT

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of proxies for use at the Annual Meeting of Stockholders of Petroleum Development Corporation (the "Company") to be held on June 11, 2004, notice of which is attached, and at any adjournment thereof.

Any stockholder giving the accompanying proxy has the power to revoke it prior to its exercise by filing with the Secretary of the Company a written notice of revocation or a duly executed proxy bearing a later date. Giving the accompanying proxy will not affect your right to vote in person should you find it convenient to attend the Annual Meeting. The presence of a stockholder at the Annual Meeting will not automatically revoke that stockholder's proxy; you must specifically revoke your proxy. Shares represented by proxy will be voted by the proxy holders in accordance with your instructions unless you revoke your proxy or attend the meeting and elect to vote in person. If you sign and return your proxy card without specifying choices, your shares will be voted in accordance with the recommendations of the Board of Directors. If you hold your Company shares in street name, your ability to vote depends on the voting process by the bank, broker or other nominee. Please follow their directions carefully. If you want to vote Company shares that you hold in street name at the Annual Meeting, you must request a legal proxy from your bank, broker or other nominee that holds your shares and present that proxy and proof of identification for entrance to the Annual Meeting.

This Proxy Statement and the proxy were first mailed to stockholders on May 12, 2004. The mailing address of the principal executive offices of the Company is Petroleum Development Corporation, P.O. Box 26, Bridgeport, West Virginia 26330.

The Annual Report to Stockholders for 2003, containing audited financial statements and other information about the Company, accompanies this Proxy Statement.

VOTING SECURITIES

The outstanding voting securities of the Company as of March 31, 2004, consisted of 16,245,484 shares of \$0.01 par value common stock ("Common Stock"). Stockholders of record as of the close of business on May 7, 2004 are entitled to vote. Each stockholder is entitled to one vote for each share of Common Stock held of record on this date. Stockholders are not permitted to cumulate their votes for the election of directors. If a stockholder holds shares through a broker, stock exchange rules prohibit a broker from voting shares held in a brokerage account on some proposals (a "broker non-vote") unless the beneficial owner has given instructions to the broker. Absent instructions from the beneficial owner, a broker is not permitted to vote on Proposal #3 (Approval of the 2004 Long-Term Equity Compensation Plan) and Proposal #4 (Approval of the Non-Employee Director Deferred Compensation Plan). Abstentions and broker non-votes will be counted in the number of shares present in person or represented by proxy for purposes of determining whether a quorum is present but will not be voted on the proposal.

PROPOSAL #1

ELECTION OF DIRECTORS

NASDAQ National Market (NASDAQ) listing standards now require a majority of our board of directors to be independent of the Company and its management. The board of directors is required under these rules to make affirmative independence determinations based on all relevant facts and circumstances as well as under specific rules of NASDAQ. Our Board has affirmatively determined that all members of the Company's board of directors are independent under these rules, except for Mr. Williams and Mr. Riley, who are employees of the Company. The Company's By-Laws provide that the number of directors shall be seven, that the directors of the Company shall be divided into three classes and that, at each annual meeting of stockholders of the Company, successors to the class of directors whose term expires at the annual meeting shall be elected for a three-year term. The classes are staggered so that the term of one class expires each year. Mr. D'Annunzio and Mr. Riley are members of class whose term expires in 2004; Mr. Swoveland is a member of the class whose term expires in 2005 and Mr. Parke was elected by the Board to fill a vacancy in the same class, and Mr. Nestor, Ms. Wakim and Mr. Williams are members of the class whose term expires in 2006. There is no family relationship between any director or executive officer and any other director or executive officer of the Company. There are no arrangements or understandings between any director or officer and any other person pursuant to which such person was selected as an officer. Votes pursuant to the enclosed proxy will be cast, unless authority is withheld, for the election of the three persons named under "Nominees for Terms Expiring 2007 and 2005" below, each of whom is a member of the present Board and each of whom is expected to be able to serve on the Board to be elected at this Meeting. If any of such persons is unwilling or unable to act in such capacity, an event which is not now anticipated, the enclosed proxy will be voted for such other person or persons as the Board of Directors may designate. During 2003, the Board of Directors held nine meetings. No director attended fewer than 75% of the aggregate of all meetings of the Board and the committees, if any, upon which such director served. In 2004 the non-employee directors will meet in executive session, without any management directors or employees present, at least 2 times and at other times as determined by the non-employee directors.

Vote Required

A plurality of the votes cast at the Annual Meeting, represented in person or by proxy, and entitled to vote at the Annual Meeting, is required for the election of directors. Abstentions and broker non-votes will not be considered as votes cast with respect to the election of directors, and therefore any abstentions or broker non-votes will not affect the election of the candidates receiving a plurality of the votes cast.

Committees of the Board of Directors

The Company has four standing committees of the Board of Directors: the Nominating and Governance Committee, the Audit Committee, the Compensation Committee and the Executive Committee. Each Committee Charter referred to below is posted on the Company's website at www.petd.com under "Corporate Governance."

Nominating and Governance Committee

This Committee is comprised of Directors D'Annunzio (Chair), Wakim and Parke all of whom our Board has determined are independent of the Company under Rule 4200(a)(15) of the NASDAQ's listing standards. The Nominating and Governance Committee met 4 times in 2003. The purpose and functions performed by the Committee are to (1) assist the Board by identifying individuals qualified to become Board members and to recommend to the Board the director nominees for the next annual meeting of stockholders or any vacancies; (2) recommend to the Board Corporate Governance Guidelines applicable to the Company; (3) lead the Board in its annual review of the Board's performance and (4) recommend to the Board director nominees for each committee. The Board has adopted a Charter for the Nominating and Governance Committee. The Charter has been posted on the Company's website.

The Company's By-Laws require stockholders who wish to submit to the annual meeting of stockholders nominations of persons for election to the Board of Directors to follow certain procedures. The stockholder must give written notice to the Corporate Secretary at 103 East Main Street, Bridgeport, West Virginia 26330 or may be emailed to board@petd.com, not later than 80 days nor earlier than 90 days prior to the first anniversary of the preceding year's annual meeting. The stockholder must be a stockholder of record at the time the notice is given. The written notice must set forth (a) as to each nominee all information relating to that person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934 (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected); (b) as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination is made (1) the name and address of the stockholder, as they appear on the Company's books, and of such beneficial owner and (2) the class and number of shares of the Company's securities that are beneficially owned by such stockholder and the beneficial owner; and (c) any material interest of such stockholder and such beneficial owner in such nomination.

The Nominating and Governance Committee will also consider stockholder recommendations for nominations to the Board of Directors on the same basis as recommendations from other sources. Stockholders wishing to recommend a candidate may communicate with the board as described in the following paragraph and the "Stockholder Communication Policy."

Stockholder Recommendations for Director Candidates

The Company's Nominating and Governance Committee will consider director candidates recommended by stockholders of the Company. Any stockholder who wishes to recommend a prospective Board nominee for the Committee to consider should notify the Nominating and Governance Committee of their recommendation by writing to the committee at the Company's headquarters, or by sending the information via email to board@petd.com. All recommendations will be received by the Nominating and Governance Committee. The Company's director nomination procedures are posted on our website at www.petd.com under "Corporate Governance."

The Nominating and Governance Committee evaluates candidates, whether or not recommended by stockholders, based on the candidates' level and diversity of experience and knowledge (including generally and with specific application to the industry in which the Company operates and issues relevant to the Company), skills, education, reputation and integrity, professional stature and other factors that may be relevant depending on the particular candidate and the need, size and composition of the Board at a particular time, including the need to have a broad mixture of skills, experience and perspectives on the Board. Accordingly, one or more of these factors may be given more weight in a particular case at a particular time, no single factor would be viewed as determinative, and the Committee has not specified any minimum qualifications that the Committee believes must be met by any particular nominee. The Nominating and Governance Committee receives recommendations for Board members from professional recruiters, other Board members, personal contacts and industry sources, among other sources.

Stockholder Communications with the Board

Stockholders may communicate with the Board or any member of the Board or its committees regarding any matter by calling, writing to or emailing the Board. The Company has established an email address to allow stockholders to communicate directly with the Board of the Company; the address is board@petd.com and communications are reviewed by a designated independent director of the Company. Any mail addressed to the Board of Directors of the Company will also be reviewed by the designated independent director. The procedures governing these communications may be reviewed on our website at www.petd.com under "Corporate Governance." Communications addressed to a specific committee, director or group of directors, or the non-management directors individually or as a group, will be received by the independent director and forwarded by that person to that committee, director or group of directors. All communications sent to the Board without specified addressees will be received and reviewed by the independent director and forwarded to the appropriate Board member or committee.

Policy Regarding Board Member Attendance. At the recommendation of the Nominating and Governance Committee, the Board has adopted a policy regarding Board Member Attendance at Annual Meetings. The Policy is as follows: "It is the policy of the Company to strongly encourage members to attend the Annual Meeting of the Company." All of the members of the Board of Directors attended the 2003 Annual Meeting.

Code of Business Conduct and Ethics. At the recommendation of the Nominating and Governance Committee, the Board of Directors adopted a revised Code of Business Conduct and Ethics, which is available at the Company's website (www.petd.com, "Corporate Governance"). All directors, officers and employees of the Company must act ethically at all times and in accordance with the policies of the Company's Code of Business Conduct and Ethics. The code includes guidelines relating to the ethical handling of actual or potential conflicts of interest, compliance with laws, accurate financial reporting, and procedures for promoting compliance with, and reporting violations of, the

code.

The functions performed by the Audit Committee include the selection of the Company's independent accountants, determining the compensation of the independent accountants, and overseeing their work; reviewing the scope of the audit to be conducted by the independent accountants and reviewing with the Company's independent accountants the results of audits performed by them; approving audit and non-audit services to be provided to the Company by the independent accountants; and overseeing and reviewing the Company's monthly and quarterly unaudited financial statements. These reviews include the adequacy of cash flow and the status of credit arrangements of the Company. In performing its responsibilities, the Audit Committee monitors the integrity of the Company's financial reporting process and systems of internal controls regarding finance, accounting and legal compliance; monitors the independence of the independent accountants; and provides an avenue of communications among the independent accountants, management and the Board of Directors. The Board of Directors has adopted the Charter of the Audit Committee attached to this Proxy Statement as Exhibit A and also posted on the Company's website. The Board of Directors continues to assess the adequacy of the Charter and expects to adopt revisions to it following the adoption of new corporate governance standards by NASDAQ and SEC rules regarding the responsibilities of the Audit Committee under the Sarbanes-Oxley Act of 2002.

Compensation Committee

The Compensation Committee is comprised of Directors Swoveland (Chair), Nestor and Parke all of whom our Board has determined are independent of the Company under Rule 4200(a)(15) of the NASDAQ's listing standards. and while the Board is not in session, and to implement the policy decisions of the Board. The Board has adopted an Executive Committee Charter which is posted on the Company's website.

Compensation Committee Interlocks and Insider Participation

The members of the Compensation Committee are Directors Swoveland (Chair), Nestor and Parke. There are no relationships that would cause a Compensation Committee interlock as defined under applicable SEC regulations.

Indemnification of Directors and Officers

The Company's By-Laws provide that the Company shall indemnify any director, officer, employee, or other agent of the Company who is or was a party, or is threatened to be made a party, to any proceeding (other than an action by or in the right of the Company to procure a judgment in its favor) by reason of the fact that such person is or was an agent of the Company, against expenses, judgments, fines, settlements, and other amounts actually and reasonably incurred in connection with such proceeding, if that person acted in good faith and in a manner that person reasonably believed to be in the best interest of the Company, and in the case of a criminal proceeding, had no reasonable cause to believe the conduct of that person was unlawful.

The Company has entered into separate indemnification agreements with each of its directors and officers whereby the Company has agreed to indemnify the director or officer against all expenses, including attorneys' fees, and other amounts reasonably incurred by the officer or director in connection with any threatened, pending or completed civil, criminal, administrative or investigative action or proceeding to which such person is party by reason of the fact that he is or was a director or officer, as the case may be, of the Company, if the person acted in good faith and in a manner reasonably believed to be in or not opposed to the best interests of the Company, and, with respect to any criminal action or proceeding, the person had no reasonable cause to believe such conduct to be unlawful. The agreements provide for the advancement of expenses and that the Company has the right to purchase and maintain insurance on behalf of the director or officer against any liability or liabilities asserted against him, whether or not the Company would have the power to indemnify the person against such liability under any provision of the agreement. The Company has agreed to indemnify such person against expenses actually and reasonably incurred in connection with any action in which the person has been successful on the merits or otherwise. Indemnification must also be provided by the Company (unless ordered otherwise by a court) only as authorized in the specific case upon a determination that the indemnification of the person is appropriate because he has met the applicable standard of conduct described in the agreement made by (i) the Board of Directors, by a majority vote of a quorum consisting of directors who are not parties to such action or proceeding, (ii) by independent legal counsel in a written opinion or (iii) the stockholders of the Company.

Director Compensation

Each non-employee director of the Company was paid an annual fee of \$30,000 in 2003 and \$20,000 in 2002 and 2001. Beginning in 2003, employee directors of the Company did not receive a fee for their services as a director of the Company; prior to 2003 each employee director received an annual fee of \$10,000. (1) Includes bonuses earned in the reported fiscal year and paid in the following fiscal year.

(2) In 1994, the Board of Directors approved a deferred compensation arrangement for the Executives Ryan, Williams and Rettinger. See "Employment and Other Agreements and Arrangements." Under the arrangements, each Named Executive could choose to defer any portion of his bonus compensation until retirement or separation from the Company or termination of the plan by the Company. Included are deferred bonuses the Named Executives voluntarily deferred of \$30,000 each in 2002 and \$50,000 for Mr. Ryan and \$150,000 each for Messrs. Williams and Rettinger in 2001. In 2002 and 2001, \$30,000 of the deferred bonus compensation of Messrs.

Williams and Rettinger was utilized to pay the premiums of split-dollar life insurance policies for Messrs. Williams and Rettinger. The Company terminated the deferred compensation plans during the first quarter of 2003 and distributed the amounts previously deferred. Currently, the Company does not have any deferred compensation arrangements. The split-dollar policies have been terminated.

(3) Except with respect to Mr. Ryan in 2002, the dollar value of perquisites and other personal benefits for the Named Executives was less than the established reporting threshold. Additionally, Messrs. Ryan, Williams and Rettinger received fees as directors of the Company in the amount of \$10,000 per year in 2002 and 2001.

(4) The amount includes personal use of a company car of \$1,901, life insurance \$25,338, and medical reimbursement of \$25,967 for 2002.

(5) This amount includes contributions made by the Company under the Company's Employee Profit Sharing Plan and 401(k) plan. In 2003, 2002 and 2001 the Company contributed \$250,000, \$200,000 and \$200,000, respectively, to the Employee Profit Sharing Plan. Of the contributions for 2003, Messrs. Ryan, Rettinger, Williams, Riley and Stearns were each credited \$9,726 and Mr. Stump was credited \$8,634. Of the contributions for 2002 and 2001, Messrs. Ryan, Williams and Rettinger were each credited \$8,167 in 2002 and \$7,846 in 2001. The Company provided a matching of 401(k) contribution based upon all employees respective contributions. The total Company matching contributions were \$305,515, \$288,000 and \$260,800 in 2003, 2002 and 2001. For 2003, Messrs. Ryan, Williams and Riley were each credited with matching contributions of \$12,000. Messrs. Rettinger, Stearns and Stump were credited with matching contributions of \$11,076, \$11,000 and \$4,143, respectively. For 2002 and 2001, Messrs. Ryan, Williams and Rettinger were each credited with matching contributions of \$12,000 in 2002 and \$10,500 in 2001.

(6) This amount includes compensation for Messrs. Riley, Stearns and Stump earned during 2003 while each was an officer of the Company prior to becoming an Executive Officer in November 2003.

(7) Mr. Ryan retired from the Company on December 31, 2003 and was replaced by Steven R. Williams as Chairman and Chief Executive Officer in January 2004.

(8) Mr. Rettinger passed away in October 2003 and was replaced by Darwin L. Stump as Chief Financial Officer and Treasurer in November 2003.

(9) This amount represents the death benefit payable per employment agreement to Mr. Rettinger's Estate upon his death in October 2003.

EXECUTIVE COMPENSATION

Compensation Committee Report

The Compensation Committee of the Board of Directors consists of three independent directors who are not employees of the Company. The Committee reviews the Company's executive compensation program and policies each year and determines the compensation of the executive officers. The committee also administers the Company's Savings and Protection Plan (the "401(k) Plan"), various Employee Stock Option Plans, and the Company's Profit Sharing Plan.

The Committee's overall policy regarding compensation of the Company's executive officers is to provide competitive salary levels and compensation incentives that (i) attract and

retain individuals of outstanding ability in these key positions, (ii) recognize individual performance and the performance of the Company relative to the performance of other companies of comparable size, complexity and quality, and (iii) support both the short-term and long-term goals of the Company. The Compensation Committee believes this approach closely links the compensation of the Company's executives to accomplishments of Company goals that coincide with stockholder objectives.

In addition, the Compensation Committee considers the anticipated tax treatment of the Company's executive compensation program. Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), generally limits the corporate tax deduction for compensation paid to executive officers named in the Summary Compensation Table to \$1 million, unless certain conditions are met. The Company's policy is to qualify all executive compensation for deduction under applicable tax laws to the maximum extent possible.

The compensation program includes three elements that, taken together, constitute a flexible and balanced method of establishing total compensation for the Company's executive officers. These elements are (i) base salary, (ii) annual bonus plan awards, and (iii) long-term incentive awards, which consist of stock based grants from stockholder-approved plans.

Providing Competitive Levels of Compensation.

The Compensation Committee attempts to provide the Company's executives with a total compensation package that is competitive with the market for executives holding comparable positions. The Committee determines a competitive level of compensation for each executive based on information drawn from a variety of sources, including proxy statements of other companies and surveys conducted by compensation consultants. The Compensation Committee retained an independent consultant in 2002 and 2003 to review and provide survey data to compare the Company's executive compensation with compensation levels of companies in an industry peer group. The Committee used that information to develop new employment contracts for Executives to be effective in 2004 and beyond as described in the "Employment and Other Agreements and Arrangements" below.

For 2002 and 2003 the compensation of the CEO and executive officers was determined by the terms of their existing employment agreements and the performance of the Company.

Base Salaries.

The base salaries of the Messrs. Ryan, Williams and Rettinger were determined by their prior employment agreements, and included a "cost of living" increase from the 2002 level. As CEO, Mr. Ryan received a salary of \$204,885 in 2003. Even though Mr. Ryan's salary was fixed by the terms of his employment agreement, his salary was in the lowest 25% of salaries in comparison to a peer group of companies selected by the Company's compensation consultant, while the Company's performance was in the top 25% for most performance measures for the same group.

Annual Performance Bonuses.

The purpose of the annual bonus plan is to provide motivation toward and reward the accomplishment of corporate annual objectives and to provide a competitive compensation package that will attract, reward and retain individuals of the highest quality. As a pay-for-performance plan, cash bonus awards are paid based upon the achievement of corporate performance objectives.

Each of the executive officers, Messrs. Ryan, Williams and Rettinger earned an annual performance bonus based on the Company's performance in accordance with the terms of their employment agreements. During 2003, the CEO, Mr. Ryan, earned a bonus of \$1,312,385. Messrs. Riley, Stearns and Stump earned an annual performance bonus based upon the Company's performance as established by the CEO and President of the Company.

Long-Term Incentive Program. The long-term incentive program is used to focus management attention on Company performance over a period of time longer than one year in recognition of the long-term horizons for return on investments and strategic decisions in the energy industry. The program is designed to motivate management to assist the Company in achieving a high level of long-term performance and serves to link this portion of executive compensation to long-term stockholder value. Pursuant to the long-term incentive program, the Compensation Committee may award stock options to executive officers on an annual basis. No options were awarded to any executive officer of the Company during 2003.

New Executive Employment Agreements

The employment agreements that were in effect during 2003, 2002 and 2001 for Messrs. Ryan, Williams and Rettinger expired on December 31, 2003.

During 2002 and 2003, the Compensation Committee commissioned peer group compensation studies from a nationally recognized executive compensation consultant, retained the services of an attorney specializing in executive compensation agreements, and reviewed survey information to help it structure agreement terms consistent with the compensation goals of the Company.

Although the compensation consultants' report found that the Company has consistently performed at or above the 75th percentile for many performance measures compared to the selected peer group, the Compensation Committee settled on the average of the group salary and bonus compensation to use as its guidelines. Some of the key provisions of Mr. Williams' agreement effective January 1, 2004 include an initial salary level of \$300,000 per year, and a maximum bonus amount equal to the salary. In addition, 75% of the bonus will be based on performance goals established by the Compensation Committee before the beginning of the contract year, with up to 25% of the maximum bonus amount to be awarded at the end of the contract year at the discretion of the Compensation Committee.

The Compensation Committee also established employment agreements effective January 1, 2004 with the Company's three new executive officers, Thomas E. Riley, Eric R. Stearns and Darwin L. Stump. The agreements provide for an annual salary and fixed maximum performance bonus with performance goals similar to that of Mr. Williams' agreement.

Under the terms of the agreements, adjustments to salary and maximum bonus amounts may be made annually by the Compensation Committee at its sole discretion.

Employment and Other Agreements and Arrangements

The Company has entered into employment agreements with Messrs. Williams, Riley, Stearns and Stump effective January 1, 2004. The initial term of the agreements is for two years and shall be automatically extended for an additional 12 months beginning on the first anniversary of the effective date and on each successive anniversary unless either party cancels. The employment agreements provide for a base annual salary for Mr. Williams, Mr. Riley,

Mr. Stearns and Mr. Stump in the amounts of \$300,000, \$240,000, \$220,000 and \$200,000, respectively. Each employment agreement provides for an annual performance bonus, 75% to be based upon written objective criteria approved by the Compensation Committee, determined prior to the beginning of each calendar year and 25% based upon the discretion of the Compensation Committee. The maximum amounts of the entire annual performance bonus are \$300,000 for Mr. Williams and \$140,000 for Messrs. Riley, Stearns and Stump. The agreements provide for retirement compensation equal to \$10,500 per year for each year worked under such contract for 10 years following the date of the termination of service for Mr. Williams and \$7,500 per year for Messrs. Riley, Stearns and Stump.

In the event of a change in control of the Company, each Named Executive has the right to elect to terminate his employment under his employment agreement and receive severance compensation equal to three times the sum of his highest base salary in the previous two years of employment plus highest bonus paid to the named Executive during the same two year period.

Each employment agreement contains a standard non-disclosure covenant. Each employment agreement also provides that the Named Executive is prohibited during the term of his employment and for a period of one year following his termination from engaging in any business that is competitive with the Company's oil and gas drilling business.

The Company has entered into stock redemption agreements with Messrs. Williams, Riley, Stearns and Stump. The agreements require the Company to maintain life insurance policies on each of them in the amount of \$1 million. At the election of the Named Executive's estate or heirs made within one year of such person's death, the Company must utilize the proceeds from such insurance policies to purchase from his estate or heirs all or a portion of his shares of the Company's Common Stock owned by him, including shares subject to outstanding stock options or warrants owned by such Named Executive at the time of his death, up to an aggregate sale price of \$1 million. The purchase price for such shares of Common Stock will be based upon the closing market price for the Company's Common Stock as quoted by Nasdaq of the stock day next preceding the written demand upon the corporation to purchase such shares. The Company is not required to purchase any shares in excess of the amount provided by such insurance policies.

Stock Option Plans

Under the Company's incentive stock option plans, options to purchase shares of Common Stock of the Company may be granted to certain officers and key employees of the Company, which options are intended to qualify as incentive stock options under the provisions of the Internal Revenue Code. The options may be exercised six months after the date of grant. Options will expire ten years from the date of grant if not exercised. A dissolution or liquidation of the Company or a merger or consolidation in which the Company is not the surviving corporation will cause each outstanding option to terminate, provided that each optionee, in such event, will have the right immediately prior to said dissolution or liquidation or merger or consolidation to exercise his option in whole or in part without regard to any installment vesting provisions with respect to such options. All options have been granted under the plans, and no additional options are available for grant under the plans.

The following table shows at December 31, 2003, the number of outstanding options and the weighted average exercise price of those options.

Key-Man Life Insurance

The Company maintains key-man life insurance policies on the life of Mr. Williams in the amount of \$4.0 million, and in the amount of \$1.0 million for Messrs. Riley, Stearns and Stump. The Company is the beneficiary of each policy.

Employee 401(k) and Profit Sharing Plan

In 1987, the Company established a retirement plan qualified under Section 401(k) of the Internal Revenue Code. The plan is funded by employee contributions and a company matching contribution. Administrative costs of the plan are borne by the Company. The employees choose from eight investment programs and, therefore, the amount of an individual's plan assets depends on the amount of their contributions and the performance by their chosen investments.

In 1992, the Company began a Profit Sharing Retirement plan to supplement the 401(k) Plan. Contributions are dependent on corporate profitability and are at the discretion of the Board of Directors of the Company. The Company filed and qualified the plan with the Internal Revenue Service.

Stockholder Performance Graph

The following graph illustrates the cumulative total return on the Company's common stock over a five year period ended December 31, 2003, compared to the cumulative total returns for the same period for the S&P 500 Index and a peer group index. The peer group index consists of 186 Crude Petroleum and Natural Gas Companies. The cumulative total stockholder return computations assume the investment of \$100 in Company common stock, the S&P 500 Index and the peer group index. The table includes the cumulative stockholder return assuming the reinvestment of dividends.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's officers and directors, and persons who own more than 10% of a Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, directors and holders of more than 10% of the Common Stock are required by regulations promulgated by the Commission pursuant to the Exchange Act to furnish the Company with copies of all Section 16(a) forms they file. The Company assists officers and directors, and will assist beneficial owners, if any, of more than 10% of the Common Stock, in complying with the reporting requirements of Section 16(a) of the Exchange Act.

Based solely on its review of the copies of such forms received by it, the Company believes that since January 1, 2003, all Section 16(a) filing requirements applicable to its directors, officers and greater than 10% beneficial owners were met.

Report of the Audit Committee

Audit Committee Report to Stockholders

The Audit Committee of the Board is composed of three directors and operates under a written charter adopted by the Board of Directors. Each member of the committee meets the independence requirements of Rule 4200(a)(15) of the NASDAQ's listing standards. The duties of the Committee are summarized in this proxy statement under "Committees of the Board of Directors" and are more fully described in the charter, which is attached as Exhibit A.

Management is responsible for the Company's internal controls and preparation of the consolidated financial statements in accordance with generally accepted accounting principles. The Company's independent auditor is responsible for performing an independent audit of consolidated financial statements in accordance with generally accepted auditing standards and issuing a report thereon. The Committee's responsibilities include monitoring and overseeing these processes.

In this context, the Committee reviewed and discussed the Company's audited consolidated financial statements for the year ended December 31, 2003 (the "Audited Financial Statements") with management and the Company's independent auditors for 2003, KPMG LLP. The Committee also discussed with KPMG LLP the matters required to be discussed by Statement of Auditing Standards No. 61, as amended (*Communication with Audit Committees*), and KPMG LLP directly provided reports on significant matters to the Committee.

The Committee has received the written disclosures and the letter from KPMG LLP required by Independence Standards Board Standard No. 1 (*Independence Discussion with Audit Committees*), and has discussed with KPMG LLP its independence from the Company. The Committee also considered whether the provision of non-audit services by KPMG LLP was compatible with maintaining the independent auditor's independence.

The Committee has discussed with management and KPMG LLP such other matters and received such assurances from them as the Committee deemed appropriate.

Based on the foregoing review and discussions and relying thereon, the Committee recommended that the Board of Directors include the Audited Financial Statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2003.

In addition, the Committee appointed KPMG LLP as the Company's independent auditor for 2004. This appointment is subject to ratification by the Company's stockholders.

Respectfully,

THE AUDIT COMMITTEE

Pre-Approval Policies and Procedures

The Sarbanes-Oxley Act of 2002 requires that all services provided to the Company by its independent accountants be subject to pre-approval by the Audit Committee or authorized members of the Committee. The Audit Committee has adopted policies and procedures for pre-approval of all audit services and non-audit services to be provided by the Company's independent accountants. Services necessary to conduct the annual audit must be pre-approved by the

Audit Committee annually at a meeting. Permissible non-audit services to be performed by the independent accountant may also be approved on an annual basis by the Audit Committee if they are of a recurring nature. Permissible non-audit services to be conducted by the independent accountant which are not eligible for annual pre-approval must be pre-approved individually by the full Audit Committee or by an authorized Audit Committee member. Actual fees incurred for all services performed by the independent accountant will be reported to the Audit Committee after the services are fully performed. The duties of the Committee are summarized in this Proxy Statement under "Committees of the Board of Directors," above and are more fully described in the Audit Committee Charter, which is attached as Exhibit A to this Proxy Statement.

PROPOSAL #2

RATIFICATION OF SELECTION OF INDEPENDENT ACCOUNTANTS

At the Meeting, the Stockholders of the Company will be asked to ratify the Audit Committee's selection of KPMG LLP as the Company's certified public accountants for the fiscal year ended December 31, 2004. KPMG LLP conducted the audit for the fiscal year ended December 31, 2003. A representative of KPMG LLP will be present at the Meeting, will have an opportunity to make statements if he so desires, and will be available to respond to appropriate questions.

Vote Required

A majority of the votes cast at the Annual Meeting, represented in person or by proxy and entitled to vote at the Annual Meeting, is required for the ratification of the Audit Committee's selection of independent accountants. Abstentions and broker non-votes will not be considered as votes cast with respect to the ratification of the Audit Committee's selection of independent accountants.

THE BOARD OF DIRECTORS RECOMMEND A VOTE "FOR" PROPOSAL #2

PROPOSAL #3

APPROVAL OF THE 2004 LONG-TERM EQUITY COMPENSATION PLAN

The success of the Company depends, in large measure, on its ability to recruit and retain key employees with outstanding ability and experience. The Board of Directors also believes there is a need to align stockholder and employee interests by encouraging employee ownership of Company stock and to motivate employees with compensation conditioned upon achievement of the Company's financial goals.

In order to accomplish these objectives, the Board of Directors has adopted the Petroleum Development Corporation 2004 Long-Term Equity Compensation Plan (the "ECP"). The ECP is being presented to stockholders for approval as required by listing standards of the NASDAQ Stock Market. Approval of the ECP by the stockholders will assure federal income tax deductibility of certain amounts paid under the ECP to certain executives.

The affirmative vote of a majority of the shares of Common Stock cast at the Annual Meeting represented in person or by proxy and entitled to vote at the Annual Meeting is required for approval of the ECP.

Summary Description of the ECP

The following summary of the terms of the ECP is qualified in its entirety by reference to the text of the plan, which is attached as Exhibit B to this Proxy Statement. The ECP was adopted by the Board of Directors effective as of April

27, 2004, subject to your approval.

Administration

The ECP is administered by the Compensation Committee of the Board of Directors (the "Committee").

Eligibility

Officers and key salaried employees of the Company and its subsidiaries are eligible to participate in the ECP. Approximately 20 employees of the Company and its subsidiaries are presently eligible to participate. However, because the ECP provides for broad discretion by the Committee in selecting participants and in making awards, the total number of persons who will participate and the respective benefits to be accorded to them cannot be determined at this time.

Stock Available for Issuance through the ECP

The ECP provides for a number of forms of stock-based compensation, as further described below. Up to 750,000 shares of the Company's common stock, par value \$0.01 per share, are authorized for issuance through the ECP. Shares issued under the ECP may be either authorized but unissued shares (subject to a maximum of 750,000 shares), treasury shares, or any combination thereof. Provisions in the ECP permit the reuse or reissuance by the ECP of shares of common stock underlying canceled, expired, or forfeited awards of stock-based compensation. On March 31, 2004, the closing price for a share of the Company's common stock on the NASDAQ Stock Market was \$28.65.

Stock-based compensation will typically be awarded in consideration for the future performance of services to the Company. At the time of exercise, the full exercise price for a stock option must be paid in cash or, if the Committee so provides, in shares of common stock, by cashless exercise or by any other means designated by the Committee.

Description of Awards under the Plan

The Committee may award to eligible employees incentive and nonqualified stock options, stock appreciation rights, restricted stock, and performance units/performance shares. As separately described below under "Performance Measures", the Committee may also grant awards subject to satisfaction of specific performance goals. The forms of awards are described in greater detail below.

Stock Options

The Committee has discretion to award incentive stock options ("ISOs"), which are intended to comply with Section 422 of the Internal Revenue Code, or nonqualified stock options ("NQSOs"), which are not intended to comply with Section 422 of the Internal Revenue Code. Each option issued under the ECP must be exercised within a period of ten years from the date of the grant, and the exercise price of an option may not be less than the fair market value of the underlying shares of common stock on the date of grant. If an award of stock options or stock appreciation rights is intended to qualify as performance-based compensation under Internal Revenue Code Section 162(m), the maximum number of shares which may be subject to stock options with or without tandem stock appreciation rights, or freestanding stock appreciation rights, granted in any calendar year to any one participant is 100,000. Subject to the specific terms of the ECP, the Committee will have discretion to set such additional limitations on such grants as it deems appropriate.

Options granted to employees under the ECP will expire at such times as the Committee determines at the time of the grant; provided, however, that no option will be exercisable later than ten years from the date of grant. Each option award agreement will set forth the extent to which the participant will have the right to exercise the option following termination of the participant's employment with the Company. The termination provisions will be determined within

the discretion of the Committee, may not be uniform among all participants and may reflect distinctions based on the reasons for termination of employment.

Upon the exercise of an option granted under the ECP, the option price is payable in full to the Company, either: (a) in cash or its equivalent, or (b) if permitted in the award agreement, by tendering shares having a fair market value at the time of exercise equal to the total option price (provided such shares have been held for at least six months prior to their tender), or (c) by any combination of the foregoing methods of payment. The Committee may also allow options granted under the ECP to be exercised by a cashless exercise, as permitted under Federal Reserve Board Regulation T, or any other means the Committee determines to be consistent with the ECP's purpose and applicable law.

Stock Appreciation Rights

The Committee may also award stock appreciation rights ("SARs") under the ECP upon such terms and conditions as it shall establish. The exercise price of a freestanding SAR shall equal the fair market value of a share of common stock on the date of grant while the exercise price of a tandem SAR issued in connection with a stock option shall equal the option price of the related option. If an award of SARs is intended to qualify as performance-based compensation under Internal Revenue Code Section 162(m), the maximum number of shares which may be subject to SARs is described above under "Stock Options".

Restricted Stock

The Committee also may award shares of restricted common stock under the ECP upon such terms and conditions as it shall establish. If an award of Restricted Stock is intended to qualify as performance-based compensation under Internal Revenue Code Section 162(m), the maximum number of shares which may be granted in the form of Restricted Stock in any one calendar year to any one participant is 50,000. The award agreement will specify the period(s) of restriction, the number of shares of restricted common stock granted, restrictions based upon the achievement of specific performance objectives and/or restrictions under applicable federal or state securities laws. Although recipients may have the right to vote these shares from the date of grant, they will not have the right to sell or otherwise transfer the shares during the applicable period of restriction or until earlier satisfaction of other conditions imposed by the Committee in its sole discretion. Participants may receive dividends on their shares of restricted stock and the Committee, in its discretion, will determine how any such dividends are to be paid.

Each award agreement for restricted stock will set forth the extent to which the participant will have the right to retain unvested restricted stock following termination of the participant's employment with the Company. These provisions will be determined in the sole discretion of the Committee, need not be uniform among all shares of restricted stock issued pursuant to the ECP and may reflect distinctions based on reasons for termination of employment. Except in the case of terminations by reason of death or disability, the vesting of restricted stock which qualifies for performance-based compensation under Section 162(m) and which are held by "covered employees" under Section 162(m) shall occur at the time it otherwise would have, but for the employment termination.

Performance Units/Shares

The Committee has the discretion to award performance units and performance shares under the ECP upon such terms and conditions as it shall establish. If an award of performance units or performance shares is intended to qualify as performance-based compensation under Internal Revenue Code Section 162(m), the maximum aggregate payout for awards of performance units or performance shares which may be granted in any one calendar year to any one participant shall be the fair market value of 50,000 shares of common stock. Performance units will have an initial value as determined by the Committee while the performance share will have an initial value equal to one share of common stock. The payout on the number and value of the performance units and performance shares will be a function of the extent to which corresponding performance goals are met.

Performance Measures

The Committee may grant awards under the ECP to eligible employees subject to the attainment of certain specified performance measures. The number of performance-based awards granted to an officer or key employee in any year is determined by the Committee in its sole discretion.

The value of each performance-based award shall be determined solely upon the achievement of certain preestablished objective performance goals during each performance period (the "Performance Period"). The duration of a Performance Period is set by the Committee. A new Performance Period may begin every year, or at more frequent or less frequent intervals, as determined by the Committee.

The Committee shall establish, in writing, the objective performance goals applicable to the valuation of performance-based awards granted in each Performance Period, the performance measures which shall be used to determine the achievement of those performance goals, and any formulas or methods to be used to determine the value of the performance-based awards.

The value of performance-based awards may be based on absolute measures or on a comparison of the Company's financial measures during a Performance Period to the financial measures of a group of competitors. The performance measures are net income either before or after taxes, market share, profits, share price, earnings per share, total stockholder return, return on assets, return on equity, operating income, return on capital or investment, and economic value added.

Following the end of a Performance Period, the Committee will determine the value of the performance-based awards granted for the period based on the attainment of the preestablished objective performance goals. The Committee will also have discretion to reduce (but not to increase) the value of a performance-based award.

The Committee will certify, in writing, that the award is based on the degree of attainment of the preestablished objective performance goals. As soon as practicable thereafter, payment of the awards to employees, if any, will be made in the form of shares of common stock or cash, as applicable.

Conditions to Award Payments

All rights of a Participant under any award under the ECP will cease on and as of a date on which it is determined by the Committee that a participant acted in a manner inimical to the best interests of the Company. Participants who terminate employment with the Company for any reason other than death while any award under the ECP remains outstanding, will receive such shares or benefit only if, during the entire period from his or her date of termination to the date of such receipt, the participant (i) consults and cooperates with the Company on matters under his or her supervision during the participant's employment, and (ii) refrains from engaging in any activity that is directly or indirectly in competition with any activity of the Company. In the event a participant fails to comply with such requirement, the participant's rights under any outstanding award will be forfeited unless otherwise provided by the Company.

Adjustment and Amendments

The ECP provides for appropriate adjustments in the number of shares of common stock subject to awards and available for future awards in the event of changes in outstanding common stock by reason of a merger, stock split, or certain other events.

The ECP may be modified or amended by the Board of Directors at any time and for any purpose which the Board of Directors deems appropriate. However, no such amendment shall adversely affect any outstanding awards without the affected holder's consent. NASDAQ listing standards require stockholder approval for all material amendments of the

ECP.

Change in Control

In the event of a change in control, as described in the ECP, all Options and SARs granted under the ECP will become immediately exercisable, restriction periods and other restrictions imposed on Restricted Stock which are not performance-based will lapse, and the target payout opportunities attainable under all outstanding Awards of performance-based Restricted Stock, Performance Shares and Performance Units will be deemed to have been fully earned for the entire Performance Period as of the effective date of the change in control. The vesting of such Awards will be accelerated.

Nontransferability

No derivative security (including, without limitation, options) granted pursuant to, and no right to payment under, the ECP will be assignable or transferable by a participant except by will or by the laws of descent and distribution, and any option or similar right will be exercisable during a participant's lifetime only by the participant or by the participant's guardian or legal representative. These limitations may be waived by the Committee, subject to restrictions imposed under the Securities and Exchange Commission's short-swing trading rules and federal tax requirements relating to incentive stock options.

Duration of the Plan

The ECP will remain in effect until all options and rights granted thereunder have been satisfied or terminated pursuant to the terms of the plan, and all Performance Periods for performance-based awards granted thereunder have been completed. However, in no event will an award be granted under the ECP on or after April 25, 2014.

Federal Income Tax Consequences

The following description, of the federal income tax consequences of grants under the ECP is a general summary. State, local, and other taxes may also be imposed in connection with grants. This discussion is intended for the information of stockholders considering how to vote at the annual meeting and not as tax guidance to individuals who participate in the ECP.

Options

With respect to options which qualify as ISOs, an ECP participant will not recognize income for federal income tax purposes at the time options are granted or exercised, and the Company will not be entitled to a deduction with respect to the granting or exercise of such an option except in the limited circumstances discussed below. However, for purposes of the alternative minimum tax, in the year in which an ISO is exercised, the amount by which the Fair Market Value of the shares acquired upon exercise exceeds the exercise price will be treated as an item of adjustment and included in the computation of the recipient's alternative minimum tax. If the participant disposes of shares acquired by exercise of an ISO either before the expiration of two years from the date the options are granted or within one year after the issuance of shares upon exercise of the ISO (the "holding periods"), the participant will recognize in the year of disposition: (a) ordinary income, to the extent the lesser of either (1) the fair market value of the shares on the date of option exercise, or (2) the amount realized on disposition, exceeds the option price; and (b) capital gain, to the extent the amount realized on disposition exceeds the fair market value of the shares on the date of option exercise. In addition, if the holding periods are not met, the Company will be entitled to a deduction corresponding to the ordinary income amount recognized by the participant. If the shares are sold after expiration of the holding periods, the participant generally will recognize long term capital gain or loss equal to the difference between the amount realized on disposition and the option price.

With respect to NQSOs, the participant will not recognize any income and the Company will not be entitled to a deduction upon grant of the option. Upon exercise, the participant will recognize ordinary income, and the Company will be entitled to a corresponding deduction, in an amount equal to the excess of the fair market value of the shares on the date of option exercise over the amount paid by the participant for the shares. Upon a subsequent disposition of the shares received under the option, the participant generally will recognize capital gain or loss to the extent of the difference between the fair market value of the shares at the time of exercise and the amount realized on the disposition.

SARs

The recipient of a grant of SARs will not realize taxable income and the Company will not be entitled to a federal income tax deduction with respect to such grant on the date of such grant. Upon the exercise of an SAR, the recipient will realize ordinary income, and the Company will generally be entitled to a corresponding deduction, equal to the amount of cash received.

Restricted Stock

A participant holding restricted stock will, at the time the shares vest, realize ordinary income in an amount equal to the fair market value of the shares and any cash received at the time of vesting, and the Company will generally be entitled to a corresponding deduction for federal income tax purposes. Dividends paid to the participant on the restricted stock during the restriction period will generally be ordinary income to the participant and deductible as such by the Company.

Performance Units, Performance Shares

The recipient of a grant of performance units or performance shares will not realize taxable income and the Company will not be entitled to a deduction with respect to such grant on the date of such grant. Upon the payout of such award, the recipient will realize ordinary income and the Company will generally be entitled to a corresponding deduction, equal to the amount of cash or stock received.

Section 162(m)

Under Section 162(m) of the Internal Revenue Code, compensation paid by the Company in excess of \$1 million for any taxable year to "Covered Employees" generally is deductible by the Company or its affiliates for federal income tax purposes if the subject compensation is based on the attainment of performance goals, is paid pursuant to a plan approved by stockholders of the Company, and meets certain other requirements. Generally, "Covered Employee" under Section 162(m) means the chief executive officer and the four other highest paid executive officers of the Company as of the last day of the taxable year.

It is presently anticipated that the Committee will at all times consist of "outside directors" as required for purposes of Section 162(m), and that the Committee will take the effect of Section 162(m) into consideration in structuring ECP awards.

PROPOSAL #4

APPROVAL OF THE NON-EMPLOYEE DIRECTOR DEFERRED COMPENSATION PLAN

With increasing burdens and responsibilities being placed upon Directors by the Sarbanes-Oxley Act and other regulations, the Company recognizes the importance of being able to attract and retain non-employee directors with

the requisite ability to discharge these responsibilities. The Board of Directors also desires to provide an incentive for non-employee directors to purchase shares of Company stock with their directorship compensation in a manner that aligns their interests with those of the Company's stockholders and to afford the non-employee directors an opportunity to defer those amounts used to purchase Company stock.

In order to accomplish these objectives, the Board of Directors has adopted the Petroleum Development Corporation Non-Employee Director Deferred Compensation Plan (the "Deferred Compensation Plan"). The Deferred Compensation Plan is being presented to stockholders for approval to comply with NASDAQ regulations, which require the approval by stockholders of all equity-based compensation plans. The Company has reserved 50,000 shares of the Company's Common Stock, par value \$0.01 per share, for issuance under the Deferred Compensation Plan.

The affirmative vote of a majority of the shares of Common Stock cast at the Annual Meeting, represented in person or by proxy and entitled to vote at the Annual Meeting is required for approval of the Deferred Compensation Plan.

Summary Description of the Deferred Compensation Plan

The following summary of the terms of the Deferred Compensation Plan is qualified in its entirety by reference to the text of the Deferred Compensation Plan, which is attached as Exhibit C to this Proxy Statement. The Deferred Compensation Plan was adopted effective as of April 27, 2004, subject to your approval.

Administration

The Deferred Compensation Plan is administered by the Compensation Committee of the Board of Directors.

Eligibility

Each Non-Employee Director of the Company may participate in the Deferred Compensation Plan. Currently five Non-Employee Directors of the Company are eligible to participate.

Description of Benefits under the Plan

Each Non-Employee Director may annually elect to defer all or any portion of his or her "Director's Compensation." For this purpose, "Director's Compensation" includes such individual's total annual retainer and any fees received for performance of director's functions. Amounts deferred by the Non-Employee Directors will be deposited by the Company in a separate Trust and invested solely in shares of Common Stock of the Company. The Trustee may purchase shares of Common Stock of the Company in the market or directly from the Company from authorized but unissued shares or treasury shares.

A Deferred Account will be established for each Non-Employee Director to record amounts credited to him or her. Amounts credited to the Deferred Account and shares purchased with those amounts are fully vested and non-forfeitable at all times. At any point in time, the Benefit payable to the Non-Employee Director is equal to the value of the shares purchased with the amount credited to his or her Deferred Account.

Distribution of Benefits

Following the earlier of the date that a Non-Employee Director ceases to serve as a Director of the Company for any reason or there is a Change in Control, as described in the Deferred Compensation Plan, the Non-Employee Director's Benefit shall be paid to him or her in a lump sum distribution or, in the event of his or her death, to his or her beneficiary. Payment of the lump sum distribution shall be in cash or Common Stock, as elected by the Non-Employee Director.

Duration of the Plan

The Deferred Compensation Plan will remain in effect until terminated by the Board of Directors.

Federal Income Tax Consequences

The following description of the federal income tax consequences of deferrals under the Deferred Compensation Plan is a general summary. State, local, and other taxes may also be imposed in connection with benefits from the Deferred Compensation Plan. This discussion is intended for the information of stockholders considering how to vote at the annual meeting and not as tax guidance to Non-Employee Directors who participate in the Deferred Compensation Plan.

Generally, a Non-Employee Director who elects in advance of the year to defer a portion of his or her compensation shall not be taxed on such deferrals. Amounts distributed to the Non-Employee Director or, his or her beneficiary in the event of death, will be taxable to the recipient as ordinary income in the year of distribution.

All deferrals and earnings thereon retained in the Trust are considered an asset of the Company and will be taxable to the Company. The Company shall receive a deduction equal to the amount taxable to the recipient in the year of distribution.

Advance Notice Procedures

Under the Company's By-Laws, no business may be brought before an annual meeting of the Company unless it is specified in the notice of the meeting or is otherwise brought before the meeting by or at the direction of the Board of Directors or by a stockholder entitled to vote who has delivered advance notice to the Company. These requirements are separate from and in addition to the SEC's requirements that a stockholder must meet in order to have a stockholder proposal included in the Company's proxy statement pursuant to Rule 14a-8 under the Securities Exchange Act of 1934. Under federal proxy rules, if a stockholder wishes to present such a proposal, but fails to notify the Company by the date required by the Company's By-laws, the proxies solicited by the Board of Directors will include discretionary authority to vote on the stockholder's proposal in the event the proposal is properly brought before the meeting.

General

The enclosed Proxy is solicited by the Company's Board of Directors. The cost of solicitation of such proxies will be borne by the Company. The Company will reimburse brokerage firms and other custodians, nominees and fiduciaries for reasonable and appropriate expenses incurred by them in sending proxy materials to the beneficial owners of the Company's common stock. In addition to solicitations by mail, directors, officers and employees of the Company may

solicit proxies personally, by telephone or by telegraph without additional compensation.

Stockholder Proposals for 2005 Annual Meeting

In order to be included in the Company's proxy statement for the 2005 annual meeting of stockholders, stockholder proposals must be received by the Company at its principal executive office on or prior to January 18, 2005. Proposals should be addressed to Corporate Secretary, Petroleum Development Corporation, 103 East Main Street, Bridgeport, West Virginia 26330.

In addition, for any proposal that is not submitted for inclusion in next year's proxy statement, but is instead sought to be presented directly at the 2005 annual meeting of stockholders, SEC rules permit management to vote proxies in its discretion if the Company (1) receives written notice of the proposal not later than March 25, 2005, nor earlier than March 14, 2005, and advises stockholders in the 2005 proxy statement about the nature of the matter and how management intends to vote on the matter; or (2) does not receive written notice of the proposal prior to the close of business on March 25, 2005. The Board shall also determine that each member is "financially literate," that one member has "accounting or related financial management expertise," and whether any member of the Audit Committee is an "audit committee financial expert" as such qualifications are interpreted by the Board in its business judgment.

3. The members of the Audit Committee shall be appointed annually by the Board on the recommendation of the Nominating and Governance Committee.
4. Audit Committee members may be removed, with or without cause, by the Board at any time.
5. The Board shall designate the Chairman of the Audit Committee.
6. No director may serve as a member of the Audit Committee if he or she serves on the audit committees of more than two other public companies, unless the Board determines that such simultaneous service would not impair the ability of such director to effectively serve on the Audit Committee, and discloses this determination in the Company's annual proxy statement.

1. NUMBER OF SHARES AVAILABLE FOR GRANTS. Subject to Sections 4.2 and 4.3 herein, the maximum number of Shares with respect to which Awards may be granted to Participants under the Plan shall be seven hundred fifty thousand (750,000). Shares issued under the Plan may be either authorized but unissued Shares (subject to a maximum of seven hundred fifty thousand (750,000) Shares), treasury Shares or any combination thereof.

Unless and until the Committee determines that an Award to a Covered Employee shall not be designed to comply with the Performance-Based Exception, the following rules shall apply to grants of such Awards under the Plan, subject to Sections 4.2 and 4.3.

- a. STOCK OPTIONS AND SARS: The maximum aggregate number of Shares that may be subject to Stock Options, with or without Tandem SARs, or Freestanding SARs, granted in any one fiscal year to any one Participant shall be one hundred thousand (100,000).

6. ELIGIBILITY AND PARTICIPATION

1. ELIGIBILITY. Persons eligible to participate in this Plan include officers and certain key salaried Employees of the Company with potential to contribute to the success of the Company or its Subsidiaries, including Employees who are members of the Board.

3. OPTION PRICE. The Option Price for each grant of an Option under this Plan shall be at least equal to one hundred percent (100%) of the Fair Market Value of a Share on the date the Option is granted.
4. DURATION OF OPTIONS. Each Option granted to a Participant shall expire at such time as the Committee shall determine at the time of grant; provided, however, that no Option shall be exercisable later than the tenth anniversary following the date of its grant and provided further that no Option shall be exercisable later than the fifth anniversary following the date of its grant for an ISO granted to a Participant, who at the time of such grant owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company.
5. EXERCISE OF OPTIONS. Options granted under this Article 6 shall be exercisable at such times and be subject to such restrictions and conditions as the Committee shall in each instance approve, which need not be the same for each grant or for each Participant.

6. PAYMENT. Options granted under this Article 6 shall be exercised by the delivery of a written notice of exercise to the Company, setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by full payment for the Shares.

The Option Price upon exercise of any Option shall be payable to the Company in full either: (a) in cash or its equivalent; or (b) by tendering previously acquired Shares having an aggregate Fair Market Value at the time of exercise equal to the total Option Price (provided that the Shares which are tendered must have been held by the Participant for at least six months prior to their tender to satisfy the Option Price); or (c) by a combination of (a) and (b).

The Committee may also allow cashless exercise as permitted under Federal Reserve Board's Regulation T, subject to applicable securities law restrictions, or by any other means which the Committee determines to be consistent with the Plan's purpose and applicable law.

Subject to any governing rules or regulations, as soon as practicable after receipt of a written notification of exercise and full payment, the Company shall deliver to the Participant, in the Participant's name, Share certificates in an appropriate amount based upon the number of Shares purchased under the Option(s).

7. RESTRICTIONS ON SHARE TRANSFERABILITY. The Committee may impose such restrictions on any Shares acquired pursuant to the exercise of an Option granted under this Article 6 as it may deem advisable, including, without limitation, restrictions under applicable federal securities laws, under the requirements of any stock exchange or market upon which such Shares are then listed and/or traded, and under any blue sky or state securities laws applicable to such Shares.
8. TERMINATION OF EMPLOYMENT. Each Participant's Option Award Agreement shall set forth the extent to which the Participant shall have the right to exercise the Option following termination of the Participant's employment with the Company. Such provisions shall be determined in the sole discretion of the Committee but shall conform to the limitations established in Section 6.4, shall be included in the Award Agreement entered into with each Participant, need not be uniform among all Options issued pursuant to this Article 6, and may reflect distinctions based on the reasons for termination of employment.
9. NONTRANSFERABILITY OF OPTIONS.
- a. INCENTIVE STOCK OPTIONS. No ISO granted under the Plan may be sold, transferred, pledged, assigned or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution. Further, all ISOs granted to a Participant under the Plan shall be exercisable during his or her lifetime only by such Participant or the Participant's legal representative (to the extent permitted under Code Section 422).
 - b. NONQUALIFIED STOCK OPTIONS. Except as otherwise provided in a Participant's Award Agreement, no NQSO granted under this Article 6 may be sold, transferred, pledged, assigned or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution. Further, except as otherwise provided in a Participant's Award Agreement, all NQSOs granted to a Participant under this Article 6 shall be exercisable during his or her lifetime only by such Participant or the Participant's legal representative.

8. STOCK APPRECIATION RIGHTS

1. GRANT OF SARs. Subject to the terms and conditions of the Plan, SARs may be granted to Participants at any time and from time to time as shall be determined by the Committee. The Committee may grant Freestanding SARs, Tandem SARs or any combination of these forms of SAR.

The Committee shall have complete discretion in determining the number of SARs granted to each Participant (subject to Article 4 herein) and, consistent with the provisions of the Plan, in determining the terms and conditions pertaining to such SARs.

The grant price of a Freestanding SAR shall equal the Fair Market Value of a Share on the date of grant of the SAR. The grant price of Tandem SARs shall equal the Option Price of the related Option.

2. EXERCISE OF TANDEM SARs. Tandem SARs may be exercised for all or part of the Shares subject to the related Option upon the surrender of the right to exercise the equivalent portion of the related Option. A Tandem SAR may be exercised only with respect to the Shares for which its related Option is then exercisable.

Notwithstanding any other provision of this Plan to the contrary, with respect to a Tandem SAR granted in connection with an ISO: (i) the Tandem SAR will expire no later than the expiration of the

underlying ISO; (ii) the value of the payout with respect to the Tandem SAR may be for no more than 100% of the difference between the Option Price of the underlying ISO and the Fair Market Value of the Shares subject to the underlying ISO at the time the Tandem SAR is exercised; and (iii) the Tandem SAR may be exercised only when the Fair Market Value of the Shares subject to the ISO exceeds the Option Price of the ISO.

3. EXERCISE OF FREESTANDING SARS. Freestanding SARs may be exercised upon whatever terms and conditions the Committee, in its sole discretion, imposes upon them.
4. SAR AGREEMENT. Each SAR grant shall be evidenced by an Award Agreement that shall specify the grant price, the term of the SAR, and such other provisions as the Committee shall determine.
5. TERM OF SARS. The term of an SAR granted under the Plan shall be determined by the Committee, in its sole discretion; provided, however, that such term shall not exceed ten years.
6. PAYMENT OF SAR AMOUNT. Upon exercise of an SAR, a Participant shall be entitled to receive payment from the Company in an amount determined by multiplying:
 - a. the difference between the Fair Market Value of a Share on the date of exercise over the grant price; by
 - b. the number of Shares with respect to which the SAR is exercised.

At the discretion of the Committee, the payment upon SAR exercise may be in cash, in Shares of equivalent value or in some combination thereof. The Committee's determination regarding the form of SAR payout shall be set forth in the Award Agreement pertaining to the grant of the SAR.

7. TERMINATION OF EMPLOYMENT. Each SAR Award Agreement shall set forth the extent to which the Participant shall have the right to exercise the SAR following termination of the Participant's employment with the Company and/or its Subsidiaries. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with Participants, need not be uniform among all SARs issued pursuant to the Plan and may reflect distinctions based on the reasons for termination of employment.
8. NONTRANSFERABILITY OF SARS. Except as otherwise provided in a Participant's Award Agreement, no SAR granted under the Plan may be sold, transferred, pledged, assigned or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution. Further, except as otherwise provided in a Participant's Award Agreement, all SARs granted to a Participant under the Plan shall be exercisable during his or her lifetime only by such Participant or the Participant's legal representative.

9. RESTRICTED STOCK

1. GRANT OF RESTRICTED STOCK. Subject to the terms and provisions of the Plan, the Committee, at any time and from time to time, may grant Shares of Restricted Stock to Participants in such amounts as the Committee shall determine.
2. RESTRICTED STOCK AGREEMENT. Each Restricted Stock grant shall be evidenced by a Restricted Stock Award Agreement that shall specify the Period(s) of Restriction, the number of Shares of Restricted Stock granted and such other provisions as the Committee shall determine.
3. TRANSFERABILITY. Except as provided in this Article 8, the Shares of Restricted Stock granted under the Plan may not be sold, transferred, pledged, assigned or otherwise alienated or hypothecated until the end of the applicable Period of Restriction established by the Committee and specified in the Restricted Stock Award Agreement, or upon earlier satisfaction of any other conditions, as specified by the Committee in its sole discretion and as set forth in the Restricted Stock Award Agreement. All rights with respect to the Restricted Stock granted to a Participant under the Plan shall be available during his or her lifetime only to such Participant or the Participant's legal representative.
4. OTHER RESTRICTIONS. Subject to Article 10 herein, the Committee shall impose such other conditions and/or restrictions on any Shares of Restricted Stock granted pursuant to the Plan as it may deem advisable including, without limitation, a requirement that Participants pay a stipulated purchase price for each Share of Restricted Stock, restrictions based upon the achievement of specific performance goals (Company-wide, divisional and/or individual), time-based restrictions on vesting following the attainment of the performance goals and/or restrictions under applicable federal or state securities laws.

The Company may retain the certificates representing Shares of Restricted Stock in the Company's possession until such time as all conditions and/or restrictions applicable to such Shares have been satisfied.

Except as otherwise provided in this Article 8, Shares of Restricted Stock covered by each Restricted Stock grant made under the Plan shall become freely transferable by the Participant after the last day of the applicable Period of Restriction.

5. VOTING RIGHTS. Participants holding Shares of Restricted Stock granted hereunder may be granted the right to exercise full voting rights with respect to those Shares during the Period of Restriction.
6. DIVIDENDS AND OTHER DISTRIBUTIONS. During the Period of Restriction, Participants holding Shares of Restricted Stock granted hereunder may be credited with regular cash dividends paid with respect to the underlying Shares while they are so held. The Committee may apply any restrictions to the dividends that the Committee deems appropriate. Without limiting the generality of the preceding sentence, if the grant or vesting of Restricted Shares granted to a Covered Employee is designed to comply with the requirements of the Performance-Based Exception, the Committee may apply any restrictions it deems appropriate to the payment of dividends declared with respect to such Restricted Shares, such that the dividends and/or the Restricted Shares maintain eligibility for the Performance-Based Exception.
7. TERMINATION OF EMPLOYMENT. Each Restricted Stock Award Agreement shall set forth the extent to which the Participant shall have the right to receive unvested Restricted Shares following termination of the Participant's employment with the Company. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with each Participant, need not be uniform among all Shares of Restricted Stock issued pursuant to the Plan and may reflect distinctions based on the reasons for termination of employment; provided, however, that except in the cases of terminations by reason of death or Disability, the vesting of Shares of Restricted Stock which qualify for the Performance-Based Exception and which are held by Covered Employees shall occur at the time they otherwise would have vested, but for the employment termination.

10. PERFORMANCE UNITS AND PERFORMANCE SHARES

1. GRANT OF PERFORMANCE UNITS/SHARES. Subject to the terms of the Plan, Performance Units and/or Performance Shares may be granted to Participants in such amounts and upon such terms, and at any time and from time to time, as shall be determined by the Committee.
2. VALUE OF PERFORMANCE UNITS/SHARES. Each Performance Unit shall have an initial value that is established by the Committee at the time of grant. Each Performance Share shall have an initial value equal to the Fair Market Value of a Share on the date of grant. The Committee shall set performance goals in its discretion which, depending on the extent to which they are met, will determine the number and/or value of Performance Units/Shares that will be paid out to the Participant. For purposes of this Article 9, the time period during which the performance goals must be met shall be called a "Performance Period."
3. EARNING OF PERFORMANCE UNITS/SHARES. Subject to the terms of this Plan, after the applicable Performance Period has ended, the holder of Performance Units/Shares shall be entitled to receive payout on the number and value of Performance Units/Shares earned by the Participant over the Performance Period, to be determined as a function of the extent to which the corresponding performance goals have been achieved.
4. FORM AND TIMING OF PAYMENT OF PERFORMANCE UNITS/SHARES. Payment of earned Performance Units/Shares shall be made in a single lump sum following the close of the applicable Performance Period. Subject to the terms of this Plan, the Committee, in its sole discretion, may pay earned Performance Units/Shares in the form of cash or in Shares (or in a combination thereof) which have an aggregate Fair Market Value equal to the value of the earned Performance Units/Shares at the close of the applicable Performance Period. Such Shares may be granted subject to any restrictions deemed appropriate by the Committee. The determination of the Committee with respect to the form of payout of such Awards shall be set forth in the Award Agreement pertaining to the grant of the Award.

At the discretion of the Committee, Participants may be entitled to receive any dividends declared with respect to Shares which have been earned in connection with grants of Performance Units and/or Performance Shares, but not yet distributed to Participants (such dividends shall be subject to the same accrual, forfeiture and payout restrictions as apply to dividends earned with respect to Shares of Restricted Stock, as set forth in Section 8.6 herein). In addition, Participants may, at the discretion of the Committee, be entitled to exercise their voting rights with respect to such Shares.

5. TERMINATION OF EMPLOYMENT DUE TO DEATH, DISABILITY OR RETIREMENT. Unless determined otherwise by the Committee and set forth in the Participant's Award Agreement, in the event the employment of a Participant is terminated by reason of death, Disability or Retirement during a Performance Period, the Participant shall receive a payout of the Performance Units/Shares which is prorated, as specified by the Committee in its discretion.

Payment of earned Performance Units/Shares shall be made at a time specified by the Committee in its sole discretion and set forth in the Participant's Award Agreement. Notwithstanding the foregoing, with respect to Covered Employees who retire during a Performance Period, payments shall be made at the same time as payments are made to Participants who did not terminate employment during the applicable Performance Period.

6. TERMINATION OF EMPLOYMENT FOR OTHER REASONS. In the event that a Participant's employment terminates for any reason other than those reasons set forth in Section 9.5 herein, all Performance Units/Shares shall be forfeited by the

Edgar Filing: PETROLEUM DEVELOPMENT CORP - Form DEF 14A

Participant to the Company unless determined otherwise by the Committee, as set forth in the Participant's Award Agreement.

7. **NONTRANSFERABILITY.** Except as otherwise provided in a Participant's Award Agreement, Performance Units/Shares may not be sold, transferred, pledged, assigned or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution. Further, except as otherwise provided in a Participant's Award Agreement, a Participant's rights under the Plan shall be exercisable during the Participant's lifetime only by the Participant or the Participant's legal representative.

11. **PERFORMANCE MEASURES**

Unless and until the Committee proposes for stockholder vote and the Company's stockholders approve a change in the general performance measures set forth in this Article 10, the attainment of which may determine the degree of payout and/or vesting with respect to Awards to Covered Employees which are designed to qualify for the Performance-Based Exception, the performance measure(s) to be used for purposes of such grants shall be chosen from among net income either before or after taxes, market share, profits, share price, earnings per share, total stockholder return, return on assets, return on equity, operating income, return on capital or investment, or economic value added (including, but not limited to, any or all of such measures in comparison to the Company's competitors, the industry or some other comparator group).

The Committee shall have the discretion to adjust the determinations of the degree of attainment of the preestablished performance goals; provided, however, that Awards which are designed to qualify for the Performance-Based Exception, and which are held by Covered Employees, may not be adjusted upward (the Committee shall retain the discretion to adjust such Awards downward).

In the event that applicable tax and/or securities laws change to permit Committee discretion to alter the governing performance measures without obtaining stockholder approval of such changes, the Committee shall have sole discretion to make such changes without obtaining stockholder approval. In addition, in the event that the Committee determines that it is advisable to grant Awards which shall not qualify for the Performance-Based Exception, the Committee may make such grants without satisfying the requirements of Code Section 162(m).

12. **BENEFICIARY DESIGNATION**

Each Participant under the Plan may, from time to time, name any beneficiary or beneficiaries (who may be named contingently or successively) to whom any benefit under the Plan is to be paid in case of his or her death before he or she receives any or all of such benefit. Each such designation shall revoke all prior designations by the same Participant, shall be in a form prescribed by the Company, and will be effective only when filed by the Participant in writing with the Company during the Participant's lifetime. In the absence of any such designation, the Participant's beneficiary shall be paid to the Participant's estate.

13. **DEFERRALS**

The Committee may permit or require a Participant to defer such Participant's receipt of the payment of cash or the delivery of Shares that would otherwise be due to such Participant by virtue of the exercise of an Option or SAR, the lapse or waiver of restrictions with respect to Restricted Stock, or the satisfaction of any requirements or goals with respect to Performance Units/Shares. If any such deferral election is required or permitted, the Committee shall, in its sole discretion, establish rules and procedures for such payment deferrals.

14. **RIGHTS OF EMPLOYEES**

1. **EMPLOYMENT.** Nothing in the Plan shall interfere with or limit in any way the right of the Company to terminate any Participant's employment at any time, nor confer upon any Participant any right to continue in the employ of the Company.
2. **PARTICIPATION.** No Employee shall have the right to be selected to receive an Award under this Plan or, having been so selected, to be selected to receive a future Award.

15. **AMENDMENT, MODIFICATION, TERMINATION AND ADJUSTMENTS**

Edgar Filing: PETROLEUM DEVELOPMENT CORP - Form DEF 14A

1. AMENDMENT, MODIFICATION, AND TERMINATION. Subject to the terms of the Plan, the Board, upon recommendation of the Committee, may at any time and from time to time, alter, amend, suspend or terminate the Plan in whole or in part.
2. ADJUSTMENT OF AWARDS UPON THE OCCURRENCE OF CERTAIN UNUSUAL OR NONRECURRING EVENTS. The Committee may make adjustments in the terms and conditions of, and the criteria included in, Awards in recognition of unusual or nonrecurring events (including, without limitation, the events described in Section 4.3 hereof) affecting the Company or the financial statements of the Company or of changes in applicable laws, regulations or accounting principles, whenever the Committee determines that such adjustments are appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan; provided that unless the Committee determines otherwise, no such adjustment shall be authorized to the extent that such authority would be inconsistent with the Plan or Awards meeting the requirements of Code Section 162(m), as from time to time amended.
3. AWARDS PREVIOUSLY GRANTED. Notwithstanding any other provision of the Plan to the contrary (but subject to Section 14.2 hereof), no termination, amendment or modification of the Plan shall adversely affect in any material way any Award previously granted under the Plan without the written consent of the Participant holding such Award.
4. COMPLIANCE WITH CODE SECTION 162(m). At all times when Code Section 162(m) is applicable, all Awards granted under this Plan shall comply with the requirements of Code Section 162(m); provided, however, that in the event the Committee determines that such compliance is not desired with respect to any Award or Awards available for grant under the Plan, then compliance with Code Section 162(m) will not be required. In addition, in the event that changes are made to Code Section 162(m) to permit greater flexibility with respect to any Award or Awards available under the Plan, the Committee may, subject to this Article 14, make any adjustments it deems appropriate.

16. PAYMENT OF PLAN AWARDS AND CONDITIONS THEREON

1. EFFECT OF COMPETITIVE ACTIVITY. Anything contained in the Plan to the contrary notwithstanding, if the employment of any Participant shall terminate, for any reason other than death, while any Award to such Participant is outstanding hereunder, and such Participant has not yet received the Shares covered by such Award or otherwise received the full benefit of such Award, such Participant, if otherwise entitled thereto, shall receive such Shares or benefit only if, during the entire period from the date of such Participant's termination to the date of such receipt, such Participant shall have earned out such Award by: (i) making himself or herself available, upon request, at reasonable times and upon a reasonable basis, to consult with, supply information to, and otherwise cooperate with the Company or any Subsidiary or Affiliate thereof with respect to any matter that shall have been handled by him or her or under his or her supervision while he or she was in the employ of the Company or of any Subsidiary or Affiliate thereof; and (ii) refraining from engaging in any activity that is directly or indirectly in competition with any activity of the Company or any Subsidiary or Affiliate thereof.
2. NONFULFILLMENT OF COMPETITIVE ACTIVITY CONDITIONS; WAIVERS UNDER THE PLAN. In the event of a Participant's nonfulfillment of any condition set forth in Section 15.1 hereof, such Participant's rights under any Award shall be forfeited and canceled forthwith; provided, however, that the nonfulfillment of such condition may at any time (whether before, at the time of, or subsequent to termination of employment) be waived by the Committee upon its determination that in its sole judgment there shall not have been and will not be any substantial adverse effect upon the Company or any Subsidiary or Affiliate thereof by reason of the nonfulfillment of such condition.
3. EFFECT OF INIMICAL CONDUCT. Anything contained in the Plan to the contrary notwithstanding, all rights of a Participant under any Award shall cease on and as of the date on which it has been determined by the Committee that such Participant at any time (whether before or subsequent to termination of such Participant's employment) acted in manner inimical to the best interests of the Company or any Subsidiary or Affiliate thereof.

17. CHANGE IN CONTROL

1. DEFINITION. For purposes of this Plan, a "Change in Control" of the Company is deemed to have occurred as of the first day that any one or more of the following conditions shall have been satisfied:
 - a. the "Beneficial Ownership" of securities representing more than thirty-three percent (33%) of the combined voting power of the Company is acquired by any "person" as defined in Section 13(d) and 14(d) of the Exchange Act (other than the Company, any trustee or other fiduciary holding securities under an employee benefit plan of the Company, or any corporation owned, directly or indirectly, by the stockholders of the Company in substantially the same proportions as their ownership of stock of the Company); or
 - b. the stockholders of the Company approve a definitive agreement to merge or consolidate the Company with or into another corporation or to sell or otherwise dispose of all or substantially all of its assets, or adopt a plan of liquidation; or

Section 7. Responsibility of Trustee.

- (a) The Trustee shall act with the care, skill, prudence and diligence under the circumstances then prevailing that a prudent person acting in like capacity and familiar with such matters would use in the conduct of an enterprise of a like character and with like aims, provided, however, that the Trustee shall incur no liability to any person for any action taken pursuant to a direction, request or approval given by the Company which is contemplated by, and in conformity with, the terms of the Plan or this Trust and is given in writing by the Company. In the event of a dispute between the Company and a party, the Trustee may apply to a court of competent jurisdiction to resolve the dispute.
- (b) If the Trustee undertakes or defends any litigation, arbitration or similar proceeding arising in connection with this Trust, the Company agrees to indemnify the Trustee against the Trustee's costs, expenses and liabilities (including, without limitation, attorneys' fees and expenses) relating thereto and to be primarily liable for such payments. If the Company does not pay such costs, expenses and liabilities in a reasonably timely manner, the Trustee may obtain payment from the Trust.
- (c) The Trustee may consult with legal counsel (who may also be counsel for the Company generally) with respect to any of its duties or obligations hereunder.
- (d) The Trustee may hire agents, accountants, actuaries, investment advisors, financial consultants or other professionals to assist it in performing any of its duties or obligations hereunder.

Section 8. Compensation and Expenses of Trustee.

The Company shall pay all administrative and the Trustee's fees and expenses. If not so paid, the fees and expenses shall be paid from the Trust.

Section 9. Resignation and Removal of Trustee.

- (a) The Trustee may resign at any time by written notice to the Company, which shall be effective thirty (30) days after receipt of such notice unless the Company and the Trustee agree otherwise.
- (b) The Trustee may be removed by the Company on thirty (30) days notice or upon shorter notice accepted by the Trustee.
- (c) Upon resignation or removal of the Trustee and appointment of a successor Trustee, all assets shall subsequently be transferred to the successor Trustee. The transfer shall be completed within sixty (60) days

after receipt of notice of resignation, removal or transfer, unless the Company extends the time limit.

(d) If the Trustee resigns or is removed, a successor shall be appointed, in accordance with Section 10 hereof, by the effective date of resignation or removal under paragraphs (a) or (b) of this section. If no such appointment has been made, the Trustee may apply to a court of competent jurisdiction for appointment of a successor or for instructions. All expenses of the Trustee in connection with the proceeding shall be allowed as administrative expenses of the Trust.

Section 10. Appointment of Successor.

- a. If the Trustee resigns or is removed in accordance with Section 9(a) or (b) hereof, the Company may appoint any third party, such as a bank trust department or other party that may be granted corporate trustee powers under state law, as a successor to replace the Trustee upon resignation or removal. The appointment shall be effective when accepted in writing by the new Trustee, who shall have all of the rights and powers of the former Trustee, including ownership rights in the Trust assets. The former Trustee shall execute any instrument necessary or reasonably requested by the Company or the successor Trustee to evidence the transfer.
