Item 2.02 - Results of Operations and Financial Condition.

On April 22, 2016, Park National Corporation (“Park”) issued a news release (the “Financial Results News Release”) announcing financial results for the three months ended March 31, 2016. A copy of the Financial Results News Release is included as Exhibit 99.1 to this Current Report on Form 8-K and incorporated by reference herein.

Park's management uses certain non-GAAP (generally accepted accounting principles) financial measures to evaluate Park's performance. Specifically, management reviews return on average tangible equity, return on average tangible assets, tangible equity to tangible assets and tangible book value per share. Management has included in the Financial Results News Release information relating to the annualized return on average tangible equity, annualized return on average tangible assets, tangible equity to tangible assets and tangible book value per share for the three months ended March 31, 2016, December 31, 2015 and March 31, 2015. For purposes of calculating the annualized return on average tangible equity, a non-GAAP financial measure, net income for each period is divided by average tangible equity during the period. Average tangible equity equals average shareholders' equity during the applicable period less average goodwill during the applicable period. For the purpose of calculating the annualized return on average tangible assets, a non-GAAP financial measure, net income for each period is divided by average tangible assets during the period. Average tangible assets equals average assets during the applicable period less average goodwill during the applicable period. For the purpose of calculating tangible equity to tangible assets, a non-GAAP financial measure, tangible equity is divided by tangible assets. Tangible equity equals shareholders' equity less goodwill, in each case at period end. Tangible assets equals total assets less goodwill, in each case at period end. For the purpose of calculating tangible book value per share, a non-GAAP financial measure, tangible equity is divided by shares outstanding at period end. Management believes that the disclosure of return on average tangible equity, return on average tangible assets, tangible equity to tangible assets and tangible book value per share presents additional information to the reader of the consolidated financial statements, which, when read in conjunction with the consolidated financial statements prepared in accordance with GAAP, assists in analyzing Park's operating performance, ensures comparability of operating performance from period to period, and facilitates comparisons with the performance of Park's peer financial holding companies and bank holding companies, while eliminating certain non-operational effects of acquisitions. In the Financial Results News Release, Park has provided a reconciliation of average tangible equity to average shareholders' equity, average tangible assets to average assets, tangible equity to shareholders' equity and tangible assets to total assets solely for the purpose of complying with SEC Regulation G and not as an indication that return on average tangible equity, return on average tangible assets, tangible equity to tangible assets and tangible book value per share are substitutes for return on average equity, return on average assets, shareholders' equity to total assets and book value per share, respectively, as determined by GAAP.

Management considers the "Ongoing operations" results, which exclude the results of SEPH, to be reflective of the business of Park and its subsidiaries on a going forward basis. The discussion below provides some additional information regarding the segments that make up the "Ongoing operations", followed by additional information regarding SEPH.

The Park National Bank (PNB)

The table below reflects PNB's net income for the first quarters of 2016 and 2015, and for the fiscal years ended December 31, 2015 and 2014.

(In thousands)	Q1 2016	Q1 2015	2015	2014

Net income	\$21,744	\$19,159	\$84,345	\$82,907

Net interest income of \$57.2 million for the three months ended March 31, 2016 represented a \$3.3 million, or 6.2%, increase, compared to \$53.8 million for the three months ended March 31, 2015. The increase was due to a \$241 million, or 5.1%, increase in average loans from \$4.8 billion at March 31, 2015 to \$5.0 billion at March 31, 2016, along with a 5 basis point increase in the yield on loans from 4.56% to 4.61%. Included in interest income for the three months ended March 31, 2016 is \$561,000 in income related to PNB participations in legacy Vision Bank ("Vision") assets.

The provision for loan losses of \$1.5 million for the three months ended March 31, 2016 represented a decrease of \$489,000, compared to \$2.0 million for the same period in 2015. Refer to the "Credit Metrics and Provision for (Recovery of) Loan Losses" section for additional details regarding the level of the provision for loan losses recognized in each period presented above.

Other income of \$17.2 million for the three months ended March 31, 2016 represented a \$789,000, or 4.4%, decrease, compared to \$18.0 million for the same period in 2015. The \$789,000 decrease was primarily due to income of

\$791,000 related to proceeds from the death benefits paid from a bank owned life insurance policy in 2015 and a decrease of \$774,000 in gain on sale of OREO, net and other OREO income. These items were offset by a \$272,000 increase in other service income primarily related to mortgage loan originations, a \$258,000 increase in miscellaneous income and a \$201,000 increase in income from fiduciary activities.

Other expense of \$41.4 million for the three months ended March 31, 2016 represented a decrease of \$572,000, or 1.4%, compared to \$41.9 million for the same period in 2015. The \$572,000 decrease was primarily related to a decrease of \$1.1 million related to employee benefits expense and a reduction in expenses as \$1.1 million was recognized in the first quarter of 2015 related to a prepayment penalty on borrowings and a contract termination fee, offset by a \$461,000 increase in salary expense, a \$587,000 increase in furniture and equipment expense, and an \$823,000 increase in professional fees and services.

PNB results for the three months ended March 31, 2016 and 2015 and for the fiscal year ended December 31, 2015 included income and expense related to participations in legacy Vision assets. The impact of these participations on particular items within PNB's income and expense is detailed in the table below:

SEPH

The table below reflects SEPH's net income (loss) for the first quarters of 2016 and 2015, and for the fiscal years ended December 31, 2015 and 2014. SEPH holds the remaining assets and liabilities retained by Vision subsequent to the sale of the Vision business on February 16, 2012. Prior to holding the remaining Vision assets, SEPH held OREO assets that were transferred from Vision to SEPH. This segment represents a run-off portfolio of the legacy Vision assets.

SEPH's financial results for the three months ended March 31, 2016 included net recoveries of \$1.2 million. The net recoveries during 2016 consisted solely of recoveries from loans previously charged off. The \$726,000 decrease in other income for the three months ended March 31, 2016 compared to the same period of 2015 was primarily due to a \$722,000 gain on the sale of loans in the first quarter of 2015. The \$306,000 increase in other expense for the three months ended March 31, 2016 compared to the same period of 2015 was primarily the result of increases in: legal fees of \$418,000; management and consulting fees of \$145,000; and other OREO expense of \$39,000, offset by a \$202,000 decrease in expense related to reserves established for potential mortgage loan repurchases.

Legacy Vision assets at SEPH totaled \$25.9 million as of March 31, 2016. In addition to these SEPH assets, PNB participations in legacy Vision assets totaled \$9.8 million at March 31, 2016.

Park National Corporation

The table below reflects Park's consolidated net income for the first quarters of 2016 and 2015, and for the fiscal years ended December 31, 2015 and 2014.

Net income	\$18,686	\$19,044	\$81,012	\$83,957

Other expense of \$49.9 million for the three months ended March 31, 2016 represented an increase of \$4.2 million, or 9.1%, compared to \$45.7 million for the same period of 2015. The increase was primarily related to an increase of \$2.0 million in professional fees and services due to increases in legal and consulting expense, an increase of \$2.1 million in miscellaneous other expense, a \$581,000 increase in furniture and equipment expense, and a \$572,000 increase in salary expense. These increases were offset by a \$912,000 decrease in employee benefits expense. The \$2.1 million increase in miscellaneous expense was primarily due to a \$3.5 million increase in accruals due to the ongoing evaluation of litigation and other proceedings impacting the GFSC subsidiary and the Parent Company, offset by a reduction in expenses as \$1.1 million was recognized in the first quarter of 2015 related to a prepayment penalty on borrowings and a contract termination fee.

The allowance for loan losses of \$56.9 million at March 31, 2016 represented a \$454,000 or 0.8% increase, compared to \$56.5 million at December 31, 2015. This increase was the result of a \$739,000 increase in specific reserves offset by a \$285,000 decrease in general reserves. The increase in specific reserves was largely due to the addition of \$439,000 in new specific reserves at GFSC.
