PART III - NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Navistar International Corporation ("the company") is unable to timely file its Quarterly Report on Form 10-Q for the period ended January 31, 2008 ("the Report"). The company has not yet completed its financial statements that are to be filed in its Annual Report on Form 10-K for the fiscal year ended October 31, 2007. As a result, the company will be unable to timely file the Report with the Commission by March 12, 2008, and will be unable to file the Report within the five-day extension provided by Rule 12b-25(b). The company expects to file the Report by mid-2008 following the filing of its Annual Report on Form 10-K for the fiscal year ended October 31, 2007.

PART IV - OTHER INFORMATION

(1) Name and telephone number of person to contact in regard to this notification

William A. Caton (630) 753-2600

(Name) (Area Code) (Telephone Number)

(2) Have all other periodic reports required under 13 or 15(d) of the Securities Exchange Act of 1934 or section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If the answer is no, identify report(s). Yes No

The company has not filed its Quarterly Report on Form 10-Q for the periods ended January 31, 2007, April 30, 2007, and July 31, 2007, nor its Annual Report on Form 10-K for the fiscal year ended October 31, 2007.

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? Yes No

If so, attach an explanation of the anticipated change, both narratively, and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

The company has yet to file its Annual Report on Form 10-K for the fiscal year ended October 31, 2007, and is unable to determine whether there will be any significant change in results of operations in the Quarterly Report on Form 10-Q for the fiscal period ended January 31, 2008 as compared to the corresponding period for the prior fiscal year. However based on the cyclical nature of our business and other factors, there may be a significant change in the company's results of operations.

Information provided and statements contained in this report that are not purely historical are forward-looking statements within the meaning of Section 27A of the Securities Act, Section 21E of the Exchange Act of 1934, and the Private Securities Litigation Reform Act of 1995. Such forward-looking statements only speak as of the date of this report and the company assumes no obligation to update the information included in this report. Such forward-looking statements include information concerning our possible or assumed future results of operations, including descriptions of our business strategy. These statements often include words such as “believe,” “expect,” “anticipate,” “intend,” “plan,” “estimate” or similar expressions. These statements are not guarantees of performance or results and they involve risks, uncertainties and assumptions, including the risk of continued delay in the completion of our financial statements and the consequences thereof, the availability of funds, either through cash on hand or the company’s other liquidity sources, to repay any amounts due should any of the company’s debt become accelerated, and decisions by suppliers and other vendors to restrict or eliminate customary trade and other credit terms for the company’s future orders and other services, which would require the company to pay cash and which could have a material adverse effect on the company’s liquidity position and financial condition. Although we believe that these forward-looking statements are based on reasonable assumptions, there are many factors that could affect our actual financial results or results of operations and could cause actual results to differ materially from those in the forward-looking statements. For a further description of these factors, see Item 1A. Risk Factors of our Form 10-K for the fiscal year ended October 31, 2005, which was filed on December 10, 2007.
