**BHP BILLITON ANNOUNCES SECOND INTERIM DIVIDEND AND ALIGNMENT OF DIVIDEND
DECLARATION DATES WITH EARNINGS ANNOUNCEMENTS**

Following BHP Billiton's decision to cease quarterly reporting of financial results, the Board has announced today its intention to align its dividend declaration dates with its half year and full year earnings announcements. As a result of this decision, BHP Billiton has today announced a second interim dividend of 8.5 US cents per share.

Commenting on these decisions, Chairman Don Argus said: "Moving our dividend declaration dates to February and August, to coincide with our half year and full year earnings announcements, brings us into line with normal market practice. The second interim dividend is being paid to reflect the change in timing of our final dividend which will now be declared in August of this year rather than May, as has been the case in recent years. What will not change is our focus on pursuing a progressive dividend policy."

The second interim dividend of 8.5 US cents per share will be paid to BHP Billiton Limited and BHP Billiton Plc shareholders on 5 May 2004 and represents an increase of 13.3% over the final dividend of 7.5 US cents per share, paid on 2 July 2003.

Full details of the timetable for this second interim dividend are attached to this release.
