PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS

We are furnishing this Proxy Statement to stockholders of record as of the close of business on November 10, 2005 in connection with the solicitation of proxies by our Board of Directors for use at the Annual Meeting of Stockholders to be held on December 29, 2005. This Proxy Statement and the accompanying form of proxy are being mailed to the stockholders on or about December 12, 2005. Our Annual Report on Form 10-KSB for the year ended December 31, 2004 (which does not form a part of the proxy solicitation materials) is being distributed concurrently herewith to stockholders.

VOTING SECURITIES; PROXIES; REQUIRED VOTE

Voting Securities

At the annual meeting, each holder of record of Common Stock at the close of business on November 10, 2005 will be entitled to one vote for each share of Common Stock owned on that date as to each matter presented at the Annual Meeting. On November 10, 2005, 50,612,504 shares of Common Stock were outstanding.

Proxies

You cannot vote your shares at the meeting unless you are present in person or represented by proxy. All properly executed and unrevoked proxies in the accompanying form that are received in time for the meeting will be voted at the meeting or any adjournment or postponement thereof in accordance with instructions thereon, or if no instructions are given, will be voted "FOR" the election of all of the named nominees as Directors, "FOR" the amendment to the Amended and Restated Certificate of Incorporation, "FOR" approval of the 2005 Plan, "FOR" the ratification of Sweeney, Gates & Co. as our independent auditors, and in accordance with the judgment of the persons appointed as proxies with respect to other matters which properly come before the Annual Meeting. You may revoke a proxy by written notice to us at any time prior to exercise of the proxy. In addition, although mere attendance at the Annual Meeting will not revoke a proxy, you may withdraw your proxy by voting in person.

Voting Your Proxy

Whether or not you plan to attend the Annual Meeting, you may vote your shares via Internet, telephone or mail as more fully described below:

- By Internet: Go to www.voteproxy.com and follow the instructions. Have your proxy card available when you call.
- By Telephone: Call 1-800-PROXIES (1-800-776-9437) and follow the voice prompts. Have your proxy card available when you call.
- By Mail: If you have received a proxy card, mark your vote, sign your name exactly as it appears on your proxy card, date your card and return it in the envelope provided.

Required Vote

At the Annual Meeting, (1) a plurality of the votes cast in person or by proxy is required to elect Directors (meaning that the six nominees receiving the highest number of "FOR" votes will be elected; and (2) the affirmative vote of holders of at least a majority of the voting power of the outstanding shares of Common Stock represented in person or by proxy at the meeting is required to (a) approve the amendment to the Amended and Restated Certificate of Incorporation, (b) approve the 2005 Plan and (c) ratify the appointment of Sweeney, Gates & Co. as the independent auditors of our financial statements for the year ending December 31, 2005. Stockholders are not allowed to cumulate their votes in the election of directors. In voting on the election of directors, abstentions and broker non-votes (which occur when a broker holding shares for a beneficial owner does not vote on a particular proposal because the broker does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner) will be disregarded and not treated as votes cast and, therefore, will not affect the outcome of the election. Abstentions will have the same effect as votes against the proposals to approve the amendment of the Amended and Restated Certificate of Incorporation, approve the 2005 Plan and ratify the appointment of Sweeney, Gates & Co., but broker non-votes will not be counted as votes against such proposals or as shares present or represented at the meeting.

Quorum

The required quorum for the transaction of business at the Annual Meeting will be a majority of the voting power of shares of Common Stock issued and outstanding on the record date. Abstentions and broker non-votes will be included in determining the presence of a quorum.

**PROPOSAL 1
ELECTION OF DIRECTORS**

Recommendation of the Board of Directors

The Board of Directors recommends that you vote "FOR" the election of all of the nominees listed above.

Section 16(a) Beneficial Ownership Reporting Compliance

We are required to identify each person who was an officer, director or beneficial owner of more than 10% of our registered equity securities during our most recent fiscal year and who failed to file on a timely basis reports required by Section 16(a) of the Securities Exchange Act of 1934, as amended ("Exchange Act").

To our knowledge, based solely on our review of the copies of such reports received by us, and representations from certain reporting persons, we believe that, during the year ended December 31, 2004, our directors, executive officers and significant stockholders have timely filed the appropriate form under Section 16(a) of the Exchange Act, except Form 4's for Evan Myriantopoulos (two filings); Peter Salomon (two filings); Larry Kessel (two filings); and Arthur Kornbluth (one filing), all of which have been subsequently made.

Corporate Governance

Pursuant to the Company's Amended and Restated Certificate of Incorporation and By-laws, the Company's business and affairs are managed under the direction of the Board of Directors. Members of the Board of Directors are kept informed of the Company's business through discussions with senior management, by reviewing materials provided to them and by participating in meetings of the Board of Directors and its committees.

The Board of Directors has determined that all of the directors, other than Messrs. Sember, Myriantopoulos and Haig, are "independent" as such term is defined by the applicable listing standards of the American Stock Exchange. The Board of Directors based this determination primarily on a review of the responses of the directors to questions regarding their employment, affiliations and family and other relationships.

The Board of Directors held ten meetings in 2004, and each director who served as a director during 2004, except Mr. Sedlack, attended more than 75% of the meetings of the Board of Directors and each of the committees on which he served.

The Company typically schedules a meeting of the Board of Directors in conjunction with its Annual Meeting and expects that all directors will attend, absent a valid reason, such as a scheduled conflict. Last year, all of the individuals then serving as directors attended the Annual Meeting in person or telephonically.

The Board of Directors has the following three committees: (1) Compensation, (2) Audit and (3) Nominating. The Board of Directors has adopted a written charter for each of these committees. Such charters are attached as Appendices A, B and C, respectively, and are posted on the Company's website: <http://www.dorbiopharma.com> under the caption "Investors."

The Board of Directors has also adopted a Code of Business Conduct and Ethics that applies to all of our directors, officers (including the Chief Executive Officer and the Chief Financial Officer) and employees. Our Code of Business Conduct and Ethics is posted under the caption "Investors" on the Company's website: <http://www.dorbiopharma.com>. If, in the future, the Board of Directors amends the Code of Business Conduct and Ethics or grants a waiver to our Chief Executive Officer, Chief Financial Officer or any future principal accounting officer with respect to the Code of Business Conduct and Ethics, the Company will post the amendment or a description of the waiver on the Company's website.

Compensation Committee

The Board of Directors has a Compensation Committee, which is comprised of Dr. Kuo and Mr. Madison. The Compensation Committee is responsible for reviewing and approving the executive compensation program for the Company, assessing executive performance, making grants of salary and annual incentive compensation and approving certain employment agreements. The Board of Directors has determined that all members of the Compensation Committee are "independent" directors, as such term is defined by Section 121(A) of the American Stock Exchange listing standards. The Compensation Committee met one time during the fiscal year ended December

31, 2004.

Nominating Committee

The Board of Directors has a Nominating Committee, which is comprised of Dr. Kuo and Mr. Madison. The Nominating Committee makes recommendations to the Board of Directors regarding the size and composition of the Board of Directors, establishes procedures for the nomination process, recommends candidates for election to the Board of Directors and nominates officers for election by the Board of Directors. The Board of Directors has determined that all members of the Nominating Committee are "independent" directors, as such term is defined by Section 121(A) of the American Stock Exchange listing standards. The Nominating Committee did not meet during the fiscal year ended December 31, 2004.

In considering candidates for the Board of Directors, the Nominating Committee considers the entirety of each candidate's credentials and does not have any specific minimum qualifications that must be met by a nominee. However, the Nominating Committee does believe that all members of the Board of Directors should have the highest character and integrity, a reputation for working constructively with others, sufficient time to devote to Board matters, and no conflict of interest that would interfere with performance as a director. In the case of current Directors being considered for nomination, the Nominating Committee also takes into account the director's history of attendance at meetings of the Board of Directors or its committees, the Director's tenure as a member of the Board of Directors, and the Director's preparation for and participation in such meetings.

Stockholders who wish to suggest qualified candidates should write to the Office of the Secretary, DOR BioPharma, Inc., 1691 Michigan Avenue, Suite 435, Miami, Florida 33139, specifying the name of the candidates and stating in detail the qualifications of such persons for consideration by the Nominating Committee. A written statement from the candidate consenting to be named as a candidate and, if nominated and elected, to serve as a director should accompany any such recommendation. Stockholders who wish to nominate a director for election at an annual meeting of the stockholders of the Company must otherwise comply with our by-laws regarding stockholder proposals and nominations. See "Deadline for Stockholder Proposals" contained herein.

Audit Committee

The Board of Directors has an Audit Committee, which is comprised of Dr. Kuo and Mr. Madison. The Audit Committee assists the Board of Directors in monitoring the financial reporting process, the internal control structure and the independence and performance of the internal audit department and the independent public accountants. Its primary duties are to serve as an independent and objective party to monitor the Company's financial process and internal control system, to review and appraise the audit effort of the Company's independent accountants and to provide an open avenue of communication among the independent accountants, financial and senior management of the Company and the Board of Directors. During the year, the Board of Directors examined the composition of the Audit Committee in light of the applicable listing standards of the American Stock Exchange and the regulations under the Exchange Act applicable to audit committees. Based upon this examination, the Board of Directors has determined that all members of the Audit Committee are "independent" directors within the meaning of such listing standards and the Exchange Act and the rules and regulations thereunder. The Board of Directors has determined that Dr. Kuo and Mr. Madison each qualify as an "audit committee financial expert" as that term is defined in the applicable regulations of the Exchange Act and the regulations thereunder. The Audit Committee met four times during the fiscal year ended December 31, 2004.

Report of the Audit Committee of the Board of Directors

The Audit Committee submits the following report for the year ended December 31, 2004:

The Audit Committee has reviewed and discussed with both management and the outside auditors the audited consolidated financial statements as of and for the year ended December 31, 2004. The Audit Committee's review included discussion with the outside auditors of matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants.

The Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standard No. 1, *Independence Discussions with Audit Committees*, as amended, by the Independence Standards Board, and has discussed with the independent auditors matters relating to the auditors' independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements referred to above be included in the Company's Annual Report on Form 10-KSB for the fiscal year ended December 31, 2004, for filing with the SEC.

Submitted by the Audit Committee*,

James S. Kuo, M.D., M.B.A.

*Mr. Madison currently serves on the Audit Committee but was not a member of the Audit Committee at the time these matters were considered.
