The appointment is effective as of July 3, 2006. The full text Medistem's press release is attached hereto as Exhibit 99.1.

Prior to joining Medistem, Mr. Rivers, age 35, was co-founder of Rivers & Moorehead PLLC, an internal controls, accounting and financial reporting consulting firm he co-founded in 2004. From 2000 to 2004, Mr. Rivers worked for ON Semiconductor Corporation in various positions including Controller.

to the date of termination and will have 90 days from the date of termination to exercise any vested but unexercised options existing as of the termination date. The foregoing description is only a summary of, and is qualified in its entirety by reference to, the employment agreement, which Medistem will file with its next periodic report.

Under an Incentive Stock Option Agreement, Medistem granted Mr. Rivers stock options to purchase 720,000 shares of common stock of Medistem, with such options vesting over three years. The first 33% will vest on the first anniversary of the agreement, the second 33% on the second anniversary of the agreement and the remaining 33% will vest on the third anniversary of the agreement. The exercise price for the options was determined by the closing market price of the common stock on the day before the grant. In connection with the employment agreement, Medistem and Mr. Rivers also entered into an Indemnification Agreement which contains provisions that may require Medistem to, among other things: indemnify Mr. Rivers against liabilities that may arise by reason of his status or service as an officer to the fullest extent permitted under Nevada law and Medistem's bylaws and certificate of incorporation and advance Mr. Rivers' expenses incurred as a result of any proceeding against him as to which he could be indemnified.
