EXHIBIT A

SUMMARY OF SUBORDINATION PROVISIONS OF
SENIOR SUBORDINATED CONVERTIBLE NOTES

The Senior Subordinated Convertible Notes (the “SSC Notes”) will be general, unsecured and subordinated obligations of Company. The SSC Notes will be subordinated to all Indebtedness under or in connection with the Credit Agreement, as amended from time to time, and all refundings, replacements and refinancings of such Indebtedness (such Indebtedness, the “Designated Senior Debt”).

No payment on account of principal of, redemption of, interest on or any other amounts due on the SSC Notes, including, without limitation, any payments on any fundamental change repurchase right, and no redemption, repurchase or other acquisition of the SSC Notes may be made (except in common stock) if a default in the payment of Designated Senior Debt occurs and is continuing beyond any applicable period of grace (a “Payment Default”); or a default other than a payment default on any Designated Senior Debt (a “Non-Payment Default”) occurs and is continuing that permits the holders of Designated Senior Debt to accelerate its maturity, and the trustee for the SSC Notes receives a notice of such default (a “Payment Blockage Notice”).

The Company may resume payments and distributions on the SSC Notes in case of a Payment Default, upon the date on which such default is cured or waived or ceases to exist; and in the case of a Non-Payment Default, upon the earlier of the date on which such Non-Payment Default is cured or waived or ceases to exist or 179 days from the date the Payment Blockage Notice is received, unless the maturity of the Designated Senior Debt has been accelerated.

Notwithstanding the foregoing, not more than one Payment Blockage Notice may be given in any consecutive 360-day period, irrespective of the number of defaults with respect to Designated Senior Debt during such period. No default which existed or was continuing on the date of the commencement of any Payment Blockage Notice with respect to the Designated Senior Debt whose holders delivered the Payment Blockage Notice may be made the basis of the commencement of a subsequent Payment Blockage Period by the holders of such Senior Debt, whether or not within a period of 360 consecutive days, unless the default has been cured or waived for a period of not less than 90 consecutive days.

Upon any distribution of assets in connection with any dissolution, winding-up, liquidation or reorganization of the Company or acceleration of the principal amount due on the SSC Notes because of any Event of Default, all Senior Debt must be paid in full before the holders of the SSC Notes are entitled to any payments whatsoever.
